The Elks Aidmore Auxiliary
Is Collecting Empty ALLSWEET Cartons

Swift and Company, manufacturers of "Allsweet" Margarine, is going to pay our Auxiliary 5 cents for each empty "Allsweet" carton turned in during the next 120 days. All proceeds from this campaign will be used to buy equipment for the new Aidmore Crippled Children's Hospital.

Leave your empty cartons with your grocer. If you should forget to leave them with your grocer, phone 734-J1 or 459 and some member of the Auxiliary will call for them.

NOTE: If you should be saving the coupon inside the carton for Silver, please keep the narrow coupon for yourself and save the front side for Aidmore. The front side is the yellow and blue side.

REMEMBER: When you buy "Allsweet" Margarine the cartons are valuable. By leaving it with your grocer you will be making a valuable contribution towards the recovery of some crippled child who might not otherwise have been able to afford the necessary treatment.

BUY "ALLSWEET" AT YOUR FAVORITE GROCER. LEAVE THE CARTON TO HELP AIDMORE.

STATESBORO, GEORGIA, THURSDAY JUNE 10, 1954
NUMBER 30

Mrs. F. W. Hughes Is BC Teacher of the Year

By Mrs. John A. Robertson
Mrs. F. W. Hughes of Brookfield has been named the Teacher of the Year of Bulloch County.
In a brief and impressive ceremony at the final meeting of the school year at the Bulloch County Association, unanimously elected to proclaim Mrs. Hughes the teacher of the year.
Mrs. D. L. Deane of Statesboro, president of the association, proposed the honor. Mrs. Hughes is the English teacher in the Brookfield High School. This is her forty-fifth year in the teaching profession. Most of her years have been spent in the Brookfield school system. She was principal of the Leefield Elementary School near Brookfield. This school was consolidated with the Brookfield School two years ago.
Very briefly Mrs. Hughes expressed her appreciation for the honor.
Gordon Hendrix is president of the Bulloch GEA.

Revival begins at Bethel Sunday

Revival services will begin at Bethel Baptist Church Sunday, June 13 and continue through Friday, June 18, with Dr. James M. Stollter, associate professor of church history and minister at Northside Baptist Theological Seminary, Chicago, as the guest minister.
Morning services will be at 10:00 a. m. and evening services at 8:30 o'clock. A song service will precede each preaching service.
Dr. Stollter, a native of Georgia, was reared in Florida. He attended Oglethorpe University in Atlanta where he received his B.A. degree in 1940, his M.A. degree in 1941. For four years he preached in rural churches in Georgia and served as professor of church history and Bible at Mount Zion Junior College at Mount Zion.
For two years he taught English literature and public speaking at Oglethorpe University. For the past five years he has been pastor of Calvary Baptist Church in Chicago, Illinois. During this time he attended the Divinity School of the University of Chicago and the Southern Baptist Theological Seminary. He received his degree of Bachelor of Divinity and his Doctor of Theology in 1951.
In 1949 he was appointed to a present position at Northern Seminary.
He is the author of the book, "A History of Kioke Baptist Church," of special interest to members of the church in the Statesboro area.
The lifelong farmer had retired several years ago because of ill health.
Survivors are three sons, Eugene Lee, Atlanta, Cecil and Curtis Lee Statesboro; Mrs. R. L. Conner, Statesboro; a sister, Mrs. Donnie Lee, Savannah.
Pallbearers named were Louis Smith, Dave Lee, Charlie Zetterower, Grady Flake, Wilton Flake and Lonnie Flake.
Bethel Baptist Church and pastor, the Rev. L. A. Kelly, invite everyone in the community and county to attend the services.

109 donors pledge to give blood June 15

The Rev. Paul Strickler, who succeeds the late Dr. Marvin S. Pittman as chairman of the Bulloch County Blood Program, this week announced that the June visit of the Regional Bloodmobile is set for Tuesday, June 15, at the Recreation Center from 1 p. m. to 6 p. m.

Rites held for Willie E. Lee

Funeral services for Willie E. Lee, 69, who died early Saturday, June 5, after a short illness, were conducted at 4 p. m. Sunday at Statesboro Primitive Baptist Church by Elder J. B. Jarrell and Elder Harris Cribbs. Burial was in East Side Cemetery in Statesboro.
The lifelong farmer had retired several years ago because of ill health.
Survivors are three sons, Eugene Lee, Atlanta, Cecil and Curtis Lee Statesboro; Mrs. R. L. Conner, Statesboro; a sister, Mrs. Donnie Lee, Savannah.

Stationsboro trying to save Pilots, League

Members of the Statesboro Athletic Association are seeking means to save the Statesboro Pilots club for this year. They want the people of Statesboro to help. In a letter mailed out this week they said that it would be the principal of one of our city (the best town in Georgia) if we are forced to fold up during the baseball season. Let's save the good name of Statesboro by helping to be one of the best methods of saving a thriving city.
It is understood that if the Statesboro club has to withdraw from the Georgia State League because of financial difficulties, that the league

Second week's winners named

Mr. Carlos Meek of the Bulloch Tire and Supply Company this week announced the second week winners in the Westinghouse "I Can Be Sure If It's Westinghouse" contest. The contest runs two more weeks. Each week three winners are selected and at the end of the contest the winner of the grand prize, a Westinghouse refrigerator, will be selected from the winners.
Mr. Meek says that there is plenty of time to get in the contest. You may be the winner. Contest blanks can be secured at his place on East Main Street. The contest ends June 19.

County 4-H Club off to SE district project achievement meeting

Bulloch County 4-H Club members who already have earned county championships in their respective projects will attend the Southeast Georgia district project achievement meeting in Tifton, June 14-17, to see if their record books and demonstrations are good enough to win district titles. They will compete with winners from 26 other counties.
Jappy Akins, county president, will lead the delegation and serve as voting delegate.
Girls who will attend from Bulloch county are Misses Jody Ellen Smith, Portia, in public speaking; Eugenia F. Hutch, State Secretary, senior clothing; Joyce Faye Mallard, Brookfield; Maxam Brunson, Statesboro, junior clothing; Bonnie Dekle, Register, Muffins; and Kay Waters, Register, talent.
Boys who will attend are Tucker, Brookfield, senior public speaking; Wade Rice, Laboratory Elementary Club, junior public speaking; and Lewis Hendrix, Brookfield, talent.
In addition to competing for district honors, they will name district officers for next year.
The team and home agents will attend the district meeting with the Bulloch delegation.
Bulloch county was allocated 100 boys for the district Forestry Camp this week at Laurel Walker Park. They are Bobby Deal, Statesboro, and Jerry Shaw, Nevils. Previous year's secretary-treasurer of the camp were given to Ronald Adams, Register, and Jackie Anderson, Portia. Robert A. Wynn, assistant county agent and James F. Spires, forester for the Central of Georgia, accompanied these boys to camp.
The team and home agents will hold a big reunion at Mid-dleburg on Sunday, June 13, beginning at 10:30 in the morning. There will be dinner on the ground. All members of the Akins family and their friends are invited to attend. Mrs. Lottie Akins Futch is secretary-treasurer of the Carolina Ministers' Association.

