Eunice Rain

*Do not stand at my grave and weep,
I am not there, I do not sleep.
I am a thousand winds that blow.
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle Eunice rain.
When you wake in the morning hush,
I am the swift, uplifting rush
Of quiet birds in circling flight
I am the soft starlight at night.
Do not stand at my grave and cry.
I am not there,
I Did Not Die!*

I Am Free

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day,
to laugh, to love, to work or play.
Task left undone must stay that way,
I found sweet peace at the close of the day.
If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
ah yes, these things, I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I've savored much;
good friends, good times, a love one's touch.
Perhaps my time seemed all too brief
Do not lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me **FREE**.*
