Cobb & Foxhall
Statesboro, Georgia

We have purchased both of the two old warehouses in Statesboro and will operate them this season as separate warehouses.

The Statesboro Tobacco Market is acknowledged to be the largest grading market west of the state of Georgia. Statesboro's tobacco last season realized a total of approximately 10 million dollars, and the market is expected to be equally successful this year. The market is located on the corner of Main and William Streets, and is open for business daily from 8 a.m. to 5 p.m.

Terms of Sale
- Full purchase price payable at time of sale
- No commission or freight charges
- Immediate delivery of tobacco
