Statesboro High To Play Claxton This Afternoon

This afternoon at 3:30 the referee's whistle will bring together two first district high school teams each with hopes of the First District Championship, Claxton High and Statesboro High.

The Statesboro Blue Devils won their first game last Friday when they defeated Vidalia by the score of 7-0. That score is by no means an indication of the strength of the Blue Devils. They out weighed the Vidalia players by 150 pounds per player.

The Claxton High Tigers, opened their season with a 20-0 victory over Reidsville last Friday. The Tigers scored once in each of the first three quarters. Edwards, Sauls and Benton accounted for the three markers.

The Tigers line, though very light, consistently overcharged their bigger but slower opponents.

A good game is expected this afternoon between these two reasons and a large crowd is expected.

TEACHERS TO PLAY THREE GAMES IN EIGHT DAYS

The South Georgia Teachers will through three football games in eight days, beginning tonight with the University of Miami at Coral Gables, Florida. Next Monday evening, October 4, they meet Tampa University at Tampa and on the following Friday, October 8, they play Stetson University in DeLand, Florida.

A squad of 25 men with Coach Crook Smith left here yesterday (Thursday) for their Florida swing. They will be away for ten days.

W.H. Ellis Dies Here After A Short Illness

RETIRED DRUGGIST AND PROMINENT STATESBORO CITIZEN WHO CONDUCTED DRUG BUSINESS FOR PERIOD OF FORTY YEARS.

W. H. Ellis, retired druggist and prominent Statesboro citizen died at his home here Thursday after an illness of several days. Funeral services were held Friday afternoon from the Presbyterian Church, with Rev. H. L. Freed in charge. Interment was in the East Side Cemetery.

Mr. Ellis, who has long been a resident of Statesboro, was born in that part of Bulloch county which is now Camden, for forty years he conducted a drug business here, first in partnership with Dr. L. J. McLean and later operating the business himself as the W. H. Ellis Drug Company. Mr. Ellis at one time served as city clerk and has also served the city as a councilman. He was active in civic affairs and for a long period was secretary of the Masonic Lodge.

Mr. Ellis is survived by his wife; three children, Henry Ellis, Louis Ellis, and Mrs. M. J. Bowen Jr., all of Bulloch county; one brother, Jake Ellis of Chester, Pa.; six sisters, Mrs. L. V. Ennis and Mrs. J. B. Everett of Statesboro; Mrs. J. Wright of Metter, Mrs. J. W. Giddens of Swainsboro, and Misses Ruth and Dell Ellis of Metter.

Tobacco Warehouse Co. Sells Warehouses To Cobb And Foxhall

THE TWO WAREHOUSES OPERATED BY SHEPARD AND COBB & FOXHALL

New Norris Hotel Damaged By Fire
FIRE DELAYS MOVE FROM THE NORRIS HOTEL ON EAST MAIN STREET TO THE NEW NORRIS ON HILL STREET.

Along with the announcement that Mrs. J. M. Norris would give up the management of the Norris Hotel on East Main street and give all her time to the New Norris, located on Hill street, a fire in the New Norris, Sunday, did a considerable amount of damage and it may be several weeks before the move is made.

When an alarm was sounded here Sunday morning, smoke poured out of the large two story wooden New Norris Hotel on Hill street, giving every indication that the building was on fire. The fire, however, was confined to two rooms on the second floor. The entire second floor was damaged by smoke, and water and the first floor was also damaged by water. Firemen kept the flames down and quickly extinguished the fire in the two rooms.

The fire attracted much attention and church groups Sunday morning crowded the streets as the smoke poured from the windows and the roof of the large building.

The Statesboro Tobacco Warehouse Company is capitalized at \$30,000.00 with approximately 150 stockholders. This year the company paid a 12 percent dividend, which is one of the largest ever paid. During the nine years that the company has owned and leased the houses here they have paid above 50 percent in dividends, and the sale of the stock will bring to stockholders well above 100 percent including their dividends. The warehouses were built by public subscription and citizens who subscribed did so as public spirited citizens interested in the establishment of a tobacco market here.

