## DEMOCRATIC PARTY REMAINS IN POWER

Wilson and Marshall Again Elected

## LABOR VOTE COUNTED

Biggest Fight For Votes Was Waged in New York, Ohio, Indiana and Illinois—Weather Fine and Full Vote Was Brought Out

Woodrow Wilson and Thomas R. Marshall have been elected President and Vice-President, respectively, of the United States. Although it will be several days before all the returns are in, enough is known to make it practically certain that neither figure will not materially change the result.

WOODROW WILSON  
THOMAS R. MARSHALL

sound basis for this claim when the election returns from Maine and the primary results in New York state were studied.

Wilson's Personal Popularity. But, as has often happened before, the political vicissitudes evidently did not figure on the personal popularity of the candidate. This personal popularity, political prophecies today were declaring, was probably brought about by the fact that the country is at peace, and the voters evidently gave the president credit for the other factor that brought about the election of Mr. Wilson.

## MARYLAND DEMOCRATIC.

Gives 6,000 Wilson Plurality—Baltimore Remains

The Democrats claimed Maryland for Wilson by 6,000 plurality. The race between Francis Pickens, Republican, and Charles D. Bayne, Democrat, was close. Dr. Bayne was elected in Baltimore city of 5,000, while Pickens was slightly ahead in the country precincts.

Democrats elected four congressmen and Republicans, two; a Republican was elected in the Senate.

Prohibition was defeated in Baltimore city by more than 40,000 votes. Returns from Allegheny county (Pennsylvania) indicated the defeat of prohibition. Returns from Washington county (Maryland) showed a dry victory. Annapolis voted wet. Hayne was elected.

The Baltimore Sun (Democrat) conceded the election of Dr. Joseph Bayne, Republican, as United States senator.

## OATH OF OFFICE.

Next President Won't Take Same on March 4th.

The choice of the American people would, according to custom, take the oath of office March 4, 1917, that day comes on Sunday and Washington is in a holiday mood.

The inauguration ceremony will be held on March 4 or 5.

One investigator learned from the fact that the inauguration ceremony will be held on March 4 or 5.

Dr. Bayne was elected in Baltimore city of 5,000, while Pickens was slightly ahead in the country precincts.

Democrats elected four congressmen and Republicans, two; a Republican was elected in the Senate.

Prohibition was defeated in Baltimore city by more than 40,000 votes. Returns from Allegheny county (Pennsylvania) indicated the defeat of prohibition. Returns from Washington county (Maryland) showed a dry victory. Annapolis voted wet. Hayne was elected.

Mr. Wilson's vote was 2,280,018. Taft's 1,484,886 and Roosevelt's 1,118,507.

In the campaign just ended, however, there were cross currents that never before had been encountered, problems that never have arisen.

Some of these related to the exact vote value of the Progressive party, the Socialist vote to the Democrats; the effect of the "peace and prosperity" policy and the record of the Wilson administration; of the influence of the Republican criticism of the League of Nations and the international undertakings of the Democratic administration; of the extent of dissatisfaction with the alleged control of the government by the southern states.

Claims and Counter-Claims. Republican forecasters gave out assurances that all these things would work out to their particular advantage, while the Democrats made the opposite claim.

The big fight by both parties was waged in what was claimed to be the four doubtful states of Indiana, New York, Ohio and Illinois. The total electoral votes of these states is 113. New York and Indiana particularly were made battlefields.

There is an old saying of national elections that "as goes New York so goes the nation," and the early returns from the Empire State were closely watched.

Never in the history of national elections was so much interest shown in the result. The Democratic party realized that it had to fight for its very existence, while the supporters of Mr. Hughes were sanguine up to the last minute. Immediately after the result was definitely known there was a deluge of congratulatory letters from Mr. Wilson and Mr. Marshall. Both remained up late to get the returns.

Chairmen of both national committees claimed handsome majorities in the electoral college for their candidate, but the actual figures made good the claims of neither. They did, however, show a steady trend toward President Wilson.

As the result of the election was about the most remarkable thing about the election was the sudden whipping out of the Hughes majorities piled up in the east by the returns coming in from the west.

When the Republican landslide in New York became known and was quickly followed in New England, there was a veritable stampede to announce the election of Mr. Hughes and the defeat of President Wilson.

As every hour saw the victory melting down it became clear that the president was not to be defeated.

## THE STATESBORO NEWS, STATESBORO, GA.

GEORGIA 78,000.

Big Wilson Majority and Large Vote For Dorsey.

Reports from all parts of Georgia show the election of the entire state and congressional Democratic totals and a Wilson majority of from fifty to seventy thousand.

Hugh Dorsey received a majority for governor and the returns indicate that he has carried practically every county in the commonwealth.

There was little or no election excitement anywhere in the state, the interest centering on the national result. In spite of the favorable weather conditions, the vote does not appear to have been an unusually heavy one.

