Presbyterians Meet Here For Rally

REV. ED H. HAMILTON OF SU-CHOWFU SPEAKS TO YOUNG PEOPLE'S LEAGUE OF SAVANNAH PRESBYTERY ON SINO-JAPANESE STRUGGLE

Declaring that the common people of neither Japan or China want war and that it is not for the Lords and politicians of the predominant War Party the Sino-Japanese struggle would quickly dwindle to nothing, was the opinion expressed Saturday by the Rev. Ed H. Hamilton of Su-chowfu, China, Dr. Hamilton was here to address the Covenant District of the Young People's League of the Savannah Presbytery and he spoke at the Presbyterian church on both the morning and afternoon programs. His address was highly interesting especially in view of the war torn condition of China at this time. The Chinese are naturally lovers of peace and have allowed themselves to be imposed upon for generations in what finally proved to be a futile effort to avoid war with Japan. Repeatedly Japan has left nothing undone to provoke war and the situation ultimately reached the point where it was a case of fight or be murdered. China is becoming well organized and if the war can be held in check for a while longer she may gain a well-ordered and fully prepared army such as Japan, the result of the war now depends on the willingness of China to die, as the Japanese are exterminating them literally by the millions.

Dr. Hamilton's home is in Atlanta, from which the Southern Presbyterian Church sent him to China in 1922. Shortly after arriving there he married the daughter of a couple who had been in China 48 years, so he has quite a missionary background. At the present he and Mrs. Hamilton, with their five children are at home on Fultonsburg as his station is right in the middle of the war area. While here he is lecturing throughout the bounds of the church and those who were fortunate enough to hear him Saturday are hoping to bring him here for another lecture shortly. Some 75 of the Young People's League district attended the meeting, which was presided over by Miss Frustrana Sneed. Bobby Schwabneck of Savannah is president and Martha McDougald secretary.

Two Bulloch County Farmers Purchase Two Pure Bred Bulls

JOHN H. BRANNEN AND J. B. FIELDS BUY TWO OF BEST BREED OF CATTLE FOR HERD SIRE

After using a good purebred beef bull for a few years it is wise to then procure a better herd sire, is the opinion of John H. Brannen and J. B. Fields.

These two Bulloch county farmers went to a herd of Hereford cattle that ranks with the best in the United States to buy herd sires Friday. They purchased two young bulls with Prince Domino lines of breeding, which is the outstanding line of breeding in the country. Neil W. Trash, the owner of the herd, had several cows and bulls that he selected over the country and paid from \$350 to \$1000 for.

LOCAL BOY TO SING HERE WITH VISITING CHOIR

A mixed choir composed of about fifty girls from G. S. C. W. and about twenty boys from G. M. C. at Milledgeville will appear in concert in the auditorium of the South Georgia Teachers' College on Monday, March 7, at 10:15 A. M.

New Farm Bill Provides Cotton Marketing Quota

MUST BE APPROVED BY TWO-THIRDS OF COTTON PRODUCERS VOTING IN REFERENDUM ON MARCH 12

The establishment of cotton marketing quotas, based on farm acreage allotments, is authorized for all cotton producing farms under provisions of the new farm act. The principal objective of the new measure is to strengthen the Agricultural Conservation Program and provide more effective control of burdensome crop surpluses.

The quotas, if approved by two-thirds of the cotton producers voting in a referendum on March 12, will represent the number of acres whose production will be marketed this year without restriction. Georgia's tentative acreage allotment is 2,036,000 acres.

The Adjustment Act provides for a national cotton allotment of approximately 10,750,000 bales in 1938. The number of acres needed, at normal yields, to produce the balance allotted is being apportioned to the cotton producing states and counties with no county to receive less than 60 per cent of the cotton acreage planted and diverted in that county in 1937.

The 1938 marketing quota of an individual farm will be the larger of the actual or the normal amount of cotton produced on that farm's acreage allotment, plus any cotton carried over by the farm from the 1937 crop. In other words, the farmer may produce without restriction, all the cotton he can produce on his allotted acreage. On all cotton sold from the farm in excess of its marketing quota a penalty of 2 cents a pound must be paid. This means that if the farmer overplants, the cotton sold in excess of the actual or normal production of the allotted acre will be subject to the 2-cent penalty. The penalty does not apply to cotton on farms where the total production is less than 1000 lint pounds.

Furthermore, if a farmer overplants he will lose his 1938 Agricultural Conservation Program payment and the cotton price adjustment payment to which he might be entitled on his 1937 cotton, and will be eligible for a cotton loan on only that part of his cotton produced in excess of his quota and at a rate 40 per cent lower than the loan rate provided for cooperators.

For cooperators, cotton loans are authorized at a rate to be fixed by the Secretary of Agriculture between 52 and 75 per cent of parity. The parity price of cotton at the present is approximately 16 cents.

The provisions of the act do not apply to long staple cotton, 1-1/2 in. or longer, such as Georgia's Sea Island cotton.

DEBATORS FOR HIGH SCHOOL DISTRICT MEET NAMED

Mr. R. A. Montgomery, coach for the Statesboro High school debating teams, announced this week the names of the debating teams that will represent the high school in Sylva on March 12, when the district preliminaries will be held.

Margaret Ann Johnston and Miriam Lanier will argue the negative side and Myrtle Swanson and Charles Brooks McAllister will represent the affirmative side of the question. Resolved: That the word combustion should adopt a unicameral system of legislation.

F.W. Darby Lumber Company Enlarges Mill

Beginning with a small saw mill nineteen years ago the F. W. Darby Lumber Company has grown until today it is one of the largest lumber mills of this section, with a daily capacity of 30,000 feet of lumber and an average weekly payroll of \$1,000.

In the past few months the F. W. Darby Lumber Company, under the supervision of E. S. Lane, general superintendent, has completed the installation of a heavy duty saw mill and carriage which, according to Mr. Lane, has a capacity of 30,000 feet of lumber every ten hours. In explaining the modern methods in handling lumber Mr. Lane stated that they can now completely control the drying of all their lumber. He stated that they had installed a new Moore Cross Circulating Dry Kiln with automatic control of both moisture and heat which assures a perfect conditioning of lumber. Mr. Lane has been with the F. W. Darby Lumber Company since 1923 and has seen and played an important part in the growth of the firm from infancy to its present position. Mr. Lane takes a great pride in showing his new friends the operations of the new enlarged mill.

Mr. H. L. Kennon, recently added to the personnel of the firm serves in the capacity of business manager. Mr. Kennon was formerly connected with the Reconstruction Finance Corporation. Since Mr. Darby's expansion in the lumber industry, of owning large lumber interests in Jacksonville, Mr. Kennon is in charge of

Dates For District High School Meets Are Announced

FIELD MEET FOR BOTH B AND C SCHOOLS TO BE HELD AT THE TEACHERS COLLEGE ON APRIL 23RD.

The dates for the various high school contests and activities in the First District are announced, this week by C. E. Wollett, district secretary.

The preliminary debates in the First District will be held on March 25, with the "C" schools meeting at Pulaski and the "B" schools meeting at Sylva. The subject for debate will be Resolved: That the Several States should adopt a Unicameral System of Legislation. The one-day play contest will be held April 8, for the "B" schools at Graymont and the "C" schools at Collins. The annual tennis and track meet, for the First District will be held at the Teachers College on April 23 with both the "B" and "C" teams participating.

The literary events of the district meet will be held at Swainsboro on April 22, and the final debate will be held at Swainsboro on April 21. The spelling contest will be held in the various schools of the district on April 6.

