HIGH SCHOOL BAND GIVES CONCERT

The Statesboro High School Band will present an annual Christmas concert Thursday afternoon, December 21, at 3 o'clock, in the high school auditorium. The bands in attendance will include students from Bullock County as well as the Statesboro High School Band. The concert will feature a variety of songs, including traditional Christmas carols and contemporary pieces.

The concert will begin with the high school band, followed by the Bullock County band, who will perform a selection of their own music. The high school band will then return to close the concert.

The concert is free to the public and is open to all members of the community. It is a great opportunity to enjoy the talent of our local high school band and to get into the Christmas spirit.

PEACE ON EARTH, CHRISTMAS 1944

The Song of Christmas

T

The long journey from Nazareth to Bethlehem... a new star in the sky... heavenly music above... the shepherds and the wise men... the joyous singing of the angels... Merry and bright and the over-run Child... the morning of the Wise Men, with their gifts of gold, frankincense and myrrh ...

From these inspiring things the Song of Christmas was fashioned since nearly twenty centuries ago. The song has included new notes of happiness. Groups and small ones in the air... candles glowing into the night... voices singing and laughter in the homes... greetings going from friend to friend... they been at home and many dreams in the name of a Child.

No great symphony or composition can match the SONG of Christmas. It rises above the clatter and roar of the city. It breaks through the scurrying town and teacher. It sings through the north and south of the earth. It penetrates the houses across the world. In one, solemnly adds its strains while it spreads to others...

Bullock's means a host of others into each. Through the sparkling lights of memory, it brings in all heart and heart:\nIt brings and cheer to a cheer and another day. There are no bards or troubadours within its sound; enter its influence the strong and tender feeling true. Peace and Love and Joy, these are not the words, but they are all. For the SONG of Christmas is the greatest of all songs because it is understood by every heart.
