of the city.

Mr. Bowen points out that with the city's continued growth the demand on the sanitation department are extended. He says, "We in Statesboro on Monday, May 31. Eight of the graduates are trucks on a schedule of two pickups a week in the residential section, and one pickup each night in the business section."

He states that in order to maintain this schedule citizens are being asked to use a garbage can with a lid on it, "of convenient size so that two men will be able to handle it." He asks that homeowners place the garbage can in a location close to an alley or street used by the trash truck.
