Anderson and Mr. T. M. Bennett Burn Down,

About 9 o'elock on Saturday morning Statesboro had its first fire for a considerable period of time. The ffre broke out in the residence of Mr. Julian Anderson on College street, and in a few minutes was a mass of flames. Some one sent a telephone message up town and shortly a large crowd was on hand and proceeded to fight the fire with a vim, but the residence next to Mr. Anderson, occupied by Mr. Bennett, and belonging to Mr. John Martin soon caught, and it also went up in smoke. The fire fighters then gave their attention to the other nearby dwellings and succeeded after hard work in saving them.

The citizens worked like heroes, and saved many dwellings from the fiery scourge. Several of our colored citizens were present and rendered valuable assistance. Mr. Anderson had \$600, insur-

ance on his house, and Mr. Martin \$800, on his. A Good deal of the furniture was saved from both dwellings. The fire probably started from a defective flue. The parties we learn will pro-

ceed to rebuild at an early day. Mr. Anderson seems to be pursued by fire, as only a year or two were destroyed in the same way.

Confederate Veterans Reunion, Thursday, July 2.

Big Basket Picnic In Statesboro On That Occasion.

In accordance with a resolution adopted by the Confederate Veterans of Bulloch county, a Re-union will be held in Satesboro on Thursday, July 2. The committee having the matter in charge, have decided, that the occasion will be in the nature of a basket picnic. No free barbecue will be given, but every veteran and citizen who comes is expected to bring with him a well filled basket. If all do this, a good dinner will be in reach of every visitor.

Free lemonade will be dispensed to the veterans. A brass band will be on hand to furnish music for the occasion. Prominent speakers have been invited to deliver addresses. Remember the day, and remember that each citizen is expected to help make the day a great success.

With the Leaders

Behind every fact lies a reason. When there are a multitude of shoes for women trying to be sold and one shoe far surpasses all others in volume of sales, there is a reason for it.

This one shoe is "QUEEN QUALITY." Its sales are more tran double the sales of any other woman's shoes. It can't be because of price. Since it cost no less, it is simply a Triumph of

Two Interesing Games Pulled Off Between Statesboro and the Y. M. C. A: of Savannah.

Score Stood 8 to 6 in Favor of Statesboro in Both Games.

Two of the most interesting ball games witnessed in Statesboro were played on the Statesboro diamond Wednesday and yesterday afternoons. The Y. M. C. A. Club, of Savannah, came up on Wednes av morning and played both afternoons with the Statesboro boys; Dr.W. Mell and Mr. O. T. Bishop of Swainsboro playing with Statesboro in Loth games.

Every inch was contested from start to finish, and few errors were made by either side. The visitors were the guests of the Statesboro am at Hotel Jackel, as was the gentlemen from Swainsboro at the Cummings House. Dr. Donehoo umpired both games and gave satisfaction to both sides. The best of feeling prevailed and the visitors were given an all round good time, they had a pic nic in everything except the game. The two teams were well matched and in neither game could the zesuit be forecasted until the last man was fanned out.

The Y. M. C. A. Nine is composed of a set of all around gentlemen and Statesboro was glad to have them with us, As a token of the high esteem in which our visitors were held, thier colors were worn by a lot of Statesboro young ladies, and the good plays were applauded by the Statesboro spectators.

It is a little singular that both games should have ended in the same score: 8 to 6 in faver of Statesboro. The Savannah boys remained over and returned home on the Savannah & Statesboro Railway this morning. They expressed

themselves as highly pleased with the trip to our town. It is expected that some time within the next two or three and Queen, about as easy as the weeks the Statesboro team will go down to Savannah and play

REASONS WHY.

Why you should insure in the NATIONAL LIFE OF THE U.S A.

BECAUSE it is the only National Life Insurance Company incorporated by Congress.
BECAUSE it has \$1,000,000,000 Capital Stock all paid in.

BECAUSE it is 34 years old and never contested a just claim. BECAUSE its premium rates are low, and guarantees high.

BECAUSE it will sell you a policy with every figure warranted. BECAUSE it has a larger percentage of Surplus than any other leading company.

BECAUSE it has more Assets in proportion to its outstanding insurance than any other leading company.

BECAUSE it has more surplus in proportion to its insurance liability than any other leading company in the world, which means that the Stockholders put up more money to guarantee the payment of its claims than any other leading company. BECAUSE it sells you a policy that guarantees to be paid up in full in 15 years for a less annual premium than some companies charge for a 20 Pay Policy.

Why Agents Should Represent The

NATIONAL LIFE OF THE U. S. of A. BECAUSE its managers belong to no association or compact, and are at liberty to and do

pay better commissions than any other leading companies doing business in BECAUSE its managers pay the same commission on all kinds of policies. They do not reduce the commission on Stock rate and cheap insurance in order to force the

agent to sell to the people the higher priced policies. BECAUSE the Company has just begun to develop the Southern territory, and furnishes better chances for promotion than a company already established.

BECAUSE our policies absolutely guarantee the resulrs, and are sold at prices that come within the reach of all. If you want to know more "reasons why" you should take a Policy or an Agency, Address,

Attention Veterans.

The committee in charge of the Confederate Veterans' reunion to be held at Statesboro on July 2nd, having decided in favor of a basket picnic, we trust that all the veterans of the county, and their friends, will unite with the people of Statesboro in helping to make the day a success. If all will help, it

We hope to have Gov. Terrell and ex-Gov. Candler both present on that day. The ranks of the veterans are being thinned every year, and only a few are now left as survivors of the great struggle. We feel that it is the duty of the people to unite, to help make this re-union a grand success, in perpetuating the memories of our comrades.

Statesboro has endeavored to do her full share. J. S. Cone, Capt, Comnd'g.