Co-op Livestock Sale Moves 98,000 Pounds Of Hogs

NEXT CO-OP SALE SCHEDULED FOR MARCH 10 AT THE PENS ON THE GEORGIA AND FLORIDA RAILWAY

The Bulloch County Coop Livestock Sales moved 98,000 pounds of hogs at the sale Thursday for \$7.38 per hundred. Practically all the hogs entered in the sale weighed more than 150 pounds, which is the largest lot of heavy hogs moved from the county in one sale in several weeks.

The next cooperative sale will be March 10 at the pens on the Georgia-Florida railroad.

The four major packers, Swift, Armour, Cudahy, Wilson, entered bids on the last sale. However, Statesboro Livestock Commission company was the successful bidder. Although hogs had advanced considerably, if Chicago, Georgia packers failed to give bids in line with the rise in the market on this sale. John H. Brannen entered some 76 head of hogs that averaged about .20 pounds. This lot of hogs would have

But It's True

Mr. Reiter's face is a blank from the nose down to the chin. His conceptions are made up of normal people, not mutes. They have learned the sign language just to be able to "hear" what he has to say. He is fed through a tube which enters his stomach.

Save with WEARWELLS. Guaranteed 1 Full Year Against All Road Hazards. Includes a table of tire sizes and prices.

Bulloch County Fat Stock Show March 21

Sponsored By Local Chamber Of Commerce

AFTER SHOWING HERE CATTLE WILL BE FILLED BY SPECIAL TRAIN TO SAVANNAH SHOW AND SALE

On Monday, March 21 the Statesboro Chamber of Commerce will sponsor the Bulloch county fat stock show to be held at the pens on the Central of Georgia railroad. The fat stock show is being sponsored as an educational project.

In order that the maximum benefit may be derived from this show the County Board of Education, at its regular meeting last Tuesday, voted to give all the schools in the county a half holiday. All the county school students will come into Statesboro for the show.

The present plans are for the Central of Georgia to pull 16 calves to Savannah following the show with a special train. Several of the boys will accompany the cattle on the train and bed them down for the night. The other boys and farmers will probably go to Savannah on Tuesday and assist in caring for the cattle and get them in condition for the showing. Thursday, March 24 at the Savannah fat stock show and for the sale on March 25.

It has been suggested that there be a parade of the cattle at high noon through the main streets of Statesboro. The show March 21 will have the best cattle that have been fed in the county. There are several steers in the group that practically every one who has seen them predicts they will grade U. S. Prime, which is tops as far as fat stock goes. All of the cattle will grade medium or better.

Details of the program and showing the cattle have not been completed. Dr. R. J. Kennedy, Mayor J. L. Renfro and C. P. Olliff comprise the Chamber of Commerce committee to work out the details.

Teachers College Hosts Musical Festival

FIFTEEN SCHOOLS OF FIRST DISTRICT PARTICIPATE IN MUSICAL PROGRAMS FOR CONSTRUCTIVE CRITICISM

More than three hundred students from fifteen schools of the First District took part in the District Music Festival held at the South Georgia Teachers College last Friday.

STATE TROOPERS TO GIVE EXAMINATIONS FOR DRIVERS LICENSES

State Troopers will be in Statesboro on Friday and Saturday of this week to give drivers license examinations. Persons who are driving without a license are subject to a fine of \$50.00 or six months in jail (maximum). The troopers will give examinations between the hours of 9 a.m. to 5 p.m.

ROTARY DISTRICT GOVERNOR VISITS STATESBORO CLUB

T. T. Molnar, Rotary District governor, paid an unofficial visit here last night.

District Governor Molnar was present at a joint meeting of the Statesboro and the Statesboro Rotary Club held at the Woman's club here with the Statesboro club as host.

Mr. Walter McDougald was the speaker at the meeting and talked on "Fellowship." A musical program was given by the Teachers College Chorus under the direction of Ronald Niel.

Tobacco Quotas Now Available at County Agent's Office

QUOTAS ARE IN LINE WITH NEW FARM PROGRAM IF MARKETING QUOTA IS VOTED IN ON MARCH 12

Tobacco growers who in Bulloch county are now available through the county agent's office for the soil conservation program in 1938. These quotas are also in line with the new farm program if the marketing quotas are voted in March 12. Every tobacco farmer is being notified of the quota he is eligible for in 1938 for that farm.

For growers that have an established base, the following scale was given the county office by the state office to figure the quotas on:

When the base acreage is 5.1 acres or more the quota is 70 per cent of the base. With a base from 4.8 to 5 acres the quota is 3.5 acres; from 4.4 to 4.7 acres the quota is 3.4 acres; from 4.0 to 4.3 acres the quota is 3.3 acres; from 3.8 to 3.9 acres the quota is 3.2 acres; and where the base acreage is 0.5 acres or less the quota is 90 per cent of the base.

Each new tobacco grower that has applied to the county agent for a base there will be allotted one acre, then an additional acre is granted if he has a barn as much as half completed by February 16, 1938, then an additional one-tenth of an acre for every ten acres in cultivation in excess of 50 acres on the farm. The maximum quotas for new growers is 1.5 acres and where there is not a barn, with one barn the maximum is 2 acres and where there are two barns the maximum is 4 acres.

Each new tobacco grower that has applied to the county agent for a base there will be allotted one acre, then an additional acre is granted if he has a barn as much as half completed by February 16, 1938, then an additional one-tenth of an acre for every ten acres in cultivation in excess of 50 acres on the farm. The maximum quotas for new growers is 1.5 acres and where there is not a barn, with one barn the maximum is 2 acres and where there are two barns the maximum is 4 acres.

Statesboro's Blind Musician Sings And Plays His Way To Distant Places

History is full of singing troubadours, blind musicians, roaming minstrels and other romantic musical characters. Periodically Statesboro's own "Wandering Minstrel" finds his way back to his childhood haunts. We know him as "Doug," the blind colored musician who picks his way with confidence about the streets of Statesboro, his guitar strapped over his shoulder, answering voices which call to him cheerfully greeting.

"Doug" is not unlike that of the singing troubadours of bygone days. He has traveled all over the world, singing and playing his way, without benefit of sight. He finds no strangers in these far places despite his color.

"Doug" came to Statesboro in 1910 at the age of 9, as William McTee, from Thompson, Georgia. He lost his sight at the age of six. His only schooling days was that given him by his mother at the fireside. His mother, Mimmie McTee, cooked for Mrs. W. H. Ellis for a number of years. While here he learned to play the guitar, and except for a period of several years when he did not have an instrument, he has never been without his guitar. When he was 17

Statesboro Production Credit Association Shows Signs Of Growth

AN INCREASE IN MEMBERSHIP AND THE VOLUME OF BUSINESS THIS YEAR IS EXPECTED BY THE STATESBORO PRODUCTION CREDIT ASSOCIATION, WHICH SERVES BULLOCH AND EVANS COUNTIES, ACCORDING TO J. E. HODGES, PRESIDENT, WHO SAID THAT MANY FARMERS HAVE ALREADY MADE ARRANGEMENTS FOR THEIR SHORT-TERM CREDIT NEEDS FOR THIS YEAR THROUGH THIS FARMERS' COOPERATIVE CREDIT ORGANIZATION.

The record of the Statesboro association to date is one of steady progress, Mr. Hodges said. In 1934, the first year it operated, it had 155 members. Last year it served 497 members. In 1934 it made loans totaling \$44,599.00, and its volume has increased each year. In 1937 it made loans totaling \$149,429.00.

In 1934 the association did not have any reserve. It now has a reserve of \$8,380.00. Members of the association now own \$7,795.00 worth of stock in the association.

"Each year has thus been one of progress," said Mr. Hodges "and as more and more of our farmers learn of the short-term credit service which we have to offer them we expect the membership and volume of business of the association to continue to grow. Our association makes loans to farmers not only for production purposes but for almost every purpose for which a farmer needs short-term credit."

