Boll Weevil At Work In County

What with the boll weevil and the pear leaf spot, farmers in Bulloch county are having a rough time, according to Byron Dyer, county agent.

The boll weevil infestation reached 14 per cent in Bulloch county Saturday. However, some of the fields checked ran as high as 28 per cent.

This means that those cotton farmers planning to dust for weevil control this year needs to keep after them each week now.

Dr. P. M. Guyner, entomologist, Georgia Coastal Plain Experiment Station, says:

Most of the cotton growers are already using BHC or Toxaphene on their cotton.

The station found in its tests last year that Toxaphene stayed on longer and gave a better kill over a long period but that during rainy weather or early in the season BHC was desirable.

With from three to eight hours of open weather after BHC is ap-

Dorman Addresses Statesboro Rotary

In a challenging talk to the Statesboro Rotary Club Monday, Alfred Dorman charged the business people of the city to do something to help the people in the small communities in this and surrounding counties secure better roads into Statesboro.

He suggested that if we do not, other business men in other cities would help these communities secure paved roads into their cities and then "court" them for their trade.

He related some of the things he had seen recently in other sections of the nation on an extended trip he made. On his "visits to Cincinnati, Dayton, Ohio, I saw 25,000 to 30,000 people idle, walking the streets, on strikes," he said.

In Michigan, he said there were 90,000 men people on strike "out of work."

And "brought on by themselves," he explained.

At the University of Alabama, 10,700 went home for summer vacation and Tuscaloosa's cash register quit ringing.

He urged the citizens of Statesboro to become more aware of our own college and realize what it means to this community.

And in closing he challenged the business men who are crying "poor business" to do something about it.

News Briefs

THE JUNIOR KNOTS will leave the Community Center Saturday afternoon at 3 o'clock for a fishing and camping trip. The members are reminded to bring their own fishing tackle and supplies with which to cook supper. Prizes will be given for the best camp site and camp fires.

THE MEMBERS of the HCL Club will make plans at this week's meeting for their summer party. A swimming party will be the feature of last week's meeting.

THE KNOT HOLE Club is looking for new members. Boys 12 years to 16 years old are invited to join. All members at the meeting Saturday night at 7:30 at the Community Center will be eligible to go on the camping and fishing trip planned for next week.

MOTHERS ARE reminded to take advantage of the summer playground program at the Community. Children three to eight years of age will have special supervision at play from 3 to 6 o'clock in the afternoon. Miss Emily Kennedy is in charge of this phase of the recreation program.

SUNDAY OF LAST week the Statesboro ball club in the Canoechee League was standing second in the league of six teams, with Pulaski in first place.

INCLUDED IN THE 1241 graduates of the Statesboro Junior Chamber of Commerce Monday morning, June 13, were Horace Zack Smith Jr., son of Mr. and Mrs. H. Z. Smith, and George Edwin Powell, son of Mr. and Mrs. Bob West, both of Statesboro.

Church News

PRIMITIVE BAPTIST CHURCH
Hours of worship—11:30 a.m. and 8 p.m. Sunday, June 28; Bible Study for all ages 10:15 a.m., and Youth Fellowship 7 p.m. The Christian individual needs gospel food regularly just as the body needs natural food. If you wish to grow in development as normal Christians should, see to it that you get regular gospel food. Attend the services of your church and assist us in giving a whole welcome to every friend and visitor.

FIRST BAPTIST CHURCH
10:15 a.m. Sunday School 11:30 a.m. Morning Worship Service—Rev. Lovell.
7:45 p.m. Baptist Training Union.
8 p.m. Evangelistic Hour—Rev. Lovell.

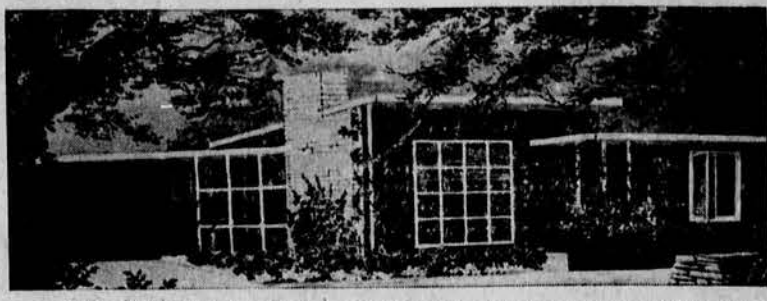

All young people between the ages of 16-25 are requested to meet with the pastor for a "Get Acquainted Hour" at 8 p.m., Sunday evening at the church. Come and bring a friend so that the pastor may know who the young people in our church are.