Preston now in Congress race

Congressman Prince H. Preston this week made formal announcement of his candidacy for reelection to the House of Representatives.
The First District Congressman has served in the House since 1947 and since his second term has been a member of the powerful Appropriations Committee. This committee of the House passes on all money bills for agriculture, national defense, veterans, education, postal service, roads and all other functions of the national government.
The Democratic Executive Committee for the First District in a meeting at Statesboro last week unanimously commended the record of Congressman Preston and endorsed him to the voters for re-election.
Mr. Preston has a distinguished military record in World War II and was elected to Congress soon after his return from the service in 1946.
Rev. Strickler announced that he will follow the same organizational set-up as planned and worked out by Dr. Pittman.
He released a list of 109 donors who are expected to report Tuesday as blood donors. The list is as follows:
Carlton Akins, Buck Land, Earl Swicord, Mrs. J. R. Hobbs, Everett Williams, Zach A. Jones, Ernest Hagan, Mrs. B. W. Shellnut, Mrs. Peattie Scrives, Mrs. James W. Conner, Nannette Williams, Wilma L. Brunson, Ida Whittle.
Mrs. Lazzelle A. Story, Gary E. Bragg, C. M. Boatman, Jimmie Swicord, Mrs. E. L. Marsh, Harold H. Hagins, H. E. Bray, Ted Coward, Mrs. Wilbur Blackburn, Mrs. Grover C. Brannen, Bill Rowell, Julian B. Hodges, Mrs. Ellis Bragg.

Bremseth gets Point Four job

Dr. Cameron F. Bremseth, chairman of the business education division at Georgia Teachers College since 1947, has resigned to accept a position with the Point Four Program of the U. S. Government.
He will be director of business education in Saudi Arabia, and will leave the Statesboro campus on Monday, June 14, to be with his wife and children about September 1.
Dr. Bremseth's resignation will be effective here at the end of the first session of summer school. He reports to Washington, D. C. August 5 for a three-week period of orientation before going abroad.

Bookmobile to run next week

Miss Inabel Sorrier, librarian at the Statesboro Regional Library, this week announced the bookmobile schedule as follows:
Monday, June 14, Brookfield at 3:30 p. m.; Tuesday, June 15, Statesboro at 11:30 a. m. and 3:30 p. m.; Wednesday, June 16, Statesboro at 11:30 a. m. and 3:30 p. m.; Thursday, June 17, Middleburg at 11:30 a. m. and 3:30 p. m.; Friday, June 18, West community.

BC Health department assures parents swimming pool is safe

Dr. W. D. Lundquist, medical director of the Bulloch Health District, this week addressed a statement to the parents of children of this section in which he said, "The swimming pool and its director have the whole-hearted approval and support of the official public health agency and the citizenry can rest assured that any health menace will be promptly studied and appropriate measures formulated for protection of the public."
"Parents become quite concerned, and justifiably so, when they permit themselves to think about poliomyelitis."
Continuing he said:
"Although paralytic cases are relatively uncommon as compared to the number of cases of non-paralytic poliomyelitis, these crippling cases are the ones we fear and the only ones we hear about."
"The recreation director in Statesboro, Mr. Max Lockwood, has been beset with inquiries about the swimming pool and its safety for those using it. For some reason or other, no one knows why or where it originated, the current subject for discussion in Statesboro is whether or not the pool is going to be closed because of poliomyelitis."
"In the first place, there have been no cases of poliomyelitis reported in the city or the county this year, except for one small colored child sent to the University Hospital last week for observation, diagnosis and treatment. The symptoms were suspicious of poliomyelitis, but at the last report from the doctor in charge of the case, there was some doubt that poliomyelitis was causing the symptoms."
"But if the case should be proven to be poliomyelitis, it should not mean that the swimming pool can be condemned for having caused the cases. We know that the poliomyelitis is transmitted from person to person through nose, throat and intestinal discharges so close personal contact is necessary for transmission of the disease. Anytime you come in contact with cases, whether they be in the street, in church, in school, in the picture show or anywhere at all, and if you are susceptible, that is how you are susceptible. It has no immunity of resistance to the disease, then you may develop the infection. This applies for all communicable diseases, not just poliomyelitis."
"We also know that for every poliomyelitis case of poliomyelitis enough to require going to hospitalization, there are also at least 100 cases of non-paralytic poliomyelitis, and in a paralytic form too, as the really sick case."
"Secondly, the Statesboro swimming pool is a modern sanitary recreation device."
"Simply, the water is constantly being filtered and chlorinated which strains out and kills or neutralizes disease germs."

Talmadge points to progress of GTC

Education in Georgia is an ever-increasing field of opportunity, Governor Herman Talmadge told the graduates of Georgia Teachers College Monday.
He recounted the progress made in education in the state within the past few years in his address at the 28th annual commencement program at 10:30 a. m.
President Zach S. Henderson introduced the speaker to the packed auditorium and later conferred degrees of bachelor of science in education upon the 105 members of the 1954 graduating class.
"The governor cited the progress on the campus of Georgia Teachers College as being typical of advances in all of the 17 branches of the University system, and he declared that Georgia Teachers College is "an outstanding example of what we have accomplished" because "everywhere I go," said the Governor, "I am continually meeting graduates of this institution who have made a difference in the lives of themselves, and for this I congratulate President Henderson and Georgia Teachers College."
He urged the students not to set their eyes on a dollar mark as a yardstick of success but to look to the "Book of Books" for their measure of achievement. He quoted from the book of Matthew, he said, "He who would be greatest among you, let him be the servant of all."
In recounting the progress of the state in the field of education during the past six years since he took office, Governor Talmadge cited the following:
1. Increased per student expenditures from \$318 to \$605.
2. Constructed new buildings valued at \$20,000,000.
3. Increased the average faculty salary from \$2,830 to \$4,754 with increases from \$5,000 to \$9,200 in maximum salaries and from \$1,320 to \$2,400 in minimum salaries.
4. Expanded and improved curricula of all units of the University System.
5. Governor Talmadge congratulated the graduates upon completing their college work and wished them Godspeed in the future endeavors. He cited the industrial and agricultural growth of the state and urged the graduates to remain and work in their native state.

