Blue Devils Battle E.C.I. Bulldogs Friday Nite; Game To Be Toughest On '38 List

High Schoolers Show Great Fighting Spirit In Drubbing Vidalia Indians 13-0

"We are going to beat E. C. I. Friday night." These are exactly the words that the coach of the Statesboro Blue Devils uttered the day after the game between Statesboro and Vidalia in which Statesboro was victorious 13-0.

Coch Johnson of Statesboro High said that he didn't care what was printed in the newspapers or what was said by the fans as to how good a team the E. C. I. coaches will bring down here Friday night, he knows his boys were going to outstep the boys with "Bulldogs" as their nickname. He stated that "Bulldog" doesn't mean a thing, when it is put up against the "Devil."

With the Vidalia Indians' scalps under their belts the Blue Devils from the Statesboro High school are preparing for probably the toughest game of the season. E. C. I. has already two in their "won column" and they say they will chalk up another Friday night. But they didn't say which column they would be chalking in, although it was supposedly taken for granted that they meant the "won column."

The game with E. C. I. will be played under lights on the Statesboro Athletic field and is scheduled to begin at 8 o'clock.

All of the Blue Devils are in fine shape although they were quite a few sore muscles and several scratches after their tilt with the Vidalia Indians Thursday night. These should be worked out by the time the whistle blows for the kickoff Friday night.

BLUE DEVILS DEFEAT VIDALIA WITH TWO PLAYS ON A RAIN SWAKED FIELD 13-0

On a football field that had three days of washing by heavy rains and that was being wrenched off with a light drizzle that insisted on falling throughout the entire game, Davis Barnes and ten other Blue Devils defeated the Vidalia Indians in a manner that proved very decisively that they, the Blue Devils, were much the better team.

With two plays, a pass for an extra point exceptionally good punting, stout line on defense, and a fast defense for a pass attack (a wet ball) the Blue Boys of the High school marched off of the newly washed Athletic gridiron in much more glory than they did when they marched on for the opening kickoff that lit the fame on the local football season after they had secured three points, as compared to the "none" that Vidalia acquired.

The two plays were—an off tackle line drive with Davis Barnes making anywhere from five to ten yards at a try and carrying a portion of Vidalia line with him in an end run with Joe Robert Tillman, Bruce Johnson and Edwin Groover carrying the ball for nice gains. The pass for the extra point—Edwin Groover to John Smith. The good punting by—Joe Robert Tillman and John Smith. The stout line—they all did well, but special mention goes to Cliff Parvis, Charles Layton and Roy Hitt, end, center and tackle, respectively. The fair pass defense, a muddy field and wet ball.

That is the hall game with around 500 people there to witness it and get a good taste of a Fall rain.

Both of the Blue Devils' scores were made by Davis Barnes and he still was carrying a portion of the Vidalia line.

Early Value of Commodities The value of commodities in terms of tobacco fluctuated from year to year, in older times. In 1828 a pound of sugar was the equivalent of a pound of tobacco.

Taking advantage of the fact that there are many native plants in Bulloch county that will change just a home into a place of beauty and pride, W. W. Parts of the house, through the windows, and from the rear of the house, and then follow a definite plan if the desired effects is to be obtained. She has grouped these plants so well that the bare sand yards started with in 1935 now is a garden they can justly be proud of.

For softening stiff lines or covering shrubs, trees and flowers about this large lawn is comparable to that found in urban communities.

Mr. Mann stated that it was necessary to select small plants and then prune them severely. He never fertilizes the plants when transplanted but uses mulch around the roots.

Mr. Mann thinks it important to study the grounds from all approaches to the home, from the various

Talmadge And Supporters Stage Walk-out In Macon

PLATFORM CALLS FOR CONTINUANCE OF THE RIVERS PROGRAM IN THE STATE AND COOPERATION WITH NATIONAL ADMINISTRATION

With the efficiency of a steam roller the state Democratic convention in Macon last Wednesday moved swiftly along with no indication of the fireworks which were touched off at 8:30 in the afternoon when Samuel D. Hewitt of Atlanta, chief counsel for Talmadge, called upon the convention to nominate Talmadge, asserting that the George nomination had been "obtained by fraud and in violation of the laws of the state."