SOUND SIMPLICITY at rock-bottom cost is the keynote of this new model home recently opened by the Montak Beach Camp, Inc. on Long Island, N. Y. Designed after the suggestions of Douglas Tuomey, building consultant for Good Housekeeping magazine, the architect kept expenses down by: (1) Elimination of basement; (2) Simple frame and roof; (3) Dry Wall construction; (4) Simplified windows and trim; (5) Use of closets for partitions. Although the house embodies the latest principles and advancements in moderate-priced design and construction, it's so simple to build that the tool-free amateur can do much of the work. The Montak House lends itself to any seashore terrain and can be used for a summer or year round home. It is featured in the June issue of the magazine.

Statesboro Junior Chamber of Commerce

Weekly News Report

Members of the Statesboro Junior Chamber of Commerce yesterday received a report on activities at the National Jaycee Convention which took place recently in Colorado Springs, Colorado. Horace McDougald, who attended the national assembly with State President Price of Swainsboro and Bob Mann and Heymans Oliver of Savannah, reported on activities and accomplishments of the convention. A former Governor of Georgia, Ellis Arnall, made the keynote address at the convention.

Also at yesterday's meeting, the club discussed plans for sponsoring the coming beauty revue to pick "Miss Statesboro" and "Miss Bulloch County."

Members of the Statesboro Jaycees will be held two weeks from yesterday—July 6—at 12:30. Place of the meeting is Forest Heights Country Club. Visiting Jaycees are welcome and all local Jaycees are urged to be present. This column will not be able to continue unless Jaycees submit news items concerning themselves, their business activities, or current Jaycee activities. If you'd like to see this column continue please see that you personally submit at least one news item each week.

Call Worth McDougald at 502 during business hours.

Patronize the following members of the Statesboro Junior Chamber of Commerce. Each is working for a better Statesboro and Bulloch County. Let's all boost our City and County. Tell other Georgians of the advantages we have in Greater Bulloch County:

'Pid' Deal Takes C of C On Word-Tour of Europe

Elizabeth "Pid" Deal took the members of the Statesboro Chamber of Commerce on a word-tour of Europe, including France, Belgium, Spain, Switzerland, Holland, Italy, and the Island of Capri. She was the guest of the club at its regular meeting Tuesday of last week.

Miss Deal taught in a school maintained for the children of the delegates to the United Nations, and employees of the Marshall Plan in Paris, France.

Included in her first, second, and third grades were princes and princesses, and of the "aristocracy of the world" according to Colonel A. M. Deal, who presented her to the club.

Miss Deal told of her travels during her holidays. She found Switzerland beautiful, with the people healthy and living in communities with no evidence of World War II. Her experiences in Belgium gave her an unfavorable impression.

In Spain she experienced the close surveillance that is characteristic of totalitarian states. It was while in this country that she was robbed of her purse, including all her funds, and her passport. It was only after considerable trouble and help from the American Consulate that she was able to secure enough funds and a new passport to enable her to return to Paris. It was during this experience that she learned she had been under constant watch by the Spanish police. "It was a strange feeling," she said.

She told of seeing the Italian hard at work rebuilding communities ruined by the war. "The people were cheerful," she said. Before coming home she visited

for a short time in England and Scotland.

She is the daughter of Dr. and Mrs. D. L. Deal of Statesboro. She expects to go to South America for a new teaching assignment soon.

Register Future Farmers of America are finding it hard to get "back in the groove" after last week's fun-filled excursion to St. Simon's Island. Memories of hair-raising motor-scooter rides, a trip to Jekyll Island, swimming, and just plain loafing will occupy the boys' minds for a long time to come.

An unexpected thrill came to those who spent one day of their stay at Jekyll Island. They had an opportunity to see the island from the air. Several who made the plane ride had never been before until Jekyll's air-taxi service made it possible.

The folks at home have no doubt heard all about "Dr. Johnson," who kept the crew healthy. Miss Ellen Johnson, Marrietta friend of Jan Gay, accompanied F.F.A. chapter advisor Mr. Owen Gay, Mrs. Gay, daughter, Jan, and the boys to St. Simon's. With her triptych bottle of baby lotion and box of band-aids, she found remedies for everything from sun-burned toes and blistered noses to sore throats and over-seer appetites.

A favorite pastime with the boys was touring the island on motor-scooters. In fact, some of the most enthusiastic riders did during business hours.

50 Bulloch 4-Hers Go To Camp Fulton

Some 50 Bulloch County 4-H clubsters and farm and home agents and advisors were in attendance at Camp Fulton last week.

The group plans to leave Statesboro at 7 a.m. Monday and meet clubsters from Bryan, Effingham, Screven, Evans, and Candler counties at Indian Springs for a picnic lunch. The some 225 clubsters will then go on to camp together. The camp organization meeting will be held Monday night. Tuesday will find the clubsters divided into activity groups in health and nutrition, wildlife conservation, recreation, forestry, and hiking. 4-H Club organization and handicraft.