BLUE DEVILS DRAW BYE IN FIRST ROUND OF STATE TOURNAMENT

Coach A. B. Johnson and nine Blue Devils basketball players will leave Thursday morning for Athens, Ga. This is the first time in the history of the high school that there has been a basketball team from Statesboro high to represent the 1st district in the State Tournament.

Coach Johnson is taken nine men to Athens with him and hopes to win first place in Athens. The Blue Devils have one of the best teams in this section of Georgia and it is a certainty that they will do things their first time at Athens.

The boys making the trip are Emerson Anderson, Frederick Beasley, John Smith, Robert Hodges, Tiny Ramsey, Gene L. Hodges, Joe Robert Tillman, Cliff Purvis and Skeet Kennon.

THEY WILL BE AT FOLLOWING: Beginning at 2:30 p. m. on Friday, exhibits on the following subjects will be shown: Chemistry in Industry, Biology Teaching Aids, Model Farm, Industrial Arts Display, Educational Survey Display, and a Science News Reel.

Friday night at 8:00 p. m. the program will be in charge of Mrs. W. S. Hanner. A musical program under the direction of Ronald J. Neil has been arranged, followed by an illustrated lecture by Dr. E. L. Palmer, professor of Rural Education at Cornell University. Following this there will be a social hour.

Saturday morning at 10:00 the program will be in charge of Dr. Pittman. A forum will be held, followed by addresses by Dr. Hancy A. Webb, professor of Teaching of Chemistry at Peabody College and Dr. E. Laurence Palmer. The morning session will close with a discussion led by Ashton Varnedoe of Savannah High School.

SUCCESSFUL APPLICANTS UNDER TENANT FARM ACT TO BE NAMED SOON

Nathan R. Bennett, Rehabilitation Supervisor in charge of the Farm Security program of Bulloch county, said this week that in a short time he will announce the names of those who will be granted farm tenant purchase loans under the provisions of the

Polling Places For Quota Vote Are Named

Two Sets Of Twins Born In Sixteen Months

On February 26 of this year Mr. and Mrs. J. W. Sparks became the parents of the second pair of twins in sixteen months. On October 11, 1936 the first twins, a boy and a girl, Hay and Fay, were born. Last month the second set of twins, both girls, Melba and Mildred, were born.

Mr. and Mrs. Sparks came to Statesboro four years ago from above Portal. At present they are working on Mr. John D. Lanier's place which is located just back of the Bulloch County hospital here in Statesboro. Mr. and Mrs. Sparks have been married 24 years. There are thirteen children in the family with two dead.

Cotton Allotments For 1938 Now Being Distributed

IF MARKETING QUOTAS ARE VOTED IN ON MARCH 12 COTTON FARMERS WILL BE PERMITTED TO SELL ALL PRODUCED WITHOUT PENALTY

Bulloch county cotton allotments for 1938 are being distributed to individual farms on the following basis:

1. Five acres are allotted to individual farms unless the highest number of acres planted to cotton during the previous three years, plus the diverted acreage, is less than five acres; in this case the highest acreage planted and diverted in any of these three years is allotted to the farm.

2. Three per cent of the remaining acreage is allotted to farms having an acreage of less than 15 acres.

3. The remainder is allotted to the farms on a basis of filled acreage less acreage devoted to tobacco. No farm is given an acreage allotment exceeding the acreage planted to cotton and the acreage diverted under the farm programs for the previous years. This means that the percentage of filled acreage which may be allotted to cotton will be the same for all the farms in the county.

It is understood that yields of lint will be given to the various farms getting an allotment of acreage in line with the per acre yield during the past three years. This yield will be used only as a basis of pay under the soil conservation program. If the marketing quotas on cotton are voted in March 12 individual farms will be permitted to sell all the cotton free of penalties on the allotted acreage.

THEME WILL BE "SCIENCE IN GEORGIA PROGRESS" DAYS AT COLLEGE MARCH 11 AND 12

Dr. Marvin S. Pittman, president of the South Georgia Teachers College announces the program for the Fourth Annual Georgia Progress Days to be held at the College on Friday and Saturday, March 11 and 12. The program will be as follows:

Friday night at 8:00 p. m. the program will be in charge of Mrs. W. S. Hanner. A musical program under the direction of Ronald J. Neil has been arranged, followed by an illustrated lecture by Dr. E. L. Palmer, professor of Rural Education at Cornell University. Following this there will be a social hour. Saturday morning at 10:00 the program will be in charge of Dr. Pittman. A forum will be held, followed by addresses by Dr. Hancy A. Webb, professor of Teaching of Chemistry at Peabody College and Dr. E. Laurence Palmer. The morning session will close with a discussion led by Ashton Varnedoe of Savannah High School.

March 12 Is Date Set To Determine Marketing Quota

BULLOCH COUNTY FARMERS WILL VOTE ON SATURDAY MARCH 12, ON WHETHER MARKETING QUOTAS FOR COTTON AND FLUE-CURED TOBACCO ARE ELIGIBLE TO VOTE FOR 1938 FARM PROGRAM

Bulloch County farmers will vote on Saturday March 12, on whether marketing quotas for cotton and flue-cured tobacco are to be made effective for the 1938 season, as provided for in the new farm act.

County Agent Byron Dyer announced that the polls will open in Bulloch county at 9 a. m. and will close at 7 p. m. The ballot will be secret. A community referendum committee will be in charge of the balloting in each community. This committee will be composed of three local farmers.

MEDICAL AUXILIARY SPONSORING TALKS ON CANCER

THE WOMAN'S AUXILIARY OF THE BULLOCH-CANDLER-EVANS MEDICAL SOCIETY IS HAVING A SERIES OF TALKS GIVEN IN THE PARENT TEACHER ASSOCIATIONS OF THE COUNTY SCHOOLS ON THE SUBJECT OF CANCER. THESE TALKS ARE IN CONNECTION WITH A NATIONAL DRIVE ON THE CONTROL OF CANCER.

Dr. John Mooney, Jr., gave a talk before the PTA of the Statesboro High School at the January meeting and Dr. H. C. McGinty is to talk to the West Side PTA at their March meeting. Dr. Ed McTye and Dr. A. J. Mooney will give talks in other county schools.

Similar talks have been made and are scheduled in Evans and Candler counties, one in Evans, one in Emanuel, five in Candler with two others scheduled and four health talks on contagious diseases.

The health magazine, Hygeia, is in every white school and two colored schools in Candler county, as well as many in Bulloch.

The Bulloch-Candler-Evans auxiliary is helping to maintain a soup kitchen in Metter.

Each community committee has a list of all persons, whether owners, operators, share tenants, or share-croppers who were actually engaged in the community in the production of cotton or tobacco in 1937. Farmers should vote at the polling place established in their community.

One (whether an individual, corporation, partnership, firm, association or other legal entity) will be entitled to more than one vote in the cotton referendum or more than one vote in the tobacco referendum, even though engaged in 1937 in the production of cotton or tobacco in two or more communities, counties or states. There will be no voting by mail, proxy or agent, but a duly authorized officer of a corporation, firm, association or other legal entity may cast its vote.

In case several persons, such as a husband, wife and children, participated in the production of cotton or tobacco in 1937 under a lease or share-cropping agreement, only the person or persons who signed or entered into the lease or share-cropping agreement, may vote.

In the event two or more persons engaged in producing cotton or tobacco in 1937 jointly, in common, or in community, each such person is entitled to vote.

In order for the marketing quotas to become effective in 1938, two thirds of the farmers voting in the cotton referendum must vote in favor of the quotas. In other words, each referendum is separate and it would be possible for farmers to approve quotas for one crop and reject them for the other.

MRS. LAURA OVERSTREET BURIED NEAR BROOKLET

FUNERAL SERVICES FOR MRS. LAURA OVERSTREET, AGE 78, WERE CONDUCTED AT EMIT BAPTIST CHURCH, HERE BY REV. WILLIAM KITCHENS OF STATESBORO.