While no detailed reports were available, most of the counties making no effort to send in complete returns, it is confidently believed that all five of the constitutional amendments were ratified by substantial majorities.

It is confidently expected that President Wilson's majority in the state will exceed that of four years ago, making a very creditable showing in the charge of the Democratic campaign in the state.

In only two of the congressional districts did the Democratic nominees have serious opposition, the seventh and the ninth, and returns indicate the triumph of re-election of the congressmen in these districts, Gordon Lee and Tom Bell. The Republican candidate in the ninth, J. C. Adams, seems to have carried only two of the counties in the district, even Pickens, which frequently goes Republican, having been carried by Bell.

Candidates Vote.

Hughes Ballot Proved to Be Number 1.

President Wilson voted at Princeton, casting his ballot shortly after 8 o'clock. He motored over to Shadow Lawn, which he left soon after 7 o'clock.

The president cast the fifth ballot in his precinct. He voted in the fire engine house where from the time he became connected with Princeton university he has resided.

Because of the length of the ballot it took Mr. Wilson several minutes to mark it. In addition to voting in the presidential election he marked his ballot for the state officers.

Charles E. Hughes cast his vote at 7:05 o'clock at New York City in a small laundry at 716 Eighth ave. where he made his headquarters during the campaign. His ballot was cast at 7:15.

When his ballot was cast, he called to the Republican candidate said "13" was his lucky number.

"And I was born on Friday, too," he added.

Mr. Hughes went to the polls before his motorcade. When he saw the weather conditions indicating a clear, cool day, he remarked: "It looks like a good Republican day."

Next Congress.

Returns Still Insufficient to Predict Complexions of Body.

Returns were insufficient to indicate what would be the complexion of the body.

However, the Republican gains, one in New York and one in Maine, were in New Jersey. To gain control of the senate the Republicans must win nine seats besides holding their own.

Democratic party leaders predicted that the Democratic majority of 23 in the present house would be wiped out, the early returns showed.

One of the early returns showed that the Democratic party in Maine lost New York. They gained two in New York, but this was offset by the loss of Maine.

Democratic party leaders predicted that the Democratic majority of 23 in the present house would be wiped out, the early returns showed.

## THE ASSOCIATED PRESS ELECTION VOTE TABLE

New York, Nov. 9.—With New Mexico, where President Wilson is leading, in the doubtful column, the electoral college shows Wilson, 269; Hughes, 230; doubtful, 27. It is constituted as follows:

State	Wilson	Hughes
Alabama	12	8
Arizona	8	5
Arkansas	13	9
California	12	8
Colorado	6	6
Florida	14	10
Georgia	12	8
Idaho	3	3
Kansas	10	10
Louisiana	10	10
Maryland	10	10
Massachusetts	10	10
Mississippi	10	10
Montana	3	3
Nebraska	10	10
Nevada	3	3
North Carolina	10	10
North Dakota	3	3
Oklahoma	10	10
South Carolina	10	10
Tennessee	10	10
Texas	10	10
Utah	3	3
Virginia	10	10
Washington	10	10
Wyoming	3	3
Total	269	230

DOUBTFUL.

Minnesota 12, New Hampshire 4, Iowa 13, Maine 3, Massachusetts 16, Michigan 15, New Jersey 14, New York 21, Oregon 10, Pennsylvania 13, Rhode Island 3, South Dakota 3, Vermont 3, Wisconsin 13.

Total 230.

Necessary to elect, 266.

Next Congress.

WILL ASK PRISON COMMISSION FOR McNAUGHTON PARDON

Atlanta, Nov. 7.—The State Prison Commission will again be asked for a pardon this day by Dr. W. J. McNaughton, the Swainsboro physician who is serving a life sentence at the state prison farm near Milledgeville for the alleged poisoning of Fred Frazier, a well-known Emanuel county farmer and business man.

The McNaughton case has been before the commission a number of times. He was at first sentenced to be hanged, but his sentence was commuted by Gov. Clayton, and since then he has been made a number of applications to the commission for a pardon.

Both McNaughton and his friends contend that he is absolutely innocent of Frazier's death.

LOTS OF FUN AND LAUGHS

## Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each  
morning and wash away the  
poisonous, stagnant matter.

Those of us who are accustomed to  
feel dull and heavy when we arise;  
suffering headache, stuffy nose, cold,  
sour tongue, nasty breath, acid  
stomach, lame back, can, instead,  
both look and feel as fresh as a daisy  
always by washing the poisons and  
toxins from the body with phosphated  
hot water each morning.

We should drink, before breakfast,  
a glass of real hot water with a tea-  
spoonful of limestone phosphate in  
it to flush from the stomach, liver,  
kidneys and ten yards of bowels the  
previous day's indigestible waste, sour  
bile and poisonous toxins; thus cleans-  
ing, sweetening and purifying the  
entire alimentary tract before putting  
more food into the stomach.