The local company was chartered in 1927 and the houses (two in number) were built in 1928 and in the summer of 1928 were leased for the first marketing season. The petitioners for the charter were, Hinton Booth, Cecil W. Brannen, Howell Cone, Fred W. Hodges, R. J. Kennedy, S. W. Lewis, J. L. Mathews, S. L. Nevis, C. P. Olliff, John C. Parrish, and Brooks Simmons. Cecil W. Brannen was the first president and held the place until his death. The present officers are R. J. Kennedy, president and S. Edwin Groover, secretary and treasurer and the present stockholders are Hinton Booth, Edwin Groover, R. J. Kennedy, S. W. Lewis, Chas. E. Cone, Alfred Dorman, Grady Johnston.

W. E. Cobb, a member of the firm of Cobb and Foxhall with R. P. Holt, who died several years ago, leased one of the houses in 1928 and has been on the local market ever since. It is understood that Messrs Cobb and Foxhall will join the two houses together, each house being 116 by 300 feet, giving them a house of 116 feet by 600 feet for the sale of tobacco next summer.

One of the houses has been leased by R. E. Sheppard for the past four summers. Sheppard has assured the people of this section that he will build a large new warehouse here in time for the opening next summer. The new Sheppard Warehouse, it is understood, will be located on College street next to the Bulloch Warehouse, operated by J. G. Tillman. With Cobb and Foxhall having twice the space and Sheppard with a new house the floor space on the Statesboro tobacco market next summer will be practically twice as large as it has been.

OCTOBER QUARTERLY TERM CITY COURT TO CONVENE MONDAY

JUDGE LEROY COWART PRESIDING; FEW MATTERS PENDING ON BOTH CIVIL AND CRIMINAL DOCKETS.

The October quarterly term of the City Court of Statesboro will convene here Monday with Judge Leroy Cowart presiding.

Bulloch county has been busy with courts recently since the recessed term of July Superior Court ran a week and a day in September and with the October term of Superior court coming up the court Monday this month.

The present term of City Court should not require many days. There are few civil matters pending and only one day may be required to clear the civil docket. Few cases, too, appear on the criminal docket, and with the exception of three cases of assault and battery there will be little for trial.

Jurors drawn for next week are: Lonnie D. Burke, J. Frank Brown, J. W. Robertson, Sr., Ernest E. Anderson, E. L. Fisher, M. N. Meeks, James F. Brannen, Benjamin F. Gay, R. E. Brady, James H. Strickland, Jesse G. Fletcher, J. J. Martin, Willie Allen, J. B. Wright Jr., John M. Hendrix, Hoke S. Brannon, E. S. Hotchkiss, Julian L. Brannen, Erastus B. Brannen, P. F. Key, A. L. Brown, J. E. ROTARY CLUB STUDIES PROJECTS FOR CITY AND COUNTY BENEFIT

RECOMMENDATIONS BE MADE TO HAVE VISITORS CARDS ISSUED TO OUT OF TOWN VISITORS WHILE HERE.

At its regular Monday luncheon meeting the Statesboro Rotary club considered two projects which will be of benefit to the community. Proper committees were designated to cooperate with the civic authorities on both of the projects studied.

Alfred Dorman presented to the club a project which calls for the issuance of a "Visitors Card" which will extend the out of town and county visitors with certain parking and traffic privileges while in the city. Mr. Dorman cited several examples where unfavorable impressions might have been made upon visitors here due to the lack of knowledge of the traffic regulations and the manner in which they were enforced of them. Mr. Dorman emphasized his point by telling of an experience of his in a strange city where he was shown every consideration possible while a visitor there. He was given a Visitors Card which entitled him to parking double, to parking on either side of the street, and to parking for an indefinite period of time and every other privilege which would make his stay there as pleasing as possible. He stated that upon his investigation this idea, he finds that a great number of cities used to their great benefit.

His recommendations carried the Visitors Card suggestion and the suggestion to the city that proper signs be placed on the streets informing visitors of the restricted parking zones and the time limit.

E. N. Brown presented to the club the idea of a Public Information Service for the benefit of visitors and strangers coming into the city. Dr. Brown stated that such a Service would furnish people looking for homes to rent, rooms, church information, College information, hotel accommodations, etc. Such information would be distributed from a central location and available at all times.

Both projects were approved and adopted by the club with instructions to cooperate with the city in every way in an attempt to institute them.

Mr. Dorman and Dr. Brown worked with Leroy Cowart as Chairman of the Community Service Committee.

"Phony" Smith and H. L. Kennon were visitors of the club.

SALE SUBJECT TO CONFIRMATION OF STOCKHOLDERS AT MEETING CALLED FOR OCTOBER 15.

