Congressman Preston At Bat Again

WHAT'S CAUSING the fuel oil shortage?
That's a question that has been in the minds and on the lips of us all for the past several weeks.
Farmers are hit by tractor fuel shortage. Home owners are made uncomfortable by the lack of fuel oil.
And so our Representative Prince H. Preston, Jr., wants to do something about it.
In a speech made on the floor of the House on February 9, he focused the nation's attention on the serious shortage of tractor fuel in Georgia.
"Farming operations commence much earlier (here) than in other sections of the United States," he pointed out. And he requested the Congressional Committee investigating the fuel oil shortage to request the oil industry to increase the allotment for Georgia, in view of the early farming season.
According to our congressman there is an increased demand for oil products of 20,000,000,000 gallons more than the biggest pre-war year! And 7,500,000,000 gallons more than the biggest war year.
"In an effort to produce more fuel oil, the production of gasoline has been reduced to the extent that there is now a serious shortage of gasoline. It is rather alarming to learn that the oil industry has signified that the underground supply is inadequate to take care of the American demand for petroleum products."
This statement should be sufficient warning that there is no immediate relief in sight!
It may be necessary to ration gasoline!
Farmers are cautioned to use their tractors for cultivation purposes only and to conserve as much fuel oil as possible.
We appreciate Congressman Preston's giving us the "dope", and his efforts to have the allotment for Georgia increased.
We're sure that it is the hope of all in his district and all Georgia that he will succeed.

Our Loss--Georgia's Gain

IT WAS BOUND TO HAPPEN!
Dr. Johnson C. Ward was bound for bigger things than offered here as president of Georgia Teachers College.
"Jake", as he quickly became to the people of this community, moves to Atlanta as assistant chancellor to Dr. Raymond Paty. The move comes as not too great a surprise to those who recognized his abilities.
It's Statesboro's and Georgia Teachers College's loss. But it's Georgia's gain.
Our new assistant chancellor has the wonderful ability of accepting responsibilities before the average person would concede his qualifications.
Then making good. Because of his youth, it is hard for many to recognize his qualifications. But those who know his background, those who are associated with him, those who see beyond his amiable smile and pleasant personality, know him to be well prepared to accept his new high position in the field of Georgia education.
The youth of Georgia will accept the new assistant chancellor with enthusiasm. Our elders will hold judgment, then join the youth in the same enthusiasm.
We know "Jake" to be the man for the job, and then some.
We congratulate him, and wish for him and his wife, Sue, Godspeed.

