Dwelling Burned.
On last Friday the dwelling of Mr. Vanderbilt Lanier, living a few miles west of Statesboro, was destroyed by fire. Mr. Lanier was burning trash near the house and the wind was blowing a high gale. The house caught fire and burned before the flames could be extinguished. The building was a new one and had just been completed, the trash that was being burned was that left by the workmen. There was no insurance on the building.

J. L. Finger Hits out when Told to Do So by Col. Dillingham

Arm Had Been Useless a Few Minutes Before.

To say that Col. Dillingham's Plant Juice Remedies are creating excitement in this section, and are upholding their reputation as a wonder in more ways than one, is stating it mildly.

Col. Dillingham's Plant Juice the medicine which has made Col. Dillingham the large fortune which he now possesses, and which he is introducing in this state, is being sold at an enormous rate. It is sold by the druggist with the understanding that at the end of three days, if anyone who buys is not satisfied, he is to bring the bottle back and his money will be refunded.

Mr. Finger whose arm was restored to use of Dillingham's Plant Juice in such a short time, purchased one bottle of this great new remedy, and came yesterday to tell Col. Dillingham what it had done for him. He said: "For the past eight months I have been unable to sleep, my paralysis being brought on by a blow on the head, which destroyed my nerves that insomnia was the result. I took three doses of this Plant Juice medicine and obtained the first sound healthy night's rest I have had for months. I feel better already."

Among others who were benefited by Plant Juice Remedies are the following:
Dr. H. Y. Tonell of Albany had been deaf for a number of years. He was made to hear at a distance of 60 feet in a short time. R. R. Sawright had a paralyzed arm for two years. His arm was restored to him after two applications.
Bunk Partin, a man who had been deaf for twenty years, was made to hear distinctly by two applications.
Another laughable occurrence took place during Col. Dillingham's advertising campaign.
J. L. Finger had a paralyzed arm for a number of months. He came to the platform and told Col. Dillingham that he did not think he could benefit him. Dillingham smiled and announced to the audience what had been said, and then, after having the sleeve rolled up, and exposing the useless members, started his treatment. The arm had been hanging limply at the side, of little use to its owner, when he came to the platform, and in about three minutes Col. Dillingham stepped back and requested Mr. Finger to rise from his seat. He did so, and Col. Dillingham said: "Let's see you hit me." The instructions were followed so literally that Col. Dillingham received a blow which staggered him. A smile of intense surprise and delight overpowered the face of the man who but a moment before could hardly have raised the arm with which he dealt the blow, and the audience was carried off their feet with enthusiasm and cheered Dillingham again and again. Mr. Finger insisted upon shaking hands with Col. Dillingham with that arm that had a short time before been useless.
Mr. Finger had had a paralyzed arm for two years; and was able to use it once more after he had treated it with less than one bottle of Plant Juice Liniment.
Last week Mr. Whipple held up his right arm and said: "I have come here to tell you about this wonderful liniment and what it has done for me. I have had rheumatism in my arm for the past year so badly that I could not raise it. I obtained a bottle of Dillingham's Plant Juice Liniment, and taking it home used it three or four times. This morning to my amazement, I could raise my arm above my head, as you see me now. I wish to make this announcement before all these people, and will tell anyone who calls that this is the truth."

A Good Meeting.
An interesting and profitable meeting closed Monday night, 2d inst., at Eureka church, conducted by Rev. A. B. Crumpler, an evangelist, of Clinton, N. C., who did the preaching during the entire ten days. Many members who had fallen were reclaimed and some who had never been converted professed conversion during the meeting. In fact, almost the entire community was moved to some extent. Of course, there are some cases in every community that are never reached on such occasions. Jesus Christ, himself, failed to convince many of his hearers of the necessity of repentance toward God and faith in Him.

Mr. Crumpler, accompanied by the pastor, went from here to Pleasant Hill church, where they are conducting a ten days meeting beginning last Thursday, and it is hoped that much good will be accomplished there also. There are some things preached these days that do not meet the approval of some of us, but let us accept the good and be benefited thereby.

Rev. I. K. Chambers, the former pastor, did good work on the past Tuesday, bringing in a number of new converts, and the good seed that he sowed is being reaped by other laborers, and if the people will cooperate with the present pastor, much good will be accomplished during the present year. So mote it be.

Mr. C. C. Woodcock Gives Views on Taxation
To the public:
The law fixes the basis for the return of property for taxation, and says that each man must give in his property at its actual market value. If everyone would do this, our taxes would be far more uniform than at present.

The conscientious man who gives in his property at its value rather than pre-judge himself by making a false return, bears an unjust burden of the taxation. The large land owner with his hundreds of acres often gives in his land at far below the actual price it would bring on the market. This is not fair and is not just. It is the duty of the tax receiver to do all in his power to prevent such inequality and unfairness, and the law places in his hands the means to lessen this evil, if not to wholly prevent it.

