It Was Wonderful

IT WAS a grand show. Oh, sure, we know it was not what you would see on Broadway in New York City. But we still think it wonderful.

For producing, staging, performing the Gilbert and Sullivan operetta, "The Mikado," is no job for a high school speech and music department, nor is it one you'd expect to be put on by a college group, nor a community music club.

But they did it here in Statesboro. The combined talents of the Statesboro Music Club, college students, and high school students, under the direction of Jack Broucek, came up with a finished performance of the rollicking musical by that famous team, Gilbert and Sullivan. Those who saw "The Mikado" last Friday evening at the college auditorium recognized it as fine entertainment and expressed their appreciation of the time and effort of the performers in no uncertain manner.

And so it is that we are proud of all who had a part in the production. It was a fine demonstration of cooperative effort, talents, and community spirit.

Sign and Mail It Now! HAVE YOU signed your pledge card to give a pint of your blood? If not, do so NOW.

There is a facsimile of this pledge card printed in The Herald this week. Cut it out, sign it, and mail to Mr. Ike Minkovitz, chairman of the Bulloch County Blood Bank Program.

Don't put it off. There's the scissors! Cut the pledge out before you read another paragraph, and get it in the mail. It's important.

And, besides, you can know what you have done may save the life of someone you love, or the life of one loved by someone else.

We Are Responsible

IN THEIR 1951 booklet of street and highway accident data, Travelers Insurance Companies record a total of 35,500 fatalities last year as compared with 31,800 in 1949.

This discouraging picture reverses a post-war trend during which, although the numbers of registered motor vehicles increased steadily, the number of persons killed annually increased.

In 1950, there were 3,700 more persons killed than in 1949 and there were 235,800 more persons injured last year than in 1949. Among that number of injured persons, one who knows how many more might have died were it not for expert medical attention given promptly. Nor does anyone know how many of those injured will spend the rest of their lives under physical handicaps which rival death itself as tragedies.

The Travelers report indicates that the 1950 toll of killed is the highest since 1941's all-time record of 40,000. It is not a proud record.

We who drive—and walk—along the nation's highways and streets are responsible for the record. We ARE the record. We must accept this responsibility by driving and walking carefully.

It's Been Rough On Them

THIS WEEK we commend our Bulloch County Forestry Unit. Under J. W. Roberts the Bulloch County Unit has kept the county's fire losses this season to less than one-half of one per cent of the county's total forestland acreage.

We believe this to be a fine record. Watching over the 284,083 acres of the county's forestland is no little job. It requires eternal vigilance.

A Fitting Celebration

IT WAS a fitting celebration. More than 2,000 Bulloch county Negroes gathered at Willow Hill School Friday for their annual county-wide Community Day.

There was music, singing, folk dancing, speaking and athletic contests. But the highlight of the day to us was the presentation of a key to Eddie Wilson, outstanding Negro farmer, for producing 106 bushels of corn per acre.

The day began with a reading of scripture from the Bible by one of the county's leading Negro ministers, Rev. W. D. Kent. It is remarkable that in Bulloch county our Negro citizens have a deep consciousness of community spirit, and a sincere community loyalty.

It is a contributing factor to our being recognized as Bulloch, the Banner County of Georgia.

Looking at County Schools

PORTAL SCHOOL. Eleven grades, 18 teachers, gym damaged, lunchroom and kitchen, eight classrooms, one vocational building, home economics, shop, cannery. About seven acres. New building under construction.

WARNOCK SCHOOL. Seven grades, four teachers, one frame building with auditorium, six or seven classrooms and lunchroom, and canning plant. Five acres land.

Playground eroded. Paved strip to front entrance. Office at entrance, three windows, telephone, heater. Bad steps to auditorium, but floor is flat and can be used for many purposes.

Boys' toilet end of corridor, wooden floor, two commodes, one urinal, one window. Storage room off stage to lunchroom. Narrow steps to lunchroom and kitchen. Back of auditorium—tables and benches—only exit. Use stage to get to lunchroom.

