These goods are all new, having bought them in person in Baltimore and New York, many of them having been manufactured to my order. Owing to the delay in the completion of my building I will be forced to place most of this new and pretty line of fall and winter goods on the market at a sacrifice. It includes all the latest in dry goods, dress goods, hats, caps, shoes, etc. Full line of hardware and stoves, harness, etc. Groceries of all kinds, in fact everything needed by the farmer.
