Statesboro Blue Devils 26; Reidsville High 3 Savannah B Team Coming Here Thursday P.M.

New Fords On Display Here And Brooklet

Statesboro's Blue and White fighting football team, after playing a rousing game in the first half, came back in the second half and unleashed an offensive attack that soon wearied the fighting Reidsville team and added three touchdowns to the one that was made in the first half to defeat Reidsville 26-3.

The contest was played on a rain-soaked field and throughout the first half rain fell at regular intervals. There were approximately 600 people to witness the fray.

As a result of the weather conditions that prevailed fumbles were numerous and the ball was continuously changing hands as a result.

The game was dull and drab in the first half. The Blue Devils scored only once in the first half and that was after they had recovered the ball on Reidsville's own 35 yard line.

After the rest period the Blue Devils came back and opened up an offensive that the Reidsville defense couldn't stop.

Middle wags third period Davis Barnes went over the goal line standing up. The try for the extra point failed. The ball was carried into scoring position by Edwin Groover.

The second touchdown in the second half came as a result of a beautiful pass from Smith to Barnes who caught the ball on the eight and stepped out of bounds trying to elude the Reidsville tackles.

Statesboro's offense and defense play was exceedingly ragged throughout the game. Joe Robert Tillman was the spark-plug of the 'Boro's' offense.

PANSIES HAROLD'S PEDIGREED GIANTS STATESBORO FLORAL SHOP Phone 319

ANNOUNCEMENT Mrs. J. E. Strickland announces the marriage of her daughter, Eva Elizabeth to Blais Kirby. The ceremony took place November 2.

The current undefeated Blue Devils in six games will march out upon the Statesboro Athletic Association Field again Thursday night to tackle one of the hardest foes on the '38 schedule. It will be an out of district game when the Blue Devils take to the gridiron wars again for their 7th game of the season Thursday night at 8 P. M. against the Savannah High School "B" team.

The Blue Devils played the "B" aggregation from Savannah High for the first time last season and they were victorious 12-2 in one of the seasons best. The game Thursday promises to be about as good as any as the Savannah High "B" sound better one of the strongest in years.

Statesboro High has played six games so far and has not been defeated, but have been tied once in the game against E. C. I. The game ended in a 13-13 deadlock.

Coach Johnson's edition of the '38 Blue Devils boasts the most fighting spirit ever possessed by a Blue Devil team. They have run up a total of 132 points against their opponents to date while they have had their goal line crossed five times and one time it was a field goal to bring the total points scored on them to 29.

The Blue Devils opened the season by crushing Vidalia 13-0; followed by King, E. C. I., 13-13, defeating the Savannah eleven 20-0, Ludovici 40-0 and Wrightsville in the seasons slugfest 20-13 and last Friday night they topped Reidsville 26-3. A total of five wins, one tie and no losses.

Statesboro enters the game Thursday night with all men in good shape and with the anticipation of a hard contest and with the fighting spirit that has been within them for the whole season.

After the game Thursday night Statesboro has but two more games left. Miller here on the local field and the curvian will drop the following Wednesday when the Blue Devils cross the Ogeechee River to play in Sylvania.

At the present Statesboro is one of the leading contenders for the District Championship as they are, along with E. C. I., the only team in the district without a defeat against them. Should the Blue Devils get by Miller and Sylvania they will have a clean slate and will probably be a choice for the playoff game for the District Championship Crown.

CITY IS ENJOINED FROM TEARING DOWN GUS FLOYD HOUSE

Condemned By Public Health Board At Meeting Last Month

Gus Floyd, Gus Floyd Jr., Mildred Floyd, Hernandez Floyd and Marion Floyd, through their attorneys, D. C. Jones and R. Lee Moore, on Monday morning filed an injunction against the city of Statesboro to prevent the carrying out of condemnation proceedings against a burned house at the corner of Elm and North College Streets.

The house belonging to the Floyds burned about a year ago. The unburned sections of the house were left standing and on October 4, of this year, upon recommendation of the Public Health committee, the house was condemned and a contract to tear it down and move the materials was awarded to Math Proctor on November 8.

The injunction states that the city illegally condemned the house as a nuisance. It further states that the owners wished to repair the building and had attempted to secure a permit from the city to use the unburned and uninjured material remaining in the building and that the permit had been refused. It goes on to say that the owners still wish to rebuild the house and that if the city is permitted to tear down the house the owners will suffer a loss of \$800 or more. The petition for the owners kept clean and sanitary all the time since the date of the fire and that the party burned house is not a nuisance.