Revival set at Calvary Baptist

The revival meeting at Calvary Baptist Church will begin on Sunday, June 20, and continue through Sunday, June 27. Dr. R. D. Hodges, pastor of the First Baptist Church in Dublin, will be the visiting preacher. Dr. Hodges is well known in Statesboro and Bulloch county, having been pastor of the First Baptist Church of Statesboro from October, 1942, to June, 1944, at which time he accepted the pastorate of the First Baptist Church in Dublin. He has experienced a successful ministry there for the last 10 years.
During the years of his ministry, Dr. Hodges has been in demand as a pastor evangelist and has preached in many revival meetings, a number of the meetings having been in the churches in the Ogeechee River Association.
"The people of Calvary Church are engaged in extensive preparations for the revival meeting with prayer meetings being conducted in the church and in the homes."
The Calvary Church extends a cordial invitation to the people of Statesboro and the surrounding territory to attend services. The hours are 8 p. m. beginning Monday through Saturday night. The Sunday services will be as follows: Sunday School at 10:15 a. m., morning worship at 11:30 a. m., Training Union at 6:45 p. m., and evening worship at 8 p. m.
Dr. Hodges will arrive for the Sunday evening service, June 20, and will remain through Saturday night, June 26.

Rev. Carroll is TC grad speaker

Members of the 1954 graduation class of the Georgia Teachers College were told by the Rev. James P. Carroll, pastor of the Bamberg, S. C., First Baptist Church, and brother to Dean Paul Carroll, that the threat of the H-bomb has "forced upon mankind the necessity of serious thinking" in looking for a "way out."
"He told them, however, that Christ is the way; and in the words of St. Paul, he said, 'Christ in you is the hope of glory.'"
"Man hopes for glory," said Mr. Carroll. "Ever since man was expelled from the Garden of Eden, he has yearned to return. He is ever a dreamer and in idealist, seeking his way back."
"Usefulness is Glory" — "What man is and how useful the lives constitute man's glory." He closed with a warning against materialism, saying "material abundance without Christ will give you everything but life on but nothing to live for."
Mr. Carroll has been the Bamberg pastor for the past 10 years. Previously he was pastor of the Welford Baptist Church for nine years. He has long been active in religious affairs in his native state and is presently secretary of the South Carolina Ministers' Association.

Such a little shaver and you may save his life

He is just a little shaver. And he was hi-halling it, hell-bent-for-leather, along the unpaved section of Park avenue. We watched him and crossed our finger for him. He was having fun—there's no doubt about that. And we're sure that he saw not one iota of danger in his barrelling along on Park avenue on his beautiful motor scooter. Nothing happened to him. But nothing happened to him only by the grace of God. Without his realizing it he was having fun with a package of dynamite. He is still a kid. He was operating a powerful, dangerous machine. He was on an undeveloped stretch of street. He was moving at a swift rate of speed. He was completely unaware of danger.

We toss our hat for a Bulloch countian

This week we throw our editorial hat high into the air for a Bulloch county man who, as boy and man, filled all the specifications for success. Edwin Beasley, son of Mrs. George T. Beasley and the late George T. Beasley, has accepted a University of Maryland Institute for Child Study Graduate Assistantship. The offer came to Mr. Beasley in Orangeburg, where he is principal of Mellichamp School in a letter from Dr. Daniel A. Prescott which read: "It gives me great pleasure to inform you that the staff of the Institute for Child Study has voted to offer you a Graduate Assistantship for the academic year 1954-55. This award to you is evidence of the high opinion in which you

Something to challenge every woman here

Are you a member of the Statesboro Woman's Club. If so, then you need read no further. This is addressed to those ladies of our community who are not members of the Woman's Club. We commend to you the following for your consideration. First, the Woman's Club is the only civic organization in Statesboro with an open membership for women. The club is interested in nearly every phase of community activity in which women can play a major part. Projects in which you may choose active participation include youth work, health interests, welfare activities, citizenship projects, public affairs,

Another step in our progress march

Statesboro establish a natural gas system. They determined that it could be done profitably, at the same time rendering a great service to its citizens. With this information and the recommendation, the council then commissioned another well known firm to proceed with the groundwork necessary to present the proposition to the public. In time the proposition will be presented to the citizens of Statesboro. We believe in it. And commend it to our community for favorable consideration when that time comes.

'One down and three to go' by snail schedule

By VIRGINIA RUSSELL
He displayed his tie with much enthusiasm, and explained that his aunt has worn the tie to him from New York. "Do you see the family's coat of arms?" he asked. I moved closer and the figures I had seen at a distance now could be plainly seen. They were "snails". The boy wearing the tie was our second son. We met him in Charlotte, N. C., where we were on our way to Davidson College to see the first son receive his degree. Sometimes humor is the only thing that can save the day. That tie with its snails, was present at the commencement services and when it seemed that the whole occasion would be darkest, I looked at the family "coat of arms" and had to giggle. Every family has its problems and I suppose that the larger the family the greater number of problems. But some of us have spells of self pity which is a dangerous form of recreation. For our family had departed for the graduation exercises we had spent some extremely busy days with two teachers in the family having a complete work that other years could be done over four more days. We were at the school for many school functions. The most nerve-racking program had been the piano recital given by Mrs. John L. Jackson's students, one of which is our third son.

Between my own busy schedule I had threatened, nagged, barged, scolded and persuaded this boy to memorize his piece for the recital. I returned home late in the afternoon before the evening of the recital to be told that, "Mommy, I went by the store from Mrs. Jackson's. I left my music outside on the bicycle. When I got back the music was gone. I guess the wind blew it away." Yes, we attended the piano recital. Whether the rest of the family felt like I felt, I don't know. But no tooth ache's subsiding ever felt so wonderful as I felt when he left the piano after playing as well without rehearsal as he ever played in his life. But I must confess, I indulged in a little self pity. "Why can't my family be normal? Why can't we get things done in an orderly manner like other people do?" And I am ashamed to say I was going to carry a little of this terrible self-pitying with me. We had a jubilant family reunion at Davidson College. I can think of no greater event than for a family to be reunited. We caught up on personal and family news. We were almost perfectly happy. There is always a fly in the ointment, I guess. The day we left to go to Davidson, we ate a good, substantial meal at home. It was my idea that we should save a little money on supper and eat a hamburger on the way. We had already discovered that getting a family decently dressed for a graduation is just another expense we hadn't counted on. Our well-fed-looking boy didn't take the hamburger idea and before anyone realized what was happening he had ordered himself a three or four course meal including crab meat cocktail and fried shrimp. It was a beautiful dinner and he ate it all. We joked that it was a public spectacle so we had not objected in public. We just decided to postpone "Say, do you think money grows on trees?" But what followed was a mighty sick little boy. He held his tummy and groaned. Later he assured me that the rest of the trip wouldn't cost so much on his account. He spent the first day in bed and very shakily got on his feet to attend the final exercises.

