Georgia Teachers College \$1,000,000 Industry to City of Statesboro; County

Statesboro has an "industry" which means nearly a million dollars a year to the city, plus an unestimated intangible value to the people of this community.

Monday of this week Dr. Zack Henderson, president of Georgia Teachers College, told Statesboro Rotarians what the college means to Statesboro in dollars and cents. He likened it to a large industry with a year-round payroll which finds its way into the business channels of the community.

According to Dr. Henderson the college means more than \$840,650 to this community.

In breaking down the figures to prove his statement, he said the annual budget for the education and general fund is \$326,660. Of this, \$262,000 is for teachers salaries, and \$48,000 is for salaries for maids, cooks, farm hands, and auxiliary help. The balance is for upkeep of buildings, science laboratory, library, etc.

Budget for the dining hall, farm etc., is \$226,680, and the "agency fund," including student activity funds for the college annual, concert series, college paper, etc., is \$16,000.

He then stated that a survey shows that the 450 regular students enrolled at the college will spend in Statesboro, during the regular session, more than \$70,000. The \$50 received receiving subsistence from the federal government, will spend more than \$120,000. Summer school students here for the summer sessions will spend \$84,000.

This all adds up to more than \$840,650 the greater part of which finds its way into the business channels of Statesboro," he said.

He expressed his opinion that this figure is "low" and that the students spend more than this.

He reported that the enrollment at the college on Monday of this week was 752 students. Last year the total enrollment was 725. Of this year's enrollment, 400 are boys, and 352 girls. Of the total enrollment 170 are veterans.

Baptists and Methodists Observe Individual Rally Day on Sunday

Two of Statesboro's Churches are planning to attract large crowds for their annual Rally Day Sunday, October 2. The First Baptist Church and the First Methodist Church will observe this annual rally on the same day.

"Sunday, October 2, is Rally Day at the First Baptist Church. A goal of 800 in Sunday School and 1,000 in worship service has been set. Rally Day is a time for re-pledging of our time, our talent, and our money. We call all Baptist church members and all people of Baptist preference to the church on this great day," says Pastor George Lovell Jr.

World-wide Communion Day will be observed at the 11:30 worship hour. Its observance is helping to develop Christian unity throughout the world, which is so greatly needed in this day of stress and strain.

CHURCH LOYALTY WEEK Church Loyalty Week will begin at the evening service at 7:30 and continue through Sunday evening, October 9. At the evening service, Rev. John S. Lovell, pastor of the First Baptist Church, will speak on the topic, "Why God? The Life of Christ." The Rev. Frank G. Echols, pastor of the First Methodist Church, Cedar-ton, will arrive Monday and assist the pastor in the remaining services, which will be held each evening at 7:30 throughout the week. The membership of the church as well as friends of the church are urged to attend these services.

According to the pastor, observance of Loyalty Week is a call to the membership of the church to a greater love, loyalty, and labor for Christ and the church.

The public is invited to attend these services through Sunday, October 9.

Best Corn Crop Ups Livestock Business

This year's "best ever" corn crop, along with the oats now being planted for grazing, will get Bulloch County back in the livestock business in a big way.

There were 94 farmers in the county that entered corn production demonstrations as contest acres. Many of these yields are running around 100 bushels per acre.

About the same number of 4-H Club boys had contest acres that are also running near the all-time high yield. The corn generally, other than in these contests acres, is the "best ever" grown here.

More fertilizer was used on corn and better varieties were planted. Both of these factors played an important part in making an excellent corn crop. Weather conditions were favorable on most of the corn.

Indications now are there will be some 30,000 acres of land planted to small grains, mostly oats, for grazing this fall. This early green grazing will supplement the corn to the extent that more hogs and cows will be sold as finished animals this year than normal and add to the income these animals would have brought as small and unfinished if marketed in that condition. Of the some 100,000 hogs and 20,000 cattle usually sold here, 40 to 60 per cent has been marketed as feeders or for shipping out to other areas for finishing out.