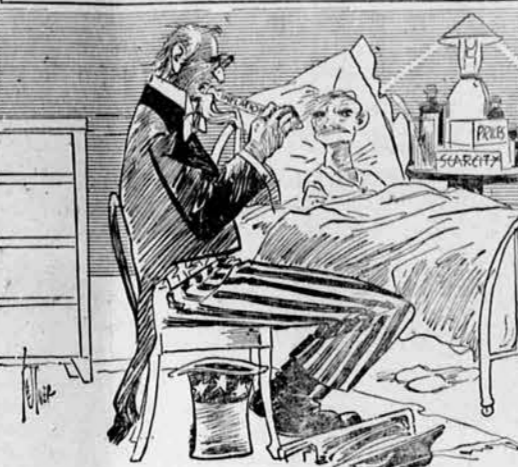

The College Deserves Him

"DEAN" HENDERSON--it's going to be as hard to call him "President" Henderson as it is to call "Jake" Ward, Dr. Ward--is to become our college's new president.
Congratulations!
We've known "Dean" a long time. We've worked with him as a Rotarian, in Scouting, in civic affairs, in college-civic affairs.
There's something substantial about the new president of the college. Not just his physical stature. It's just something. To us, who have known "Dean" for the 21 years he has been at the college through its several stages of growth, it is evident.
Since graduating from Piedmont College in 1922, he has been working with youth in the field of education. Beginning at Piedmont College Demonstration School in 1922, where he taught science, he has moved up to his present status.
Along the way he has served this community as president of the Rotary Club, as president of the Chamber of Commerce, chairman of the Statesboro Methodist Church Board of Stewards, as teacher of the Men's Class at the Methodist Church, as president of the Bulloch County Hospital Insurance Association, member of the executive committee of the Coastal Empire Council, Boy Scouts. He has served the state of Georgia as associate editor of the Wesleyan Christian Advocate, as district lay leader, and conference lay leader in the Methodist Church.
In 1928 he received his masters degree from Columbia University. In 1941 he was a Fellow at the University of Chicago, child development center.
And now he's present of the Georgia Teachers College.
The college is one of the greatest assets possessed by this community. It is a great college in the field of education. It deserves President Henderson.
With Dean Henderson here and "Jake" in Atlanta--there's a great team.

ABOUT THE WEATHER
Give us credit, for not once during the recent weeks of rough weather did we have a thing to say about it. We accepted it, even if with some bad grace, but at least we did not ram it down the throats of our readers.
So, we're sure that we'll be forgiven if we comment briefly on the weather now.
It is being written at exactly 3:00 p. m. Friday afternoon. We have shed our coat. And our doors are open. We have nbed our coat. And the world is wonderful. We don't know how long it will last--but it's wonderful.
That's our say on the weather.
SPRING'S IN THE AIR
You feel it in the barber shop--in the drug stores--in the courthouse--on the street corners. Spring's in the air! It broke out in full force last week with the first meeting of the board of directors of the Ogeechee Amateur Baseball League at Metter.
Right now the top question is who has signed with whom? There's Dale Livingston, "Stinky" Davis--what about them? What about Buck Stevens? Red Thomas? What's this I hear about--? Buzz--buzz--buzz--season tickets--box seats--broadcasting.
One of the good things that came out of the meeting at Metter that has not been revealed is the arrangements made with the Savannah Morning News, and it is hoped will be made with an Augusta paper to carry to results of each game. As it is set up, each home team will call the league secretary, J. M. Padgett, of Glennville, as soon as the game is over. He will furnish Secretary Padgett with the winner, runs, hits, errors, and runs by innings. Then, when all the games for that day are in, he will call the Savannah Morning News and give them the dope in time to make the mail edition of the paper. The telephone com-

MOULTRIE EYES DAILY ROUTE

MOULTRIE, Ga., Feb. 9.--Survey flights have been started by the Southern Airways, Inc., over the Columbus-Moultrie-Jacksonville feeder route. Inauguration of daily service within the near future is likely, according to Charles T. Evans, representative of the company.
Four flights, according to the terms of the application, approved by the CAB, will be made through Moultrie. Two of the flights will be southbound toward Valdosta and Jacksonville and the others northbound through Albany, Columbus, and possibly on to Atlanta, Birmingham and Charleston. If flights eventually do not continue straight through to those cities the schedule will be arranged so that connections can be made with flights from Columbus to all the major cities, Evans said.
"But It Didn't Happen Here--"
CORDELE, Ga., Feb. 5.--Plans for a farmers market expansion program and extensive industrial development in the Cordele market area were launched following a meeting of city and county officials, Atlantic Coast Line railroad officials and State Agriculture Commissioner Tom Linder here.
The conference was sponsored by the local Chamber of Commerce.
The program calls for construction of a merchants building and an auction sales building to be constructed as soon as possible; the paving of land adjacent to the market building at a cost of approximately \$50,000; the laying of additional railroad track and grading of the grounds so as to provide better loading facilities for the watermelon season.
Plans were also made to acquire additional lands to be used by the Department of Agriculture.