Waiting such a long time, half of my life time, for the moment when my son would receive his college degree, I was determined to have a good seat. We were in the auditorium thirty minutes before the exercises were to start. As I sat there I started worrying. I happened to remember that the first-born had had a college professor he would do a little electrical job for him he had told a boy he'd help him clean a science lab. He had worked all hours getting his car packed. I became frantic that he wouldn't get to his own graduation on time. I told my fears to my husband. He said, "Well, you'll remember it longer if he doesn't get here." The second son excused himself. He flew back to the house and back to our seats. He reported that the graduate was sans pants, shaving. (Five minutes before he was to be in line.) The seven-year old kept asking how to spell certain words. I was beside myself with worry.

OUR DEMOCRACY—by Mat

AS DAY IS FROM NIGHT—
A LARGE PART OF THE TWENTIETH CENTURY HAS SEEN TOTALITARIAN SYSTEMS TRIED IN VARIOUS PARTS OF THE WORLD. DARKNESS HAS DESCENDED UPON THOSE PEOPLES AND COUNTRIES OF THE BORDERS OF SEVERAL FORMERLY FREE AND INDEPENDENT NATIONS.

BUT DON'T BLAME US IF THE ALMANAC IS WRONG.

KNOW WHERESOME RELIEF of one of the old S. & S. Railroad locomotives might be lying around, unwanted, uncare-for. Any old item—bell, throttle handle, driver, front wheel, cow-catcher—just any ole part will do.

If you do notify the Editor of the Herald or Bealy Smith, Mrs. Edw. J. Bealy, National Bank Building, Atlanta, Georgia.

Bealy, whose father, D. C. Smith, was general manager of the old S. & S., just wants something to remind him of his wonderful childhood memories of that grand old railroad.

We visited with Bealy, Betty Lou and their six youngsters recently. We spent all day in his back yard remembering the many school functions. The most nerve-racking program had been the piano recital given by Mrs. John L. Jackson's students, one of which is our third son.

Between my own busy schedule I had threatened, nagged, barged, scolded and persuaded this boy to memorize his piece for the recital. I returned home late in the afternoon before the evening of the recital to be told that, "Mommy, I went by the store from Mrs. Jackson's. I left my music outside on the bicycle. When I got back the music was gone. I guess the wind blew it away."

Yes, we attended the piano recital. Whether the rest of the family felt like I felt, I don't know. But no tooth ache's subsiding ever felt so wonderful as I felt when he left the piano after playing as well without rehearsal as he ever played in his life. But I must confess, I indulged in a little self pity.

"Why can't my family be normal? Why can't we get things done in an orderly manner like other people do?" And I am ashamed to say I was going to carry a little of this terrible self-pitying with me. We had a jubilant family reunion at Davidson College. I can think of no greater event than for a family to be reunited. We caught up on personal and family news. We were almost perfectly happy.

There is always a fly in the ointment, I guess. The day we left to go to Davidson, we ate a good, substantial meal at home. It was my idea that we should save a little money on supper and eat a hamburger on the way. We had already discovered that getting a family decently dressed for a graduation is just another expense we hadn't counted on. Our well-fed-looking boy didn't take the hamburger idea and before anyone realized what was happening he had ordered himself a three or four course meal including crab meat cocktail and fried shrimp. It was a beautiful dinner and he ate it all. We joked that it was a public spectacle so we had not objected in public. We just decided to postpone "Say, do you think money grows on trees?"

PRENUPTIAL PARTIES

HONOR MISS CROOM
On Tuesday evening of last week, Miss Croom was entertained at a Coca-Cola party with Mrs. Carlton Purvis as hostess. Miss Croom was presented a piece of her china. Contests with romantic themes furnished entertainment. Delicious refreshments were served.

RECEPTION

The reception was held in the social room of the church. The bride's table, with sheer linen and lace cover, was centered with a tiered wedding cake encircled with feverfew and plumosa fern. The punch bowl was based in greenery and gardenias.

WE ARE HAPPY TO SEE

The Jaycee organization greets this bunch of young business men who are doing a great job for their community. Their special interest is the youth of our community. For after all, most of the membership is not yet 30 years of age.

COMMUNITY AFFAIRS

Thomas Nesvome served as the most to them that they did not get, they are knocking themselves out to get it. We are thinking about the wonderful good they are doing through the Recreation Center—their recent contribution of the wading pool for the kids up in one of the back door area for both the young people and the adults of our community. As long as we have young business men like the Jaycees we need not worry too much about the future generations. We commend them to any young man who wants to contribute something to his community. Membership in the Jaycee is a fine way to do so.

THE MAGNOLIA GARDEN CLUB

Members of the Magnolia Garden Club were entertained Thursday afternoon at the lovely home of Mrs. George Hagnis with Mrs. DeWitt Thackston as co-hostess. Attractive arrangements of gladioli and lilies were used in the

Mrs. Grace Jarrell of Statesboro was a visitor at the Presbyterian Church Sunday, May 20.

Mrs. Lee Hollingworth, accompanied the ninth grade on their annual picnic May 27, to Tybee.

Troy Beasley and Farris Young (star of Grand Old Opera) of Atlanta, visited Mr. and Mrs. J. C. Beasley on Saturday, May 29.

END OF SCHOOL PICNIC

Mr. and Mrs. Lester Edgerton announced the marriage of their daughter Martha, to Billy Findley. The ceremony was performed Saturday, May 15 at the home of Mr. and Mrs. Edgerton. The bride was Miss Findley. She will be making her home here.

COMMENCEMENT SERVICE

The commencement service for the Stilson High School was held at the high school auditorium Sunday morning, May 30, at 11 o'clock, with the Rev. A. R. Crumpton of Claxton, as preacher.

On Monday evening, May 31, at 7 o'clock, the graduation exercises were held in the high school auditorium.

Members of the senior class were Dorothy Adams, Hazel Frost, Mattie Lou Groves, Elyonne Pyle, Eva Shurling, Joyce Wright, Angelyn Sanders, Uldine Shuman, Roland Bell, Edward Shaw, Donald Wilson, Laverne Sanders, Rabun Murray, Donald Bell, and Russell Cribbs. After graduation was over the group of seniors and Mrs. Nina Sturgis and A. J. Shuman went to Savannah where they boarded the train to begin their class trip to Washington and New York and other points of interest. We wish for them a very wonderful trip.