The action of limestone phosphate  
and hot water on an empty stomach  
is wonderfully invigorating. It cleans  
out all the sour fermentations, gases,  
waste and acidity and gives one a  
splendid appetite for breakfast and  
it is said to be a little while until  
the roads begin to appear in the  
cheeks. A quarter pound of limestone  
phosphate will cost very little at the  
drug store, but is sufficient to make  
anyone who is bothered with bilious-  
ness, constipation, stomach trouble or  
rheumatism a real enthusiast on the  
subject of internal sanitation. It cleans  
it and you are assured that you will  
look better and feel better in every  
way shortly.

## ANNUAL MEETING OF FARMERS UNION AT PALATKA, FLA.

The National Convention of the  
Farmers Union meets in Palatka,  
Fla., from Nov. 21 to Nov. 24. This  
will be the greatest convention in the  
history of the union. The people of  
Palatka will give the delegates and  
visitors a free ride on a Clyde Line  
Steamer, on the St. Johns river to  
Crescent City, where a free barbecue  
will be given the convention and vis-  
itors. All railroads in Georgia have  
put on a special rate of one and one-  
half cents a mile. A large delegation  
will leave Atlanta on November 20,  
on train number 6 over the Southern.  
The Georgia delegation will be head-  
ed by J. J. Brown, the next Commis-  
sioner of Agriculture. While in Pa-  
latka a free ride in automobiles will  
be given everyone attending this  
convention, to St. Augustine, Fla.,  
the second oldest town in the United  
States. People who are not mem-  
bers of the Union are urged to at-  
tend, and will be accorded the same  
entertainments as visitors. Ladies  
are especially invited to attend, and  
a large number will go. This will be  
a convention of important business  
and this trip will be a profitable one  
as well as a great pleasure trip.

## SUPERINTENDENT'S CORNER

The schools have opened and are  
now down to business. It looks as if  
we are to have a record attendance  
this term. Schools in some commu-  
nities have enrolled almost every child  
of school age and many that are  
above.

You can't beat this; Listen, the  
citizens of the Tyson Grove school  
district have begun the building of a  
teachers' home on the school grounds  
—a real, sure enough home. This is  
a step forward in the right direction.  
Nothing more pleasing to the Board  
of Education than this movement.  
What other school district will be  
second? By the way, be sure to stop  
by and take a look at the Tyson  
Grove school when you are in that  
community. It will interest you.

The first box supper of the season  
certainly was a success. A musical  
program that was interesting was  
rendered by the music pupils of the  
Clito High school before the boxes  
and the voting contest was auction-  
ed off. Col. Figue and Mr. Walter  
McDougal proved to be the real ar-  
ticle when it comes to pulling off a  
real box supper stunt. The net total  
was \$120, with which a yard fence  
will be placed around the school pre-  
mises and new single patent desks  
added to the school. Get the name  
Clito. Professor Erwin says he  
is going to make this the first  
State Standard school in Bulloch  
County. It looks like he is going  
to do it. Watch Clito. Stop in and  
see the school and notice the real  
school spirit that is alive here. Can't  
keep Clito down any longer.

Only about four more schools to  
begin. Then all will be running on  
full time. This is the earliest that  
we have ever been able to begin be-  
fore. We will be able to begin be-  
fore our children on the farm when they  
most needed. Too, we have a com-  
pulsory law that requires that every  
parent send his children at least 16  
weeks of each term. Better get your  
children in school so as to get this  
required time before the State au-  
thorities get after you for a viola-  
tion of its laws. I hope that no  
man in the county will be guilty of  
this misdemeanor. Get the name  
Clito. Professor Erwin says he  
is going to make this the first  
State Standard school in Bulloch  
County. It looks like he is going  
to do it. Watch Clito. Stop in and  
see the school and notice the real  
school spirit that is alive here. Can't  
keep Clito down any longer.

Prof. L. D. Vining assisted by Miss  
Mae Morris is making a splendid  
showing at the Pauline. This is one  
of our big consolidated schools that  
has been doing some real good work  
for several years. Let us hope that  
this will be the best term in its  
history. It can be with the help  
of all concerned.

Sufferers From indigestion Relieved  
"Before taking Chamberlain's Ta-  
blets my husband suffered for several  
years from indigestion, causing him  
to have pains in the stomach, and  
distress after eating. Chamberlain's  
Tablets relieved him of these spells  
right away," writes Mrs. Thomas  
Casey, Geneva, N. Y. Obtainable  
everywhere.

## ALL GOING TO SEE SUN BROS. CIRCUS NEXT TUESDAY

With the coming of Sun Brothers'  
World's Progressive Shows to States-  
boro Tuesday, Nov. 21st, parents are  
promising their children that they  
will take them to the show without  
fail. Each uncle and maiden  
aunt are looking up their nephews  
and nieces and all are anxious that  
"the children have a good time."

