Quotables from Head Coach [Chad Willis](#)

"First contact was the story of the night. In stretches, we showed some nice things but really struggled in serve receive and gave away a lot of runs. We struggled to find rhythm on either side of the ball and as a result, we had to fight from behind for a majority of the match. That makes playing good teams on the road even tougher. We'll get back at it again next week. They are still matches left for us to focus on getting better and building."

Next Up

The Eagles continue their four-match road trip with a pair of contests in Arkansas next week.