The pallbearers were Walter Green, Charley Alford, L. P. Mills, Jr., John Green and Robert Smalley.

Mrs. Overstreet died in the University Hospital in Augusta after an illness of two weeks. She is survived by two daughters, Mrs. L. P. Mills, Sr., of Brooklet and Mrs. J. L. Green of Augusta, four sons, Alfred McNear of Savannah, Ed McNear of Atlanta, Ben McNear of Lyons and H. B. McNear of Vidalia, and by a number of great grand children.

"ACRES OF DIAMONDS" An Editorial by Your Roaming Reporter

ACCORDING TO Frank Smith's story, the man who wrote "Acres of Diamonds" several years ago must have been talking about the situation in Bulloch. If you remember, it was a story of a poor devil who had tried to make a living on a poor farm but without success.

HERE'S WHAT QUOTAS DO FOR BULLOCH COUNTY

Bulloch county farmers are going to vote Saturday, March 12, on whether marketing quotas shall be applied to cotton and flue-cured tobacco this season as provided for in the new farm act.

Here is a thumb-nail summary of what the application of marketing quotas on these crops will mean to Bulloch county farmers:

- 1. Quotas provide a measure for adjusting supply to demand. 2. Quotas make loans available. 3. Quotas serve to prevent further decline in cotton prices. 4. Quotas encourage more efficient production on fewer acres. 5. Quotas place no limitation on sale of cotton produced on allotted acres.

One reason why the livestock industry is developing in Georgia is that the number of acres being planted to permanent pastures is increasing every year. The 35,460 acres planted last year was more than double the amount planted only four years ago, and was almost 6,000 acres more than were planted in 1936.

bacco with an occasional pint for egg nogs (and for his friends when we stop by to eat dinner some time). Nor does the 128 make up the total, as he stuck something like fifteen just for home use in case any of his boys and their other halves get hungry and drop by to see what Pa's got in the smoke-house.

RULES FOR VOTING IN TOBACCO AND COTTON REFERENDA GIVEN

Here are the rules governing who is eligible to vote in the referenda on Saturday, March 12, on whether marketing quotas shall be applied to cotton and flue-cured tobacco for the 1938 season:

1. Only farmers who were engaged in the production of cotton or flue-cured tobacco in 1937 are eligible to vote. Farmers who produced both cotton and flue-cured are eligible to vote in each referendum.

2. No one (whether an individual, partnership, corporation, firm, association, or other legal entity) will be entitled to more than one vote in either referendum, even though engaged in 1937 in the production of cotton or flue-cured tobacco in two or more communities, counties or states.

3. There will be no voting by mail, proxy, or agent but a duly authorized officer of a corporation, firm, association or other legal entity may cast its vote.

4. In case several persons, such as husband, wife, and children participated in the production of cotton or flue-cured tobacco in 1937 under a lease or share-cropping agreement, only the person or persons who signed or entered into the lease or share-cropping agreement may vote.

5. In the event two or more persons engaged in the production of cotton or flue-cured tobacco in 1937 jointly, in common, or in community, each person is entitled to vote.

6. Since marketing quotas are not applicable to cotton the staple of which is 1 1/2 inches or more in length, (Sea Island, for example) a person who was engaged in the production of such cotton in 1937 shall not be eligible to vote unless he was also engaged in the production of cotton in 1937, the staple length of which was less than 1 1/2 inches in length.

HERE'S WHAT QUOTAS DO FOR BULLOCH COUNTY

Bulloch county farmers are going to vote Saturday, March 12, on whether marketing quotas shall be applied to cotton and flue-cured tobacco this season as provided for in the new farm act.

Here is a thumb-nail summary of what the application of marketing quotas on these crops will mean to Bulloch county farmers:

- 1. Quotas provide a measure for adjusting supply to demand. 2. Quotas make loans available. 3. Quotas serve to prevent further decline in cotton prices. 4. Quotas encourage more efficient production on fewer acres. 5. Quotas place no limitation on sale of cotton produced on allotted acres.

One reason why the livestock industry is developing in Georgia is that the number of acres being planted to permanent pastures is increasing every year. The 35,460 acres planted last year was more than double the amount planted only four years ago, and was almost 6,000 acres more than were planted in 1936.

CLIPONREKA CULLINGS by Your Roaming Reporter

And as if our nerves weren't jumpy enough this blue-looking "morning after" Mike, the family humorist and practical joker, just passed through and passed up about a foot and from the depths of the fire box came certain sounds that made one think all the guns in China had gone off simultaneously.

Talking It Over by VIVIAN DEVOE

Dear Miss DeVoe: I read your column last week and am very interested in your idea. I would appreciate it very much if you would print the article to which you referred in the magazine "Woman's Day."

In reply to ACS's request I print the article entitled "Love and Money" as it appeared in a recent issue of "Woman's Day."

Dear John: Ever since our wedding day I have spent one half of my time down on my knees thanking God that I married you and the other half I have spent in wondering how you made me do it, and the reason that I both love you and hate you is the way you treat me about money.

LOVE AND MONEY

"Dear John: Ever since our wedding day I have spent one half of my time down on my knees thanking God that I married you and the other half I have spent in wondering how you made me do it, and the reason that I both love you and hate you is the way you treat me about money."

"That assertion will surprise and shock you almost fatally, because while you may admit that you have a few minor faults and defects, you're sure generousness is not among them, and in special you pride yourself upon your liberality to your family. You are the American man's ideal of a perfect husband—the Good Provider. And if you think of the matter at all you picture me as a grateful woman to you and the thanksgiving to pay back for the meal. When women admire my brand new handbag I am glad that they cannot see that there is only a lone quarter in it."

"Last year when you gave me a bond for a Christmas gift and I murdered a poor fellow's life."

Each auxiliary president is expected to bring a written report covering activities since the mid-summer meeting. All doctors who are in the first district are invited and each one planning to attend is requested to notify Mrs. Harry M. Kandel, District Secretary, 432 Abercorn Street, Savannah, Ga.

Of particular interest will be the addresses of Dr. Traylor, president, and Dr. Coker, president-elect of the Medical Association of Georgia, of Mrs. Cheney, president, and Mrs. Coleman, president-elect of the Auxiliary to the Medical Association of Georgia.

Musical selections on the program will be arranged by Miss Helen Johnson of Statesboro.

Mirror an Optical Instrument An article in the encyclopedia defines a mirror as "an optical instrument which produces images of objects by reflection; in ancient times merely a polished sheet of metal called a speculum; in modern times a sheet of polished glass silvered at the back."

Her Children. G. C. Coleman Sr. and G. C. Coleman Jr., left Tuesday afternoon for a business trip to Atlanta.

Miss Louise Alderman of Waycross spent this weekend with her father, I. J. Alderman.

Miss Edna Robinson of Vidalia spent several days of last week with her sister Mrs. A. Brunson.

Miss Edna Robinson of Vidalia spent several days of last week with her sister Mrs. A. Brunson.

To The Ladies

I'm so pleased over your letters—such a nice lot of them—and so happy that you like our column. Do write often and help me to write about the things you like to read in this column.

Layette—is there any woman who doesn't thrill to the word? I've been nosing around for you "Soon to be Mothers" and had myself a lovely time doing it. Here's the result. Everything your baby needs can be bought from local stores. I have three different priced layettes planned for you. From the most economical, that includes all the necessities, to the "fussy" kind. Just write me a note. It'll be fun sharing my finds with you.

Your lucky ladies who have your own smoke houses full of meat. This recipe I'm going to give you need not be just a company dish.