These numbers of hogs and cattle are the largest hog crops the county has ever produced. There are ample cattle to eat the long feed and help market the corn as meat. The income from cows sold in that condition will go toward offsetting the loss in income from the poor cotton crop.

Those that have reported yields of corn from 50 to 102 bushels per acre are L. S. Anderson, Lamar Smith, L. Carter Deal, Henry S. Blitch, J. R. Chester, G. B. Bowen, J. E. Deal, J. T. Whitaker, Fred M. Atkins, Robert L. Edwards, W. B. Adams, Robbie Belcher, and J. H. Wyatt.

Junior Football League Ready For 1949 Season

More than 100 potential Charlie Trippis have signed up for the Junior League Football Program under the city's fall recreation program for teen-age youth.

Max Lockwood, superintendent, states that the Junior boys have been studying the fundamentals of the game all this week.

The Junior League will be comprised of four teams: The Pilots, Gene Newton, manager, and Gordon Franklin, captain; The Bull Dogs, Jimmy Jones, manager, and Billy and Bobby Steptoe, co-captains; Cardinals, Al DeLoach, manager, and Colin Barron, captain; Red Caps, Max Roberts, manager, and Wayne Parrish captain.

Last week managers of these teams were guests of the Department of Recreation at the Statesboro Blue Devils - Waynesboro high school game in Waynesboro last Friday night.

The opening game of the Junior League season will be between the Bull Dogs and Pilots.

Al DeLoach has been named as chairman of the board of officials for the league. The board is made up of team managers and captains.

Mattiee admission is 25 cents for children, high school and college students 40 cents and adults 50 cents. Evening admission is 35 cents for children, 50 cents for high school and college students, and 75 cents for adults.

THE VISITING TEACHERS of the First District will meet here at the First Baptist Church on Thursday morning, October 6, at 10:30. The teachers will be given a report on the Visiting Teacher Workshop held in Athens, and the program planning conference recently held in Milledgeville. A nominating committee will be named and plans made for the GEAT meeting in Savannah October 28. Miss Maude White is the First District Visiting Teacher chairman. Dinner will be served at the Norris Hotel at 12:15 at \$1.00 per plate, and 18 counties will send representatives.

Take a Good Look

I watched the television at Andy's Garden Tavern last Saturday. "Andy" I asks him, "wouldn't the picture be clearer if it were darker in here? How about it instead of that wall-high curtain you have in the window you had a shade for the whole window?"

"The television might be brighter," he says, "but then people outside couldn't see in. It's that more important than the television picture to me—because I want people to see I'm not hiding anything. I want 'em to see it's a well-run place."

Andy's a great believer in the Brewer's Self-Regulation Program, whereby tavern owners and the Brewer co-operate in seeing to it that places selling beer and ale are clean and law-abiding—a credit to their neighborhood.

From where I sit, Andy's got the right idea. Live right, and you'll never have to worry about who's watching.

(P.S. Andy changed the position of the television set and now the picture's fine.)

'Jack and the Beanstalk' Is Tops In Entertainment

By JANE

You will do your child a grave injustice if you fail to take him or her to see the production of "Jack and the Beanstalk" Thursday evening, October 26, at the college auditorium.

Jane has been initiated into the sacred, or scared, group who are making sets for the stage, and word of desperate maneuvers and strategy for casting and publicity has reached her ears. The giant's castle and Jack's humble home, where the beanstalk takes root, the white fleecy clouds, etc. are in the process of becoming masterpieces of original construction in an abandoned chicken house at Dr. Pittman's, screened from view by a specie of bamboo. Women engaged in the arduous task all have children and no baby sitters. They, however, are as clever in devising ways and means of keeping both children and husbands contented as they are in contributing combined skills in the coming production.