PERFECT ATTENDANCE

Those having perfect attendance records during the 1953-54 school term at Stilson School were Inez Miller, Cynthia Smith, Arline Pail, Lydia Mitchell, Marvin Martin, Kenneth Robertson, Mary Allison Shuman, June Morris, Lynette Shuman, Terry Robertson, Dorothy Shierrod, Annette Mitchell, Nancy Jane Bell, Linda Smith, Lillian Morris, Buddy Crosby, Watson Beasley, Barbara Pyle, Alfred Chassereau, Clyde Miller, Rita Jane Sanders, Angelyn Sanders, Carolyn Driggers, Carletta DeLoach, Uldine Shuman, Mattie Lou Groves and Eva Shurling.

Visitors at Stilson Presbyterian Church Sunday, June 6, were Mrs. Joe Cribbs and daughter Barbara, Mrs. Fred Branch and daughter Brenda Joyce, all of Savannah; Miss Diane Strickland and Al Sutherland and Mrs. Grace Jarrell, all of Statesboro. We were sorry Mr. and Mrs. W. O. Dugdale of Savannah could not be with us as they had planned to visit with us. Mrs. Dugdale was ill.

VISITORS

Mrs. Cohen Driggers of Hasting, Fla., visited her parents, Mr. and Mrs. W. B. Murray here.

Mrs. L. J. Scarborough and daughters, Jean, Carol and Martha and Miss Stackey, spent the weekend visiting Mr. and Mrs. Randolph Jones in Swainsboro. They were accompanied by Mrs. Stackey and son Jerry, who had spent some time visiting in Swainsboro.

STUDENTS RETURNING FROM LEAVE

Lois Ann Richardson from Young Harris College; Betty Harden, Leona Newman, Sarah Williams, P. S. Richardson Jr., Georgia Teachers College; Avant Edfield and Emerson Proctor, University of Georgia at Athens; and Julian Fordham who finished at Braxton Parker in Mt. Vernon.

To the members and friends of Stilson Presbyterian Church:

Dear Friends:

We all look forward to doing a good work for the Lord at our church during the summer months. Let us plan now to be good witnesses for Him. In order to help us in our work for the Lord we have called Mr. Fielding D. Russell Jr. to work with us during the summer months. Mr. Russell has dedicated his life to the service of God and is studying to become a Presbyterian minister. Let us follow him as he seeks to lead us. He will arrive during the second week in June to begin his work.

We all want the Lord's work to prosper at Stilson. As your pastor, I ask that every member begin now to pray that God will bless Mr. Russell and our church as we serve in the Kingdom, together. Support every service with your presence and invite everyone to join with us in worshipping the Lord.

Faithfully your pastor,
JOHN B. PRIDGEN JR.

L. E. TYSON ANNOUNCES NEW DIESEL TRACTOR

This week L. E. Tyson of the Standard Tractor and Equipment Company announces the introduction of a new 3-4 plow diesel tractor produced by Ford.

According to Mr. Tyson tests on the new Ford Major Diesel Tractor show fuel cost are "cut to the bone" as compared to gasoline tractors in the same power class. He pointed out that it is priced hundreds of dollars lower than other diesel tractors in its power class. It invites farmers of this section to come in and look at the new Ford Major Diesel. It is on display at his place on West Main street.

I appreciate the efforts of Mrs. Ernest Shurling of Brooklet in getting her church news in the Bulloch Herald. She states that the public is invited to attend all these services.

Elder C. E. Sanders will supply at Lanes Primitive Baptist Church the second Sunday in June at the regular morning and evening services in the absence of Elder A. R. Crumpton, who will be preaching at Metter at this time.

Everyone is invited to attend.

Lab High School graduation features youth participation

A dynamic program, "Youth Wants Most to Have a Useful Life," summarizing twelve years' work at Georgia Teachers College High School, was presented by the senior class Monday night, May 31, at 8 o'clock in the auditorium of the Laboratory School.

This original program grew out of the students' interest in planning their own graduation exercises. From class themes, "My Twelve Years in School" and "What Education Means to Me," a creative program was started under the leadership of Miss Rebecca Parks, senior class sponsor, and Mr. Daniel Hooley, music director. The framework was set up and the choric readings and dramatic episodes were arranged in proper sequence in eight parts. The community, the school and its offerings, class history, outstanding events in school life, provided material for a vitalized commencement program as portrayed by the seniors on this momentous occasion in their lives.

The effectiveness of the tableau presented by the seniors in robes on risers for the choric speaking was very impressive and unusual.

The seniors taking part in this program were as follows: "We Came to School," James Williams, Jo Ann NeSmith, Billy Waters, Anne Marie Collins, Vernard Blackburn, Newton Wallace and Donald Lanier; "How Can We Use What We Have Learned," Barbara Anderson, Jack Anderson, Barney Williams, Dwan Deal, Wally Turner; "At the Crossroads—Which Way Do We Go?" Betty Parker, W. C. Brown, Vivian Deal, Dorothy Holloway,

The Rev. Pridden Dr. Little gives is Lab. Speaker Lab. High honors

The baccalaureate sermon, held Sunday afternoon, May 30, at 5 o'clock in the Laboratory High School auditorium was well attended. The Rev. John B. Pridden Jr., pastor of the Presbyterian Church of Statesboro, was the guest preacher.

After the processional, Menelaos' "March of the Priests" the invocation was given by Dean Paul F. Carroll. Following the hymn and the Scripture reading, Miss Martha Clark, daughter of Mr. and Mrs. H. B. Clark, sang a solo, "The Lord is My Light."

Using "First Things First" as his theme, Mr. Pridden showed that no success in life has any meaning unless it places the right emphasis on spiritual values.

After another hymn by the audience, Mr. Pridden pronounced the benediction and the recessional "Triumphal March" (Greig) was played by Johnny DeNitto.

Wade Chester, Ann Marie Collins, Dwan Deal, Sue Nell Deal, Vivian Deal, Wyman Deal, Joan Hendrix, Ray Hollingsworth, Dorothy Holloway, Marian Keel, Donald Lanier, Jo Ann NeSmith, Betty Parker, S. M. Silent Flame Tobacco Harvester Can Increase Production per worker by as much as Three Times!!!

Agricultural officials report that it takes eleven people to harvest about 600 sticks of tobacco per day by present methods. That is an average of approximately 55 sticks per worker per day.