BAKED HAM Three or four inch slices of cured ham, center cut if possible, clean and season with salt and pepper. Put in roaster and cover with one quart of sweet milk. Add Irish potatoes, cut in fourths. Cover and bake about three hours in slow oven. Remove cover for last thirty minutes. Serve on platter with round of meat in center and potatoes around it.

Mr. and Mrs. Henry Blitch spent Sunday with Mrs. Blitch's parents, Mr. and Mrs. J. L. Mathews.

Mr. and Mrs. Edna Neville, Miss Edna Neville, Mr. and Mrs. Arno Bennett and Miss Martha Sue Bennett spent last Sunday on the coast.

Miss Annie Laurie Taylor of Vienna, now teaching at Griffin, was a weekend guest of Miss Martha Donaldson.

Mr. and Mrs. E. J. Anderson and Miss Leona Anderson spent Sunday at Register with Mrs. L. A. Anderson.

Mr. and Mrs. Howell Sewell and little son, Stephen, spent Sunday in Metter.

Mr. and Mrs. Olliff Everett who have been living in Dublin have returned to Statesboro to make their home.

Friends of Miss Leta Williams regret to hear of her illness at her home on North Main street.

Miss Gracie Lee Aldred is expected to return from New York City on Monday.

Miss Jewel Watson spent the weekend in Atlanta with friends.

Mr. and Mrs. Milton Hendrix of Dublin spent the weekend here. Mrs. Hendrix will remain for several days for a visit to her mother, Mrs. D. C. McDougald.

Mr. and Mrs. G. D. Counts of Sylva spent the weekend with Mrs. H. Counts parents, Rev. and Mrs. I. Sneed.

Mr. and Mrs. S. J. Proctor were business visitors in Savannah Monday.

Misses Lida and Louise Fate of Millen spent the weekend in Statesboro as guests of Mrs. J. O. Johnson.

Mrs. Walter Odum of Atlanta is visiting her parents, Mr. and Mrs. J. E. Anderson.

Mr. and Mrs. Julian Tillman visited Mrs. Tillman's mother, Mrs. B. E. Collins near Metter Sunday.

Fred Page was at home from the University of Georgia at Athens for the weekend.

Buster Bowen and Miss Mary French were visitors in Savannah on Sunday afternoon.

Mrs. Bonnie Morris and Mrs. Thad Morris and children, Robert and Jimmie Morris went to Savannah Monday afternoon.

SOCIETY

Mr. and Mrs. Harold Averitt and daughter, Gladys, of Millen visited friends and relatives here Sunday.

Miss Frances Felton of Augusta was the attractive guest of Mrs. Edwin Groover Saturday.

Mr. and Mrs. W. D. Anderson, Mrs. W. E. Wade of Parrott, and Mrs. W. E. Dekle were dinner guests on Sunday of Mrs. Dan. Lee at Stillson.

Gra. G. E. Bean and Mrs. Phil Bean were visitors in Savannah on Monday.

Mr. and Mrs. Henry Blitch spent Sunday with Mrs. Blitch's parents, Mr. and Mrs. J. L. Mathews.

Mr. and Mrs. Edna Neville, Miss Edna Neville, Mr. and Mrs. Arno Bennett and Miss Martha Sue Bennett spent last Sunday on the coast.

M. N. Dunn spent the weekend at Thompson, Ga.

Miss Julia Mae Aldred of Savannah spent the weekend with her mother, Mrs. B. A. Aldred.

Mr. and Mrs. Gibson Johnston and children of Swainsboro spent the past weekend with Mr. and Mrs. Hinton Booth.

Mr. and Mrs. B. C. Mullen of Thompson spent Sunday with Mrs. W. H. Ellis.

Miss Annie Laurie Taylor of Vienna, now teaching at Griffin, was a weekend guest of Miss Martha Donaldson.

Mr. and Mrs. E. J. Anderson and Miss Leona Anderson spent Sunday at Register with Mrs. L. A. Anderson.

Mr. and Mrs. Howell Sewell and little son, Stephen, spent Sunday in Metter.

Mr. and Mrs. Olliff Everett who have been living in Dublin have returned to Statesboro to make their home.

Friends of Miss Leta Williams regret to hear of her illness at her home on North Main street.

Mr. and Mrs. S. J. Proctor were business visitors in Savannah Monday.

Misses Lida and Louise Fate of Millen spent the weekend in Statesboro as guests of Mrs. J. O. Johnson.

FARM BRIEFS

Provision for larger payments to operators of small farms who cooperate in the 1938 Agricultural Conservation Program are provided under the new farm act, County Agent Byron Dyer, pointed out this week. The larger payments to the small farmers are the result of changes the new act makes in the method by which payments are to be made in connection with the 1938 program. The new act provides a system of increasing the payments to farmers who would earn less than \$200 under the regular rates.

Under this system, the following scale will be used: When payment (at regular rates) is not more than \$20, the total payment will be increased 40 per cent; payments of \$20 to \$40 will be increased 35 per cent; \$40 to \$60 will be increased 30 per cent; \$60 to \$80 will be increased 25 per cent; \$80 to \$100 will be increased 20 per cent; \$100 to \$150 will be increased 15 per cent; and, payments of \$150 to \$200 will be increased 10 per cent.

This scaling upward of the smaller payments will be a first charge against funds available for payments. "The new act in the main, merely adds to the present Agricultural Conservation Program by providing for acreage allotments, marketing quotas when growers want them, and crop insurance," the county agent said. "Farmers who take part in the AAA program this year will qualify for payments by staying within their soil depleting crop acreage allotments, and by measuring up to their soil-building goals."

That it is possible to grow wheat for home use in Bulloch county is demonstrated every year by JOHN H. BRANNEN. Mr. BRANNEN grows enough wheat to supply his entire farm with flour annually. At first he found that some of the families on the farm did not care for home-grown flour. They wanted self-rising flour when it is ground to make self-rising flour out of his own wheat and thereby solved that problem. At this season of the year before other crops show much green color it is an inspiring view to pass the fields Mr. BRANNEN has planted to oats and wheat. He could justly call his farm "Green Acres."

Terraces that make running water walk are necessary on the small farms just as they are on large units, declares J. E. STEWART. The terraces on this farm are as efficient as any found in the county.

DAN W. DAVIS has found time during the winter months to build a nice new home on his farm. MRS. DAVIS says that they expect to paint it now while it is new to add to the life of the home as well as to the attractiveness.

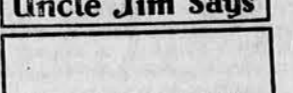

Approximately 150,000,000 trees and shrubs—35,000,000 more than was planted last year—will be set out this winter and next spring by Georgia farmers cooperating with the Soil Conservation Service on erosion-control demonstration areas, on farms surrounding CCC camps, and by the service on publicly-owned lands of the green in car manufacturing schedules and employment of wage earners in the automobile factories is anticipated.

"The motor car industry," said Mr. Macaulay in making the announcement "is generally credited with showing the way out of the last depression."

So far as the automobile industry is concerned, the most serious barrier to business improvement is the large stock of used cars in dealers' hands, Mr. Macaulay pointed out. "Too many unneeded, worn-out, unreliable cars, without modern safety brakes, safety glass, large tires and steel bodies, are in operation today," he continued. "Too many are costly to operate. Eleven million cars seven years old or older are licensed for operation throughout the country."

"Many of these cars can be replaced during National Used Car Exchange Week—to the great advantage of the buyer and of the public."

Uncle Jim Says

A lot of poor land in Georgia now in crops would pay better in trees, grass or legumes. My neighbor says it costs more to grow crops on his bad spots than the crops are worth.