Outdoor recreation will carry through organized rifle shooting, swimming, and tours of Atlanta. The camp is located some 15 miles south of Atlanta. Wednesday and Thursday schedules will call for a rotation of the program used on Tuesday.

Folk games are on the program for Tuesday night, Cracker ball on Wednesday night and stunts on Thursday night and the boys to St. Simon's. They will visit the capitol and Grant's park.

They will return home Friday. Robert A. Wynn, local assistant county agent, was named camp director and has made plans for a private swimming pool stop in Macon Friday morning and from there will take the Bulloch group to lunch at a cafeteria where arrangements have already been made. Mr. Wynn thinks the group should reach Statesboro by 6 p.m. Friday.

TEACHERS COLLEGE HAS RECORD ENROLLMENT OF 904 STUDENTS

Zach Henderson, president of the Georgia Teachers College here, announced that 904 students are enrolled in the summer school session which ends July 18. President Henderson states that this is the largest enrollment in the history of the college.

Woman's Club Report For 48-49

As President of the Woman's Club of Statesboro, I wish to submit the following report from April 1948, through May, 1949. The keynote of friendliness was sounded at the first meeting in September at which time stock was taken of yourself as a club member. You will find, I hope, that your profits amount to a big sum. Are you not a better woman for these associations? Are you not a better member of your community? Are you not a better home maker, more intelligent and efficient? Are you not a better friend?

The affirmative answer to these questions has been of great value to me; and I do thank all the many kind things you've said and for your cooperation in the work. Our theme—Action for World Order and Peace—was given us by our beloved State President, Mrs. Gertrude Harris. Also the motto, whatever your hand findeth to do, do it with thy might. We have tried to keep both before us throughout the year.

All club meetings with exception of one, have been presided over by your president, Mrs. Ed Pretorius for such a timely gift. The yearbooks show the outline of programs have been most interesting and informative. Thanks to Mrs. E. B. Rushing and her committee, Mrs. Ruthing has always presided most graciously and we have had some outstanding speakers, Miss McAlpin, Mr. Jack Averitt, Dr. Neil, Miss Sue Snipes, Miss Spears, Mrs. Maud Edge, Mrs. Carroll, and others.

The Educational Committee, of which Mrs. Weaver is chairman, has had a very important role in the affairs of the club. Highlights of news has been given by some of her committee at most of the regular meetings. The club received special mention at the State Conference for educational work done the past year. They've held discussion groups which included men as well as women, and the topic this year centered around democratic documents and our government. Through their cordial reminder us in April, I am reminded us of Tallulah

School and its support, we accepted, the responsibility and voted to make our club 100 per cent for Tallulah by raising our dues one dollar.

The Fine Arts Committee, with Mrs. Waldo Floyd as chairman, has furnished music for the meetings. The Committee is 100 per cent musical, each an artist. We have held monthly meetings and each member was given an assignment at the first meeting. They studied and worked. Parliamentary rules was one of the subjects studied and, of course, flower arrangement. They've been instrumental in getting grass and shrubbery planted in the double streets and parks. They held a very successful Camellia Show in January. The money made from the show will be used in beautifying the library grounds. Two of the committee acted as judges of Decorated Doors and Windows in Sylvania in December. At the April meeting they sponsored a flower show and Mrs. Arthur Howard won the beautiful pot plant. Two your president's desire that flowers and flower arrangements be displayed at each meeting but it took the garden committee to really put that over when they were hostess to the club.

The Membership Committee, with Mrs. Ed Pretorius heading it, certainly did their part. They were active most all the year and many new members were added to the roll and some few once-upon-time members were brought back into the fold.

Each Committee has acted as hostess to the club and, my, how we have enjoyed the socials. All was carried out so well and pretty and nice.

"I would have been too good if all the visions could have been reached, with this resume before you, I'm sure you agree that we have had a most successful year and from the bottom of my heart I wish to say to each one, "Thank You."

The Welfare Committee, under Mrs. Maud Edge's leadership, has done a wonderful work, by giving four consecutive programs on "Why We Need a United Nation, The Structure of the United Nations, Human Rights in the United Nations, How To Strengthen the U.N. and its Achievements."

In connection with the League of Women Voters, the committee participated in three study periods last fall. We gave \$10 to Bulloch County League to help publish "Facts."

The Library Committee, under Mrs. Maud Edge's leadership, has done a wonderful work, by giving four consecutive programs on "Why We Need a United Nation, The Structure of the United Nations, Human Rights in the United Nations, How To Strengthen the U.N. and its Achievements."

In connection with the League of Women Voters, the committee participated in three study periods last fall. We gave \$10 to Bulloch County League to help publish "Facts."

The Executive Board is the steering committee, thanks to them for their untiring work. The first Vice President, Mrs. Grover Brannen, has presided at the

meeting and the Second Vice President, Mrs. J.O. Johnston, has kept the record of work done and presented same to regular club meetings. The minutes of each meeting may be reviewed if any are interested in knowing the details.