The Talmadge fight developed after Governor Rivers and Senator George had been duly placed in nomination and resolutions offered declaring them the nominees of the party for Governor and Senate.

Mr. Hewitt, appeared before the microphone and announced that he was a delegate by proxy from Marion county. The proxy called upon the convention to nominate Talmadge, asserting that the George nomination had been "obtained by fraud and in violation of the laws of the state."

Mr. Mann thinks it important to study the grounds from all approaches to the home, from the various

DR. R. J. KENNEDY CASTS BULLOCH'S FOUR VOTES AT MACON CONVENTION

DR. R. J. KENNEDY, as chairman of the Bulloch county delegation to the state Democratic convention, cast Bulloch county's four unit votes for Senator Walter F. George in the roll call which was forced by the supporters of former Governor Talmadge at the convention held in Macon last Wednesday.

TO BE HEARD amid cheers from the galleries and scattered boos from the delegates' section on the main floor, C. T. Guyton, of Effingham county, who also made a seconding talk furnished the most amazing demonstration of the convention. Possessing a voice which would have been heard over the entire auditorium, it was magnified by the microphone into a boom which rocked the hall. The delegates feeling the tension lessened began heckling the speaker with shouts of "Louder! Louder!" and "take him away. But Guyton outshouted 5,000 voices and retired only when Zack Arnold, vice chairman, called time on him. The convention having previously adopted a rule allowing only five minutes for each of the seconding speeches.

After the seconding speeches were made and a vote called for on the nomination, Talmadge supporters formed a roll call. Vice Chairman Arnold ordered the roll call, when more than one-fifth of the delegates called for it.

Each county was polled and the chairman of the county delegation was ordered to vote as his county had voted. George received 242 county unit votes, 36 more than the 206 necessary to nominate a candidate. Talmadge received 148 county unit votes and Camp 20 unit votes.

With the roll call completed the democracy of Georgia renominated Walter F. George as its candidate

FIRE PREVENTION WEEK
This is Fire Prevention Week, and the inspection of every home for fire hazards is the goal of fire prevention authorities. Home owners will do well to check their homes against the known causes of fire. It is generally conceded that of the number of known causes of fire these eight are responsible for almost 85 per cent of all fire losses: Defective chimneys and flues; sparks on combustible roofs; lightning; spontaneous combustion; careless use of matches, smoking; careless use of gasoline and kerosene; defective and improperly installed stoves; faulty wiring and misuse of electric appliances.

PROTECT WOODS FROM FIRE
A tree will make a million matches—a match will destroy a million trees.
Take no chances with lighted matches, tobacco, trash or camp fires.
Forest destruction is quick—forest growth slow. Burned timber pays no wages.
When fire is discovered, put it out if you can. Get help if you need it.
ARE YOU PRACTICING PREVENTION AND FOREST PROTECTION?
GROW TIMBER—IT PAYS!

TO PROTECT THEMSELVES AGAINST FIRE LOSS
Home owners take out fire insurance, and feeling that because their home is covered by insurance they do not need to exercise care in preventing fires. As long as they keep that attitude our firemen will get plenty of exercise and countless people will be mourning over the blackened ruins of their homes, and the loss of cherished belongings that can never be replaced.

THE PROBLEMS CONFRONTING THE GENERAL ASSEMBLY
Confronting the General Assembly of Georgia in the session that will convene next January will be two major problems. There are stated here, not necessarily in the order of their importance because a solution must be found for both, but in order in which the Assembly must deal with them.

A NEW USE FOR COTTON
The AAA announced this week acceptance of an offer made by the Lane Cotton Mills Company of New Orleans, Louisiana, for the manufacture of one million patterns of cotton baling to be used as a covering for cotton bales under an AAA diversion program launched July 27. The offer will supply the entire quantity of cotton patterns called for in this program, comprising enough to cover one million bales of cotton at a cost per pattern of not more than that of ordinary bale covering. The program makes possible the first comprehensive and widespread use of cotton as bagging material—a purpose long advocated by cotton growers and cotton mills.