The Sun Brothers' Shows are now  
rounding out a quarter of a century  
of successful amusement endeavor  
and for the current season have ad-  
ded many entirely new features and  
big sensational displays. In plain  
words, the show is newer, brighter  
and better than ever.

The aggregation will arrive here  
via special railway service bringing  
a magnificent rolling stock equip-  
ment. The wild beast section and  
the big free horse fair are also  
among the prominent attractions  
with this show.

## THEN AND NOW

The mail of a newspaper often  
brings in some gems of thought. A  
salesman of the P. & O. company  
contributed the following conver-  
sation, which should go far toward  
weakening the steam of the most ac-  
tive calamity howler.

"Good morning, Sir."  
"Good morning, Sir."  
"I say, Sir, what's the price of that  
wagon yonder?"

"\$90.00, Sir."  
"\$90.00? Why, my father bought  
the same wagon thirty years ago for  
\$60.00."

"Yes, Sir, he did, and bought it of  
me, but as money was scarce at that  
time, and I wanted some corn, your  
father delivered to me 300 bushels  
of corn in payment for the \$60.00  
full time. This is the earliest that  
we have ever been able to begin be-  
fore. We will be able to begin be-  
fore our children on the farm when they  
most needed. Too, we have a com-  
pulsory law that requires that every  
parent send his children at least 16  
weeks of each term. Better get your  
children in school so as to get this  
required time before the State au-  
thorities get after you for a viola-  
tion of its laws. I hope that no  
man in the county will be guilty of  
this misdemeanor. Get the name  
Clito. Professor Erwin says he  
is going to make this the first

300 bushels of corn."—Daily Ledger,  
Canton, Ill.

## WARNING

Owing to failure of agreement in  
consideration, all persons are hereby  
warned and notified not to trade for  
a note issued by me in favor of W.  
D. Mathis, dated Nov. 24, 1916,  
due Dec. 1st, 1916.  
Signed: J. C. Graham, Stillson, Ga.  
No. 1. 11-16-17

FOR SALE OR TRADE  
In west Statesboro I have a six-  
room house in good condition. Will  
sell cheap for cash or reasonable  
terms, or will trade for small farm  
near town. Apply to W. G. Raine,  
Statesboro.

# Read This And Get Busy

380 acres about 35 miles from Savannah on  
Central of Georgia Railway in mile of station  
and on good public road. 4-horse farm in cul-  
tivation, 4 good settlements with good houses and  
one with good dwelling. Enough more good land  
can be cleared to make a 10 or 12 horse farm.  
The soil is of the best grade of black loam and is  
very productive. Plenty of saw mill timber for  
keeping up the place and in addition there is  
about \$800 or \$1,000 worth of turpentine timber.  
UNUSUAL GOOD STOCK RANGE for both  
HOGS AND CATTLE, and has every facility  
for trucking and poultry farming in addition to  
general farming.

In a mile of this place over 12 bales of cotton  
have been raised to the plow this year on land  
no better than this, but don't forget that this  
place is independent of cotton because the mar-  
ket is at its door for any other crop, in addition  
to being an ideal place for stock raising.

If handled within one week  
can be had for \$14.00 per acre  
with a small cash payment and  
ten years on balance.

### BROOKLET

The play, "Dot, the Miner's  
Daughter," was given in Oliver last  
Friday night before a large audience.  
The door receipts were \$40.25. This  
play will be given in Metter next  
Friday night, Nov. 17.

Miss Sequel Lee was hostess at  
a reception given last Saturday eve-  
ning in honor of her guests, Misses  
Erma Ernst of Savannah and Lois  
Horton of Hubert.

Dr. Ed Watkins of Ellijay is visit-  
ing Dr. E. C. Watkins this week.

Miss Lucy Fox spent last week-  
end in Guyton with her parents. She  
had as her guests Misses Ora Frank-  
lin, Lula Warnock, Ruby Pledger and  
Messrs. F. W. Hodges and J. C. Hol-  
brook.

L. A. Warnock spent Tuesday in  
Savannah.

Mrs. C. S. Cronley has returned  
from Savannah where she has been  
for the past two weeks.

Mr. and Mrs. G. O. Floyd of  
Hampton, S. C., have announced the  
engagement of their daughter, Ella  
Mae, to Mr. W. C. Daniel Parrish of  
this place. The wedding will take  
place in December.

Miss Clara Moors has accepted a  
position in the school at Pretoria.

### PORTAL

Misses John Doris Overstreet and  
Fronie Ruston were week-end guests  
of Miss Edna Minney.

Messrs. A. G. Rucker, Ed Rucker  
and Ed Bagby of Aaron were busi-  
ness visitors last week.