At the close of past year work, our club house was loaned to the city for use as a Recreation Center and now goes by the name of Recreational Center in Memorial Park. The challenge was accepted for sake of youth and we do feel that we have a real part in molding the future of the children of the community and city.

We have a member of the Board of Directors, Mrs. W. A. Bowen, and Mrs. Inman Dekle represents the club at the meetings. These reports to us and our spokesmen. We have assisted materially to the comfort of the house by completing payment on installing of gas heat. A clock was given club by Mrs. Ed Pretorius and it is placed on the wall. This is a big asset for us we can keep up with time and also see how far behind time we run. Thanks to Mrs. Pretorius for such a timely gift.

The yearbooks show the outline of programs have been most interesting and informative. Thanks to Mrs. E. B. Rushing and her committee, Mrs. Ruthing has always presided most graciously and we have had some outstanding speakers, Miss McAlpin, Mr. Jack Averitt, Dr. Neil, Miss Sue Snipes, Miss Spears, Mrs. Maud Edge, Mrs. Carroll, and others.

HD Club to Sponsor Booths at County Fair

The home demonstration clubs in the county will sponsor the booths in the fair this fall. Mrs. Billy Simmons, council president, announced following their May meeting.

When the fair committee met in the winter they voted to give the PTA organizations the first chance of handling the fair in 1949 and the demonstration clubs second chance. The PTA groups voted to not exercise their priority and waived their chance to the home demonstration clubs.

Mrs. Simmons stated that the presidents of the 15-home demonstration clubs would meet this week, probably, to work out their plans and submit them to the fair committee. She expressed the belief that the 4-H Clubs would be invited to help put on the fair, especially from the "pick and shovel" angle.

The 1949 Fair will be held during the week of September 19-24. H. E. Allen, president, stated. Others officers of the fair are Cecil Kennedy, vice chairman, and Rufus G. Brannen, secretary.

Leading Accidents
Falls were reported as the leading type of accident to farm people in all regions last year. They accounted for a fourth of all accidents, while those involving machines and animals were next, accounting for about an eighth of all accidents.

William Adams, the first Englishman in Japan, was honored there by a yearly festival.

The surface of the Everglades is less than 50 feet above sea level. As early as 300 B. C. India had a law providing a fine for adulteration of food.

The dinosaur Brontosaurus weighed about 40 tons.
The Moscow bell, largest in the world in actual size, weighs 128 tons.
The U. S. consumes about two-thirds of the world's output of arsenic.
X-ray pictures to test metals can be taken at a speed of 100 per second.

From where I sit... by Joe Marsh

Let "Elmer" Do It?
Army rejections showed how prevalent tuberculosis still is. But instead of feeling that "the government ought to do something about it," our county took up a collection and bought a traveling tuberculosis clinic.

This "clinic" is a completely equipped truck that goes from town to town X-raying everyone free of charge. The best way to fight a disease is to try to stop it before it gets out of hand.

More and more, Americans are getting things done through the old democratic tradition of local self-help. Like in the Brewing industry, Brewers and tavern keepers have their program whereby they all co-operate to see that places selling beer and ale are clean, law-abiding... beyond criticism.

From where I sit, anyone who waits for "someone else to do it" should take a hint from our community, or groups like the Brewers and tavern owners, who found a way to get results—for the benefit of themselves and the public.

NOTICE OF APPLICATION BY GUARDIAN TO INVEST WARD'S FUNDS IN A HOME FOR SAID WARD
GEORGIA, Bulloch County.
F. W. Hughes, Guardian of George R. Lockhart, gives notice that he will apply to the Honorable J. L. Renfro, Judge of the Superior Court of Bulloch County, Georgia, at 10 o'clock a. m. on the 9th day of July 1949 at his office in Statesboro, Georgia, to invest \$200.00 of the ward's funds in a home for said ward, because the said money has a very small income.

SALE UNDER POWER IN SECURITY DEED
GEORGIA, Bulloch County.
Under authority of the powers of sale and conveyance contained in the security deed given by J. L. Wilson to D. C. Beasley, dated August 2, 1948, recorded in Book 177, page 122, in the office of the Clerk of Bulloch Superior Court, and assigned by D. C. Beasley to Mrs. Mity Peebles by two collateral assignments, one dated August 19, 1948, recorded in Book 175, page 262, and the other dated March 28, 1949, recorded in Book 179, page 193, in said Clerk's office, the undersigned will be on the first Tuesday in July, 1949, within the legal hours of sale, before the court house door in said county, sell at public outcry to the highest bidder for cash, the following described property, to-wit:

That certain lot or parcel of land, lying and being in the town of Brooklet, 1523rd District, Bulloch County, Georgia, fronting on the Leffield-Denmark public road a width of 179 feet more or less, bounded North by lands of A. J. Lanier (122 feet more or less), East by lands of L. S. Lee (106 feet more or less), South by lands of Mrs. G. P. Grooms (113 feet more or less), and West by said public road.

