I'm Free

Don't grieve for me, for now I'm free;
I'm following that path God laid for me.
I took His hand when I heard Him call;
I turned my back and left it all.

I could not stay another day;
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
And yes! these things, I too will miss.

Be not burdened with times of sorrow;
I wish you the sunshine of tomorrow.
My life's been full. I've savored much;
Good friends, good times and
a loved one's touch.

Perhaps my time seemed all too brief;
Don't lengthen it now with undue grief;
Lift up your heart and share with me;
Don't grieve for me now, for now I'm free.
