Red Cross Expands Services Says Chairman

"America's national defense efforts require a joint effort of all Americans," Red Cross chairman said. "This effort will mean a greater cooperation of all Americans to achieve the goal of national defense." 

The chairman added that the Red Cross has been working hard to ensure that everyone is aware of the benefits of their services. 

There is a Big Demand for

HOGS and CATTLE

In some of the states, the demand for hogs and cattle is very high. Many farmers are having difficulty finding enough animals to meet the demand. 

A visitor to the Bulloch Stock Yard said: "The demand for hogs and cattle is overwhelming. Many farmers are having a hard time finding enough animals to meet the demand."

Bulloch Stock Yard

Mr. Lee McRae, manager of the Bulloch Stock Yard, said: "We have received a large number of inquiries about the demand for hogs and cattle. Many farmers are having trouble finding enough animals to meet the demand."

The manager added that the yard is doing its best to meet the demand, but it is a difficult task. 

There are a number of factors that contribute to the high demand for hogs and cattle, including the increase in the meat consumption, the rise in the price of meat, and the changes in the farming practices.