FEBRUARY HAS 5 SUNDAYS FOR FIRST TIME IN 28 YEARS

For the first time in 28 years and the second time in the 20th century--there will be five Sundays in February.
This year Feb. 29, that extra day added every four years to keep the months from shifting into another season, will be on Sunday. The last time Leap Year Day came on Sunday was in 1920.
In 1944 the extra day inserted at the end of February was a Tuesday; at the beginning of the forties decade it was a Thursday; and in 1952 it will be a Friday.
Leap Year Day comes on the same day of the week every 28 years, as a rule. Our grandparents, however, had to wait 32 years for February 29 to fall twice on the same day--1900 was not a Leap Year.
For many centuries an extra day was added every fourth year. But less than 400 years ago a new rule was introduced--that of not having a Leap Year when the century years aren't divisible by 400. Thus the year 2000 will be a Leap Year, but 2100 will not.
All of this difficulty of adding and not adding a Feb. 29 to the calendar is caused by the fact that the solar year--which governs our season--actually consists of 365 days, 5 hours, 48 minutes and 46 seconds.

CLIFTON-WOODCOCK

Miss Louise Evon Clifton, daughter of Mr. and Mrs. John W. Clifton, was married to J. Gordon Woodcock, son of Mr. and Mrs. William H. Woodcock, of Statesboro, on Sunday afternoon at 4 o'clock. The ceremony was performed by the Rev. G. E. Clark at the Trinity Methodist Church. Pals formed the background for standards of white gladioli, carnations and ferns, and either side were branched candelabra with lighted candles in the windows. William Owen, Jr., played the wedding music and Miss Louise Dick sang several selections.

The bride, who was given in marriage by her brother, Ralph D. Clifton, wore a wedding gown of white duchess satin. A design of seed pearls was across the front of the fitted bodice which had a sweetheart neckline and leg-o-mutton sleeves, and the full gathered skirt extended into a train. Her fingertip veil was worn with a tiara of orange blossoms and seed pearls and she carried a white prayer book showered with a purple orchid and tuberoses.

Miss Madalyn Manson, maid of honor, was gowned in light green brocaded taffeta, the full

skirt, worn over taffeta, having a circular peplum. Her crownless picture hat was of manipicote to match her dress and she carried a bouquet of deep pink carnations.

Jimmy Musser served as the groom's best man, and the ushers were Carlton Parker, John Cook, W. Emmett Woodcock, brother of the groom, and Herbert Clifton, the bride's brother.

Mrs. John N. Clifton, the mother of the bride, wore a dress of black crepe with black accessories and her corsage was white carnations.

Mrs. and Mrs. Woodcock left later on their wedding trip to Florida, after which they will live at 16 West Duffy Street. For traveling, the bride wore a two-

piece dress of coral wool with which she used brown accessories and a purple orchid.

Among out-of-town guests were Mrs. John M. Clifton, William Clifton, Mr. and Mrs. William H. Woodcock, Mrs. Dean Futch, William Futch and Mr. and Mrs. Brantley, all of Statesboro, and Mr. and Mrs. Reg. Woods, of Newington.

The afternoon bridge club met with Miss Mary Sue Akins Saturday. Pearly gladioli were used in decorating. The Valentine season was reflected in the tallies, table appointments and prizes. A dessert course was served.

Mrs. Albert Braswell, Jr., won a dozen red carnation for high score. Linen handkerchiefs went to Mrs. Gerald Groover for low, and Mrs. Julian Hodges was given a bottle of hand lotion for cut prize.

Other players were Mrs. Buford Knight, Mrs. Charlie Olliff, Jr., Mrs. Albert Green, Mrs. Frank Hook, Mrs. Hobson Dur-Bose and Mrs. Paul Suave.

Mrs. J. H. Brett honored Mrs. Willis Cobb, of Rocky Mount, N. C., with two tables of bridge at

her home Saturday afternoon. Mrs. Brett's decorations were red camellias and Mrs. Cobb's place was marked with one of the blooms. A salad course was served and each guest received Old Spice sachet tied with red ribbons as favors.

