Blue Devils Bow Before Wrightsville, 6-0, Friday Afternoon To StopWinning Streak at Six

Barney Shelnutt
Still Missing

Barney Shelnutt, in a game that the Stateline Blue Devils
were expected to win, was held in check by Wrightsville's
defensive team. Shelnutt, who is known for his speed and
agility, could not find a way to get past the Wrightsville
defenders. Wrightsville's defense was solid, holding the
Blue Devils to just six points. This was a significant victory
for Wrightsville, who had been struggling to win games this
season. The Blue Devils will face their next challenge in a
matchup against the rival team, the Stateline Eagles, later
this week.

SOCIETY

This week's society column is full of interesting news
about our local social events. The Junior Class of
Brooks High School held a dance at the Brooks City
 Auditorium. The event was well-attended, with many
students showing off their best dance moves. The
dance was a huge success, and everyone had a great
time.