H.H. Britt, President County G.E.A. Explains New Report Cards

To Show Attitudes And Achievements As Well As Grades

Mr. H. H. Britt, president of the Bulloch county unit of the Georgia Education Association announced last week that Bulloch county schools will use a new type of report card.

In speaking of the new report cards Mr. Britt stated that the parents are interested in knowing more than just what their children's grades may be in certain subjects. They are concerned with their children's attitudes and efforts as well. Mr. Britt pointed out that the new report card does not stress grades but does indicate the child's effort and his achievement. The card also requires the teacher to comment on the student's outstanding traits, habits, attitudes, talents, and other characteristics.

The new report card will help the parents understand their children. Mr. Britt stated that the new report card is being tried out in the elementary schools of New York City and that it is being tried out in the Atlanta Journal as follows: "Education is a swiftly changing world, with one innovation following another with such rapidity that parents have ceased to look for any vestiges of 'little red school houses' days in Johnny's training. Discussion of radio instruction and visual aids, aptitude tests and IQ ratings, whiteboards and dental inspections has led grownups to be prepared for almost anything. What that a new kind of report card is being tried out in the elementary schools of New York City therefore, will occasion little surprise. Progressive education was bound to get around to the report card question sooner or later.

Mrs. Edge has been delighted with the interest the people in the county have shown in this worthy cause, and is confident that in Red Cross as in all other undertakings Bulloch county will stand prominently.

An exhibit dealing with the varied uses a one-quarter horsepower portable motor can be put to on the farm proved a popular attraction at the Walker and Chattooga county fairs. The exhibit, supervised by J. L. Calhoun, Extension rural electrification specialist, attracted more than 5,000 visitors at the two fairs.

\$1,023,768.63 PAID BULLOCH COUNTY FARMERS SINCE 1933

Orders For Winter Cover Crops This Year Reach 175,000 Pounds

Subsidy payments on cotton grown in 1937 have been delivered to 1887 work sheet signers in Bulloch county totaling \$1,023,768.63. There are more than 2300 work sheet signers in the county, which will make the total payments under this program amount to more than \$200,000.

The payments received to date brings the total money paid to Bulloch farmers by the Agricultural Adjustment Administration since 1933 to \$1,923,788.63. These farmers have already qualified for some \$300,000 on the 1938 program.

Payments for 1935, when all the farmers were cooperating with the program, amounted to \$262,304.47. In 1936, when the soil conservation program was optional and the farmers did not cooperate as much as possible under the program, the payments were \$160,030.25. The payment dropped to \$100,690.11 in 1937 when it was again optional for the farmers to cooperate.

Entire County Joins In Armistice Day Observance

Capt. C. F. Duffner At Methodist Church On Peace

Statesboro celebrated on Friday November 11th, the twentieth anniversary of the signing of the Armistice with a colorful parade led by Loremen, the fire truck and a police escort.

Other divisions of the parade included the National Guardsmen, the College band, Legionnaires, the Sons of the Legion, Boy Scouts, Girl Scouts, the High School Band, the American Legion Auxiliary, and official cars representing the various civic, fraternal, and cultural clubs in the city. The parade marched through the streets to the martial strains of the bands. The streets were lined with people, the banks, stores and all business houses being closed for the holiday. The parade proceeded to the vacant lot in front of the tobacco warehouses where the National Guardsmen passed in review. From there the crowd gathered at the Methodist Church where Captain C. F. Duffner of the Eighth Infantry, Fort Screven, made the principal address. He emphasized adequate national defense as the best assurance of peace.

At the noon hour ex-service men and their families enjoyed a barbecue dinner at the armory. After dinner the Legion and the Legion Auxiliary had a brief business meeting. At which time committees were appointed to select a suit for a Legion Home and to draw up plans.

R. E. Davis, Extension beef cattle specialist, has recommended to 4-H club members who have borrowed money to purchase calves that they arranged for insurance on the animals so the lending institutions will be protected in the event the calves should die before the notes are paid.

Russell, Jim Gillis of the state highway department, W. L. Miller, chairman of the state highway department and Herman Watson of the state highway department.

United States Senator Walter F. George will make the formal dedication remarks. The formal opening of the bridge will be the cutting of the ribbon to allow the passage of traffic will take place after a barbecue dinner. The barbecue dinner will be served at a cost of 25 cents for each plate. Preparations are being made to take care of one of the largest gatherings ever held in this section of the state.