Mr. Norman Brantley has returned  
from Macon where he attended the  
Georgia-Carolina fair.

Miss O'Kella Davis spent Sunday  
with her mother near Garfield.

Dr. A. J. Bowen was taken to the  
sanitarium at Statesboro for an op-  
eration for appendicitis Thursday of  
last week. Reports from the sanitarium  
are that Dr. Bowen is doing  
nicely. His many friends wish him a  
speedy recovery.

Miss Alva Parrish of Palatka at-  
tended the oyster supper at the high  
school last Friday night.

Mrs. Oscar Johnson spent several  
days last week with her parents, Mr.  
and Mrs. Ed Bagby near Aaron.

Messrs. W. J. Davis and W. E.  
Scarboro took a business trip to At-  
lanta last week purchasing two  
Chevrolet motor cars and motoring  
back by way of Madison, Greens-  
boro, Augusta and Milled.

Miss Mabel DeLoach has returned  
from a pleasant visit with relatives in  
Jacksonville, Fla.

Miss Anna Pierce of Screven  
county is the guest of Misses Edna  
Bessie and Olga Minney.

Rev. Satton of Summit filled his  
regular appointment at the Meth-  
odist church Sunday.

Rev. Williamson of Vidalia, former  
pastor of the Baptist church, was a  
visitor the latter part of last week.

Miss Hattie Edensfield of near Met-  
ter was a recent guest of her cousin  
Miss Pippa Trapnell.

The oyster supper at the High  
School last Friday night was a suc-  
cess. The proceeds will be used to  
put a wire fence around the school  
grounds and other improvements.

Rev. J. A. Scarboro of Aaron was  
a visitor the first of last week.

Mr. and Mrs. Weaver of Glenwood  
are the guests of their daughter,  
Mrs. E. Stuart.

Misses Eunice Parsons and Alex-  
ander Parrish, who are attending the First  
District A. & M. School at Statesboro  
spent the week-end with their pa-  
rents.

Rev. Mr. Seals of Savannah will  
preach at the Baptist church Sunday  
Nov. 19th. Everybody invited.

Mr. and Mrs. H. R. Riggs motored  
to Savannah Monday.

Hester and Annie Lou Rucker, lit-  
tle daughters of Mr. and Mrs. A. G.  
Rucker of Aaron spent Sunday with  
Mr. and Mrs. W. E. Scarboro.

Mr. and Mrs. G. C. Biggood of  
Stillmore, accompanied by Misses  
Jones and Thigpen, two of the Still-  
more teachers, were guests of Mr.  
and Mrs. A. A. Turner Sunday.

The many friends of Mrs. L. S.  
Price regret to learn that she is seri-  
ously ill and wish her a speedy re-  
covery.

Mrs. A. J. Bowen spent Friday and  
Saturday of last week in Statesboro.

Mr. Roy Suddath and his sister,  
Miss Fannie motored to Garfield  
Sunday.

Messrs. Taylor and Arthur De-  
Loach left the first of the week for  
a hunting and fishing trip on the  
Altamaha river.

Mr. Ernest Womack who is attend-  
ing Draught's Business College in  
Atlanta is visiting his parents, Mr.  
and Mrs. Frank Womack.

Mr. W. W. Boyd of Palatka was a  
visitor in Portal the first of this week.

Messrs. E. Daughtry, Herman Mil-  
ler and Chas. Litwack spent several  
days in Savannah last week.

Mrs. B. L. Hendricks and little  
daughter Hattie spent Monday in  
Statesboro shopping.

Mrs. G. Covart and children are  
visiting friends and relatives in Ec-  
cingham county.

Mrs. W. W. DeLoach of Statesboro  
visited Mr. and Mrs. Taylor DeLoach  
Sunday.

Mr. L. A. Scarboro of Aaron was  
a business visitor the first of the week.

HER SON SUBJECT TO CROUP  
"My son Edwin is subject to croup,"  
writes Mrs. E. O. Irwin, New Ken-  
sington, Pa. "I put in many sleep-  
less hours at night before I learned  
of Chamberlain's Cough Remedy.  
Mothers need not fear this disease if  
they keep a bottle of Chamberlain's  
Cough Remedy in the house and use  
it as directed. It always gave me  
boy relief." Obtainable everywhere.

## ROCKY FORD

Miss Ruth Stone and Mr. Allen  
Franklin, of Midville; Miss Della Van  
Moore, of Savannah and Miss Bertha  
Pearson, of Savannah, are among the  
out of town guests at the Parker-  
Pearson marriage.

Mrs. A. E. Sanders entertained the  
Parker-Pearson bridal party after  
the rehearsal Tuesday night.

Mrs. Park Burke and Miss Madge  
Wall are visiting in Atlanta.

Mr. Chas. Peacock spent Sunday in  
Americus.

Mr. Thos. Parker, our popular  
banker, and his bride returned Mon-  
day.

