For the 1948-49 season, a group of England junior under the direction of the late H. D. Smith, plan to give a "Big Gig" to the Midland Junior Club in New Orleans. And to add the coup de grace to this high flying season, the Bulloch County Junior Football Club will be given the honor of playing in this game. A. H. Wills, President of the Midland Junior Club, in an official letter, states that he feels their club has made a good showing, and they will be glad to accept the game.

Our Bible

The Arabic alphabet...

BY VIRGINIA RUSSELL

The Arabiic alphabet

The Arabic alphabet is one of the oldest known writing systems. It is used in various languages of the Arabic world, including those in the Levant, North Africa, and the Middle East. The alphabet consists of 28 letters, each of which is a combination of two smaller letters. The letters are written from right to left, and the script is usually cursive.

Benching

Benching is a term used in the context of the New York Stock Exchange. It refers to the practice of keeping a market at a certain price for a limited time, often to prevent the market from going down. This is typically done by brokers or market makers who have a financial interest in maintaining the price at a certain level. Benching can be seen as a form of manipulation or collusion, and it is generally frowned upon by regulators and the exchange.

Our National Guard

Charlie Brown

By VIRGINIA RUSSELL

The National Guard is a component of the United States military that is composed of state and federal units. It is responsible for providing military support to the civil authorities in times of disaster or emergency. The National Guard is divided into two branches: the Army National Guard and the Air National Guard.