Classrooms have green chalkboard, patented desks, five windows on left, six feet from front of room. Needs repainting. One table and chair. Transoms boarded up—no cross ventilation. One exposed bulb. One blackboard used as bulletin board. Wash basin in each classroom. Soap dispenser, towels on shelf.

Library has three windows outdoors, two windows into auditorium, tables and chairs, attractive painting. Central heating used. Small cannery, good frame construction. No fire protection. Poor exits from auditorium.

LEEFIELD SCHOOL. Seven grades, four teachers, two buildings brick veneer. Seven classrooms, auditorium. Seven acres. Separate frame building for lunchroom and kitchen.

Classrooms 20 by 24, big windows, patented desks on runners to get light, excessive blackboard, black dado, blue walls, curtain (get some light).

First grade room small, tables and chairs, good cross-ventilation, light cream walls.

Two drinking fountains, two lavatories in hall. Stage of auditorium serves as corridor between sections. Improved office partitioned off stage. Boys' toilet has two commodes, one urinal, wooden floor.

Lunchroom separate, bad entrance. Two classrooms. Building connected to kitchen and lunchroom. Storage under building hazardous.

LEODEL SCHOOL. Eleven grades, 14 teachers (six high school), one building includes auditorium and gymnasium. Fourteen classrooms, separate lunchroom and kitchen, shop and cannery. Six acres.

Office on left, one filing cabinet. Recent leaks damage ceilings. No oil on floors. Two drinking fountains, three lips each. Library about 23 by 40, bookshelves, six windows, seven tables.

Child Rearing Is Great Investment For Young Couple

BY VIRGINIA RUSSELL. WE PUT the two boys who are still at home on the bus and hurried out to Kennedy as they came by. We knew it would embarrass the almost-sixteen-year-old, who had given us stern directions going to the station, not to tell his mother we were to take care of them, but we also knew it would please the nine year old.

They were off to Tallahassee, Florida to visit our former neighbor and to take in the annual Florida State University circus. When I knew they were going I started planning a cleaning crusade. With all three of the boys out of the house, I could really sneak out a list of junk. I started with the little chick left to do, and I was beside myself with thinking about the orderliness that would soon exist.

We reached the house and, somehow, all the exuberance I had felt for cleaning vanished. There were the two grey rings made by the popcorn popper, in the middle of the living room floor. The white woodwork bore signs of fingerprints that varied in height as well as color. (One can easily distinguish lawn mower grease from cowboy dirt from mud-pies.)

Everywhere there were signs, but the house was silent and those signs became sacred. I simply couldn't clean them up until the boys were back.

For four days time dragged. Even the youngest was changed—she no longer cared to eat, what with no competition, and she seemed bored with the things we were doing. The father of these children and I couldn't think of anything to talk about, so accustomed were we to saying, "Hi, or hi there," when you're 40 your chin will touch your boy window at the rate you're going now." Or "Cut that bite in four bites," or "How many times have I told you that if you'd gently push the food toward the center of the plate you wouldn't spill it in your hair."

All of a sudden I was so happy anew that we had four children, and a little sad that they weren't a couple of more. I started feeling deep sympathy for people who have only one or two children. All of a sudden, I knew how lonely a house can be when the young ones grow up. The years passed in review.

There have been some bad times (still are). I used to worry myself sick for fear the sheriff would come get the latest baby until the doctor was paid—now I know the doctor would have given us a bonus to keep any one of them. It's an endless task to pay the butcher, the baker, and the Georgia Power Company, let alone the dairy, the shoemaker, the tooth and pill doctors (shall I go on?), not to mention the college fees, but I am convinced that this child rearing business is the best paying investment any two young people can make. I never know no time for neurotic women or pampered men. (Who could be neurotic in a madhouse?)

Eventually the debts will be paid (I hope), and there'll be some nice young people who will feel a personal interest in that little old couple at 12 W. Kennedy. (And, I dare one to bring the grandchildren to be nursed without first consulting us.)

Well, I was feeling just plain sentimental, and the bus bringing our charges home seemed so slow in arriving. Finally, it came and the same two boys returned—all full of pep and talk, and good nature, and bad manners and loud voices. The kitchen was in a bigger mess than it had been for several days but in time it was put in order and I went to the living room. The greasy spots from the popcorn popper were no longer visible—they were covered by two small traveling bags and the bus floor was covered with a four day's supply of dirty clothes.