DO YOU HAVE SOUR STOMACH?  
If you are troubled with sour  
stomach you should eat slowly and  
masticate your food thoroughly, then  
take one of Chamberlain's Tablets  
immediately after supper. Obtainable  
everywhere.

## TAX COLLECTOR'S DATES

Tax Collector's Third and Last Round

Monday, Nov. 27th, Clito 9:00 to  
9:30 a. m.; 48 court ground, 9:00 to  
9:30; Brooklet, 10:00 to 11:30; Hor-  
ace Knight's at dinner. Stillson 1:30  
to 2:30 p. m.; Dan Lanier, 3:00 to  
3:30; 1340 court ground, 4:00 to  
4:30; J. W. Donaldson's at night.

Tuesday, Nov. 28th, B. D. Hodges  
Store, 8:00 to 8:30 a. m.; 1547 court  
ground, 9:00 to 9:30; 44 court  
ground, 10:00 to 11:00; D. A. Stan-  
ford's at dinner; Register, 1:00 to  
2:00 p. m.; 1320 court ground, 3:00  
to 3:30; Aaron, 4:00 to 4:30; J. J.  
Woods at night.

Wednesday, Nov. 29th: Portal,  
8:00 to 9:00 a. m.; 46 court ground  
9:30 to 10:00; John Mixon's Store,  
10:15 to 10:45; D. C. Finches 11:00  
to 11:30; Jasper Blackburn's at din-  
ner; J. S. Mixon's store 1:30 to 2:00  
p. m.; 1575 court ground 2:30 to  
3:00.

I will be at the above named places  
for the purpose of collecting taxes.

M. R. AKINS,  
Tax Collector Bulloch County.

Most heaters waste half your fuel.  
Cole's Hot Blast Heaters save and  
use that wasted portion.

## J. GORDON GUNTER TO PREACH AT CLITO SUNDAY

Announcement comes from the  
First Baptist church at Clito that J.  
Gordon Gunter will preach at that  
church next Saturday and Sunday,  
Nov. 18 and 19. Prof. Gunter was  
formerly one of the faculty of the  
Agricultural College and has a great  
many friends in Bulloch county.

## For Croup--Mothers-- Always Keep this Handy

The day of the Croup scare is over  
for those parents who wisely keep  
Chamberlain's Cough Remedy in the  
house ready for instant use.  
W. C. Allen, Rosely, Mo., writes: "I  
have raised a family of four children,  
and have used Chamberlain's Cough  
Remedy on all of them. I find it the  
best cough and croup medicine I  
have ever used and I have used it for  
eight or ten years, and can recommend  
it for croup."

If toward midnight the little ones  
grow hoarse or croupy, if their breath-  
ing becomes difficult, if they cough  
and wheeze, if they are restless, give  
them Chamberlain's Cough Remedy,  
and it will put them to sleep at once  
and they will be all right.

YOU ARE AWAKENED BY THE HORROR  
BRASSY COUGH that means croup, give  
them Chamberlain's Cough Remedy,  
and it will put them to sleep at once  
and they will be all right.

For any itchininess of the skin, for  
skin rashes, chap, pimples, etc., try  
Doan's Ointment. 50c at all drug  
stores.

## No. Six-Sixty-Six

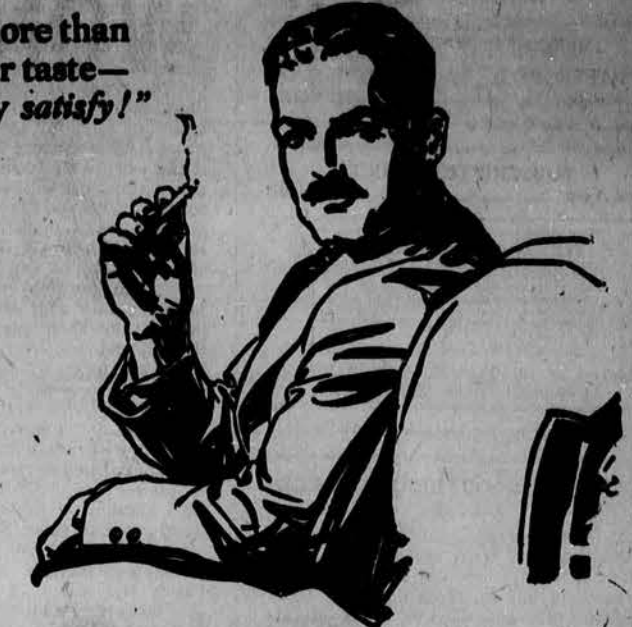

This is a prescription prepared especially  
for MALARIA or CHILLS & FEVER.  
Five or six doses will break any case, and  
if taken then as a tonic the Fever will not  
return. It acts on the liver better than  
Calomel and does not gripe or sicken. 25c

## TAKE IT TO WILSON

If your shoes need soleing  
or half soleing, or your  
harness needs fixing, let  
Wilson do it. Now estab-  
lished in an up-to-date and  
complete repair shop. Your  
patronage will be appreciated.

