I'm Free

Don't grieve for me, for now
I'm free: I'm following that path
God laid for me. I took his hand
When I heard him call; I turned
My back and left it all.

I could not stay another day;
To laugh, to love, to work, to play.
Tasks left undone must stay that way;
I found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Oh yes! These things, I too will miss.

Be not burdened with times of
Sorrow; I wish you the sunshine of
tomorrow. My life has been full,
I've savored much; Good friends, good
times, a loved one's touch.

Perhaps my time was all too brief. Don't
Lengthen it now with undue grief;
Lift up your heart and share with me;
God wanted me now
He set me free.