The method being followed by Triple A county committees in establishing cotton acreage allotments for Georgia farms in 1938 is not as complicated as some folks seem to think. In brief, the method works this way: Each farm in the county will have as its cotton acreage allotment in 1938 the same percentage of the tillage acreage in the farm except:

1. No farm will have an allotment larger than the highest acreage planted and diverted in the last three years.

2. No farm will have an allotment less than five acres if five acres has been planted and diverted in the last three years.

3. Any farm on which highest planted plus diverted acreage during the last three years was less than five acres will have an allotment equal to the highest planted plus diverted acreage.

4. Farms with allotments of from five to fifteen acres may receive an increase from a small county reserve. Recreational institutes for 4-H club leaders will be held this month in each of the four Extension Service districts of the state, G. C. Cunningham, state 4-H club leader, has announced. Miss Madeline Stevens, of the National Recreational Association, will conduct the institutes and two boys and two girls from each county county agent and home demonstration agent will attend, and if possible a rural preacher, and a teacher from each county will take part in the meetings. The institutes will be held at Statesboro, March 10-12; Macon on March 15-17; Athens, March 22-25; and Carrollton, March 28-31.

Dr. T. S. Buie, of Spartanburg, S. C., who is in charge of Soil Conservation Service work in the region that includes Georgia, had some mighty nice things to say about the project. "I've had a letter about the project from a construction area at Rome, Athens, Americus and the Experimental areas at Athens and Griffin. He especially congratulated the farmers for the fine way in which they have plowed-out and manured the fall and winter months." Other things that impressed him included the large increase in winter legume acreage and the fewer forest fires.

Badly-located fields, and badly-placed fences result in inefficient fencing, according to G. I. Johnson, agricultural engineer in the Georgia Extension Service. For this reason it is a good idea to get rid of such obstacles. The best way for Georgia farmers to begin the clean-up job is to make an outline map of the farm, showing the location of present field boundaries. On the map, the farm can be replanned on the basis of efficient operation and soil saving practices.

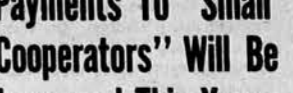

Approximately 150,000,000 trees and shrubs—35,000,000 more than was planted last year—will be set out this winter and next spring by Georgia farmers cooperating with the Soil Conservation Service on erosion-control demonstration areas, on farms surrounding CCC camps, and by the service on publicly-owned lands of the green in car manufacturing schedules and employment of wage earners in the automobile factories is anticipated.

"The motor car industry," said Mr. Macaulay in making the announcement "is generally credited with showing the way out of the last depression."

Movie Previews

GEORGIA THEATRE— Wednesday, March 9, BETWEEN TWO WOMEN. A romantic drama with Franchot Tone, Virginia Bruce and Maureen O'Sullivan.

Thursday and Friday, A DAMSEL IN DISTRESS. Romance and rhythm and fun riot, on a screen alive with the lift of Gershwin music and Wodehouse humor with Fred Astaire in a London dancer with Joan Fontaine, a titled heiress daffy about him. George Burns and Gracie Allen give their goofiest.

Saturday, GIRL WITH IDEAS. Wendy Barrie, a rich girl wins a newspaper label suit and proceeds to run it herself. Kent Taylor and Walter Pidgeon in leading roles.

Western, TWO GUN LAW with Charles Starrett and Peggy Stratford. Monday and Tuesday, 14 and 15th. Everything doubled in DOUBLE OR NOTHING. Double melody, double fun, double entertainment. Martha Raye sings for a million dollar bonus. Bing Crosby sings for million dollar Mary Carlisle in a fortune hunting frolic packed with laughs, love and song hits. Andy Devine doubles the comedy.

Mrs. W. C. Graham and Miss Ezzie Graham.

STATE THEATRE— Friday and Saturday, SOPHIE LANG GOES WEST. Glamorous Sophie Lang, filmdom's most feminine adventuress, in a new series of exciting dangers with Gertrude Michael and Larry Crabbe.

Western, Buck Jones in SMOKE TREE RANGE. Also 9th chapter of ADVENTURES OF TARZAN.

A Chain of Islands What is popularly known as Malta consists actually of a chain of islands of which the two largest are Malta itself, covering 91 miles, and Gozo covering 20 square miles. For archeologists and historians, these islands are a paradise. There are dark temples to be explored, and in one temple visitors can make use of a hole in the wall, which in bygone days served as a megaphone, through which the priest thundered forth the spurious message of the god. Rock temples contain massive altars which by their shape suggest that they were used for human sacrifice.

SCHOOL NEWS

On last Wednesday morning Section B of the 6th and 6th grades under the supervision of Miss Yashti Lord presented a splendid program for the chapel exercises. The first number on this program was "America" sung by the entire audience. The devotional exercises were rendered by Vivian Sharpe. Lamar liet told a very interesting Chinese story. "Shoe Shine Boy" was a chorus presented by four girls and a reading "Some Dont's" given by Mary Miles concluded the program. Some program is presented by each grade every Wednesday. This responsibly rotates and it began with the eleventh grade.

VOCATIONAL DEPARTMENT RECEIVES NEW TOOLS

Many new tools have been added to our vocational department for shop work. Practically all the wood working tools except a force and an awl, and a complete set of plumbing, plumbing tools, together with "Farm Level for tacking land, two retorts with steam jackets and kettles for canning have been purchased. This is a great asset to the Nevils school plant. These tools are without all the new work shop and cannery plant building can be erected. This building is progressing very rapidly now although it takes longer to assimilate architectural plans for the building than the real construction itself. But plans are now being completed, and the work begins Friday. All the big hearted carpenters of our community are invited to appear at the scene of "action" with their best tools early Friday morning to begin the work of laying the foundation of this much needed building. The citizens of the Nevils community are invited to give for the construction work they are doing in building this plant. More than half of the lumber is now ready for delivery and every stick has been freedly donated. We are now in need of laborers. If you are a friend or patron of Nevils school and want to help, please notify G. C. Avery the day you can assist with the sawing or nailing or use your teams to haul logs or lumber to the campus. Much work needs to be done, many workers are needed. If you are unable, physically, to assist with this work, and want to help with other donations, a little cash can be used to a great advantage. No amount is too small to accept. Any salable farm produce is gladly accepted. It is not necessary for you to be a professional carpenter before you can help on this building. There is much that can be done. To exchange ideas or bring your grown son and get double credit for helping your community.

TEACHERS ARE VISITING

On last Monday four of our teachers visited Brooklet and Stillson school to exchange ideas in regard to school work. These visiting Monday were Misses Maude White, Edna McLaughlin, Marie Lou Anderson and Mrs. Katherine Norman. Those visiting the same two schools Tuesday were Misses Yashti Lord, Bertha Lee Brunson, Lillian Van Amburgh and Mrs. B. F. Edna. Misses Lorioton Hatcher and Edna Rimes and Mrs. Ruel Clifton, visited Portial school during the

NEVILS NEWS

BY MISS MAUDE WHITE

On last Wednesday afternoon Mrs. Joe L. Anderson, and her daughter Elva, were hostesses at a peanut shelling at their beautiful country home near Nevils. About forty guest joined in shelling peanuts while they enjoyed jovial conversation and fun throughout the evening. A delicious course of ambrosia, cake, and tea was prepared and served. Miss Melrose Waters won the prize for shelling the most peanuts. Miss Waters shelled several quarts of peanuts during the afternoon.

CORRECTION

In reporting the meeting on Wednesday, February 23 of the Home Demonstration Club at Nevils there was an error made in the program. The program as it was presented was as follows: Devotional; Mrs. Rufus Brannen, Reading: "A Lady Comes to Call," by Francis Britt; Chorus: "Georgia," by several high school girls; Reading: "Mother's Hour of Rest" by Martha Norman.

Mrs. Slaton Lanier has returned to her home in Savannah after spending some time with her parents, Dr. and Mrs. C. E. Stapleton and other relatives here.