200 Miles Added To Excelsior REA

J. R. Vaughan, president of the Excelsior Rural Electrification Association of Marion, received a wire from Washington last Friday advising him that an additional mileage of 200 miles had been granted to the Excelsior R. E. A.

This is in addition to the 808 miles already granted and on which work has already begun. This will give the association a total of 508 miles. The additional mileage is to be constructed in Candler, Tattall, Bulloch and Emanuel counties at an additional expense of \$152,000.

Work in engineering and clearing of the right of way was begun a few weeks ago and in a short time the construction of the lines will begin. The latter Association was organized last summer and has shown much speed in getting everything in working order. The offices have been set up in Metter where headquarters are located. The officers in addition to Mr. Vaughan are J. A. Holloway, secretary with Cleo Mills as project superintendent and Mrs. John W. Jones, cashier. Anderson and Trappnel are the attorneys.

AAUW Holds Open Forum At Teachers College December 2

The local branch of the American Association of University Women will sponsor an Open Forum on December 2, according to an announcement made by Miss Kate Houx, chairman of the branch's program committee. The Forum discussion will be held in the lounge of Sanford Hall on the Teachers' College campus at eight o'clock.

"Should America surrender Europe to Hitler?" Will be the topic under discussion. To introduce the question, Mr. Samuel Schiller and Mr. William Florn will give a brief the question. Mr. Schiller will take the affirmative stand of the extreme isolationist, and Mr. Florn, the negative point of view on the internationalist.

The general public is cordially invited to attend this meeting and join in the discussion of the question. A special invitation is issued to all high school students and college students interested in international affairs, and to members of all county organizations.

The forum is being planned and directed by the International Relations Committee of the AAUW of which Miss Elizabeth Donavan is chairman. Other members of the committee are Mrs. Dan Deal, Mrs. Walter Edge, Mrs. C. M. Dearly, local branch president will preside. Mrs. W. S. Hamner, chairman of publicity is working to make this a real community forum. Further plans will be announced later.

According to William B. Parrish of the Department of Commerce the census report shows 14,608 bales of cotton were ginned in Bulloch county from the crop of 1938 prior to November 1, as compared with 22,074 bales for the crop of 1937. This figure is 7,466 bales under last year's production.

Farm Briefs
Civic-minded citizens of Dawson and Terrell county spared no pains to make the annual Southern Peanut Festival an outstanding success. The exhibits, midway, parade and special events were all of a quality not usually found in a comparatively small agricultural community. It took the who's-who of cooperation of a large number of public spirited citizens to stage a week-long show as educational and entertaining as Dawson put on. It would take a lot of type to list them all but in the forefront were County Agent Dallas Spurlock; H. Guy Richey and Ed Stevens, local cotton oil executives; Henry S. Jennings, who sells insurance when he isn't managing the festival; and H. A. Petty, Sr., large-scale farmer, who served as chairman of the agricultural department. Incidentally, this fellow Ed Stevens has what it takes when it comes to putting on a real, old fashioned Southern barbecue.

FIRST GRADE
New class officers have been elected for the second six weeks of the school. They are: president, H. J. Akins; vice president, Tillman Kennedy; secretary, Ilenna Cox. Dorothy Carolyn Riggs was reelected representative.

SECOND GRADE
Sidney Tillman and Carrie Price brought some flowers to school. We planted them. We will watch them grow.

THIRD GRADE
The third grade has been reading and writing stories this week. We are reading all the stories we can and Friday each one is going to tell one of the stories they have read.

SIXTH GRADE
In health we are studying vitamins. We have learned all of the vitamins and what they do for the body. We have made a chart of all the vitamins and what they do for the body.

TENTH GRADE
We are very proud of winning the \$1.00 for having the most mothers at the PTA last Thursday afternoon.

SENIOR CLASS
Our English class is studying journalism. As we have a school paper we set out to learn the duties of each staff member. We are learning to "cover" PTA meetings, chapel programs and etc.

WHAT THE AGRICULTURE BOYS ARE DOING
The Agriculture Boys have just finished painting the room and have started back to studying books. We have enjoyed studying hogs very much. Nearly everybody has a pig or a steer for his project. We are enjoying feeding them very much.

F. F. A. NEWS
The Register F. F. A. Boys have completed painting their class room and it looks a great deal better. The PTA has arranged to buy window shades for the room which will put our room in first class shape.

