There is a long winding road
 Along which each must go
 It leads beyond the hills of time
 Into the sunset glow
 But only for a little while
 Our loved ones leave our sight
 For just beyond the hills they wait
 In God's Eternal Light.

"A PLACE FOR ME"

*There is a special place in life,
 That needs my humble skill,
 A certain job I'm meant to do,
 Nobody else can fill
 The hours are demanding
 And the pay is not too good,
 And yet I wouldn't change it
 For a moment, if I could.*

*There is a special place in life
 A goal I must attain,
 A dream that I must follow,
 For I won't be back again.
 There is a mark that I must leave,
 However small it be,
 A legacy of love for those
 Who follow after me.*

*There is a special in life
 That only I may share,
 A little path that bears my name,
 Awaiting me somewhere.
 There is a hand that I must hold.
 A word that I must say,
 A smile that must give, for there
 Are tears to blot away.*

*There is a special place in life
 That I was meant to fill,
 A sunny spot where flowers grow upon a windy hill.
 There's always a tomorrow,
 And the best is yet to be,
 And somewhere in this world I
 Know there is a place for me!*
