Methodist S. S. Has an Unusual Visitor

HAS NOT MISSED SUNDAY SCHOOL IN 35 YEARS. MEETS WITH MEN'S CLASS. Sunday School and Church Goers of Statesboro had an opportunity to meet a real Sunday School Goer, here Sunday when a man who has not missed Sunday School in 35 years visited the Methodist Sunday School.

Sam Sampson of Alabama, passing through Statesboro, Sunday on his way from Florida to his home, stopped at the Methodist church and inquired for the Men's Bible Class. He was carried to the class where he introduced himself and made a contribution. He explained that he had not missed Sunday School in 35 years and had not failed to make a contribution to a class in that many years. The visitor further stated that wherever he went he always managed to stop over in some town or city in time for Sunday School. Mr. Sampson appeared to be about 50 years old.

Two prizes were given and were by Miss Euella Waters, first prize and Mrs. O. H. Hodges took second prize. Lead lemon and individual cakes and candy were served. Miss Madeline Lee NeSmith and Mrs. Donald Martin assisted Mrs. Lanier in serving. PEANUTS BEING PLANTED The farmers of this section are very busy planting the most of their crop over this week. It seems that a good bit of faulty peanuts that perhaps took the second growth before they were gathered, was sold to them. This burdened the farmers very much to have the extra work of planting the seed twice as well as an added expense. They are now paying 8 1/2 cents per pound for peanuts while they only made three cents for their first lot. But probably "a bad beginning will be a good ending," and we shall all be repaid in the fall during harvest time.

T. W. Rowse Named Sect.-Treas. of Joint Farm Loan Ass'n.

STATESBORO IS HEADQUARTERS FOR NATIONAL FARM AND LOAN ASSOCIATION. National farm loan associations in Bryan, Bulloch, Chatham, Effingham, Evans, Liberty, Long and McIntosh counties have adopted a joint management plan whereby these associations will employ jointly the services of a full time secretary-treasurer with headquarters at Statesboro. The plan became effective April 1, 1937, and Mr. T. W. Rowse has been named Secretary and Treasurer. The associations which have entered into the joint management plan are: Bulloch County National Farm Loan Association operating in Bulloch county; Effingham County National Farm Loan Association, operating in Effingham county; Evans County National Farm Loan Association, operating in Evans county; Eldora National Farm Loan Association, operating in Bryan, Effingham, Evans and Bulloch counties; Hinesville National Farm Loan Association, operating in Liberty, McIntosh and Long counties and Ludowick National Farm Loan Association, operating in Liberty, McIntosh and Long counties. Each of the associations retains its identity and there will be no change whatever in the relationship of its members. Heretofore each association has had its own part-time secretary. Under the joint management plan the associations have agreed to cooperate in the employment of a secretary-treasurer, who will devote his full time to the several associations employing him. While his headquarters will be at Statesboro he will make regular visits to all of the counties in the section management set-up so that he will be available to all members of the associations. The national farm loan associations through which the farmers of this section may secure long-term farm mortgage loans from the Federal Land Bank of Columbia. The associations represented in the set-up have loans outstanding of approximately \$950,000. THE BULLOCH HERALD DEDICATED TO THE PROGRESS OF STATESBORO AND BULLOCH COUNTY

