STATESBORO – Georgia Southern sophomore student-athletes participated in a finance seminar, Banking 102, presented by Core Credit Union, Monday at Nessmith-Lane. The event is part of the Eagles in Transition/Life Beyond Sport Program.

Core Credit Union Community Events Manager Julie Morrison and Business Development Manager Wes Wilkes spoke to the student-athletes about credit management and the impact of interest rates on credit cards and car loans.

"It was another great Life Beyond Sport Event tonight," said [Gleen Hart](#), senior associate athletics director for student-athlete development. "Thank you to Core Credit Union for presenting tonight and helping our student athletes build a sound financial future"

GS student-athletes attend a series of four financial seminars – once each year – that cover a variety of financial topics as they progress through college.

The Eagles in Transition/Life Beyond Sport Program focuses on the holistic development of Eagle student-athletes through professional, personal, leadership development, financial education and community service.

Next up on the docket is a resume workshop for sophomore student-athletes Feb. 11, at 7 p.m. in the Williams Center.