COACH JOHNSON GIVES SCHEDULE
By EDWIN GROOVER
Coach Johnson announced the following schedule for the Blue Devils for the remainder of the '38 football season.
Oct. 21, Swainsboro in Swainsboro, (night).
Oct. 21, Ludowick in Statesboro.
Oct. 28, Wrightsville in Wrightsville.
Nov. 4, Reidsville in Statesboro.
Nov. 10, Open.
Nov. 18, Millen in Statesboro.
Nov. 23, Sylvania in Sylvania.
The 1937-38 extraordinary session proposed an amendment to the Constitution of this State as set forth in a resolution approved January 17, 1938, relating to hospitalization tax by counties, to-wit:

First: A solution must be found for the problem of the local self-government units, the counties of the state. Their revenues, in the face of renewed demands for matching Federal and State grants, have been reduced counties, about \$2,500,000 will be required, restored to them either directly, through the passage of a resolution, or indirectly, through the assumption by the State of the cost of operating the courts.

The Editor's Uneasy Chair
Our local members of the Legislature are giving considerable study to the questionnaire sent out by the Associated Press regarding their opinion as to the direction tax legislation may take when the General Assembly meets in January. House members Harry Aiken and D. B. Franklin, we know are working on and giving much thought to the questionnaire, both wanting to know more about it before doing so. Such reticence in committing themselves, until they have studied the problem through, is commendable and we are of the opinion that in the end whatever solution they may consider fair will be their sincere belief that it will be best for their county, according to the results of their study.

BLUE DEVILS LEAVE FOR SWAINSBORO TO PLAY
By EDWIN GROOVER
The Blue Devils will leave Statesboro Friday afternoon for the game with the Swainsboro team in the evening on Swainsboro's lighted field.
A large crowd from Statesboro is expected to go along and to be heard from on the sidelines. The players expect the fine boosting of last Friday evening to greet them in Swainsboro.
The S. H. S. band will accompany the team over to Swainsboro.
Coach Johnson is busy ironing out faults here and there with the boys. Charles Layton, center, Cliff Purvis end, and David Barnes, fullback, are leading a team that promises plenty of thrills before the season is over. The entire squad of thirty boys is going to Swainsboro.
Come on fans, join the S. H. S. gang and see a real game Friday night at Swainsboro.

Second: The budget of Georgia must be balanced, not by the device of reducing appropriations, but by providing money to carry out the program of service to Georgia citizens that Georgians have so emphatically demanded.

For sometime there has been an effort to establish a Juvenile Court in Bulloch county. A petition is now being presented to Judge Woodrum asking that City Judge Linton Lanier be appointed the Judge of the Juvenile Court of Bulloch. The need of such a court is obvious. We hope that the petition will be granted and that Judge Lanier will be charged to deal with the children that come before him as he would deal with his and his neighbor's children.

GRAMMAR SCHOOL STAGE TO BE REFINISHED
By ROY HITT
In a statement from Superintendent S. H. Sherman, it was learned that plans for furnishing and beautifying the Grammar school stage are being made.
A committee was appointed by Mrs. Tommie Rushing, president of the P.T.A. This committee is composed of Mrs. Bonnie Morris, chairman; Mrs. Emie Atkins, co-chairman; and Mrs. Tommie Rushing. The money will be raised outside of the P. T. A. The scenery and stage furniture will be on the Grammar School stage in the very near future.

It is obvious that the General Assembly must provide revenue for these two purposes. In order to adjust the fiscal problem of the counties, about \$2,500,000 will be required. In order to meet in full appropriations payable from the general fund, including the cost of better schools, old-age and dependent children's assistance and the expanded public health program, about \$6,000,000 will be needed. For the apparently necessary expansion of these phases of the program based on the number of applications for assistance pending, approximately \$1,500,000 will be needed.