The tax receiver who is bold enough and strong enough to refuse to accept the returns of property that, in his judgement, are too low, can go far towards remedying this prevalent evil, and as I am in the race for receiver, I pledge myself to all the citizens of the county, high and low alike without respect to wealth or social standing and without favoritism, to carry out the law to the best of my ability if I am elected to this office. If I should be elected and any man offers his return to me at a price below what I think his property is worth, I pledge myself to refuse his return. I further pledge myself to cause each tax-payer to take an actual oath on his return of property.

I don't know whether this policy will meet with popular favor, but with such a platform, whether the people vote for me or against me, my conscience will be clear. I believe that the law should be enforced, and I know that if enforced there will be more uniformity and less tax-dodging, a lower tax rate, and the general results will be beneficial to all the people, collectively and individually.

Show Left Town
The Katie Williams Comedy Co. left the city on yesterday about the worst whipped and disgruntled aggregation that that, perhaps, ever shook the dust of Statesboro from their feet.

The show was up against it, for the reason that a big revival was in progress at the Methodist church, some sickness and a death and two marriages in the city during the week, all of which operated against the show. It is said by those who attended that there was a good one of its class. There was a wonderful bulk of patronage the first night and this condition grew worse until it became unbearable. The manager stated that this was his last trip here.

Col. J. A. Brannen addressed the voters of Tattnall at Reidsville on Monday. The correspondent of the Savannah Morning News from Reidsville says that the crowd was with Brannen almost to a man and that his friends say he will carry the county almost solidly.

School Commissioner Merritt Coming.
All white teachers are requested to be in Statesboro Monday, April 23rd. The State school commissioner, Hon. W. B. Merritt, will be here on that day. He will speak during the noon recess in the court room.

Mr. Howell Will Be Here.
In a previous issue of this paper we stated that in all probability Hon. Clark Howell would address the voters of Bulloch on Monday, April 23rd. We are in receipt of a letter from Mr. Howell stating that he will be here that day. Arrangements for his reception and entertainment while in the city will be announced in Tuesday's paper. Mr. Howell is one of Georgia's most prominent men, and a fine speaker; he appeals to the best that is in a man and not to his petty prejudices. He takes the position that the State of Georgia is the Empire State of the South in name and in fact and that the wall of the man who is trying to array a class of citizens against all those who have administered the affairs of this state during the past twenty-five years is the wall of the demagogue, whose only hope and purpose is to catch a sufficient number of suckers on which to slip into office, and there are hundreds of the best people in Bulloch who agree with Mr. Howell along that line.

Mrs. Wilson Passed Away.
On Wednesday afternoon, at 6 o'clock the spirit of Mrs. Julia Wilson, wife of Mr. J. W. Wilson, passed peacefully into the Great Hereafter. Mrs. Wilson had been a sufferer for several years and her death had been daily expected for the past week or ten days. The funeral was held from the Methodist church, of which she had been a consistent member for nearly all her life, on yesterday afternoon at three o'clock. The services were conducted by Rev. G. G. N. MacDonnell, the pastor, in the presence of a large congregation of sorrowing friends and relatives. The interment was made in the family lot in East Side cemetery.

The deceased leaves a wide circle of friends and relatives to mourn her departure. She was the daughter of the late Capt. W. D. Brannen, had been married twice, first to Mr. F. P. Lee, who was murdered by a negro boy two miles this side of Savannah, several years ago. She leaves four sons by her first husband, viz: Col. A. F. Lee, of Swainsboro; Mr. C. C. Lee of Stanford, Conn.; Mr. F. B. Lee now in Mexico, and Mr. H. W. Lee of this city, and one daughter, viz: Messrs. A. F. and H. W. Lee. Mr. C. C. Lee arrived from the North in time for the funeral, but the son in Mexico failed to get here.

She leaves a daughter, Miss Della, by her last husband. There, perhaps, was no woman more universally loved in Statesboro and Bulloch than was Mrs. Julia Wilson.

Two of her sons were at her bedside at the time of her death, viz: Messrs. A. F. and H. W. Lee. Mr. C. C. Lee arrived from the North in time for the funeral, but the son in Mexico failed to get here.

Col. Saffold in Town.

Hon. F. H. Saffold, of Swainsboro, candidate for judge of the Middle circuit, was in town one day this week shaking hands with his many friends in this section.

Col. Saffold is making a warm race for the judgeship and his visit here seemed to stir the boys up in his interest. He has a warm support from many of our people, partly on account of the fact that he is one of the best lawyers of the Middle circuit and qualified in every respect for the high office to which he aspires, and together with the fact that he hails from the good old county of Emanuel, our neighbor and friend. If there is any set of people that are near kin it is the people of Bulloch and Emanuel; they are united in many ways, and their interest is practically one and the same. Sometimes we almost forget that we are even divided by a county line.

Col. Saffold has back of him the active support of his county, a Saffold club of more than a thousand members having been formed to work in this interest at his home. Col. Saffold is a general, warm-hearted man who makes friends wherever he goes, and if he meets and mingles with our people we predict that he will not be ashamed of the vote as accorded to him in the county of Bulloch. Col. Saffold says that he expects to make a house to house canvass of the county and hopes to meet our people face to face.