The directors of the Statesboro Tobacco Warehouse Company, this week, announced the sale of all stock in the company to Messrs H. P. Foxhall and W. E. Cobb of Statesboro and Rocky Mount, N. C., for \$20,000.00, subject to the approval of the stockholders.

The sale of the stock would carry with it the ownership of the two large tobacco warehouses, erected here five years ago and leased by the stock company for the sale of tobacco, since that time. A meeting of the stockholders was called for October 15 to confirm the sale of the stock and it is definitely assured that the stockholders will approve the sale.

The Statesboro Tobacco Warehouse Company is capitalized at \$30,000.00 with approximately 150 stockholders. This year the company paid a 12 percent dividend, which is one of the largest ever paid. During the nine years that the company has owned and leased the houses here they have paid above 50 percent in dividends, and the sale of the stock will bring to stockholders well above 100 percent including their dividends. The Largest Livestock Auction Of This Year Held Here This Week

APPROXIMATELY 2000 HOGS AND 350 HEAD OF CATTLE SOLD WITH PRICE TAKING A DROP. BOTH YARDS A NOTICE CHANGE IN SALES HOURS.

Approximately 2000 hogs and 350 head of cattle were sold here this week at Statesboro's largest weekly livestock auction this year. Prices, however, took a drop.

The lots at the Bulloch Stock Yards increased greatly over last week as 675 hogs and 90 head of cattle were sold. Prices were off about eighty cents a hundred on top hogs but prices remained good on feeder and barbeque pigs. There were representative buyers on from Georgia, North Carolina, and Virginia. The cattle market was also slightly off but there was a good demand for feeder cattle.

Despite a break in the market of \$1.50 a hundred pounds 1250 hogs were sold Wednesday at the Statesboro Livestock Commission Company and farmers seemed well satisfied. Because of the heavy sales Wednesday the management announced that beginning next week sales would begin at ten o'clock in the morning. The sales Wednesday evening lasted until far into the night. The feeder pig market was good with enough feeders to supply the demand with prices running from 9 1-2 cents to 10 1-2 cents.

The Bulloch Stock Yard also announced a change in the sale hour for next week and sales will begin promptly at one o'clock.

Plans To Raise Money To Light Gridiron Made

At a meeting of the high school yesterday afternoon plans were completed to attempt to raise the funds necessary to light the football field on the Municipal Playground.

Dr. J. H. Whitesides was made chairman of a committee to be named by him to aid in the raising the funds to light the field.

There has been some agitation in the city for a lighted field so that more people may attend the football games of the high school. There are a number of the business men of Statesboro who do not feel they can take time from their business in the afternoon to attend the games. If the games could be played at night then these men could attend without feeling that they are neglecting their work.

Plans have already been submitted with estimates of cost. Coach Johnston has stated that he feels sure that the balance of his schedule could be transferred to Statesboro in the event the field could be lighted.

Supt. S. E. Wollet was named Treasurer to administer the funds as they are subscribed.

COOPERATIVE KID SALE TO BE HELD TOMORROW

A cooperative kid sale will be held at the Central of Georgia depot Saturday, October 9, from 10 a. m. to 12 noon.

Joseph Fava, Savannah, is the buyer for this sale with a bid of 90 cents per head for fat kids. Mr. Fava assures local farmers that he has goats that he will be in the market continuously. Kids acceptable for the sale should weigh about 15 to 25 pounds and be fat.

W.E. McDougald To Address Presbyterians At Valdosta Rally

ANNUAL FALL RALLY TO BE HELD IN FIRST PRESBYTERIAN CHURCH OF VALDOSTA ON THURSDAY, OCT. 21.

The annual Fall Rally of the Presbyterian men of Savannah Presbytery will be held in the First Presbyterian church of Valdosta on Thursday afternoon and evening, October 21. The occasion is the get-together meeting of the members of the Men's Clubs in the Presbyterian churches of the Presbytery, the central organization being known as the Men-of-the-Church.

It is expected that Dr. R. A. Forrest, pastor of Teococa Falls Institute, Teococa Falls, Georgia, will be the principal speaker of the rally. Dr. Forrest is one of the able speakers of the Southern Presbyterian church. Other talks will be made by the Rev. J. H. Merrin, Presbyterian evangelist and pastor of the Presbyterian church of Douglas; Rev. Freeman B. Parker, pastor of the Tifton Presbyterian church; Elder Jas. L. Davis, of the First Presbyterian church, Savannah; W. E. McDougald, Statesboro, and others.

