Indigestion Stomach trouble is not a symptom of, and is itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that sweet and fever to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishment would ever be had. For stomach distress, bloating, biliousness, bad breath and all other complications, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