HERALD GIVING AWAY CHOICE OF FORD OR CHEVROLET EVERYBODY WINS IN SUBSCRIPTION DRIVE ANNOUNCED BY THE HERALD

May 15 Last Day to Pay Poll Tax to Vote In June

AGAIN TO THE HERALD. It is simply a business proposition and sound from every standpoint. No one loses, not even The Herald. This paper will not realize the benefits and cash in on them as soon as our readers who carry on with us in this great distribution. The Herald plan for this great gift distribution is absolutely fair and square. Friends and readers of this paper are to determine to whom the gifts are to go. Free votes are the deciding factors. All over the territory in Statesboro and outside of Statesboro The Herald has hundreds of friends - real friends, who stand ready to help. Every reader who would share in this great gift giving will find the ground well broken for him or her. The way is made easy. You will readily understand the whole plan once you read The Herald "Everybody Wins" Contest, with gifts including your choice of a Standard Two Door Chevrolet or Standard Two Door Ford V-8 1937 automobile. These cars are to be purchased from the local Ford and Chevrolet dealers in Statesboro. These prizes are to be distributed among the men and women, boys and girls of Statesboro and surrounding territory. This is to be a memorable event. It is to be a friend-making campaign and in addition to the big automobile The Herald is making it possible for every man, woman, boy and girl to take part in this distribution to be a prize winner. "Everybody Wins" is the slogan. And everybody does win. There is not one cent for you to spend. Your time is your own. You can win by simply devoting a part of your spare time. It will be easy. You will find, to be recipient of The Herald gift. In The Herald gift distribution "Everybody Wins Something." You win either the automobile, or win a cash commission. In this election you can in your spare time earn more in the next few weeks than the average man saves in many years. You absolutely increase your earning power - and you do it in your spare time. Perhaps you already have a car - in your case you may cash your prize and expend the money in travel or a vacation for a week or two for a home of your own. And that is not to be passed up lightly. Now that is pretty good money to add to your present income for your spare moments during the next few weeks. Moments that otherwise would be lost long would it take you to save enough money out of your earnings to purchase a car of this value? Figure it out yourself. You will readily see the opportunities that participation in this distribution affords. Very little is required of you to win. You have the time, plenty of it. A few hours a day spent among your friends is sufficient to win the biggest gift in the list. You have the time. Really, your spare time - a few minutes at noon hour, a few minutes of an evening - is worth more to you these next few weeks than any full time employment you could imagine. Yet it is but a side issue - a spare time proposition. It is a business proposition. Nothing more. There is no sentiment about it. To earn money is honorable and the big handsome speedy car is now provided for you. You cannot lose. You are paid for every minute of your time. Every active non-gift winner is given an absolute guarantee that he or she will be paid for his or her time - 15 per cent of every subscription is yours if you fail to land the big gift. That, in itself, is a good business proposition. We all have spare moments after work that we can turn into cash. There is one thing, though, that is certain. There is absolutely no way you can secure one of these gifts - except by votes. There are but two ways you can get votes. One is by collecting the free vote coupons which appear in The Herald. The other is by securing subscriptions or renewals. No votes will be sold. There is absolutely no way you can secure votes except for coupons or subscriptions. You are to get your friends to save coupons and to secure subscriptions and renewals. Coupons and subscriptions will win and these two alone. If there is anyone who imagines he or she can enter and carry away a big gift by spending money, he or she is advised now to stay out. Read the schedule. Unless you want to be the loser in this fair and square manner in which The Herald puts on this great distribution, save your money for some other plan. (Continued on Back Page)

County Schools Begin Closing This Week-End

SCHOOLS IN THE BULLOCH SYSTEM will begin this week-end bringing the year's work to a close. The closing dates for Bulloch county schools will start this week and continue until the first week in June. Schools in the County System that will close this week-end are Lee-field and Ogeechee. Schools closing next week-end (Friday, May 14), are Warnock, West Side, Middle-ground, Eala, and Denmark. Nixon and Cliftonka will close about May 21. The four senior high schools, Brooklet, Register, Portals, Stillson, will close the first week in June, giving them a full nine months school. The Nevils school will also run nine months and close the first week in June. The Ogeechee school, operated by the South Georgia Teachers College and the Training School on the college campus will close the first week in June. The Bulloch county schools, according to County School Superintendent H. P. Womack, are in better shape than they have been in ten years. This school year teachers have been paid on time and the full salary for the eighth month is ready for the teachers of the county system. The requirements to vote in the general election are: First, the voter must be registered as of any date prior to December 8, 1936; Second, being registered, he must have paid all poll taxes for 1935 and years previous to December 8, 1936; Third, being registered (in Bulloch county) he must pay 1936 poll taxes by the time set by the registrars, which is May 15. Women who registered after January 1, 1936, and men who became 21 years of age in the annual honor day election are an exception to the provision, it has been pointed out. The Attorney General has also stated that he is of the opinion that the requirements for voting on the question of legalization of alcoholic beverages are the same as apply to any other questions submitted to the vote of the people on June 8, 1937. Bulloch county voters, who have paid their poll taxes up to 1936 and who are registered, but who have not paid their 1936 poll taxes are urged by the Board of Registrars to come in at once, pay their poll taxes and qualify in order to vote in the general election. C. of C. Meeting Held at Ogeechee REGULAR TWICE A MONTH MEETING OF CHAMBER HELD AT OEGEECHEE. The Chamber of Commerce upon the invitation of the ladies of the Ogeechee community held its regular twice-a-month meeting in the new Arts building at the Ogeechee school last Tuesday night. The usual business session was dispensed with to hear Dr. Pittman, of the Teachers College, outline the aims and ambitions of the college in its spreading its influence over the state of Georgia. In his talk he referred to the Ogeechee school and community as being "a small illustration of a large idea - each for all and all for each." He complimented the community on its excellent cooperation in carrying out the College's experiment, which has now past the stage of experimentation, in training and fitting students before they affix the College's stamp of approval on them as a prospective teacher. Dr. Pittman announced that on June 4th the college is to be host to 100 Georgia educators, from which will be selected 30 to receive the Rosenwald Fund scholarships which will pay all the necessary expenses for two years at the Teachers College. The ladies of the Ogeechee community served the members of the Board of Registrars, from which will be selected 30 to receive the Rosenwald Fund scholarships which will pay all the necessary expenses for two years at the Teachers College. BULLOCH COUNTY HAS BRIGHTEST CROP PROSPECTS PAST FIVE YEARS