Mr. and Mrs. Howard Atwell of Statesboro, Mr. and Mrs. L. A. Martin and attractive daughters Althea, and Alva Mae were dinner guests of Mrs. B. D. Hodges Sunday.

Mrs. Katherine Norman and attractive daughters Martha and Mary were dinner guests of Mr. and Mrs. W. J. Davis Sunday.

PEANUT SHELLING

On last Wednesday afternoon Mrs. Joe L. Anderson, and her daughter Elva, were hostesses at a peanut shelling at their beautiful country home near Nevils. About forty guest joined in shelling peanuts while they enjoyed jovial conversation and fun throughout the evening. A delicious course of ambrosia, cake, and tea was prepared and served. Miss Melrose Waters won the prize for shelling the most peanuts. Miss Waters shelled several quarts of peanuts during the afternoon.

Bulloch County Votes For Marketing Quotas

Cotton And Tobacco Growers Vote For By Big Majority

PRODUCERS ROLL UP A LARGE MAJORITY IN FAVOR OF THE COTTON QUOTAS; VOTES FROM OTHER STATES CARRY TOBACCO TOTALS PAST TWO-THIRDS MARK

Bulloch cotton and tobacco farmers overwhelmingly approved marketing quotas for cotton and flue-cured tobacco in the March 12 referendum, thereby paving the way for full application of the broad agricultural program recently enacted by congress.

A two-thirds majority vote of all cotton and flue-cured tobacco farmers was necessary, under the law, to make marketing quotas effective. Bulloch cotton producers joined other Southern cotton producers in rolling up a large majority in favor of cotton marketing quotas. The Georgia vote on flue-cured tobacco marketing quotas. The Georgia vote on flue-cured tobacco quotas fell slightly short of a two-third majority but as the vote was on a belt-wide basis marketing quotas for flue-cured tobacco will be ineffect in Georgia just as they will be in those states that gave the tobacco quotas a heavy majority.

Here's how Bulloch farmers voted with all districts complete: There were 1921 voting for marketing quotas on cotton and 184 against. There were 785 voting for marketing quotas on tobacco and 193 against.

By districts the votes are: District—Cotton for against Tobacco 44—125 66 108 17 45— 91 5 56 16 46— 95 0 5 0 47—142 13 112 18 48—192 21 41 41 5 1340—67 22 63 24 1209—437 31 89 12 1523—175 35 89 57 1547—19 19 40 179 1575—145 6 18,0 1716—264 12 64 8 1803—109 11 91 17

The 46th district led the county in majority with none of the farmers voting, casting an opposing vote.

The total vote, in the state with all counties complete, except one was: Cotton quotas, For: 119,133; Against 22,088. Tobacco quotas: For 14,133 Against, 9,430.

"HERE COMES HATTIE" AT WEST SIDE SCHOOL "Here Comes Hattie," a comedy in three acts will be presented at the West Side School Auditorium on Friday evening, March 18, at 8 o'clock. The cast of characters includes: Mrs. Paul Nesmith as Clara Greene, Prof. Robt. A. Wynn, as Homer Greene Miss Cecile Brannen as Ann Greene, Mr. Bill Anderson as Thomas Greene, Stevie Alderman as William Billings, Mrs. Hollis Cannon as Florence Ryan, Mrs. W. Louisa Ellis as Hattie King, Miss Ollie Mae Jernagan as Velda Wayne, Mrs. Alvin Anderson as Etta Armstrong.

"Here Comes Hattie" is a play fairly bristling with excitement situations leading up to complicated happenings and entanglements, all of which comes out in the end. Come and bring your friends and enjoy a full evening's entertainment.

JACK DELOACH MADE MORTICIAN AT NEW STATE PRISON Jack DeLoach, formerly of Statesboro and now a prominent mortician of Lyons, Ga., has been named the mortician for the new state prison near Lyons. Mr. DeLoach was notified of his appointment Monday and immediately made plans to assume his duties there.

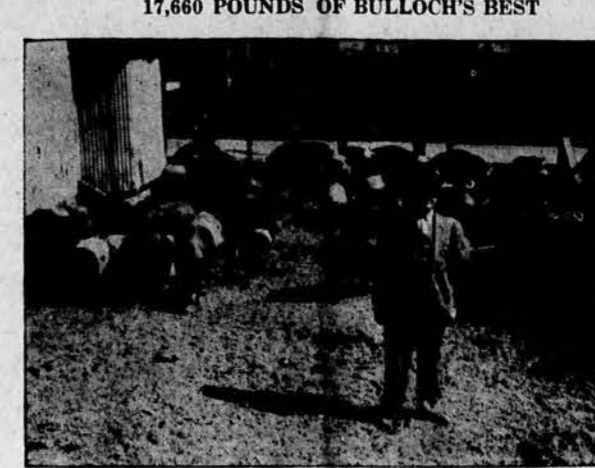

His duties in connection with the work at the state prison will in no way affect his private practice in Lyons and the surrounding territory. Mr. DeLoach is the son of Mrs. Bill DeLoach of Statesboro. He moved to Lyons about seven years ago where he established an undertaking business. He married Miss Margaret Aldred and now has one child.

4-H Club girls who are judged as national, sectional, state, and county winners in the project. "Last year more than 250,000 girls participated in this homemaking activity. Advance registrations so far indicate that the number in 1938 will be increased to about 300,000 active members.

The Food Preparation Project month-out by Servel, Inc., deals with all phases of food—from cooking a picnic meal out of doors to preparing and serving a formal dinner.

From judging contests, demonstrations in baking, table setting, menu planning, the cooking and serving of meals, and particularly the preservation of food, through the use of proper refrigeration, are just a few of the many activities encompassed by this interesting enterprise. The prize incentives have led thousands of girls and boys as well to participate in 4-H club food projects and discover unknown talents which yielded great

17,660 POUNDS OF BULLDOCH'S BEST

Here are seventy-one head of hogs sold by A. J. Trapnell at the Statesboro Livestock Commission Company recently. The seventy-one head weighed a total of 17,660 pounds and when sold brought \$1,473.21. Mr. Trapnell lives nine miles south of Statesboro and is one of the county's leading livestock boosters. The photograph shows Mr. Trapnell with his herd before they were sold. Staff photo by G. C. Coleman, Jr.

F.W. Darby Lumber Company Qualifies To Take FHA Applications

FOR LOANS TO BUILD NEW HOMES AT LOW RATE OF INTEREST OVER LONG PERIOD OF TIME

It was announced here this week that the F. W. Darby Lumber Company has qualified to accept applications for home loans under the 1938 Federal Housing Plan.

Under the new plan, according to Mr. H. L. Kennon, business manager of the F. W. Darby Lumber company they will make loans on new construction up to 90 per cent of the value of the property on applications which are approved by the FHA. Mr. Kennon stated that 80 per cent of the property value will be loaned on remodeling and repairing work.

Applications and information concerning these loans may be obtained from the F. W. Darby Lumber Company. Mr. Kennon states that the plan makes it easier for families to own their own home with payments amounting to less than rent. Loans may be obtained on a plan given the local bank since its organization last fall. The band competed at the College recently at the Musical Festival giving a very credible performance. The proceeds of the frolic will go for equipment for the band and every one is urged to attend.

Bulloch County Boy Receives Naval Academy Appointment

ANDREW RUCKER GIVEN APPOINTMENT BY SENATOR RICHARD RUSSELL, JR., TO TAKE PHYSICAL EXAM IN SPRING

Andrew J. Rucker, 19, has received an appointment to the United States Naval Academy at Annapolis. Mr. Rucker will report some time later in the spring for physical examination.