Well, I said "eventually," didn't I?

Editor's Uneasy Chair

IF YOU missed "The Mikado" last Friday night at the college you have only yourself to blame. We would not have missed it for anything. First off, the music written by Arthur Sullivan and the lyrics by W. S. Gilbert are some of the most delightful ever written. And to see and hear your neighbors and friends singing and playing the parts of that colorful operetta is an evening long to be remembered.

Listening to and watching Al Sutherland singing the part of Ko-Ko, the Lord High Executioner of Titipu, with that big chop ax on his shoulders, and his struggles with Katisha (played by Mrs. Virginia Russell), and his final submission to her "fateful attractions," was sheer delight.

We chucked now over the part of Poo-Bah, played by Bobby Humphrey... his bay window bouncing under his long silk robe and his handkerchiefs waving in an enthusiasm which proved near disastrous for Ko-Ko's wig. All the singing was fine.

ALL'S FAIR... By Jane

Rusty, Charles and Jim were Texas bound; had their eyes wide open lookin' all around. Pretty soon they saw a mountain and Charles yelled out loud, "Look! There's Roy Rogers ridin' straight through a cloud!"

The boys are sure the Lone Ranger will put 'em on his saddle, and for Hopalong Cassidy they'll really keedaddle. In no time at all they'll be western cowboys. Those sons of Gene L. and Margaret will make plenty of noise. They'll be two-gun fellers, saying, "Stick 'em up!"

And if we're ever out in Texas, bet your life we'll look 'em up. Now there's William and Dick Russell who visited Malvina Trussell. She took them to a circus put on by the college. When they got home they were really full of knowledge. Va. Jr. now has in her neck a crick — as she turned rapidly from Bill to Dick.

"Lawn-Mower Willie," left here with seven dollars. Brought his sister a dog that doesn't require collars. It doesn't resemble a dog or even a cat, but Virginia loves it—and that's that.

WELL, before our head goes round in circles, we'll try to give our bit of news straight. As the first bit of news at the top relates, Capt. and Mrs. Gene L. Hodges and sons have arrived in El Paso, Texas, where they will be stationed until June, after which they will join the Bulloch County Guardsmen in Wisconsin.

JOSIAH ZETTEROWER has the ladies sold on his idea of planting dogwood not only on 301, but on other places. Last week, Dogwood Joe was a special guest of the Adam Brinson Chapter of the D. A. R.'s at Graymont-Summit. "It is a little late to plant dogwood, according to Joe. But he planted ten trees on the grounds of the D. A. R.'s chapter house as a sort of experiment. Well, the season is so unusual this year, Joe could have unusual results in his venture."

NOW is the time, according to Max Lockwood, to get your tickets for the swimming pool. They are on sale at the Recreation Center. And Max suggests: "They'll be wonderful birthday gifts."

Bulloch Farm Bureau Chapters Using Marketing Board to Good Advantage

A marketing board will be placed at Eola schoolhouse for listing things for sale or wanted. S. W. Starling Jr., vice president of the Bulloch Farm Bureau, stated at their meeting Tuesday night.

Mr. Starling pointed out that the Nevils chapter was using such a board and it appeared it would serve a good purpose. Following a general discussion of tobacco insects which are now giving Bay District farmers lots of trouble, those present thought they were getting the best control of them by using the board.

Number of Farms In County 160 Less Than 1945

The number of farms in Bulloch county last year was less than in 1945, according to information received here from Merrill C. Lofton, southeastern regional director of the U. S. Department of Commerce in Atlanta.

Releasing an analysis of the 1950 census of agriculture conducted by the Commerce Department's Bureau of the Census, Mr. Lofton said the number of farms in Bulloch county in 1950 was placed at 2,925 compared with 3,085 in 1945.

Last year, the Census Bureau in taking the census of agriculture took along with the census of population and housing, defined a farm as land of three or more acres on which agricultural products, exclusive of home garden, valued at \$50 or more were produced, or land of less than three acres on which the value of products sold amounted to \$150 or more. In 1945, the definition was land on which products valued at \$250 or more were produced, with no reference to home gardening or products sold.

