STATESBORO – Senior Georgia Southern men's tennis player [Santiago Suarez](#) is entering his final year of competition in 2020 but is taking great strides to prepare for his future after his athletic career.

The Puebla, Mexico native is a logistics and supply chain management major and is a member of the Parker Business Scholars' Program. His team also won first place at the 2019 IANA conference student case competition in Long Beach, California.

Suarez has more on the horizon as well. His case study team has been invited to participate in the regional round of the 2020 ASCM Case Competition in Feb. He will travel with his LOGT 4830 class to California over the winter break to tour and meet with 12 major corporations including Google.

Last season, Suarez finished 8-4 in singles action and had a six-match winning streak from Feb. 25 to Apr. 7. Also in 2019, he was named to the ITA All-Academic Team.