The honor guest received a heart-shaped box of candy. Mrs. A. M. Braswell, Sr., won a linen handkerchief with high score, and Mrs. Olin Smith was given a box of mints for low.

Others guests were Mrs. Fred Smith, Mrs. Horace Smith, Mrs. Gordon Mays, Mrs. Arthur Turner and Mrs. Emmett Akins.

MRS. SAM FRANKLIN IS HOSTESS TO "8 O'CLOCKS" Mrs. Hollis Sullivan, of California, who has been visiting relatives here, was honor guest on Saturday afternoon when her sister, Mrs. Sam Franklin, entertained her bridge club at Sewell House. Potted red geraniums were used in decorating. Guests were served assorted sandwiches and coffee.

Mrs. Robert Donaldson was given a lovely red geranium for high. Dainty bags of sachet, for low, went to Mrs. Walter Aldred. Mrs. Wendell Burke received ornamental pots for cut. Mrs. Sullivan was remembered with stationery.

Other players were Mrs. W. A. Bowen, Mrs. J. P. Foy, Mrs. Will Woodcock, Mrs. Howell Sewell, Mrs. Loy Waters, Mrs. Henry Blitch, Mrs. Everett Williams, and Misses Elizabeth Sorrier and Dorothy Brannen.

All's Fair

You'd think it too cold for Cupid and his darts. But, believe it or not, he's dealing in hearts.

VELMA (Mrs. Bannah) COWART and Janie (Mrs. J. E.) Anderson have just returned from a leisurely tour of Florida. They visited Sarasota and dwelt on the head of Ringling Brothers' Circus. They motored on to Tampa in time for the carnival atmosphere surrounding Gasparilla. They stood in line for two hours to witness the parade. The Ringling Brothers' float proved to be the most elaborate. A downpour of rain was imminent as these Statesboro girls were debating leaving the fascinating spectacle fall from the skies and settled the argument. With this convenient rainbrella they stuck it out. But here's where I get the low-down on Cupid, Velma and Janie: They were all dressed in elegant rain gear and fell from the parade.

ARLINE BRANNEN had a letter last week from her Marine son, Dick Brannen. On manuevering in Puerto Rico, he was enjoying the balmy air in shirtsleeve weather.

THE CAMELLIA SHOW at the DeSoto Hotel, Savannah, attracted many of our flower fanciers. Mr. Charlie Cone said the displays were beautiful beyond description and the contribution sent from California didn't compare with those from Georgia and Florida. Another local lady was heard to remark that she had seen as lovely flowers right here in Bulloch county.

I LIKE THIS ONE. Marian Olliff (Mrs. Bruce) has had the same cook nearly twenty years—maybe more. Rosa's five-year-old son stays on the job, too. When Marian broke her ankle she received lovely flowers from her friends. Rosa brought the five-year-old in to see Miss Marian and her flowers. With eyes wide, he took in the situation and made this eloquent remark: "Miss Marian, looks like you order be daid with all them flowers!"

ALONG THE SAME LINE was this one coming from the grapevine, concerning veteran O'Quinn, who, with his wife, has rooms at Mrs. E. H. Kenedy's. You've seen him driving that pretty two-tone Nash. Recently he called a fellow student at the Rushing Hotel. The porter answered the phone and when told to get the young man to the phone, the porter said, "He can't come to the phone. Can I take a message?" Whereupon O'Quinn said, "Ask him if he staggered today?" (If you happen to understand about the stagger system used at T. C.) The porter was horrified. "What's that you say, Boss?" "You mean you folks out there stagger?" O'Quinn explained himself, began to exclaim: "Yes, we stagger—all of us stagger—even the girls. Sometimes we stagger all day." O'Quinn rattled the phone, but the party at the other end had fainted. "Well, maybe..."

GIVEN WEST was proudly wearing a perfectly g-g-gorgeous orchid at the Saturday night formal at T. C. Miss T. C. looked lush in a pale blue old-fashioned hoopskirt.