The annual banquet will be held at 6:15 o'clock, with the night session following at 7:30. The meeting will be adjourned by 8:30 o'clock in order to allow out-of-town delegations to get an early start for home.

There was considerable improvement in the Blue Devils' play in their game with Claxton over the score the second touchdown. In the fourth period after the completion of two passes and two line plays, Barnes again smashed the center of the line for the last score.

Dr. Forrest is one of the able speakers of the Southern Presbyterian church. Other talks will be made by the Rev. J. H. Merrin, Presbyterian evangelist and pastor of the Presbyterian church of Douglas; Rev. Freeman B. Parker, pastor of the Tifton Presbyterian church; Elder Jas. L. Davis, of the First Presbyterian church, Savannah; W. E. McDougald, Statesboro, and others.

The annual banquet will be held at 6:15 o'clock, with the night session following at 7:30. The meeting will be adjourned by 8:30 o'clock in order to allow out-of-town delegations to get an early start for home.

OUR COTTON PROBLEM

There can be no doubt that the thought uppermost in our minds at this time is COTTON. The farmer, the warehousemen, the merchant, the manufacturer, the housewife, the salesman—all are vitally concerned.

This being so, we reprint below a letter which appeared in Sunday's Atlanta Constitution, addressed to the Editor and signed by Andrew Q. Thomas of DeKalb county.

Editor Constitution: The government reports that Georgia will produce 1,321,000 bales of cotton as against 1,086,000 bales last year. Being a cotton farmer, I planted to make 15 bales, but because of the boll weevil, the bad weather and the shortage of labor, I will make only six bales.

I notice also that the price has decreased from about 13 cents a pound to 8.16 cents per pound within the last two or three months—a decrease of about 50 cents per pound, which represents a net loss to the cotton farmers in Georgia of over \$32,500,000.

Every time I tried to get any labor on my farm I was told that I would have to pay WPA wages, which I could not afford to do. With the high cost of ginning I will get only enough out of my crop of cotton to barely pay the fertilizer bill, and will have nothing left to buy my family any clothes this winter.

How long do you think the south or Georgia can stand this terrific drop in the price of cotton? If the cotton farmers have lost \$32,500,000 in the last three months, how long can they stand this kind of a loss? As I figure it, this loss is equivalent to \$2,500,000 per month for the whole year, or \$100,000 for every working day in the year to the farmers of Georgia alone.

This enormous loss to the farmers of Georgia is reflected in every line of business. If the farmer's income is cut, he cannot buy many other necessities, and none of the luxuries.

If the best minds of the nation will thus concentrate upon the problem it can be solved, permanently, properly and justly.

Other countries are fast learning how to produce cotton. Unless the United States learns how to protect its cotton producers from loss, the day is not far distant when the world will have to depend upon those foreign sources for its supply.

For the southern cotton grower will not continue to sacrifice every hope and decency of life for himself and his family, upon the altar of an economic fetish that makes penniless slaves of its followers.

REMEMBER ?

About this time of the year ten years and more ago the county was all steamed up over the county fair. Hogs were fattened, cows were finished to a "T." Jars of canned peaches, beans, tomatoes, and all the other fruits and vegetables were polished to the luster of light. Tall corn stalks tied in bundles, sugar cane to water one's mouth, pumpkins, citrons, needlework, crochet work, all arranged by hands of artists.

The merry-go-round, the ferris wheel, the house of mirrors, the horse racing, the crowds, the hot dogs and pink lemonade, dust, the minstrel show... all... remember?

We had begun to fear this morning as the dead line for press time drew near that Lila's bus had suffered an accident, maybe a flat tire or ran out of gas, but just as our spirits sank to the depths in came the bus and our trip soon got underway.

There is no problem facing, not only the south, but the federal government and congress more urgent than the problem of cotton. The economic foundation of the entire cotton growing section is seriously threatened.

Every senator and representative from the cotton growing states should go back to his legislative duties determined to work out some proper means of salvation for the cotton growers. Those who do not will be recreant to their constituents and oblivious to the welfare of the states and districts which gave them their suffrage.