With the Silent Flame tobacco harvester and a crew of only seven people you can harvest up to 150 sticks of tobacco per hour. You can harvest up to 1,200 sticks or more per day with this machine. This is an average of approximately 170 sticks per worker per day. This is more than three times the average per worker per day by old methods. If you harvest only 1,000 sticks per day, you will average over 140 sticks per day per worker. This is more than two and one-half times the production by older methods.

Think of what savings this can mean to you in dollars and cents. Think of the extra money you can have this fall when you harvest your tobacco the Silent Flame way.

Ca. Elks hear Gov. Talmadge

An address by Governor Herman E. Talmadge before the Georgia State Elks Association at a close Saturday night May 22nd, at the DeSoto Hotel in Savannah. Approximately 100 members of the association attended this convention.

Those from Statesboro attending the convention were Mr. and Mrs. I. Seaman Williams, Mr. and Mrs. Lonnie H. Young, Mr. and Mrs. B. Stuber, and Mrs. Lawson Mitchell, Mr. and Mrs. Lehman Franklin, Mr. and Mrs. Chatham Alderman, Mr. and Mrs. J. E. Bowen Jr., Mr. and Mrs. John M. Thayer Jr., Mr. John M. Thayer Sr., and Mrs. K. D. Wilcox.

The convention will be held in Brunswick, Georgia, next Friday.

Religious Activities at Georgia State Prison

The religious activities at the Georgia State Prison has shown great progress during the past year, says Rev. W. L. Huggins, who has been chaplain of the institution, even so it is gaining recognition throughout the United States.

Letters have been received from Rhode Island, Indiana, Missouri, Texas and many other states with numerous questions. Along with this is gift subscriptions to the Upper Room from Christian groups and individuals from Connecticut and all Virginia, South Carolina as well as here in the state of Georgia.

The attendance in Sunday school, which is conducted by the white men has risen to great heights, with a beginning of three men to a present of 114. A goal of 100 had been set for Easter. On Easter Sunday there were 128 inmates in attendance. The goal is now set at 200 by July 4.

It can be made possible through much prayer and personal work.

Second is the wonderful group of visitors, those whom have shown an interest in the elms here in the institution.

There were such fine groups of visitors from the Salvation Army, The Volunteers of America, The Agoda Bible Class of Macon, Georgia, The Gables, and many others. Not only have they taken the time to visit, they have been helping in supplying literature, in fact while writing this we have just received 50 Sunday School quarters from a friend of the class from Macon, Georgia, who also has sent in 50 subscriptions to the Upper Room. We are truly grateful for these fine Christian friends and we ask God's blessing upon them for their fine Christian deed.

Through the generosity of Dr. Leslie D. Newton of Atlanta, Georgia and his fine congregation, 1,000 new men have been recipients of a New Testament as they enter the institution, when help is needed most.

DEDICATION SERVICE

January 31, 1954, will be a day that will be remembered by those who had the privilege of taking part in the dedication of the beautiful chapel that was erected within the prison walls.

This is the first such edifice to be built in the state of Georgia's penal system.

The guest speaker for this Moore, resident bishop of the Atlanta area of the Methodist Church. Others taking part in this great occasion were the Rev. George E. Clary, who at that time was the district superintendent of the Methodist Church, but since that time he is happy to learn that he has received a promotion to a greater office. Also present and taking part were Mr. Robert P. Balkcom Jr., Warden of GSP; Father Martin Hays, GSP Catholic Chaplain; and the Rev. W. L. Huggins, institutional chaplain.

After the congregation had been seated, the GSP Choir entered the chapel in an impressive march to the front, taking their place upon the platform. E. S. Thompson, our district organist, played the hymn, "The Churches' O Foundation," this being followed by the entire congregation in singing the lovely hymn, "I Love Thy Kingdom Lord."

The Rev. W. L. Huggins gave the call to worship with the responsive reading, followed by the invocation given by Father Martin. The GSP Choir gave a beautiful rendition of "The Gloria Patri," this being followed by the affirmation of faith, the Rev. W. L. Huggins leading the congregation.

The Rev. George E. Clary, US of Savannah, Ga, read the Scripture reading, closing with a word of prayer. Following this the GSP Choir then gave their own exceptional rendition of "The Gloria Patri." This being followed by the GSP Negro Quintet in harmony with some very inspiring spirituals.

The sermon was delivered by Bishop Arthur J. Moore, who in my estimation and I know touched deep in the heart of

Brooklet News Brooklet School closes 1953-54 term with graduation exercises

By Mrs. John A. Robertson

EDITOR'S NOTE—Because of an unfortunate delay in our receiving the Brooklet news last week it failed to make the June 3 issue of the paper. Mrs. Robertson mailed it on May 31, in plenty of time for us to receive it, but it was not until the afternoon of June 3 that we received it. We are using that news this week.

The 1953-54 term of the Brooklet School came to a close Monday night, May 31. The services Sunday morning, May 30, held in the school auditorium were as follows:

Processional, Mrs. W. D. Lee, pianist; song "Stand Up for Jesus," school choir; song, "Holy, Holy, Holy," congregation; invocation, the Rev. W. H. Anselmy, pastor of the Methodist Church; announcements, Principal J. H. Griffith; offertory, (Rayburn Lanier, solo, "Come, Paul, Follow Me," Glenn Wilson, Talmadge Jenkins and Bernard Shaw, ushers); special song, "Beautiful Words of Jesus," choir; sermon, Elder John Shelton Mikel, Luke 10; song, "He Keeps Me Singing," congregation; benediction, the Rev. C. L. Goss, pastor of the Baptist Church; recessional.

The graduation exercises Monday night were:

Processional, class song, seniors; "The Will to Believe," Mikel; class history, Janice Miller; class speaker, Dorothy Rushing; delivery of diplomas, "Alma Mater," seniors; recessional.

At the close of the exercises in the auditorium all patrons and friends were invited to the community house for the senior reception, in charge of the mothers of the members of the senior class.

GARDEN CLUB

At the May meeting of the Garden Club, held at the home of Mrs. Brooks Lanier, the following officers were elected to serve for the new year.

President, Mrs. Hamp Smith; vice president, Mrs. C. B. Fontaine; treasurer, Mrs. T. A.

Conference to be held at Epworth-by-the-Sea. Last week the Rev. Anselmy was presented a lovely new Crestline four door sedan Ford, from members of the church.