T. A. WILSON  
32 W. Main—Tel. 161

"They do more than  
please your taste—  
they satisfy!"

That's why Chesterfields are like a  
good cup of coffee—they taste fine and,  
in addition, they satisfy!

But, besides letting you know you've  
been smoking, Chesterfields are MILD,  
too!

Chesterfield is the one cigarette that  
can give you this new delight (satisfy, yet  
mild), because no cigarette maker can  
copy the Chesterfield blend—an entirely new  
combination of tobaccos and the greatest  
advance in cigarette blending in 20 years.

Thursday, November 16, 1916

## WONDERFUL SOUTHEAST GEORGIA

It is marvelous to note the development that has been and is now going on in southeast Georgia and more particularly in our immediate section from an agricultural and live stock standpoint and our neighbor city friend Savannah from a manufacturing standpoint. While Bulloch is known almost exclusively as an agricultural county she is reaching out in an effort toward manufacturing and her wonderful vegetable growing will sooner or later be going to all parts of the country under a scientific canning process. It will be but a very short time until Bulloch county bacon and hams will be found in the markets and this will quite naturally lead to other and substantial enterprises to be established.

Of all southeast Georgia cities Savannah is perhaps commanding more attention from large investors and manufacturing promoters than any other city in the south all of which is quite logical because of her splendid water transportation facilities, and what will benefit Savannah must necessarily benefit all the inland territory contiguous to Savannah and especially that which is commonly known as the Savannah zone, those sections like our own that is within but two hours railroad ride and with the general interest that is being given to highway improvement but two hours automobile ride between us.

Savannah's new sugar refinery now being erected on the old site is estimated to cost two and a half million dollars when completed which it is said will be done to use the raw material of this year's crop. It is said that the output of this plant will be one million pounds of sugar per day. It has been reported that Huyler the great New York candy man will build a large plant in Savannah to take care of this southern trade, a large barrel factory has been organized and a bag factory is also announced.

A company has been formed and plans made for a million dollar pulp mill; a new hotel is being erected and Savannah's big auditorium, and her hundred thousand dollar library just completed stamps her a city of the first class in every respect and as she grows so must her children.

The Ocean Steamship Company's new terminal costing one and a half million dollars, built of concrete and steel, and claiming to be the finest in the country is another instance of the wonderful strides that have been made in permanent transportation facilities. The Ocean Steamship company are also having two new steamships built which will be larger and finer than any of its present magnificent fleet. This is conclusive evidence of the increased business in shipping that is bound to come through Savannah for her own trade as well as the many towns surrounding that city.

The United States authorities have recommended an appropriation of two million dollars to deepen the channel of the Savannah river from Tybee Bar to the city, from 26 feet at low water to 30 feet, and when completed will mean that vessels drawing 37 feet of water at high tide can be accommodated. This means that the very largest vessels in the world will ere long be touching at the port of Savannah. Several new steamship lines are already operating out of Savannah to Denmark, China, Japan, Panama and the South American ports. Savannah's export and import business is destined to make her next to the largest port in America a position she is already crowding for.

This belief is borne out by the number of railroads already operating in Savannah and those contemplating an entry to the seaport city.

The Seaboard Air Line will soon complete a new short line from Charleston to Savannah. The Midland is now in operation from Stevens Crossing to Savannah. It is confidently believed that both the Georgia & Florida and the A. B. & A. are both seeking outlets in Savannah and if the W. & A. is ever extended to the sea it is more than likely that Savannah will be its terminal in which event Statesboro will be beyond all doubt then be on a through line because unquestionably the W. & A. would acquire the most direct connections possible

ble which will then be in operation rather than build.

It is stated that plans are now under way for a gigantic ship building plant for the building of the largest kinds of ships, and in fact there is already under construction five large sailing vessels being built by this new concern.

It does not take much stretch of imagination, foresight, or unusual judgment for anybody to see that an era of prosperity is in store for this section and if the people who are now in a measure prosperously intoxicated will put aside some of their suddenly acquired finances in substantial investments for the future safety of southeast Georgia will be assured. Many of our people who are investing in get rich quick stock manipulation games and the like, might far better take their surplus cash and put it in farms or city real estate where it will enhance and increase in value and grow steadily accrete. The writer happens to be familiar with local conditions in Savannah particularly in connection with what is now her most important residential section; we personally took up the first for sale banner that announced the removal of the old negro shacks from what is now the Ardsley Park section of Savannah which is being advertised in this issue of this paper and which is the inspiration of this article, recalling to our personal regret that then we had the opportunity to acquire several of those lots not seven years ago which have since increased a thousand per cent in value. Certain it is that no investment can be made that will be as safe as real estate which really is the basis of all community progress.

