and Drive of a Lifetime?

WE WISH YOU HAPPINESS IN YOUR CHRISTMAS SEASON!

LANNIE F. SIMMONS

NORTH MAIN STREET

STATESBORO, GA.
OUTLOOK:

In the first week of December, the outlook for the region looked promising. There was a slight chance of rain, but overall, the weather was expected to be mild. This was good news for the farmers, who were preparing for the upcoming planting season.

DEATHS:

Several members of the community passed away this week. Mrs. Mary Johnson, a long-time resident of the area, was remembered for her kind heart and community involvement. She was a leader in the local garden club and was always willing to lend a helping hand.

Christmas Workers Need Security Cards:

As the holiday season approached, workers in the area were reminded to have their security cards ready for the holiday rush. This was especially important for those who worked in retail, as it helped to ensure a safe and secure environment for both employees and customers.

SOCIETY:

The local chapter of the Women's Club held its annual volunteer appreciation luncheon this week. Members were recognized for their hard work and dedication to the community. Future events were also announced, including a winter concert and a spring benefiting gala.

TAX NOTICE:

Just a few more days until December 31st. Due to the fact that the county and schools have suffered a great loss with the Homestead Exemption, it is very important that the taxes are collected so they may be able to meet their obligations.

Who pays the Taxes in Georgia?

The person pays the taxes—by every property owner and every person who pays rent. If you are here temporarily, you pay the taxes on your property. It is an accurate measure of the value of your property and helps to support our schools and local government.
