# Statesboro PCA to Meet Here January 20th

J. E. Hodgese, president of the Statesboro Production Credit as-sociation, announced this week the annual meeting of that organiza-tion to be held here Tuesday, Jan. 20, 1942. The meeting will be held in the county courthouse beginning

at 2 p.m.

Mr. Hodges stated that this is the eighth annual meeting and plans are being made to make it the best meeting in the history of the organization. A complete and detailed report on the operation of the association for the past year will be submitted by the officers and plans for further developing the service which the farmoping the service which the farmers' co-operative has to offer will be discussed.

At the meeting two directors will be elected and other business will be transacted, said Mr.

The association made loans in 1941 totaling \$199,000 to its members for production and general agricultural purposes.

To encourage a large attendance, Mr. Hodges stated that four valuable awards will be made at the meeting.

# BULLOCH COUNTY GINS 11,388 BALES OF COTTON TO DEC. 18

According to a report of the department of commerce, bureau of the census, Washington, D. C., Bulloch county had ginned 11,388 bales of cotton of the 1941 crop. This is 8,683 bales less than the 20,071 bales ginned of the crop of 1940.

# Defense Head Urges Sale of Scrap Iron

The growing needs of a nation at war have served to intensify the demand for scrap iron and steel to feed the hungry mouths of arms factories, W. A. Hodges, chairman of the Bulloch county USDA defense board, declared this week.

week.

Mr. Hodges directed an urgent appeal to the public, particularly the farmers of Bulloch county, to gather up all available scrap iron and steel and carry it immediate-ly to the nearest scrap dealer for use in charging the nation's steel

furnaces.

A list of scrap dealers is on file in the local agricultural conservation association office and may be consulted upon request, he said.

"We're not asking people to give their scrap metal to the country," he said. "We ask only that they sell it, at prevailing prices, and thus make it available at once for the great defense effort. There's no time to lose."

Mr. Hodges explained that pri-

no time to lose."

Mr. Hodges explained that prices for scrap vary in different sections, and that dealers have been authorized to deduct the cost of transporting scrap from the shipping point to the basing point, as well as the cost of compressing it into bales. The financial return to persons collecting scrap metal, he said, cannot be expected to be large, but the results will be of untold value to farmers and to the whole victory effort.

"It's not merely a matter of pa triotism," Mr. Hodges declared, "but a matter of duty. It's time for every person, whether in city or on the farm, to take his or her or on the farm, to take his or her post on the home front. We're in this thing to win, and if victory is to be assured, every shoulder will have to be at the wheel. The col-lection and sale of scrap iron and el is only one of the thousands of ways we can help to lick the Japs, the Nazis and the Fascists"

## EMERGENCY CROP, FEED LOANS NOW AVAILABLE

Emergency crop and feed loans for 1942 are now available to Emergency crop and feed loans for 1942 are now available to farmers in Bulloch county, and applications for these loans are now being received at 202 West Main street, Statesboro, Ga., by F. C. Parker, field supervisor, of the emergency crop and feed loan section of the Farm Credit Administration.

These loans will be made as in the past to farmers whose cash requirements are relatively small and who are unable to obtain from other sources including production credit associations amounts sufficient to meet their

The loans will be made to meet the applicant's cash needs in preparing for and producing his crops or in purchasing or producing feed for his live stock. Mr. Parker pointed out that eligible farmers desiring to do so might apply now for loans to take care of their pro-duction needs for the entire 1942 season. Interest at the rate of per cent. will be charged only dur-ing the period the borrower actu-ally has the use of the funds. Farmers who obtain loans for

With Bulloch county's Red Cross wartime quota of \$2,500 only half subscribed, the local chapter directors are renewing their appeal.

Allen Lanier, disaster chairman, in charge of raising the quota, stated this week "we need your help to raise our quota of \$2,500. Will we fail our boys?" He pointed out that many who intended to make a contribution were waiting for someone to come to them to for someone to come to them to take the subscription. He added that this was not necessary; that checks could be sent to C. B. Mc-Allister, Charles E, Cone, to himself or any county school superin-