In the state as a whole, the Census Bureau also recorded a decline in the number of farms from 225,897 to 198,237. A total of 124 counties in the state recorded decreases in number of farms and 35 reflected an increase.

Other features of the 1950 census of agriculture will be available at Commerce Department field offices in which agricultural products charge, Mr. Lofton said. These will include the value of commodities produced, number of farm operators, facilities used, and information for disposing of crackered peanuts when having your own seed shelled. Soil building practices for 1950 under PMA are about the same as in 1949. Mr. Cason said.

The Nevils group, trying something new, featured sausage patties on their bill of fare. REGISTER CHAPTER HOLDS ITS ANNUAL PIG SHOW. The Register Farm Bureau held its annual pig show at the Farm Bureau meeting Thursday night, with A. D. Clifton of Metter, John F. Spence of Brooklet, and A. D. Milford of Portal, working as the judges. The show held recently.

H. R. Christian urged the Register group to continue cooperation with the blood donation program and discussed the increased need for blood in the local hospital, as well as in Korea. The Register group enjoyed a ham supper, their favorite.

NATIONAL H. D. WEEK. When Georgia farm women join with others throughout the nation in observance of National Home Demonstration Week, April 29-May 5, this will be the sixth year that such a special week has been observed, according to Miss Lurline Collier, state home demonstration agent. The theme for the week this year will be "Today's Home Builds Tomorrow's World."

"I Bin Thinkin'"

By LEHMAN FRANKLIN. Welfare agencies report that American men and women give more generously to charities than they did 20 or 30 years ago. It used to be that only the very rich gave away any of their surplus wealth—but now the idea of giving has spread all through our people. In a world of black headlines this is a mighty encouraging sign. It shows that more of us all the time are thinking of the other fellow—and it's that kind of thinking that will help to build the kind of world we should have. No matter how tough things get, someone else is worse off than we are—and helping them, helps us.

This week we congratulate the people of the Portal Community on the dedication of the new Portal School. Governor Herman Talmadge will be in town for the dedication ceremonies. Our own Everett Williams will present the dedication. And the children of the community will present the fairytale Hansel and Gretel during the May Day Festival.

Year after year... says "IT'S DODGE FOR DEPENDABILITY" MORE MILEAGE LONGER CAR LIFE DODGE OWNERS TESTIFY "I'VE PUT THE EQUIVALENT OF FOUR YEARS' DRIVING ON MY '50 DODGE" "As a salesman, my 1950 Dodge is always on the go. I figure that it has already put the equivalent of four years of average driving on it—without spending any appreciable amount of money for repairs." —says Harry H. Hursi Houston, Texas "DROVE MY 1937 DODGE 150,000 MILES!" "Mine is a 1937 Dodge—and it's still going strong! It has covered more than 150,000 honest, dependable miles. No wonder people say it's Dodge for dependability." —says Mrs. Noble Swisher Chicago, Ill. "MY 1948 DODGE STILL LIKE NEW!" "My work calls for thousands of miles of driving a year, yet my 1948 Dodge still runs like new car and feels like new. Outside of regular oiling, it has yet to see the inside of a repair shop." —says George Steffer St. Louis, Mo. You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge TAKE THE WORD OF OWNERS who know Dodge value and dependability from actual experience. "No major repairs in four years' driving." "After driving another make less than a year, I'm back with Dodge again." "Driven my Dodge 150,000 miles and it's still going strong." These are not unusual comments we receive from Dodge owners coast-to-coast. Dodge dependability starts with a heavy, rugged frame, a "Get-Away" engine "speed-proofed" to resist wear, designed to be a miser on gas. There's a safe, rigid, all-steel body, rubber-mounted to eliminate rattle, ruck. New Safer, Smoother Ride Dodge Oil-Shock Absorbers "float" you over roads that stop other cars, cushion vital chassis parts against road shocks... make them last years longer. And with this traditional Dodge quality of dependability goes extra headroom, leg room, elbow room found in no other car... "Watchtower" visibility in every direction. Longer lasting, smooth acting Safe-Guard Hydraulic Brakes make every mile you travel safer, more relaxed. Come In Today Take 5 minutes to check Dodge dependability in long life, in extra comfort and safety, low-cost maintenance and gas economy. It will be the most profitable 5 minutes you ever spend. Frances Turner Comes Bride of St. Kenneth Smith