PLATE LUNCHEON
The Seniors are serving soup or plate luncheons. Every day we serve about eighty pupils. It is a lot of trouble fixing them and having them to the rooms on time. But we have fun doing it. We are keeping our money in the treasury for a senior trip to New York to the Worlds Carnival. We hope to have enough money to carry out our plans.

joyed the hospitality of the Inman Foy at Cabin Bell-Inn last Thursday evening.

The newest organization in Statesboro made its debut lately and they the P. K.'s Unlike the secrecy that shrouds the T. E. T.'s and the J. T. J.'s we have discovered that the initials stand for Parsenage Kids. This group consists of about thirty sons and daughters of Methodist ministers. They recently held a delightful social at Booth's Pond, and what do you suppose they had for supper? You guessed it—fried chicken. Hinton Booth was made president and Mrs. Marvin Pittman was secretary. We may add that Alma Booth and Malva Trussell are official cooks.

Beulah Mae Bank told her maid to throw out some withered flowers. She was carefully dumping them out and Beulah warned her to be careful not to throw out the 'frog' and a terrified maid threw vase and all out of the window.

What Makes a Home?
Aside from family and friends the really inviting home is made by articles of comfort and taste that create an atmosphere of coziness and charm.

Too often a home suffers because income seems limited. It is time to provide the needed things. Here is where the ads in this newspaper help overcome the obstacles. The wide range of suggestions, with remarkably low prices, are a comforting surprise to those who follow our ad pages.

Mr. and Mrs. Roger Holland has as her guests this week her mother, Mrs. J. J. Baker, and her sister and her two daughters, Mrs. Berry Rigdon and Nan and Sara Florence Rigdon, of Tifton.

Blue Devils Battle Millen's Red Raiders Here Friday Night In Season's Thriller-- Both Squads Eyeing Championship Honors

Statesboro Squad Remembers 8-0 Defeat In '37, Seeking Revenge

CHAMPIONSHIP TEAM MAY BE OUTCOME OF BLUE DEVILS BATTLE AGAINST MILLEN'S RED RAIDERS

With every man in first class condition and with the fine weather that has prevailed for the first three days of the week Coach Johnson and his current edition of the Blue Devils of Statesboro High School are heading down for the most important game of the season late Friday night with Millen High School.

The Blue Devils on the other hand are another well coached and well balanced team. They are in the finest physical condition. Coach Johnson is working hard this week to insure that everything will be in shipshape condition for Friday night's encounter.

On one side of the paper it looks as though the Blue Devils are the favorites to win honors Friday night. It is hard to see on the other side of the paper. Early in the season Millen was defeated by Wrightsville on the Wrightsville gridiron. Statesboro (this is where the paper figures) three weeks later, defeated Wrightsville for the first time.

Statesboro has had the toughest schedule of the two teams. Millen has lost only one game and have won the rest. Statesboro has lost one and tied one and won the balance.

Last year Statesboro and Millen met in Millen with the two teams about as evenly matched as any two teams have been and they are about the same way this year. The only difference is that the game will be played in the Blue Devils' own backyard and that will go a long way in deciding the outcome, it is hoped.

For the fans this will probably be the best game of the Blue Devils schedule and it is the last one at home on the regular schedule. It will be a ball game that no one would care to miss. It is going to be a real football contest jammed with excitement and thrills throughout the full four periods.

The game will begin promptly at 8 o'clock on the Statesboro Athletic Association Field Friday night.

S.H.S. Loses To Savannah 12-7

A fourth period comeback by the fighting freshmen from Savannah enabled them to defeat Statesboro High, 12-7, here tonight.

The Baby Jackets marched forty yards in the fourth quarter and from the four yard line drive over for the winning touchdown that turned almost certain defeat into victory for the invaders.

The loss was the first suffered by the Blue Devils of Statesboro High. The Blue Boys dominated the first period, playing the entire period in Savannah's territory and making three first downs to Savannah's one. It was scoresless, however. In the second quarter, the Jackets ruled the roost. Ellis, Havin, and Wood making consistent line gains with Tarrin scoring a touchdown.

In the third quarter, Tillman's long runs and passes from Smith to Barnes and Groover put the ball into the scoring position. Smith's forward to Barnes yielded the score and Barnes bucked the line for the extra point.

River Port Mile Inland Wuhu, Yangtze river port, was originally built a mile inland for protection against pirates.

P. T. A. MEETING The November meeting of the Nevills P. T. A. will be held Thursday afternoon, November 17, at the regular time of meeting. The following program has been arranged:

Devotions; Mrs. E. C. Proctor. Panel Discussion, The School Program, with Supt. H. H. Britt, introducing each speaker and conducting the activity.

