DODGE
"DEPENDABILITY"

The word DEPENDABILITY was born in exclusive reference to the Dodge automobile, thirty years ago. It applies to Dodge today in exactly the same exclusive way, although the Dictionary now contains it and defines it.

The Dodge meaning of the word remains well fixed and proven. It means exceptional Style, Performance and Economy—Today, Yesterday, and Tomorrow.

In YOURSELF ON LIGHTS

Lighting is your home and a pleace that should be pleasant and comfortable. The places you desire most to be, but not necessarily for the same reason. The reason lighting is your home is because it is your place and you have a personal desire to do it that way. The reason lighting is your home is because you have a personal desire to do it that way. The reason lighting is your home is because you have a personal desire to do it that way.
GEORGIA'S LARGEST TOBACCO MARKET!

1,278,055,000 Pounds of Tobacco Expected In Bright Leaf Area During 1947 Season

As a result of the good tobacco crop, many of the farmers are able to send their tobacco to market. The majority of the farmers are sending their tobacco to market early this year, which is considered a good sign.

The majority of the farmers are sending their tobacco to market early this year, which is considered a good sign. The tobacco crop is expected to be good this year, with many farmers able to send their tobacco to market. A few are sending their tobacco to market late, which is considered a bad sign.

WELCOME TO STATESBORO... GEORGIA'S LARGEST TOBACCO MARKET

It is no accident that 1946 saw our market the largest in the States and we look forward to a better season than ever in 1947. We are proud of the part this bank has played in making this so.

It is our function to aid both the buyer and seller on the Statesboro Tobacco Market. Our facilities and experience help both.

Tobacco Now Brings State
$52 Millions Annually

Phenothiazine Will
Kill Nodular Worms
Common Secret of Bees
Produced in Beehives

Tobacco producers in Georgia have come to rely on the cultivation of tobacco as the state's leading cash crop, bringing in $52 million annually. The state's tobacco fields are divided into counties, each with its own tobacco production figures, and the cultivation of tobacco requires a combination of scientific knowledge and traditional skills. The state's tobacco industry is regulated by the Georgia Department of Agriculture, which sets guidelines for tobacco production and marketing. Tobacco is a complex crop that requires careful planning and management to ensure a successful harvest. The cultivation of tobacco is a major economic activity in the state, providing jobs and income for farmers and related industries. Tobacco is also a major source of revenue for the state, providing income to state governments and local communities. The state's tobacco industry has a long history, dating back to the early days of European settlement in Georgia. The cultivation of tobacco has been a major economic activity in the state for over 300 years, and the state's tobacco industry remains a major source of income and employment for farmers and related industries.