GUARDIAN'S SALE
The undersigned, the duly appointed and qualified guardian of the person and property of A. E. Temples, Sr., under and by virtue of an order authorizing her as guardian so to do, duly entered by the Ordinary of Glynn County, Georgia, on June 6, 1949, will sell before the Court House door of Bulloch County, Georgia, on the first Tuesday in July, to-wit: July 5, 1949, between the hours of 10:00 A. M. and 4:00 A. M. to the highest bidder for cash, the following described property, to-wit:

That certain tract or lot of land with building thereon located in the City of Statesboro, Bulloch County, Georgia, bounded on the north by Parrish Street, a distance of 100 feet; on the east by portions of said lot formerly owned by A. E. Temples, Sr., but heretofore sold by him to E. A. Smith, a distance of approximately 195 feet; on the south by property belonging to J. R. Kennedy, a distance of 114 feet; and on the west by North College Street, a distance of 200 feet, and being the same property conveyed to A. E. Temples, Sr., by deed dated July 15, 1924, and recorded in the office of the Clerk of the Superior Court of Bulloch County, Georgia, in Book number 85, commencing at page 507, except the portions of said lot heretofore sold by said A. E. Temples, Sr., to Sam Franklin and E. A. Smith, respectively.

LETTERS OF DISMISSSION
GEORGIA, Bulloch County.
WHERREAS, W. E. Canady, administrator of the estate of E. C. Burness, represents to the Court in his petition, duly filed and entered on record that he has fully administered E. C. Burness estate. This is therefore to cite all persons concerned, kindred and creditors, to show cause, if any they can, why said Administrator should not be discharged from his administration, and receive letters of dismission, on the first Monday in July, 1949.

LETTERS OF GUARDIANSHIP
GEORGIA, Bulloch County.
To all whom it may concern: Mabel Jones Garbett, having applied for guardianship of the persons and property of Juanita Jones, minor child of Mack Jones, late of said county, deceased, notice is given that said application will be heard at my office at 10 o'clock a.m. on the first Monday in July, next.

Tip about that trip..

For fun-on-the-run, as you've already discovered, there's no travel mate like that Buick of yours—especially if it's really in the pink. So while you're readying yourself for vacation tours, how about doing the same for your car—with a little of that special Buick care that does so much to make trips top-notch? For instance—

Got plenty of pep? Our engine tune-up is just the ticket to bring back flashing, new-car liveliness on hills and straight-aways.

Can you "stop on a dime"? The answer's yes—when our experts get through truing up worn drums, mounting new linings to replace old worn ones.

How's your view? It'll be good, night and day, when you let our experts check your lights, windshield wipers, and windows.

Want a good steer? That's just what you've got, after our front-end experts get through adjusting your steering mechanism to give it new-car lightness.

Chassis sassy? Does it ride roughly—squeak and squeak at you? Drive in—we'll "shoot the works" with our grease guns and oilcans to take the noise and stiffness out of your ride—give you easier steering. And a Buick-trained mechanic will give your car a conscientious trouble-preventing inspection as well—without charge.

In short, start your trip in our shop and you'll find it free of car worries all the way. Drop in—see our facilities—talk to our experts—and see for yourself it's the best insurance of a good time that you can buy.

Lions Roar For Ladies

By JANE

The walls of the Forest Heights Club resounded to the roar of the Lions and the walls of the sleepy cubs as they put on a show for the Lionesses, who were their honor guests the evening of Tuesday, June 28.

The jungle kings were held in solemn dignity until Lion President Henry Ellis invited Dewette Thackston to lead the Salute to the American Flag, which was followed by the invocation, given by the Rev. George Lovell.

As soon as the members and guests were seated the Lions reverberated to their jungle habits and, in surprisingly professional manner and with a Disney or should we say "dizzy" touch, sang "Ladies' Night" and "There's a Club in Our Town," led by Lion Al Sutherland.

President Henry Ellis, yielding to the hilarious spirit of his fellow Lions, omitted the lengthy address and let the program committee, with Kermit Carr as monarch of the group, demonstrate how playful a Lion can get.

First, in a beautiful presentation, Mrs. W. H. Ellis, mother of the Lion President, carried a beautiful corsage of red carnations. By that time the cubs were getting restless and, instead of a hula, Lion Carr brought out the cubs. They were Max Lockwood, Dr. E. B. Stubbs, Albert B. Green, Percy E. Hutto, Don Hackett, Al Sutherland, and Sam J. Franklin.

