A Cure For Eczema

My baby had eczema so bad that its head was a solid mass of scabs, and its hair all came out. I tried many remedies but none seemed to do any permanet good until I used DeWitt's Witch Hazel Salve. The eczema is cured, the scabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt'sWitch Hazel Salve.
