SCS Officials Plan To Execute A Blitzkrieg On Bald Weevil Army

Effective Oct. 1, 1990, all F.S. officers are authorized to use 12-gauge shotguns of any type, and they are encouraged to do so in the fight against the bald weevil. This policy was approved at the recent annual meeting of the S.C. State Board of Agriculture. Another effective date is March 1, 1991, when the 30-caliber M-1 Carbine will be prohibited for the use of all F.S. officers.