The referendum will be held in accordance with the law which provides for marketing quotas on flu-cured tobacco for the 1950 crop. In the referendum, growers may vote for quotas for three years, beginning with the 1950 crop; may vote for quotas for 1950 only; or they may vote against quotas. However, marketing quotas cannot be in effect unless approved by at least two-thirds of the growers voting in the referendum.

Marketing quotas furnish growers with a method of adjusting supply to demand and help them to obtain fair prices for the tobacco they produce.

"Any person who has an interest in the 1949 crop of flu-cured tobacco as an owner, tenant, or sharecropper is entitled to vote in the referendum," Mr. Taylor said. "However, no person is entitled more than one vote even though he may be engaged in production of flu-cured tobacco in two or more communities, counties, or states."

Mr. Taylor explained that, if marketing quotas are approved, individual acreage allotments will be continued in 1950. Individual allotments for 1950 will be about the same as the 1949 allotment.

It was emphasized that the loan program affords growers the opportunity of obtaining loans based on grades. Loans furnish a protection that eliminates some of the price risks from tobacco growing, according to the chairman.

Mr. Taylor said Bulloch county's 1949 crop of flu-cured tobacco is indicated at approximately 5,500 hundredweight.

Dr. Gibson is a graduate of the Medical College of Virginia, with premedical training at the University of Scranton, Scranton, Penn. He attended preparatory school at Virginia Episcopal School, Lynchburg, Va.

He served his internship at the Moses Taylor Hospital, Scranton, Penn., and was resident surgeon there. He was staff physician at Catawba Sanatorium, Roanoke, Va., and was with the State Board of Health in Virginia.

Dr. Gibson has been engaged in private and industrial practice in Richlands, Va., prior to his coming to Georgia.

A native of Alabama, his family moved to Virginia in 1911.

G. C. HITT, of Statesboro, regional sales representative of the Parker Pen Company, will attend an autumn and Christmas sales promotion conference in Atlanta tomorrow (July 8).

J. GILBERT CONE, president of the Coastal Empire Chamber of Commerce, announced this week that the next meeting of that organization will be held in Statesboro on Thursday, July 14. Notices of the meeting have been mailed to all the members who are urged to notify C. D. Davern, executive director, as soon as possible.

DR. ZACH HENDERSON, president of Georgia Teachers College, will lead a study forum at the annual Laymen's Conference of the Methodist Southeastern Jurisdiction at Lake Junaluska, N. C., on Saturday, July 23. Dr. Henderson is leader of the South Georgia conference and vice president of the Jurisdictional board of lay activities.

Pr. Sumnerlin, field man for the U. S. Public Health Service in Bulloch county, is determined to rid the farms of Bulloch county of rats. "It can be done," he says.

"Rats cause sickness—typhus (Brill's) fever. They constitute a serious economic threat with respect to loss in livestock feeds, other foods, and materials they destroy," Mr. Sumnerlin says.

According to the records, rats in Bulloch county are doing damage to the county at about the rate of \$4 per rat.

"Besides, they are just downright filthy and dirty to have around," he continued.

Mr. Sumnerlin came to Bulloch county to help eliminate typhus fever by killing the fleas on rats. But he wants to rid the county of rats simply because they are rats.

According to Mr. Sumnerlin, "Rats cause sickness—typhus

The Bulloch Herald, Thursday, June 30, 1949

Forestry Notes

By J. W. ROBERTS
Bulloch County Protective Unit

1. Winners — Burnie White, Nevils; Emerson Proctor, Stillson. Planned November, 1948, with Bulloch County Vocational teachers.

2. Five participants selected by each teacher, 25 total. Each boy thinned or pruned 1/4 acre, planted 600 seedlings, protect the contest area from fire. Construction of firebreak around contest area. Marking project with sign made in school shop, "F.F.A. Forestry Project."

3. Trees were procured by District Forester W. H. McCann, through Union Bag and Paper Corporation without cost to the boys.

4. Winners will get one week camping trip to Laura Walker Park; everything free including transportation.

5. County Ranger worked with teachers and pupils throughout school term. Each participant in contest accompanied county unit fire truck for 1-day fire fighting.

6. Forestry camp will be held July 18-23; training will cover growing, harvesting, and marketing forest products, forest fire control and damage, field work and demonstrations, plenty of good food.

7. Very good work was done in all phases of contest. Boys have placed orders for seedlings to plant next season.

8. Judges were James F. Spiers, Central of Ga. R. W. nad Forester Central of Ga. R. W. forester, and W. H. McCann, state district forester.

9. The present high school campaign, which will be intensified during the next two months, is probably the most important ever undertaken by the recruiting service, the Recruiting Sergeant stated today. Now that the emphasis is on securing the highest caliber of recruit, the high school graduate is the answer to this problem.