THE 1937 crop prospects in Bulloch county are the brightest in the past five years according to opinions of leading farmers and those connected with the various lending agencies. With an early planting season farmers got off to a good start. The rain and cool weather for the past few days, however, have slowed up the planting and the preparation of the early crops, but with practically every section of the county reporting good stands, it is believed the 1937 crop is far advanced over those of the past few years. It is estimated that the tobacco acreage in Bulloch will be about the same as last year, which was 3,000 acres. Plans were made for a much larger crop than 1936 but the shortage of plants cut the acreage. Most farmers, however, were able to secure enough plants, though in some instances there was as much as a 50 percent cut in acreage. The tobacco is about fifteen days later this year. There is a fifteen percent increase in cotton acreage over last year. It is believed that about 125,000 acres of cotton will be planted, 42,000 acres and approximately 24,000 bales produced. The 1937 cotton prospect is the prettiest in the past five years, it is reported, and from every section of the county comes the report of perfect stands, with the exception of about 100 acres that have been re-planted. The recent cold weather put a damper on the cotton growth but the crop was not seriously damaged. Watermelon acreage has been increased from 5 to 10 percent in the county. The increase in the price last season stimulated production. However, on the other hand, the increase in tobacco and cotton acreage kept the melon acreage down somewhat. Bulloch county had 1800 acres in melons in 1936. Commercial peanuts will be increased 10 to 15 percent in the county this season. It is safely estimated. Now the question comes, with all the increase where is the reduction? Sad, but true the big reduction is in the corn crop acreage and those who keep up with Bulloch county farming from year to year are of the opinion that Bulloch is going to run short on corn. There is a possibility that more corn will be planted. Rust damaged the small grain crops (wheat, oats, etc.) and a number of farmers will follow the small grain with corn. The hog crop in Bulloch this spring is 15 to 20 percent larger than it was last year at this time. Bulloch has the largest spring hog crop in its history. With tomatoes leading the increase the truck acreage in Bulloch county will be 50 percent larger than it was last year. Beans and squash acreage has also been increased. The county's planning many sweet potatoes for hog feed though plants are needed badly. One interesting news feature from the farms is that more grass has been needed this year for pastures than ever before. It is estimated that from 15,000 to 20,000 pounds have been put out for permanent pastures. Such pine seedlings have also been planted in abundance with orders now in the county agents' office for one million seedlings. Last year 400,000 or 500,000 were planted. Another encouraging sign from the farms is that more farmers are buying a better breed cotton seed and seed corn than in the past five years. This is the demand for more bred bulls and pure bred hogs (Continued on Back Page)