1. Character Building, Miss Maude White.

2. Freizee, Handiwork and Its Value, Miss Margaret Sue Pitts.

3. Health, Miss Elma Rmea.

4. Supervised Play, Mrs. E. L. White.

5. Social Science, Mr. James Ratcliff.

CHAPEL PROGRAM On last Wednesday the 5th grade under the supervision of Miss Margaret Lee Brunson presented a very good Armistice program. Hazel DeLoach was mistress of ceremonies.

Don DeLoach gave the history of why we observe Armistice Day, following this number was an "Armistice Acrostic" by nine girls. The song "Armistice" to the tune of America was sung by Howard Cox gave the old favorite, which is always the most appropriate reading for this occasion, "In Flanders Field."

It was announced here Wednesday that Mrs. W. W. Edge of Statesboro and Miss Eunice Lester would visit our school Friday to organize for the Red Cross drive.

Mr. Sanders visited our school last Friday and made pictures. He will make a return trip next Friday.

MISS McLAUGHLIN ATTENDED G.E.A. Through error, Miss Edna MacLaughlin's name was not listed among the ones attending the G.E.A. meeting at SGTC last week. Miss MacLaughlin was present at this annual affair and plans to be for the coming year. We are very sorry this happened, for we feel this was unfair to Miss MacLaughlin and the officials concerned, for it was the duty of each teacher to attend since the holiday was given.

DR. E. N. BROWN AT NEVILLS Today Dr. E. N. Brown and Miss Bailey visited Nevills school to give a dental examination. A large number of students were present for this examination and will be able to participate in the Dental Clinic that will be sponsored by the Health Committee of the Nevills PTA some time in the near future.

Miss Maude White, a member of the Bulloch County Welfare Council, attended the meeting held in the home of Supt. and Mrs. H. P. Womack on Tuesday night. She was accompanied by Miss Margaret Sue Pitts. They were accompanied to town by Misses

Anne Lastinger, Bertha Lee Brunson, Mary Anderson and Mamie Lou Anderson, James Ratcliff, who attended the picture show.

Mrs. W. O. Denmark entertained a group of twenty-five little boys and girls at her home Wednesday afternoon with a Hearts Party. High score prize was won by Miss Eunice Pearl Hendricks and low score by Mrs. John A. Robertson. The hostess was assisted by Miss Amelia Turner, and Miss Isabel Sorrier and Mrs. J. M. McElveen.

Georgians and Carolinians Dedicate Burton's Ferry Bridge

TROY MALLARD 4-H CLUB BOY IS STATE CORN CLUB CHAMP

Troy Mallard, 18 year old Bulloch county 4-H Club boy, has been declared the state corn club champion for 1938.

Mallard will be given a free trip to the National Club Congress and the International Livestock show to be held in Chicago during the first week in December, in recognition for his excellent record.

Troy grew 129.17 bushels of corn on his one acre. Perhaps the most outstanding feature of this high yield is the fact that the corn was grown without an excessive amount of commercial fertilizer. Only 200 pounds of 8-4-4 balanced fertilizer were used under the corn and 300 pounds of nitrate of soda as a side dressing.

Troy used the Whitley's prolific variety of corn for planting seed. The particular acre used in the project has had heavy growth of litter and legumes on it for several years and other humus matter added, such as manure. Hogs and cattle have been fed out on the land from time to time during the winter months.

The Champion, together with other state winners, will leave for Chicago, November 26, and return about December 4. Visits to Detroit and St. Louis have also been arranged for the clubsters.

Young Mallard is the third Bulloch county clubster to win state honors with high yields of corn during the past four years. Willard Ruching and Lloyd Motes won these honors two and three years ago.

Homer S. Durden To Be Here December 3

A farm, church, school program will be held at the Methodist church in Statesboro, Saturday, December 3, at 2:30 p. m. Rev. N. E. Williams announces.

The South Georgia Teachers College chorus, under the direction of Prof. Ronald Neil, will render a musical program.

This will be followed by an address by County School Superintendent H. P. Womack. Following this address Homer S. Durden, AAA administrator for Georgia, will discuss the place of the adjustment programs in the Bulloch county farming business.

President Geo. H. King, Abraham Baldwin College, Tifton, has accepted an invitation to address the gathering.

Mr. King desires that all the Future Farmers of America and 4-H club boys and girls possible to attend the program.

All farmers and home makers and others interested