In citing the many advantages of an Army career, the recruiting sergeant stressed the opportunities for interesting work; the chances for advancement in a career field; the best technical training available anywhere in the country; job and financial security; and finally, liberal retirement benefits. In the Army also, the sergeant said, is the chance for a young man or woman not only to join up with an up-to-date business organization, but to grow with it in a career field of his or her own choosing.

One of the most profound influences in shaping our country has been the Army, the sergeant reminded. It has made statesmen, educators, scientists; it has made contributions to humanity in such fields as medical research, electronics and numerous technical fields.

The Army offers greater opportunities and advantages than ever before in its history to young high school graduates who want to serve their country and at the same time build a successful future. Through the knowledge they will gain in service, the sergeant said, in apprenticeship and in practice, they have training for serving in hundreds of different ways. This is an opportunity which cannot be equaled.

See your recruiting sergeant today for full details. He is located at the courthouse in Statesboro.

This 21 day of June, 1949.

HATTIE POWELL, Clerk Superior Court, Bulloch County, Georgia.

BOY SCOUTS LOWERS AGE ENTRANCE FOR SCOUTING

Coastal Empire Council Boy Scouts of America has just lowered the entrance age for its three programs of Cub Scouting, Boy Scouting and Senior Scouting, effective next Sept. 1.

In announcing the far-reaching change authorized by the national Executive Board of the organization, Dr. Arthur A. Schuck, Chief Scout Executive, said the decision was reached after a three-year exhaustive study during which opinions were obtained from experienced leaders as well as parents.

After Sept. 1, boys may become Cub Scouts at eight years of age instead of nine; Boy Scouts at eleven instead of twelve and Explorers at fourteen instead of fifteen years of age.

The program known as Senior Scouting, Dr. Schuck announced, now becomes "Exploring" with its scope broad enough to include land, sea and air activities as well as life exploration. Units specializing in seafaring or in aviation will be known as Explorer Ships or Explorer Squadrons, respectively.

High School Campaign To Be Intensified

The present high school campaign, which will be intensified during the next two months, is probably the most important ever undertaken by the recruiting service, the Recruiting Sergeant stated today. Now that the emphasis is on securing the highest caliber of recruit, the high school graduate is the answer to this problem.

In citing the many advantages of an Army career, the recruiting sergeant stressed the opportunities for interesting work; the chances for advancement in a career field; the best technical training available anywhere in the country; job and financial security; and finally, liberal retirement benefits. In the Army also, the sergeant said, is the chance for a young man or woman not only to join up with an up-to-date business organization, but to grow with it in a career field of his or her own choosing.

One of the most profound influences in shaping our country has been the Army, the sergeant reminded. It has made statesmen, educators, scientists; it has made contributions to humanity in such fields as medical research, electronics and numerous technical fields.

The Army offers greater opportunities and advantages than ever before in its history to young high school graduates who want to serve their country and at the same time build a successful future. Through the knowledge they will gain in service, the sergeant said, in apprenticeship and in practice, they have training for serving in hundreds of different ways. This is an opportunity which cannot be equaled.

See your recruiting sergeant today for full details. He is located at the courthouse in Statesboro.

Frigidaire Complete Laundry!

1 S&W

the Frigidaire Fully Automatic WASHER

— with "Live Water" action. All you do is put in clothes and soap, set the dial... and forget it! It fills and empties itself automatically, in less than half an hour your clothes have been washed clean, rinsed twice and damp-dried... some ready for ironing! That's the Frigidaire! You'll have to see this revolutionary new washer, yourself!

1 S&W

the New Frigidaire Electric IRONER

It irons clothes faster, smoother, easier, all without lifting, backache, physical strain. The open ends will take sheets and tablecloths... easily! It has many convenience features, such as selective heat control, foot-press action, two ironing speeds, roll-rod for pressing and a 30-inch roll.

1 S&W

the New Frigidaire Automatic ELECTRIC DRYER

This is just what you've wished for many times, especially on wintry or rainy days. No heavy clothes to hang out or take down. It's automatic! Just put in clothes, set the automatic timer... and forget it. In 15 to 25 minutes a whole wardrobe of clothes has been dried by circulating "fresh-air action"—ready for ironing.

See These New Frigidaire Laundry Appliances.

THESE YOUNG PEOPLE are diligent in Georgia. They are the winners in the Georgia Power Company's F.F.A. Winter-Grazing Contest, and the Veterans Year-Round Grazing Contest, recently completed. J. W. Evans, of Newington, was the winner in this district and was given a \$50 check. Shown with young Evans are the other winners at the ceremonies held at Plant Atkinson, near Atlanta, on June 17. From left to right they are (in the veterans contest): John T. Cannon, Greensboro; C. A. Henry, LaFayette; J. W. Evans, Newington, and Edwin Pascho, Cairo. (John T. Cannon was the state winner.) At the microphone is C. A. Collier, vice president of the company, who presented the prizes. The F.F.A. winners are, left to right from Mr. Collier: Franklin Singleton, Clayton (state F.F.A. winner); John Ziegler, Valdosta; Eddie Folds, Sparta, and Killis Bennett, Forsyth.

