# **ELECTRIC LIGHTS** AND WATER WORKS

Statesboro Will Soon Have both

The Mayor and Council, with the Citizens, have agreed to put Statesboro One More Step Forward.

The Mayor and Council held a meeting with the citizens last Friday, and it was agreed by everybody that the town of Statesboro ought to have water works and Electric Lights. The Mayor and Council will grant a franchise for twenty years to the citizens of the town, for this purpose, A corporation will be formed under some name like the

year the town will have the benefit of both light and water. Mr. W. D. Davis already has a good artesian well and has pipes in town, and he will no doubt go into the new

Larger pipes will be laid and sufficient pressure will be given to be beneficial in cases of fires in town. The citizens will have the advantages of good water at a low rate; and electric lights will be a big improvement over kerosene

enough, and will be one more forward step in making Statesboro the best town in all this section. Every citizen of the town will have the chance to take

stock in the enterprise and it will be a home institution.

Statesboro will then begin to look like a city sure
