**Mayor and Council plan for truck by-pass**

We understand Mayor Bill Bowers and the City Council agreed that the present truck by-pass plan for the sale of streets and the widening of streets should be continued. The present truck by-pass plan for the sale of streets and the widening of streets is the only means by which the City Council can have the means of income to carry on the work of the city. The plan for the sale of streets and the widening of streets would appear to be important to the city in that it is the only means by which the City Council can have the means of income to carry on the work of the city.

**The autumn madness is upon us**

We are now in the second week of autumn madness — the 1984 football season. Our college team opened with a bang to dotted line at last night of October 7th. They were to play and they won Friday night, September 28th. They won the home game in Savannah Park when they won 34-0.

Sidney Lanier talks about laws on vaccinating against cholera

Mayday, Mayday. Law of the land as to when to give large animals or small animals, or none at all, is a subject of considerable debate in the state. As a result, the Georgia State Board of Agriculture has been asked by many farmers to take a look into this matter. The Board has appointed a committee to study the matter and make a report.

America's lowest priced truck...Dodge pick-up

$1459

This big, superbly built Dodge pick-up

...lacks nothing to be big, lacks less to be practical.

It's a treasure of a hauler from every angle. One look is all you need to know why. It is the result of years of hard work by Dodge engineers. Every part and every feature is built for maximum efficiency and work-saving. This is the truck for every man who feeds and moves his own livestock. The new Dodge truck's wheelbase is 111 inches, so you have greater efficiency in maneuvering. It is fitted with a 112-h.p. engine that starts easily at any temperature and runs smoothly. To help unload, the new Dodge truck is built with a geared box and a faster-reversing system...