Tobacco Vote Set For July 23

Approximately 4,500 flu-cured tobacco growers in Bulloch County are eligible to vote in the referendum to be held Saturday, July 23, on flu-cured tobacco marketing quotas, according to M. L. Taylor, chairman of the County Agricultural Conservation Committee.

The referendum will be held in accordance with the law which provides for marketing quotas on flu-cured tobacco for the 1950 crop. In the referendum, growers may vote for quotas for three years, beginning with the 1950 crop; may vote for quotas for 1950 only; or they may vote against quotas. However, marketing quotas cannot be in effect unless approved by at least two-thirds of the growers voting in the referendum.

Marketing quotas furnish growers with a method of adjusting supply to demand and help them to obtain fair prices for the tobacco they produce.

"Any person who has an interest in the 1949 crop of flu-cured tobacco as an owner, tenant, or sharecropper is entitled to vote in the referendum," Mr. Taylor said. "However, no person is entitled more than one vote even though he may be engaged in production of flu-cured tobacco in two or more communities, counties, or states."

Mr. Taylor explained that, if marketing quotas are approved, individual acreage allotments will be continued in 1950. Individual allotments for 1950 will be about the same as the 1949 allotment.

It was emphasized that the loan program affords growers the opportunity of obtaining loans based on grades. Loans furnish a protection that eliminates some of the price risks from tobacco growing, according to the chairman.

Mr. Taylor said Bulloch county's 1949 crop of flu-cured tobacco is indicated at approximately 5,500 hundredweight.

Dr. Gibson is a graduate of the Medical College of Virginia, with premedical training at the University of Scranton, Scranton, Penn. He attended preparatory school at Virginia Episcopal School, Lynchburg, Va.

He served his internship at the Moses Taylor Hospital, Scranton, Penn., and was resident surgeon there. He was staff physician at Catawba Sanatorium, Roanoke, Va., and was with the State Board of Health in Virginia.

Dr. Gibson has been engaged in private and industrial practice in Richlands, Va., prior to his coming to Georgia.

A native of Alabama, his family moved to Virginia in 1911.

G. C. HITT, of Statesboro, regional sales representative of the Parker Pen Company, will attend an autumn and Christmas sales promotion conference in Atlanta tomorrow (July 8).

J. GILBERT CONE, president of the Coastal Empire Chamber of Commerce, announced this week that the next meeting of that organization will be held in Statesboro on Thursday, July 14. Notices of the meeting have been mailed to all the members who are urged to notify C. D. Davern, executive director, as soon as possible.

DR. ZACH HENDERSON, president of Georgia Teachers College, will lead a study forum at the annual Laymen's Conference of the Methodist Southeastern Jurisdiction at Lake Junaluska, N. C., on Saturday, July 23. Dr. Henderson is leader of the South Georgia conference and vice president of the Jurisdictional board of lay activities.

Pr. Sumnerlin, field man for the U. S. Public Health Service in Bulloch county, is determined to rid the farms of Bulloch county of rats. "It can be done," he says.

Pilots To Play All-Stars Here Fri. Night, July 8

Former major league players and outstanding college stars will be in the Statesboro Pilots play hosts to the Ogechee League All-Stars in the annual All-Star game to be played here tomorrow (Friday) evening.

With Johnny Delesaga, manager of the Statesboro team, in charge of the All-Stars, the dream team will be under the tutelage of a former Southern Association star, who made a name for himself with Little Rock. Easterling of the Glennville team, who will be in right field for the All-Stars is a former major leaguer, and Halford of Glennville, who will be at short, was formerly with the Yankee organization playing Class A ball in New York state. The Southeastern Conference will be represented in the game by Henderson of Wrightsville in center field and Jenkins of Wrightsville at first base, both former University of Georgia players; and Bowman, Metter pitcher, from the University of Tennessee. Former Sally League players will include Linderman, Metter catcher, and Statesboro will be managed by Willetts and Stevens, catcher, both former Sally League players; Maxwell and Kinlaw, pitchers; of Auburn; Bryan at second, Murphy at short, and Jones, pitcher, all from Mississippi.

Mr. Griffin has one-third acre of land on which he has tomatoes planted. This patch yielded 116 bushels of the third crop which he sold for \$341.50.

He selected a spot of new land, cultivated for only one year. He treated it for all land diseases, then covered it with peanut hay and harrowed it into the soil. He added 200 pounds of 2-12-6 fertilizer. He put his plants out in rows 42 inches wide, and 3 feet in the drill. He mixed land plaster with his bug poison.

And it all paid off in that thin, green stuff.