The problem is, admittedly, difficult, but some permanent, sound solution can be found. It is clear, however, that upon the finding of that solution hinges in large part the prosperity of the entire country for the future.

Secretary of Agriculture Wallace outlined a plan for permanent solution of the problem at a meeting of farmers and agricultural leaders in Memphis. His plan involves the levying of a processing tax and a modified degree of compulsory crop curtailment.

United effort must be applied to finding the permanent answer to the question of cotton. Not only those directly interested in cotton, either as grower, broker, seller or manufacturer, but the best political minds of the nation, and the leaders of business, industry and the professions must realize that the fate of cotton is a matter of immediate, serious concern.

Notice that the driver's seat was on the right, but we had that the European cars were built that way, just as we had heard that traffic went to the left in the British Isles.

Before we had ridden long, we passed by some important looking buildings on a beautiful green campus. Someone thought they might be the University of Glasgow, and asked the driver, but he said that he didn't know, that he was from Edinburgh.

AT THE CHURCHES

PRIMITIVE BAPTIST CHURCH
V. F. Agan, Pastor

We hereby announce the regular services of the Statesboro Primitive Baptist church as follows:
Saturday 10:30 A. M.
Sunday 11 A. M. and 7:30 P. M.

FIRST BAPTIST CHURCH
C. M. Coulson, Minister

It is plain madness to let sin destroy all that's fine and good in life. Men would never just about mental madness but there is prevalent an idea that the madness of evil living is something about which to jest.

How this moral madness can be cured is the theme of the sermon Sunday morning at the First Baptist Church. The subject Sunday evening: "Our Defense Council."

METHODIST CHURCH
10:15 A. M. The Church School.

11:30 A. M. Preaching by the pastor, using the text: "Not that I have already attained this or am already perfect, but I press on to that for which I have been appointed."

Training Week
Next week will be observed as Training Week by the workers and members of the Methodist Church.

Second Period Monday 8:30-9:15. Theme: Achieving the Christian Home, led by Dean Z. S. Henderson and Dr. J. E. Carruth.

James - Fitzjames, Bannockburn, where the famous battle was fought by Edward III, and Stirling Castle that withstood a three-months siege.

Eventually we got to Edinburgh in time for supper, I think. Even though the hotel rooms had been reserved in advance, we had a hard time finding enough room for our party.

FARM TO FARM
By Byron Dyer
Miss Josie Cone says that she believes the cheapest way to raise hogs is to interplant corn at planting time with soybeans and then turn the small pigs in the field when about eight weeks old.

Information designed to bring out the present status of the science will be gathered from all available sources through detailed surveys, and state agricultural experiment stations, as well as foreign countries, will be queried.

One big difference between a farmer and a manufacturer is that the farmer generally has to sell what he can at any price. The manufacturer produces only enough to meet market needs and to sell at a profit.

The Farm Credit Administration work "aid in fall" on 25,112 farmers' mortgages during the 12-month period ending September 1, according to Governor W. I. Myers, who pointed out that this was an increase of more than 60 percent over the preceding 12 months.

The Bureau of Agricultural Economics informs us that although the increase in farm income from July to August was less than seasonal, the August income from farm marketings was \$131,000,000 higher than a year earlier.

Secretary Wallace has announced that the 1938 yearbook of the U. S. Department of Agriculture will deal with soils, while the 1939 book will take up animal and human nutrition.

Middleground News

The Middleground Community club met with Mrs. John Hendrix for the September meeting with twenty-two members and five visitors present.

Of interest to their friends in this section is the announcement of the marriage of Miss Mary Gray and Hollis Cannon which took place in Ridgeland, S. C., Sept. 25. Miss Gray, a girl of sterling qualities, is well known here, she having taught two terms of school at Middleground.

Origin of Cheese
Although it is quite likely, as some writers assert, that cheese was first created by accident, when an Arab traveler left his day's ration of milk in a canteen made from an animal stomach in which rennet was still active, the Greeks believed cheese had a mythical origin.

The science class of the junior high school is now busy securing equipment for the laboratory.

When Mr. Little, state school supervisor, visited the school last year, he recommended that running water be put in the laboratory. Equipment for this project has already been ordered. This is to be only the first step in the building of a well equipped laboratory for the school.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912 AND MARCH 3, 1933.

Of The Bulloch Herald, published Weekly at Statesboro, Georgia, for October 1, 1937.

STATE OF GEORGIA. COUNTY OF BULLOCH.