A. J., as young Rucker is known around Bulloch county, is the son of Mr. and Mrs. J. W. Rucker.

In 1936 A. J. finished high school at Statesboro with honors, being the only boy in his class that achieved that award. For the past two years he has been a student at South Georgia Teachers College. His scholastic record in college and in high school was excellent enough to get the appointment without an examination, which is an exceptional recommendation.

When this young fellow was not in school he could always be found on his father's farm milking, plowing and feeding hogs. He is very seldom seen on the streets, even though he lived within only a mile or so of town.

Mr. and Mrs. Rucker have lived in Bulloch about 35 years, coming here from Banks county.

TROOPERS GIVE DRIVERS EXAMINATIONS IN SAVANNAH

L. Ralph A. Tolva, commanding officer of the three divisions of the State Patrol has announced that two troopers will be on duty every day from March 14 and for at least four weeks at the courthouse in Savannah, from 8 a. m. to 12 noon and from 2 p. m. to 5 p. m. for the purpose of accepting applications for drivers and chauffeurs licenses and giving the necessary examinations.

L. Tolve states that this is merely an accommodation for the people in this section, since troopers have already visited Statesboro and conducted a scheduled examination.

College Scholarships Are Being Offered 4-H Club Girls

Georgia 4-H club girls are being offered an opportunity to compete for \$1,000 in college scholarships, gold medals, trips to the annual Club congress in Chicago, and kerosene-operated refrigerators in the 1938 4-H Club Food Preparation project, it was announced here today by Mr. H. M. Royal, Servel Electrodux dealer for this vicinity. Prizes and awards for the project are being made available by Servel, Inc., donors for the fourth consecutive year.

"Information has just been received from George S. Jones, Jr., vice president and general sales manager of Servel, Inc., at Evansville, Ind., that an additional college scholarship of \$100 is an extra award this year," Mr. Royal stated. "This fourth place scholarship award of \$100 is in addition to the first, second, and third place scholarships of \$400, \$300 and \$200 respectively. These scholarships and other prizes will be given to the

Fat Stock Show Here March 21

PLANS BEING CONSIDERED FOR GOLF COURSE BY LOCAL MEN

Monday night about fifteen men of Statesboro, interested in golf, met at the office of the Bulloch Herald and discussed plans for the building of a golf course. A site has been selected for consideration. A committee was named to secure a golf course architect to go over the site and estimate the cost and upkeep.

The meeting, in charge of Kermit S. Carr, instructed Mr. Fred W. Hodges, the owner of the site under consideration, to submit a price for the property. Monday night, March 21, was set as the next meeting time for further consideration of the project.

The site selected for consideration consists of about 80 acres of land on the Dover road just this side of the airport. All those who have seen the property are enthusiastic over the prospects of building the course.

At its regular meeting Monday, the Statesboro Rotary Club heard County Agent Byron Dyer speak on Bulloch county. Mr. Dyer gave facts and figures concerning the income of the county from its various crops. Mr. Dyer cited the value per acre of the farm lands in each of the militia districts in the county. He also gave the number of farms in the county, breaking down the figures into farm owners, part owners, sharecroppers, and others.

Under the new plan, according to Mr. H. L. Kennon, business manager of the F. W. Darby Lumber company they will make loans on new construction up to 90 per cent of the value of the property on applications which are approved by the FHA. Mr. Kennon stated that 80 per cent of the property value will be loaned on remodeling and repairing work.

Applications and information concerning these loans may be obtained from the F. W. Darby Lumber Company. Mr. Kennon states that the plan makes it easier for families to own their own home with payments amounting to less than rent. Loans may be obtained on a plan given the local bank since its organization last fall. The band competed at the College recently at the Musical Festival giving a very credible performance. The proceeds of the frolic will go for equipment for the band and every one is urged to attend.

Bulloch Stock Yard Celebrates First Anniversary

RECORDS REVEAL THAT 3,211 FARMERS HAVE PARTICIPATED IN SALES AT THIS YARD DURING THE YEAR

At its regular Tuesday's livestock sale the Bulloch Stock Yard celebrated its first anniversary.

During the past year the records of Bulloch Stock Yard reveal that 3,211 farmers have participated in sales on that market. Over one hundred farmers took part in the anniversary sale last Tuesday. There was a good crop of hogs with the market up 50 cents to \$1.00 on pigs and all other grades up in proportion. No. 1 hogs sold from \$8.65 to \$8.85 a hundred pounds with one lot selling as high as \$8.75. There was a good run of cattle with \$7.20 being paid for the best top beef. Fat cows from 4-12 cents to 6 cents a pound. Top veal calves sold for \$10 a hundred pounds.

John C. Cummings of Donaldsonville placed three of his pure bred bulls in the sale. They were purchased by Fred Blitch, Roy M. Howard and O. L. McLemore. Mr. Cummings also placed a lot of pure bred Poland-China pigs. One buyer from Tennessee had bought 170 head of Bulloch county feeder pigs. Roy Howard sold one Hereford bull weighing 1,500 for \$100. Mr. McLemore, manager of the Bulloch Stock Yards was well pleased with his Anniversary Sale.

L. Ralph A. Tolva, commanding officer of the three divisions of the State Patrol has announced that two troopers will be on duty every day from March 14 and for at least four weeks at the courthouse in Savannah, from 8 a. m. to 12 noon and from 2 p. m. to 5 p. m. for the purpose of accepting applications for drivers and chauffeurs licenses and giving the necessary examinations.

L. Tolve states that this is merely an accommodation for the people in this section, since troopers have already visited Statesboro and conducted a scheduled examination.

MRS. B. R. OLLIFF DIES AT THE AGE OF 60

Mrs. B. R. Olliff, age 60, died at her home in Andersonville Thursday of last week after a long illness. Funeral services were held Friday afternoon at 3 o'clock from the Statesboro Primitive Baptist church with Elder V. F. Agran and W. H. Crague in charge of the services. Burial was in the East Side Cemetery.

Mrs. Olliff, the wife of B. R. Olliff, who served Bulloch county for a long number of years as county school superintendent, was the daughter of the late William Dekle and America Leasley Dekle. Besides her husband she is survived by three daughters, Mrs. M. B. Hurst of Egypt, Misses Pearl Olliff of Baxley and Ruth Myrtle Olliff of Statesboro and Mrs. J. H. Rose of Statesboro; one sister, Mrs. M. C. Alford of Bonefay, Fla.; three brothers, John R. Dekle of Savannah, Tom C. Dekle of Register and Fred Dekle of Glynn.

Active pallbearers were Cecil Kennedy, John Temple, Fred Kennedy, Felton Nevils, Prince Preston and J. G. Moore. Honorary pallbearers were Leffler DeLoach, C. P. Olliff, R. J. Kennedy, F. W. Hodges, W. J. Rackley, F. W. Rowe, F. T. Lanier, J. E. Carruth and A. L. Reed.

CO-OP HOG SALES MOVES 27,660 POUNDS OF HOGS FOR \$2,168.78

Last week's cooperative hog sale moved 27,660 pounds of hogs, mostly number ones, twos, heavies and good roughs, for \$2,168.78 in good returns. The shipment of hogs returned the cooperators \$2168.78. Although all of the packers in Georgia, two from Florida and local buyers entered bids, the Cudaby Packing Company, Albany, was the successful bidder.

The next cooperative sale is scheduled for March 31. Farmers desiring to enter hogs in the sale are urged to have them in as good condition as possible to help hold the price up. Packers bid more favorable when the hogs offered for sale are in good condition.

Some of the county's best cattle will be held around the square in Statesboro Monday, March 21, according to the decision of the committee from the Chamber of Commerce that is working out the details of the show. The committee thought it wise to hold the judging and the calves in the space in the rear of the City Hall and then when the school children arrived parade the steers around the square. This would enable all of the children present to assemble on the court house lawn and see the cattle.

The present plans call for only around 50 to 60 of the better