1954-55 FACULTY RECOMMENDED

The members of the faculty of the Brooklet School were recently recommended by the local board of trustees for reelection, as follows:

Mrs. A. C. Watts, Mrs. E. D. Lanier, Mrs. F. C. Royster, Mrs. Henry Howell, Mrs. John F. Spence, Miss Frances Lee, Miss Ollie Mae Lanier, Mrs. Rupert Clark, Mrs. Guyton McLendon, Mrs. John A. Robertson, Mrs. James E. McCall, Mrs. Hamp Smith, Mrs. F. W. Hughes, Mrs. J. H. Hinton, John F. Spence, J. S. Mikel, J. H. Griffith and Mrs. W. D. Lee (music).

But how do you measure the standard of living? EVERYTHING in the photograph is a measuring instrument, but none of them measures the standard of living.

One of the "yardsticks" for this purpose is the amount of electricity used in the home. For electricity lifts your burden of household drudgery, provides leisure hours, makes your life easier, richer, happier. The more electricity you use, the better your living standard.

By this measure, Georgia homes enjoy a much higher standard of living than the average home in the nation. For our average residential customer uses 27 per cent more electricity than the nation's average.

You pay less, too—22 per cent less than the national average for each kilowatt hour. In Georgia especially, electricity is your biggest bargain!

1954 SPECIAL 2-DOOR, 6-PASSENGER SEDAN, MODEL 48D (Illustrated)

TAKE heart, good friend—you can buy a hit-of-the-year Buick if you can afford any new car.

And we proudly show our price here to prove it.

For this price is the delivered price—the local delivered price—of the new Buick SPECIAL 2-door, 6-passenger Sedan—and it's just a few dollars away from those of the so-called "low-price three"—lower, in fact, than even some models of those very same cars.

But look what this Buick price gets you! It gets you the very look of tomorrow in styling modernity, even to the spectacular new panoramic windshield that seems to outdate everything before it.

It gets you Buick V8 power—highest in SPECIAL history—plus the economy of new Power-Head Pistons.

It gets you Buick room, Buick luxury, Buick size and structure and solidity—including of course, the famed Million Dollar Ride and a new precision in handling ease.

It gets you, too, solid and deep-down value. For any way you look at it, you're money ahead with the car that's years-ahead now in looks and line and the lift of its power—and the car that's outlasting every other car in America except two of the "low-price three."

Drop in today or the first thing tomorrow—just to try and to drive and to compare a new Buick. We'll let the car prove its points.

No wonder Buick Sales are Soaring!

The Best Things In Life Are Free

According to an old song "The moon and stars belong to everyone and the best things in life are free".

We believe that this old song has something. Because the moon and stars, along with all the natural resources with which man has been blessed, do belong to everybody.

But there are those who contend that only a chosen few should derive benefits from our natural resources. To be specific, there is a movement afoot to channel all of the power generated at Clark Hill, a federally constructed project, into private power company systems while the electric cooperatives, who have the legal right to the power, are left out.

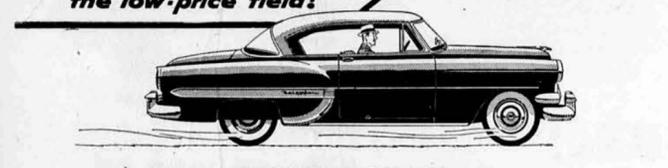

We believe that the benefits of our natural resources should be distributed to all of the people as set forth by a law of Congress.

ALL'S FAIR

This Week's SOCIETY

June, the month of roses, baseball, and lovely brides... Seething heat and lemonade, hammocks in the shade... on mountain tops or beaches you tan your hides.

But there come memories that will never fade... Moon-time croon-time, magnolias and valley lilies... Waitz, tulle, brass bands, or sentimental hill-billies.

You think of wedding bells and romance, a veil of old lace... Then you get blistered and red in the face.

When the radio fills the air with political speeches... You don't really mind; here comes a truck filled with fresh peaches.

Let the mosquitoes and gnats buzz and bite... Cause June is one month that comes out all right.

The preacher ties the knot and you don't promise to obey... And may you never regret that June wedding day.

THIS YEAR I think our people have taken to the water or the air. No more sand in their shoes traveling. We have been thrilled with our man that comes in from Rome, from London and such important stamps.

Here are excerpts from a letter mailed from London station with one of the many Queen Elizabeth stamps I have received.

This one comes from Reta Pollis whom most of you know. Miss Pollis traveled with Jack and Addie Advertiser as they toured Europe and according to Reta, "The three of us had a wonderful time and we'll never forget the beautiful treasures of art, architecture, the wonderful scenery of the different countries, London, of course, I've really found wonderful. But then I am visiting an old friend who is entertaining me very royally, and that means so much. Spent a few days last week in Scotland where Aonnie and Al Sutherland's cousins were very kind to me. I visited the Rossach and Loch Lomond in spite of rainy weather. It was great fun to be here and take part in welcoming the Queen back home. Can you imagine Addie,

MISS BETSYE MEADOWS, director of the nursery school at Georgia Teachers College, is sailing from New York on July 29 where she will visit Portugal, Spain, Italy, Germany, Belgium, Holland, Switzerland, Scotland, England, France. I must have left out one or many of the 12 countries. She will return to America September 11, docking at Quebec, that makes one more country, Canada. Maybe we've left out Greece or Denmark.

Jack, and I eating sandwiches in front of Buckingham Palace. It was just as exciting when the State Drive and official welcome took place. I had a really good view from the Mall. In between times I've visited Stratford on Avon, Windsor, and Hampton Court. Also have seen some fine theatre. "A Day by the Sea," "Twelfth Night" at the Vic Theatre. "Hippo Dancing" by Robert Morley. "The Sleeping Princess" with Sir Lawrence Olivier and Vivien Leigh and also "The Tea House of the August Moon" which was super! If the Broadway "Sakini" English play is the rule, he must be wonderful.

"So far, 'Twelfth Night' has been most beautifully produced and lighted.

"If time permits we hope to see Sir Christopher Fry's "The English Privilege" which I could say it was hoping it would pass over their dead bodies. At one point, a certain representative who had spoken against the salary raise rushed into the cloak room and exhorted, "Get out there and do something, boys—I'm afraid our side is going to win!"

Last I lose you readers, that's all for now.

As ever,
JANE

MR. AND MRS. JOHN WOOD LEAVE FOR NEW YORK

On Tuesday morning, Jake Smith of Smith-Tilman Mortuary took Mr. and Mrs. John Wood and their nurse, Mrs. Lester Smith, to their home in Henrietta, N. Y. Mr. and Mrs. Wood were hospitalized here last November following an automobile accident. Many States-

boro people become very interested in them and visited them frequently, thus helping them through the long period. Mrs. Lester Smith will spend several weeks with them at their home which is near Rochester, N. Y. Upon leaving them Mrs. Smith will visit her daughter, and husband, Capt. and Mrs. L. T. Floy of Belleville, Ill. where Capt. Floy is stationed at Scott Air Field.