Negro Brute Struck a Girl.
New York, April 20.—Infuriated by a brutal assault by a negro to-night on Miss Isabel Oliver, a resident of Alabama, passengers on a Ninth avenue elevated train made a desperate attempt to lynch the negro, who was only rescued when a policeman fought his way into the car and held the crowd at bay with his revolver.

Miss Oliver was holding to a strap in the center of the car when the negro lurched against her and on her requesting him to be more careful, struck her in the face, splitting her nose, blackening both her eyes and knocking her down.

Instantly fifty men rushed on the negro, raining blows on him and shouting, "Lynch him." The negro managed to defend himself until a station was reached, when a policeman boarded the car and after a hard fight dragged his prisoner out. The negro was taken to the station house followed by a mob of several hundred men, who were only held back by the pistols of the policemen.

In the station house, Miss Oliver sprang at the prisoner and attempted to stab him with a hat pin, but was held and disarmed by a policeman.

The prisoner was a West Indian negro who gave the name of Albert Trott.

Anderson—Akins
On Wednesday night, at the residence of Rev. T. J. Cobb on South Main street, Mr. Matthew Akins and Miss Emma Anderson were united in marriage. Rev. Mr. Cobb officiating. The young couple have been sweethearts for several months and their marriage is no surprise to those who had known them intimately. They both enjoy a wide circle of friends and admirers in Statesboro and the county.

HOUSE AND LOT FOR SALE.
On last Saturday Mrs. Eliza Johnson passed away at the home of her son, Mr. James Johnson, at Sandersville. The deceased had been confined to a sick bed for several weeks and her death was not unexpected. Mrs. Johnson will be remembered by hundreds of her friends in Statesboro, where she lived for several years. She was the mother of Mr. W. B. Johnson of this city. The funeral and interment was made at Sandersville.

We regret to learn that Mr. W. R. Newton, Sr., of the 48th district, fell from a ladder left a few days ago and was seriously hurt. No bones were broken, however.

Should be Regulated.

If there is one corporation in Georgia that is really stinking for regulation it is the Western Union Telegraph company.

They care about as little as to whether they perform their duties to their patrons as it is possible for a big monopoly to do. If we were in a big hurry to get a message through and there were only two remedies open to us, and the distance not being over a hundred miles, one remedy to use the telegraph wire, and the other to walk and carry it, we say if it were necessary for the message to get there by the quickest route, of course we would go and carry it.

As an instance of their service to their patrons, we will quote you a circumstance. On last Friday night, at 9 o'clock, Mr. J. E. Johnson, of Sandersville, sent a Western Union message to his brother, Mr. W. B. Johnson, of Statesboro, telling him their mother had died and would be buried next day. In order to reach Sandersville in time for the funeral of his mother Mr. Johnson would have to get the telegram by 8 o'clock next morning so that he could catch the Central railway morning train, this being eleven hours after the message had actually left Sandersville, but instead of getting it at that time it was delivered to him at 2 o'clock the following afternoon, just seventeen hours after it left Sandersville.

Now, we are informed that the main trouble for all these delays—and they are numerous—is the fact that those messages go to the main office in Savannah and have to be relayed; that is to say, the operator down there takes them and repeats them over the line to Statesboro. The process of relaying down there seems to be rather slow and needs regulating pretty badly.

In the case of Mr. Johnson he has a good case for damages against the company, and he would be doing the public a favor by pushing it. They charge a fee for a prompt service and they should be made to perform it.

IN MEMORIAM.

Mrs. ELIZABETH JONES

Passed quietly away on the 15th day of February, 1906, after a short illness, leaving seven children and a host of friends to mourn her loss. She was peacefully laid to rest in Macedonia cemetery, and we hope and trust that she is at rest.

It is hard to give her up but we must only hope that she is basking in the sunshine of God's eternal love. God knows best and makes no mistakes, and some sweet day we will know why he takes from us those that we love so dearly.

Dearest friend, we miss thee with an aching heart. But in heav'n we hope to meet thee, when from earth we have to part.

It is useless to grieve, for we cannot call her back, but we should rather rejoice that she was so dear to us, and know that all her sufferings are over on this earth, while we are left here to mourn and try to meet her in that better world above.

A friend.

METTER

One of the biggest cotton deals that was ever made in our town was that last Wednesday, when the Metter Trading Co. bought the entire crop of Mr. J. T. Trappell, consisting of fifty six bales, at an average of 19 1/2 cents, yielding something over \$4,000.00.

Mr. T. J. Collins lost his wife last Monday after only a few hours illness.

Our new postoffice is nearing completion. When completed it will be much more comfortable and convenient than the present one.

The three cottage residences of Mr. John Turner's will soon be ready for occupancy.

Miss Marie Sawyer of Johnson, S. C., has accepted the place in school as elocution teacher.
