This Week's Economy Hint!

Warmer days call for cooler meals—cooler to prepare, cooler to eat. For in-a-hurry meals (thrifty, too), frankfurters are tops. To keep 'em plump and juicy, simmer until thoroughly heated, or drop the "red hots" into boiling water, turn off the heat, cover, and let stand about 10 minutes. DO NOT BOIL.

For entertaining, company frankfurters include slit, stuffed ones. And what a variety of stuffed ones. And what a variety of stuffings go well with them! Try mixed cheese and peanuts, with green beans and broiled tomatoes for a complete broiled meal. Or fill frankfurters with one of these: Chopped pickle relish, moist bread dressing, sliced cheese and bacon or mashed potatoes seasoned with mustard or cheese.