The Rev. and Mrs. Paul Augustus Turner, of Dalton, Ga., announced the marriage of their daughter, Frances Irene, to Sgt. Kenneth Smith, U. S. M. C., on April 17 at Glenn Memorial Chapel at the Emory University campus.

Sgt. Smith is the son of Mr. and Mrs. Frank Smith, of Statesboro. The bride's father officiated at the ceremony.

Paul Augustus Turner Jr., lighted the candles at the pre-nuptial service which was held at 11 o'clock. Ushers were Fred Springer and Wayne Freeman, both of Emory University. Frank Smith served as his son's best man.

The bride's only attendant was Mrs. Paul Franklin Tumin, who wore a black and white suit with black velvet accessories. Her corsage was pink carnations.

The bride, given in marriage by her brother, Fred Patillo Turner, was attired in a lilac suit with white linen accessories. Her corsage was a white orchid.

Mrs. Turner, mother of the bride, wore an aqua suit with beige accessories. The groom's mother wore a purple crepe dress with beige and tan accessories. Both wore pink carnation corsages.

Mrs. Smith was graduated from Griffin High School and attended LaGrange College where she was a member of Kappa Phi Delta sorority and Alpha Psi Omega, national dramatic fraternity. She is now a senior at Emory University School of Nursing and will receive her B.S. degree in March.

Sgt. Smith was graduated from Statesboro High School and attended Georgia Teachers College. He served four years active duty with the U. S. M. C. and attended Emory University where he was a member of Delta Tau Delta fraternity. He was called back to active service with the Marine Corps Reserve and is now stationed at Quantico.

Mr. and Mrs. Frank Smith and Mrs. Emory Deal and Mrs. Ralph Moore of Statesboro, Mr. and Mrs. Harold Smith and Hamp Smith of Brooklet attended the wedding.

MORE POWER... GREATER CAPACITY

To do a Bigger Job!

\$6,000,000 Worth of New Diesels and Freight Cars Ordered by the Central

Keeping step with the expansion of industry in this territory and the requirements of the Nation's defense, the Central orders the equipment to deliver the goods. Central of Georgia is performing a bigger job of vital transportation than ever before. And now on order— for delivery this year—are 525 new freight cars and 22 powerful diesel locomotives.

MORE POWER

The twenty-two new diesel locomotive units will be of 1500 and 1600 horsepower. Thirteen of them will be equipped for use in passenger service as well as freight. These speed giants will furnish added power to pull more freight or passenger trains faster and more efficiently.

GREATER CAPACITY

The new freight cars will include 300 fifty-ton, steel-shelved box cars, 200 fifty-ton, all-steel gondolas, and 25 seventy-ton covered hopper cars. This means service . . . for all these cars were coupled together, they would form a train nearly six miles long!

Bulloch County Superior Court (April Term, 1951)
April Grand Jury Report, 1951.

We, the committee appointed by the October grand jury to inspect the County Public Works Camp and make an inventory of the county camp machinery and other county property used by the county at the county farm and on county roads, beg to submit the following report:

There are 44 men in the prison camp, 33 felones and 11 misdemeanors.

We inspected the kitchen, dining quarters, camp buildings, sleeping quarters and equipment. These were found in good condition.

We found the walls in the guards' quarters, the mess hall, and the office in need of repairs. We recommend that this work be done.

We also found the barns needing repairs and recommend that the necessary work be done to remedy this.

Mr. Fields, the warden, and other employees of the county at the camp and on the roads appear to be rendering the county good service.