High School Students Attend Honor Club Meet

MISS BETTY SMITH, Junior at the high school, elected vice president of the Beta Club of Georgia at the state meeting held in Atlanta last week. Four of our high school students, H. P. Jones, Jr., Frances Deal, Sara Poindexter and Betty Smith, chaperoned by Mrs. W. A. Futch, were in Atlanta on Friday to attend the state meeting of the Beta Club in session there on Friday and Saturday. The Beta Club is an honor club admitting members from the junior and senior classes. It is a signal honor to be selected for membership in it, and we should feel exceedingly proud of the fact that Betty Smith was elected last vice president of the state Beta Club. The meetings were held on the roof garden of the Ansley Hotel. Among the eminent speakers addressing this group of honor students were Dr. McCain, president of Agnes Scott, Dr. S. V. Sanford, chancellor of the University of Georgia, Dr. M. D. Collins, state school superintendent, and Governor E. D. Rivers. These speakers all stressed the fact that any girl or boy achieving membership in the Beta Club should be accorded special privileges in recognition of the honor attained both for themselves and the schools they represent. Represents Statesboro in the State Literary Meet in Reading Event Margaret Ann Johnston left yesterday for Athens where she will present the First district in the reading event of the literary meet. Miss Johnston won the First district meet held in Adrian two weeks ago. At the meet in Athens the contestants will be given a part of Shakespeare's "Merchant of Venice" to read with thirty minutes for preparation. The reading event will take about six minutes. Twenty-one years ago Mrs. J. O. Johnston, then Miss Marion Pate, won the same event which was won by her daughter, Margaret Ann, at the meet held in Adrian. In loving memory of our Dear Little Son, Hershel Monroe Johnson, who was killed May 3, 1935. Pencil will be your sleep, little Monroe, 'tis sweet to breathe your name, we loved you so dearly in life, in death we do the same. What would we give to see your face, your loving hands to touch, to hear your voice and see your smile that meant to us so much. Days of sadness are still with us, our tears do often flow, but memory keeps you ever near us, though you died two years ago.

McCormick-Deering Mowers Have Always Been Good and the No. 7 Enclosed Gear Mower Is the Best Yet

Come in and go over the entire mower. You'll agree that you have never seen anything like it.

WE are anxious to have all our friends see the new McCormick-Deering No. 7 Enclosed Gear Mower. We think it is one of the finest pieces of farm equipment we have ever sold.

For example: The entire operating mechanism, including drive gears, differential, and counter shaft, is assembled compactly in an oil-tight gear housing and runs in a bath of oil. There are four high-grade roller bearings. Operation is so smooth and noiseless that you can scarcely hear the light hum of the scissor.

Special oil seals at the ends of the main axle and fly-wheel shaft, and the oil-tight gear box prevent leakage and protect all working parts against the entrance of dirt and other abrasive materials. Floating sections of cutter bar provides ample play without disturbing knife registration.

This compact nest of enclosed gears runs in a bath of oil—full gallon. The cover, B, makes the gear case dust-proof and oil-tight. Clutch is thrown in and out by hand.

(Continued from Page 1) Nothing but straight and honest methods will be tolerated. If you are in earnest, if you will devote an hour a day, if you are ready to compete on even terms with every one else, and if you want to assure yourself of some real money or the big prize—then you want to participate in this great distribution of gifts.

prizes as big as they are have nothing to do with the number of votes required to win them. Only so many votes will be cast. It makes no difference whether the total vote is 100,000 or one million. The car goes to the leader with the most votes. All he or she has to do is to have more votes than any other candidate.

Because the gift list is so extraordinary, so big, it is probable someone will imagine that it will take an awful lot of votes to win! No one knows how many votes will be required. No one can tell. With a reasonable list of candidates in this election just a few good subscriptions can win the biggest gift. When this election is over every one will be surprised at the small number of votes to be the recipient of gifts. Then these without courage will say, "Why, if I had only known how few votes it took, I could have done that." Then it will be too late.

"Electioneering" in The Herald's election will be most enjoyable as well as profitable work. Decide now. Make up your mind to enter. Earn real money. Earn more money in the next few weeks than you ever earned before in life time. Enter. Everybody wins. You cannot lose.

Cut out or tear out the nomination blank in this issue of The Herald. Write your name, your address, and if you have a telephone, your telephone number. Mail or bring your nomination to this office. This is your first step. That starts you off with 5,000 votes.

Nominations may be made by anyone for anyone. A nomination is a nomination. A friend may nominate a friend. But only one nomination counts for each entry. No one is barred. Men, women, boys and girls are all eligible. Make the start. Let's go!

This campaign will not be a long drawn out affair of several months duration. It extends over a period of only a few weeks. Think of securing in about eight weeks, gifts that in about ordinary require months, years even years of self-denying and saving to acquire and these are given to you for your spare time and a little interest in helping The Herald enlarge its subscription list.

Remember this, too, the biggest prizes are big as they are have nothing to do with the number of votes required to win them. Only so many votes will be cast.