Before me, Notary Public in and for the State and County aforesaid, personally appeared Ledel Coleman, who, having been duly sworn according to law, deposes and says that he is the Owner and Editor of The Bulloch Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in sections 37, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor and business managers are:

Publisher, Ledel Coleman, Statesboro, Georgia; Editor, Ledel Coleman, Statesboro, Georgia; Managing Editor, Ledel Coleman, Statesboro, Georgia; Business Managers, Ledel Coleman, Statesboro, Georgia.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereafter the names and addresses of stockholders owning or holding one percent or more of total amount of stock. If not owned by a corporation the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) Ledel Coleman, Statesboro, Georgia.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no other reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

LEODEL COLEMAN, Signature of editor, publisher, business manager, or owner.

Sworn to and subscribed before me this 30th day of September, 1937. H. S. AIKEN, Notary Public, Bulloch County, Ga.

EXECUTIVE BOARD OF COUNTY SCHOOL ZONE 1 IN BROOKLET

The first meeting of the new school year of the executive board of Zone 1 of the schools of Bulloch county met in the Brooklet School Library, Monday afternoon at 4 o'clock. This meeting was in charge of Miss Jane Franseith and H. P. Womack.

Zone 1 is composed of Stilton, Leaffield, Clifton and Brooklet.

At this meeting plans were made for the first regular meeting that will be held in Brooklet tomorrow at 10 o'clock, with the teachers of the 10 schools in zone one attending.

HOW much of your future road funds must go for surface maintenance? How much will be available for urgently needed new construction? This chart can help you know the answer. It shows findings from the most comprehensive cost survey of its kind ever made... based upon the official records of 21 state highway departments. It covers long periods of time on 135,000 miles of highways—nearly half America's state-trunk highways, under all traffic and weather conditions.

And here's what it shows! Surface maintenance costs for concrete average only \$103.17 per mile per year. For the next lowest paving material the cost is almost that of concrete.

And for all surface other than concrete, the cost is 3 1/2 times as great—although concrete in general carried the heaviest load of traffic.

Concrete Costs Least Concrete gives the greatest load-carrying capacity per dollar of cost. It is the safest road—non-skid, highly visible. And it saves large sums on maintenance. All good reasons why your new roads should be concrete.

NEVILS NEWS

BY MISS MAUDE WHITE

P.-T. A. MEETING

The regular meeting of the Nevils Parent Teacher Association will be held Thursday afternoon, October 14 at 3:30 o'clock. A special program is being planned and we are especially urging all members to be present.

The classroom having the most room representatives present, will receive the pleasure of your children help them win a good picture to enjoy in their classroom. Some very important business has been transacted and please show your interest by being present.

SCHOOL NEWS

Four weeks of our school have rolled around every nicely. We feel now that we are well on the way, and everything operating uniformly. We have practically all of our books for the grades and we are very much pleased with such an abundance of good new material to use. The children enjoy their new books very much. We are expecting two new teachers at the beginning of the month to relieve the overcrowded condition of the grammar grade. Our enrollment increases daily but we are expecting all pupils be enrolled by next week, as the farm work will practically all be done by then.

GOOD BOOKS DISTRIBUTED

Mr. Holloway, the school services man for the Bulloch County Library visited our school last week and left about 75 good books that were distributed to the different class rooms. These books are very valuable to us in obtaining good material for our county to relieve the overcrowded condition of the grammar grade. Our enrollment increases daily but we are expecting all pupils be enrolled by next week, as the farm work will practically all be done by then.

MISS HATCHER EXPECTED MONDAY

Miss Lorlene Hatcher of Kite over-flow teacher for first, second and third grades is expected to be back with us Monday. Miss Hatcher is recuperating nicely from an operation for appendicitis. We have missed her very much and we will be glad to have her with us. Mrs. H. H. Britt has been substituting for Miss Hatcher.

SIXTH GRADE WINS PICTURE

Last Wednesday morning in chapel a lone little boy from the third grade and a boy from the sixth grade broke the tie for having the same number of room representatives present at our last P. T. A. meeting. The sixth grade became the happy winner of the class room picture as a reward.

BIRTHDAY DINNER

One of the most enjoyable social events of the season was the birthday dinner given in honor of the 70th birthday of Mrs. W. M. (Brooks) Anderson Sunday at her beautiful country home near here.
