Hearst Says No Bolt.

Washington, May 14-W. R. Hearst will support the nominee vention, whoever he may be. He today authorized The Washington Post to make this statement unequivocally.

He ridiculed a story sent from

Albany that he and Mr. Bryan, Arthur Brisbine, Weaver of Iowa. and others were planning a huge bolt and the formation of a new party. He said he had been making his fight for the nomination in the name of progressive democracy, but his fight had been within party lines and would continue to be so. Whatever the result, he intended personally and through his newspapers to support the regular ticket.

"I am for the St. Louis nomi-" said Mr. Hearst to The Post.