For example, Alfred Merle Saue takes Alf with her to the chicken house and, with a stout rope, anchors him to her car bumper while she paints the cast-

le. Julie Allen, who has an imbecile involved while pictures were being made at Clifton Photo Service. Brother George Lovell, as the giant, and Margaret Hamilton were being photographed in costume. Edgar Hart was first called in to furnish the giant with a wide belt. The belt proved too small for a man of Mr. Lovell's stature. But this group belongs to the Atomic Age. A call to the police station and a wild plea for help, accompanied by groans from the preacher as he went into his dramatic effect, did the trick. In no time at all, Henry Anderson, the chief, in person, answered the emergency call. He released his belt gladly in the name of art. It was a perfect fit! People who are so resourceful deserve a fine audience, both big and little folks. "You'll come away muttering: 'Fee-fi-fo-fum, that play was good, by gum!'"

Take a Good Look

I watched the television at Andy's Garden Tavern last Saturday. "Andy" I asks him, "wouldn't the picture be clearer if it were darker in here? How about it instead of that wall-high curtain you have in the window you had a shade for the whole window?"

"The television might be brighter," he says, "but then people outside couldn't see in. It's that more important than the television picture to me—because I want people to see I'm not hiding anything. I want 'em to see it's a well-run place."

Andy's a great believer in the Brewer's Self-Regulation Program, whereby tavern owners and the Brewer co-operate in seeing to it that places selling beer and ale are clean and law-abiding—a credit to their neighborhood.

From where I sit, Andy's got the right idea. Live right, and you'll never have to worry about who's watching.

Fescue Grasses Grow Here Successfully

The fescue grasses will grow successfully here in Bulloch county, J. G. Fletcher, Henry S. Blitch, and A. Groover say. These men, along with several others, tried fescue grass last fall and had considerable more grazing the first year than they expected. Ample rain throughout the year had a part in this, probably.

General W. W. Little, grazing is expected the first year. All three of these men planted the fescue on good land, fertilized it well, prepared the ground thoroughly, and planted the fescue in October. Mr. Blitch stated that his cutpucker paid for itself on this one crop. It seems that it is wise to roll the land following the planting, or drag it with a heavy pole. They used some 10 pounds of seed per acre.

The Coastal Plain Experiment Station at Tifton recommends fescue only and not either of the names. The agronomist there say they cannot tell Alta from the Kentucky 31 seed cost some 15 cents per pound more than the Alta. The grasses seem to be identical in every respect.

Tifton also recommends that fescue be planted on good land and fertilized well. Not be any problem in securing some 15 to 18 bulls, both polled and horned, some 20 to 25 heifers, bred and open, as well as some cows with calves at foot. Several breeders have already promised the field man entries.

Ga. Teachers College—Continued from Page 1. Before school opened this week, the college spent over \$100,000 in improvements on the college campus, including the administration building, the library, and Anderson hall.

Dr. Henderson is concerned about the need for additional dormitory space on the campus. He told the Board of Trustees in the Sanford Hall, a building with 40 rooms, there are 271 boys.

"Rooms built for two boys are overlaid with three, and in three rooms there are four boys," he said.

"If we had a new building tomorrow we could move 100 boys from Sanford Hall and still need another dormitory," he said.

He stated that the college was forced to turn applications for entry into the college down for lack of dormitory space. He believes that with adequate housing facilities, Georgia Teachers College could soon be enrolling "1,000, 2,200, 1,500 students."

He recalled dreams of Dr. Pittman, who visualized 1,500 and more students at the college here.

"The time has come to see that these dreams do come true," he said.

He spoke of the high standards of the college. He pointed out that now the college is fourth in the University System. "Fourth to University of Georgia, Ga. Tech, G.S.C.W."

He asked for the Minimum

Foundation for Education, which would put Georgia Teachers College where it rightfully belongs. "It would mean three new dormitories, more teachers, more students."

"The more you see of Georgia Teachers College the more you will realize its value to the community and appreciate it," he said.

He sought the support of the members of the Rotary Club to see that the city's "million dollar industry" continues its growth.