STATESBORO BLUE DEVILS football squad got their jacks in checked last week. Ben Robert Nesmith, who had only one more subject to make, has finished and was not present to receive the jacket he had certainly earned. Ben Robert has a clerical job in Atlanta and is studying at Evening School.

WHEN EMMA JEAN BOHLER SAYS "I do" at the Langston Methodist Church it will be the first time that a wedding has taken place in that church. She will be wearing with her lovely spring suit a gold tie pin that her mother gave her father when they were married. I came very near following Emma Jean home as she told me things about Bohlerville. Satsuma oranges, lemons, lime quats, and lemons, and quantities of exquisite camellias, a lovely Hermes seems to be Emma Jean's preference. She refers to her fiancé as "Rocky." We also learned that George Bohler is a collector of old pipes.

VALENTINE DANCE IN COLLEGE GYM
The Teachers College gym dressed up in red and white crepe paper and Valentine hearts for a formal dance Saturday night. The college band, under the direction of G. R. Rasmussen, supplied the music and rhythm for the colorful affair.

No Woodman Need Sleep in An Unmarked Grave

In death, as in life, the Woodmen Society cares for its own. Through its National Service Fund, the Society offers to provide free a beautiful, enduring bronze marker for the graves of all deceased members not marked by other memorials.

This is another "protection plan" service the Woodmen of the World furnishes its members, along with safe, sound, legal reserve life insurance protection and the benefits they derive from the fraternal, social and civic activities of their local camps.

Keep Georgia Green

A Program for all Georgians
THE week of February 22nd has been proclaimed "Keep Georgia Green Week" by Governor M. E. Thompson. During that period "Keep Georgia Green" councils are expected to be organized in each of the 150 counties in Georgia. The purpose of the "Keep Georgia Green" movement is to bring to the attention of every Georgian the important fact that the destruction of forests by fire affects the economy of the entire State. Sponsored by the Georgia Forestry Association in cooperation with the State Department of Forestry, the "Keep Green" program, it is hoped, will bring about a sharp decline in careless set forest fires. Our company pledges its full support to the program.

Here's Brand-New Power for your Buick

Our men do a master job of keeping Buicks right up to Buick high standards. They can get everything out of them that there is to get. But maybe you'd like the thrill of a brand-new engine in your car.
If so, we're ready to do that job too—ready to put a straight-from-the-factory engine in any Buick built since 1937.
You get an entirely new engine. It has a new carburetor and air cleaner. It has a new distributor with both vacuum and centrifugal spark control. It has new wiring and spark plugs—even a new smooth clutch that eases every start and makes driving fun.
On top of all that, this engine brings you the latest Buick features you read about—features like precision cylinder boring and Flex-Fit oil rings, Stratoflow cooling and all the rest.
We have these engines for you right now because Buick's engine production is running ahead of complete car output.
Good deal, isn't it? Worth looking into? Drop around and let us give you all the facts and figures.

Only One is No. 1—

Only Chevrolet Is First!

Men and women everywhere agree. Only one is No. 1—only Chevrolet is first—in all-around value as in popularity. Consequently, more people drive Chevrolets than any other make, according to official nationwide registrations; and more people want Chevrolets than any other make, according to seven independent nationwide surveys. Here, in the new 1948 Chevrolet, is record value. For new and even more luxurious styling, colors and appointments have been added to all of Chevrolet's other advantages of BIG-CAR QUALITY AT LOWEST COST!

Meet the new standard of Big-Car bodies by Fisher—lean bodies made—available only on Chevrolet and higher-priced cars.

You'll enjoy Big-Car performance, too, when you own a Chevrolet for it brings you V-8 performance, found elsewhere only in more expensive cars.

Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, pending delivery of your new Chevrolet.

You'll find Chevrolet rides more smoothly on all types of roads due to the famous Knee-Action Ride and, of course, Knee-Action is found only on Chevrolet and costlier cars.