JOURNALISM CLASS TO HAVE ROOM FOR PAPER
By SARA HOWELL
The Journalism class expects to begin work on the school paper, The Owl this week. Arrangements are being made to fit up a small room for use as a publication room. Dr. Drewery, head of the School of Journalism at the University of Georgia and organizer of the Georgia Scholastic Press Association says that every school putting out a paper should have a room especially fitted up for the particular task of getting out the school paper.

Recognizing this fact the Associated Press recently sent out to Georgia's newly elected legislators a questionnaire asking their opinion as to the direction tax legislation may take.

How shall we save the counties from bankruptcy and preserve local government? How shall we finance the great 'Program' of state-service that the citizens of the state want?

Star Performers in new Style Cycle with stunning designs that keynote next year's mode.
It all started with "catwalk-cooling" on the costly racing cars of Europe. They were shooting at better aerodynamics, not new styling—but they touched off something that will re-pattern cars everywhere before it's done. So let your gaze take it in. Spot the radiator grille... down low! They're key to new-day design. They're also placed where air pressure's greatest—your engine cools under forced draft! Under that comely bonnet is the engine with more abundant life—that quick cut Buick Dynaflex valve-in-head straight-eight!

The South Georgia Teachers will meet the Alabama Teachers here Friday night in the second home game for the Professors.

BLUE DEVILS AND E.C.I. FIGHT TO 13-13 DEADLOCK IN THRILLER

Blue Clad Forces Travel To Swainsboro For First Grid Game Out Of Own Backyard: Nite Game skin and ran untouched 35 yards to give the Blue Devils a six point lead.

Statoeboro's fighting football forces rocked on their heels by E. C. I.'s superior drive and man-power in the first half, came back with a second half surge to score two touchdowns and an extra point and thereby pounce a six point lead.

And as the some 1500 people braced the chilled October moonlight night and held their breaths in fear that the Emanuel boys might push over that most precious one point which would give them victory, the Statoeboro Blue Devils rose up in all their might and stopped cold, in his tracks, O'Toole, who had the Blue Devil line in his mercy all night.

The whole team played a fine ball game against a team that was much heavier than they.

The Blue Devils this year possess a fighting spirit that cannot be equalled in the First District and it should go a long way in aiding the team to be in the championship playoff.

The Blue Devils are preparing for their third game of the season this week. The boys will take to the road and travel up to Swainsboro to meet another Emanuel County team when they clash with Swainsboro High Friday night.

Coach Johnson is hoping that this game might be a little easier than the last two. Both of the games that the Devils have played have been tough and the boys can use what they call a "breather."

The squad has come through the season so far without any serious injuries. Davis Barnes hurt his shoulder in the Vidalia game and has not been in top form since then.

Lovd Lanier was back in the fold at the tackle position last Friday night and when he hits his form he will be valuable.

Presidents Twice Married Five of the thirty-two Presidents of the United States were twice married—Tyler, Fillmore, Benjamin Harrison, Theodore Roosevelt and Wilson.

Are you a resident of Statoeboro? If so, you should vote in the city election in December. Unless you register before October 15, you will not be permitted to vote.

PLEASE PAY PROMPTLY!

The Blue Devils showed vast improvement in both their offensive and defensive play. Charles Layton played superb ball on defense.

Charles Layton played superb ball on defense. He intercepted two passes and was the boy who picked up the blocked punt, that Dub Lovett blocked so nicely and ran for the second S. H. S. touchdown.

Macon Convention

The platform was adopted as written by the committee after James H. Skelton Sr., of Hart county tried vainly to amend it from the floor to provide a plank calling for no increase in taxation, particularly barring a sales tax.

The new platform calls for the continuance of the Rivers program in the state, continued cooperation with the national administration and reaffirmed the "obligations of the state to replace the revenue losses sustained by the counties through relief of the taxpayers by the exemption amendments."

It was estimated that more than 5,000 people attended the convention which was held in the municipal auditorium in Macon.