Salute TO GEORGIA COUNTIES

Wilkes County

Home of Patriots
FOUNDED 1777
COUNTY SEAT, WASHINGTON

In 1779 the decisive Revolutionary battle of Kettle Creek was fought in Wilkes County at War Hill, eight miles west of Washington. The Colonial soldiers crossed the Savannah river and surprised the stronger British forces. The Tory hold in upper Georgia was broken forever. A number of the homes of famous Wilkes patriots are still standing, adding immensely to the beauty and historic interest of the county.

In this and other Georgia counties, the United States Brewers Foundation works constantly on a program of education, teaching moderation and obedience to the law. We encourage beer dealers to keep their places of business clean, wholesome, law-abiding. Practically all dealers welcome this cooperative effort and Georgia law enforcement officials have highly commended this self-regulation activity by the brewing industry.

SPECIAL Invitation

to the opening of the NEW PURINA MILL MACON, GEORGIA, MAY 10

EDDY ARNOLD and the Oklahoma Wranglers

WILL APPEAR IN A FULL HOUR OF ENTERTAINMENT

This is an invitation to our customers and friends to come with us to Macon, Georgia, May 10th, for the big celebration and entertainment on the occasion of the opening of the new Purina mill. Plan to bring the wife and make a day of it.

Eddy Arnold, the Tennessee Plowboy, will be there with the Oklahoma Wranglers and the Statesman's Quartette in a full-hour show. Governor Talmadge will be there in person to start the mill.

There will be a free lunch served, compliments of Ralston Purina Company to all who get their invitations from our store.

Lots of fun; lots of entertainment; interesting farm animal exhibits.

We have free tickets at our store for our customers and friends who would like to attend. It will be a big day. Come and get your ticket at our store. Tickets are free, but admission and free lunch by ticket only.

It started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels.

It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflo Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipments, accessories, trim and models are subject to change without notice.

New School Building At Portal Is Dedicated; Talmadge Speaks

Statesboro and county leaders joined citizens of the Portal community in the dedication of the new Portal school at all-day ceremonies on Tuesday of this week, a feature of which was an address by Governor Herman Talmadge during the morning.

The morning ceremonies were held in the gymnasium with Principal Brown as master of ceremonies. Rev. Gus Peacock gave the invocation and the Portal Club sang "The Lord is My Shepherd." J. S. Roland, Jr., mayor of Portal gave the Welcome.

Everett Williams, senator of the 4th senatorial district, presented Governor Herman Talmadge, who made the principal address of the day.

The new school building was thrown open to the public for inspection.

Believed to be one of the most modern school buildings in this section, the new Portal school is modern and functional in all its details.

Two buildings, housing the high school and the primary grades, are built parallel to each other on the South side of the Portal school grounds.

The south side of each room is completely of glass. The north wall is all brick with the rooms are painted a soft color with green blackboards. In back of each room are cork boards and cabinets for materials. The floors are of tile. The desks or of a modern patented design. A cork bulletin board is on the north wall of each room.

The first three grades of the primary department are in the other building. The rooms are exactly like the room in the high school building, except small tables with high chairs are used instead of desks. There are individual rest rooms for the boys and girls in each of these rooms.

Long concrete walks with a wide overhanging run the length of the two buildings on the north side. A door from each room opens on this walk and a door also opens from the south side of the building. A golden era of the building is a golden era of the building. A golden era of the building is a golden era of the building.

The dedication ceremonies each room colorfully decorated and fresh with flowers. The teachers and their pupils acted as hostesses to the visitors.

Swimming Pool To Open May 23

Good news for the kids! Memorial Park swimming pool will open for the 1951 season on May 23. The opening will feature a tri-city swimming meet, with Statesboro, Sylvan and Savannah participating. The announcement is made this week by the Recreation Board.

Mr. Lockwood, director of the Recreation Program, announced that the swimming event will be promptly at 4 p. m. on opening day.

Mr. Lockwood says: "There'll be scores of beautiful girls to cheer the performers in the swimming events and the winner of the meet will receive the trophy from the hands of the Queen."

According to the recreation director, Charles Sims will be pool manager and swimming instructor. Registration for swimming classes will begin the first week in June. The class schedule will be the same as last year.

All parents are urged to secure a season ticket for their children in order to save money.