John Bradberry Speaks At Quarterback Meeting

John Bradberry, Sports Editor for The Atlanta Constitution, was guest speaker at the "kickoff" meeting of the Statesboro Quarterback Club, held at the Country Club Monday night of this week.

Jesse Ouliff, sports writer for the Constitution, was with Mr. Bradberry. Mr. Ouliff's story on the meeting in the Atlanta Constitution on Wednesday morning is as follows:

"End Tommy Bled was honored as the Statesboro High School player of the week Monday night as the Statesboro Quarterback Club, one of the most enthusiastic and progressive groups in the State, kicked off for its second season at the Forest Heights Country Club.

"Blitch, a scrapping redhead, was picked by the club for his fine play in Statesboro's 59-6 victory over Baxley last Friday night.

"The club will follow the same policy each week and will present awards to the entire team at the big celebration at the end of the season.

"Seventy members were present at the opening session Monday to hear John Bradberry, Sports Editor of the Constitution, give a talk on Southeastern Conference football.

Fielding Russell, newly elected captain of the club; Everett Williams, quarterback; Jim Watson, scorer, and San Strauss, treasurer, were installed as officers.

Dekle Banks New Jaeckel Manager

Dekle Banks, son of Mr. and Mrs. Linton G. Banks of Statesboro, is now the manager of the Jaeckel Hotel.

The J. E. Foy family, former operators of the hotel, have moved to Fernandina, Fla., where they will remain until the first of next year.

Young Banks leased the hotel from the E. A. Smith estate, owners. He comes here from Athens, where he has been assistant manager of the Georgian Hotel.

He is a graduate of the University of Georgia, where he was a member of the Sigma Chi fraternity. He was a member of the Athens Optimist Club.

Mr. Banks states that extensive renovation will begin soon inside the hotel. He expects to put new floors in the dining room and kitchen, new furnishings in the lobby, together with other remodeling.

What Happened To The Other 2,489?

Back in August the Statesboro National Guard held a pay day and paid its members off in silver dollars—5,000 of them.

That was the last we heard of them until Floyd Brannen, of H. Minkovitz & Sons department store, told us Monday morning that more than 125 of them had passed through the cash registers of that store.

Kernit R. Carr, of the Sea Island Bank, reports that more than 1,300 turned up there, and Wallace Cobb, of the Bulloch County Bank, said that about the same number passed over their receiving counters.

That makes 2,525 accounted for. John Lafate DeLoo, son of Mr. and Mrs. Inman Dekle, has six in his "cartwheel" collection, which makes 2,531 accounted for. Wonder what happened to the other 2,489?

Last Friday night the Blue Devils crushed Baxley High, 59-6, as their passing and running attack clicked in every quarter. It was the first home game of the season for the Blue Devils.

As the coin was tossed into the air the jam-packed stadium was tense and quiet. Baxley went first and elected to receive. Statesboro kicked off to Baxley's 30, but the receiver was stopped by his tracks. On the next play Baxley fails. Bobby Davis makes 10 yards to the 40. On the next play they fail to gain and kick on second down. Nesmith takes the ball, and on a beautiful 60-yard run with good blocking, goes for a touchdown. Fletcher's kick for the extra point goes for 20 yards. Statesboro 6, Baxley 0.

Statesboro kicks off to Baxley's 35 and again the receiver is smothered. Franklin Hagins intercepts a pass for Statesboro. Upchurch goes to the opponents' 12 yard line. Upchurch takes the ball and smashes through center for a touchdown. Fletcher's kick for extra point is good. Statesboro 19, Baxley 0.

Statesboro kicks to Baxley's 28. Baxley returns it to their 40. A center back is good for five. Vandorner makes three. Baxley fails to gain on next play. They kick on fourth down, but the ball goes straight into the air and close out of bounds on their own 40. Pass from Cassidy to Upchurch for Statesboro good for 11 yards. Ashton Cassidy passes to Nesmith. Nesmith laterals to Joe Ben Cassidy good for six yards. A center smash by Joe Ben Cassidy is good for two. Joe Ben Cassidy picks up eight.