WELL, POLITICS in this country must remind one of the story that former Congressman Frank Clark of Florida, once told about an old fellow from Mississippi, who was on his death bed. Clark, a realist, was chiding his colleagues in the House for their reluctance to pass a perfectly justified bill raising salaries of congressmen. The bill had been argued all day and there was a strong suspicion that many of those speaking against it were hoping it would pass over their dead bodies. At one point, a certain representative who had spoken against the salary raise rushed into the cloak room and exhorted, "Get out there and do something, boys—I'm afraid our side is going to win!"

GRANDPA AND GRANDMA DORMAN ATTEND ALF'S GRADUATION

On Thursday evening Mr. and Mrs. Alfred Dorman, Mr. and Mrs. Olin Smith and Mrs. Dan Lester attended the graduation exercises of the kindergarten class, Mrs. Hughes, teacher, held in the Jenkins County Jr.

MRS. ALLEN ENTERTAINS HALF CLUB

Mrs. Earl Allen was hostess Friday afternoon to the Half-High Bridge Club at her apartment on North College street. Hydrangeas and gardenias were used in the decorations. The hostess served a salad course.

For top score, Mrs. Ed Olliff was awarded a purse hand lotion dispenser. Joe Robert Tillman won a silver bordered crystal ash tray for half-high bridge.

Mrs. Humish Marsh for cut. Mrs. Zack Smith received an evening in Paris set for low.

Mrs. Bob Niver of Roslyn Heights, Long Island, was presented a powder scoop and a perfume funnel as guest prize.

Others present were Miss Maxann Foy, Mrs. G. C. Cole, Mrs. M. J. Foy, Mrs. W. R. Lovett, Mrs. Zack Smith, Mrs. Ellyway Forbes, Mrs. Buford Knight, and Mrs. Remer Burdoy Jr.

Home Demonstration Center, Milton.

Alf Suave, son of Mr. and Mrs. Paul Suave, and grandson of Mr. and Mrs. Dorman, was in the graduation class. He made the welcome address and sang a solo, "Beautiful Spring."

The exercises included choruses and dances with the boys dressed in cutaways and long pants and the girls in formal evening dresses.

Following the graduation Mr. and Mrs. Suave entertained with open house at their level suburban home, Misses Russ Brinson of Atlanta and Ruth Jean Simonson of Macon were house guests of the Suaves. The hostess served pound cake and punch.

Explorer Scouts took off boats from the Olive Landing on the Ogeechee River Thursday morning for a two days trip down the river. They camped on the river bank Thursday night. Those in the party were Chris Lanier, Dennis DeLoach, Philip Howard, George Carroll Hagins, Al McDonald, Al DeLoach, Leland Roberts and Billy Huggins.

They were accompanied by Ed Tally, scout executive. Three but happy, the boatmen were picked up at Ivanhoe Landing Friday p. m. by Eugene Fletcher in his truck.

This Week's SOCIETY

Jack, and I eating sandwiches in front of Buckingham Palace. It was just as exciting when the State Drive and official welcome took place. I had a really good view from the Mall. In between times I've visited Stratford on Avon, Windsor, and Hampton Court. Also have seen some fine theatre. "A Day by the Sea," "Twelfth Night" at the Vic Theatre. "Hippo Dancing" by Robert Morley. "The Sleeping Princess" with Sir Lawrence Olivier and Vivien Leigh and also "The Tea House of the August Moon" which was super! If the Broadway "Sakini" English play is the rule, he must be wonderful.

"So far, 'Twelfth Night' has been most beautifully produced and lighted.

"If time permits we hope to see Sir Christopher Fry's "The English Privilege" which I could say it was hoping it would pass over their dead bodies. At one point, a certain representative who had spoken against the salary raise rushed into the cloak room and exhorted, "Get out there and do something, boys—I'm afraid our side is going to win!"

Last I lose you readers, that's all for now.

As ever,
JANE

THIS YEAR I think our people have taken to the water or the air. No more sand in their shoes traveling. We have been thrilled with our man that comes in from Rome, from London and such important stamps.

Here are excerpts from a letter mailed from London station with one of the many Queen Elizabeth stamps I have received.

This one comes from Reta Pollis whom most of you know. Miss Pollis traveled with Jack and Addie Advertiser as they toured Europe and according to Reta, "The three of us had a wonderful time and we'll never forget the beautiful treasures of art, architecture, the wonderful scenery of the different countries, London, of course, I've really found wonderful. But then I am visiting an old friend who is entertaining me very royally, and that means so much. Spent a few days last week in Scotland where Aonnie and Al Sutherland's cousins were very kind to me. I visited the Rossach and Loch Lomond in spite of rainy weather. It was great fun to be here and take part in welcoming the Queen back home. Can you imagine Addie,

MISS BETSYE MEADOWS, director of the nursery school at Georgia Teachers College, is sailing from New York on July 29 where she will visit Portugal, Spain, Italy, Germany, Belgium, Holland, Switzerland, Scotland, England, France. I must have left out one or many of the 12 countries. She will return to America September 11, docking at Quebec, that makes one more country, Canada. Maybe we've left out Greece or Denmark.

Mr. and Mrs. John Wood leave for New York

On Tuesday morning, Jake Smith of Smith-Tilman Mortuary took Mr. and Mrs. John Wood and their nurse, Mrs. Lester Smith, to their home in Henrietta, N. Y. Mr. and Mrs. Wood were hospitalized here last November following an automobile accident. Many States-

boro people become very interested in them and visited them frequently, thus helping them through the long period. Mrs. Lester Smith will spend several weeks with them at their home which is near Rochester, N. Y. Upon leaving them Mrs. Smith will visit her daughter, and husband, Capt. and Mrs. L. T. Floy of Belleville, Ill. where Capt. Floy is stationed at Scott Air Field.

WELL, POLITICS in this country must remind one of the story that former Congressman Frank Clark of Florida, once told about an old fellow from Mississippi, who was on his death bed. Clark, a realist, was chiding his colleagues in the House for their reluctance to pass a perfectly justified bill raising salaries of congressmen. The bill had been argued all day and there was a strong suspicion that many of those speaking against it were hoping it would pass over their dead bodies. At one point, a certain representative who had spoken against the salary raise rushed into the cloak room and exhorted, "Get out there and do something, boys—I'm afraid our side is going to win!"