Armed Forces Day Be Observed Here

Announcement is made this week by Mayor J. Gilbert Cone that Statesboro and Bulloch County will join the nation in the observance of Armed Forces Day on Saturday, May 19.

Mr. Cone states that plans for the observance of the day call for concerts by the Statesboro High School Band, and an Army band, together with a display of modern war weapons on the courthouse lawn.

Colonel Hugh Arundel, retired, has been appointed general chairman for the observance plans. The steering committee is composed of J. E. Hays, Mr. Cone, and Fred W. Hodges. Members of the civic patriotic and veterans committee are M. D. Alderman, Charles Robinson, Jr., Alfred Dorman, M. O. Lawrence, Homer Melton, E. L. Claxton, and J. B. Williams.

Other members of the committee are: D. B. Turner, Leode Coleman, Bob Donaldson, Bob Thompson, Jim Watson, S. H. Sherman, W. A. Bowen, and Mrs. B. B. Morris.

A luncheon will be served at the country club that day at 1 o'clock with a talk scheduled by a member of the armed forces. Mr. Cone states that they are trying to secure a combat veteran of the Korean conflict as the guest for the affair. Tickets for the luncheon may be secured from Mrs. Bonnie Morris.

W.S.C.S. TO MEET The W.S.C.S. will meet at the Methodist Church on Monday, May 7 at 10 a. m. for a study course "Toward a Christian Community." Bring sandwiches for lunch. The course will be completed by 3 p. m.

TC Cost Up To \$497 Per Student Georgia school teachers are going to have to pay more to prepare themselves for better-paying jobs. The annual student cost at Georgia Teachers College will be raised \$20 and set at \$497 in September. College officials said today. Board rent \$8. The matriculation fee will remain \$135 annually.

The rise will be partly offset by the elimination of 12 course fees running as high as \$5 each for a quarter. Other special fees will be raised.

Students are being asked to bear only a small percentage of greatly enlarged operating expenses, President Zach S. Henderson said.

Blood Pledge Week Is Extended to Sun., May 6

Mr. Ike Minkovitz, chairman of the Bulloch County Blood Bank Program committee, announced this week the extension of Blood Pledge Week through Sunday, May 6.

Mr. Minkovitz explained that the committee is anxious that every citizen in the city and county be given the opportunity to sign a donor's pledge.

He explained again that the committee is trying to accumulate as many pledges as possible so that a few days prior to each visit of the bloodmobile the committee can be assured of a sufficient number of donors to meet our quotas.

Donors may indicate on their pledge card what month they wish to make the contribution of their blood. The blood mobile will be here May 14, then in July, September and November, 1951, and January and March, 1952.

Mr. Minkovitz said, "If a committee member has not seen you and given you an opportunity to sign a donor's pledge card, you may secure one from Mrs. J. D. Fletcher at her home on North Main street. Or you may secure one from the Blood Program chairman of the organization in your neighborhood through which you wish to make your contribution—your local chapter of the Park Branch, your Home Demonstration Club, Rotary, Lions, Kiwanis, Jaycees, Chamber of Commerce, Women's Club, Junior Woman's Club, Business and Professional Women's Club, and others."

Two Bulloch Girls In TC's May Court

Three Bulloch County students have been named to the queen's court in the annual May Day Festival on Friday, May 4, here at Georgia Teachers College.

They are: Misses Betty Lovette, of Mr. and Mrs. L. B. Lovette, of 207 South Main Street, Statesboro; Patsy Odom, daughter of Mr. and Mrs. Walter Odom of 417 Park Road, Statesboro; and Jackie Knight, daughter of Mrs. A. J. Knight of Stilton.

WE BE OF ONE BLOOD... Pledge One Pint

through your veins, restoring that glorious heart of yours that young, hungry heart, to life and strength.

But there's no more. They aren't going to give you that well-fade donor. So they can't send it, you see that? You can't take blood. All of us here, nurses and doctors and staff and your fellow soldiers — God knows we'd give it if we could! But we can't and America isn't sending it, and so maybe you'd better use your falling strength to write Mother that you aren't so well; that she must remember that you loved her always. Dad and home and Sis and Fuzz."