## FIXIN' FOR THE FRAY

The City Executive Committee announce in another column of this issue a call for a mass meeting November 27th to be held at the court house to hear the report of the city fathers for the year 1916, and to elect a new committee, fix a date for the primary to elect a Mayor and two councilmen and transact such other business as may come before them; it will be an opportune moment for "such other business" as an act to vote on the proposed annexation of Statesboro, and while they are arguing "other business" it wouldn't be a half bad idea to pass an act to hold at the next primary in December, a popularity contest for the postmastership. We note that there is brewing in various sections of the state and in some portions of the First District, factional contests for the postoffice appointment. Statesboro might very graciously set a precedent in such a scheme to relieve the various Congressmen of more or less embarrassing upon the ripening of a political plum which they have to pick, and which very frequently when packed away, ferment and splits the can that the Congressman would like to keep air-tight. In the case of Bulloch, Congressman Overstreet was given such a handsome majority, and since majority rule was forced upon him, it would be quite proper to hold this popularity vote contest for the postmastership when here could be a free for all race, and the man receiving the highest number of popular votes to be acknowledged the choice of the people and the others forever after to hold their tongues, and make it a unanimous presentment to the Congressman with orders, in the words of the while political state-maker, fair promoter, etc., etc., J. R. Miller, "to 'pint him."

The show the carnival game is getting to be a pretty hard proposition these days; time was when most communities wanted circuses, carnivals, etc., and frequently waived licenses, and in some instances offered a bonus to get a show to come to them. The last few years carnival companies have practiced a scheme of playing benefit for charitable societies, lodges, and many other organizations but this is now playing out. We note that Savannah has just refused a permit for a carnival for the benefit of the Knights of Pythias under the following reasons:

"The health committee of the city council yesterday refused a permit for a carnival to show in the Park Extension for the benefit of the K. P. on the ground that a traveling troupe of that character might be carriers of diseases, there being packed more than 150 performers who are exposed to infection in many ways. It was stated at the meeting of the committee that the reason why Savannah has not had more cases of smallpox, scarlet fever or diphtheria is because great care has been taken to exclude traveling shows of this character. Alderman J. W. Daniel, chairman of the committee, said it was the unanimous decision of the committee that the health of the community would be best conserved by not allowing the carnival to show in Savannah."

Next Saturday, November 18—Please pass the Georgia oysters, soup, pork and beans, lamb, beef, vegetables, corn pone, bread, fruits, sweet cakes, anything else that's good to eat, and—Here's to your health, your wife, your family, and may they all live long and prosper."

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular use of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acid, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithium and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is non-purative; harmless and makes a delightful after-dinner drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

# Now Is The Time To Buy Greater Savannah Lots

Never before in its history has Savannah had a brighter future than at this time. Think of the following gigantic improvements which mean larger business, greater population and big increases in the value of Savannah Real Estate.

United States authorities have recommended an appropriation for deepening the Savannah River from 26 to 30 feet, estimated to cost.....\$2,000,000.00

Now building 100 new cotton warehouses, approximate cost.....1,500,000.00

Now building Sugar Refinery and allied factories.....2,000,000.00

New Patent Barrel Factory.....50,000.00

Plans are now being perfected for large pulp mill to cost.....100,000.00

Just completed New Ocean Steamship Company's Steel and Concrete Terminals, said to be the finest in this country, cost.....1,500,000.00

Just completed New Public Library cost.....100,000.00

Now building Auditorium, cost.....200,000.00

These immediate improvements in sight amount to.....\$7,450,000.00

IN ADDITION TO ABOVE ARE FOLLOWING:

## GREAT PROGRESSIVE IMPROVEMENTS

Seaboard Air Line railway, short line from Charleston to Savannah now under construction.

Midland Railway (G. M. Brinson's new line) now under course of construction.

It is thought that the A. B. & A. and Ga. & Fla. R. R. are arranging to extend their lines to Savannah.

There has recently been established several new and regular steamship lines to China, Japan, South America and other foreign countries.

All this means an increase in the value of Savannah Real Estate.

There are plans on foot for the establishment of many other enterprises which cannot now be made public.

We are offering the greatest values in lots we have ever known in our 18 years experience in the Real Estate business in Savannah. This is your chance to make money.

LOTS IN OUR DALE TERRACE SUBDIVISION ONLY \$148, \$198, AND \$248 EACH 30x150 AND 10 PER CENT OFF FOR CASH

This subdivision is on Dale Avenue, Savannah's most popular boulevard, and is near Daffin Park. Only forty lots left. Don't wait until it is too late.

Hetty Green, one of the world's greatest financiers, said:

"Buy Real Estate and if you keep it long enough, it will keep you."

Everybody knows that no real estate increases as fast as that in a large and growing city.

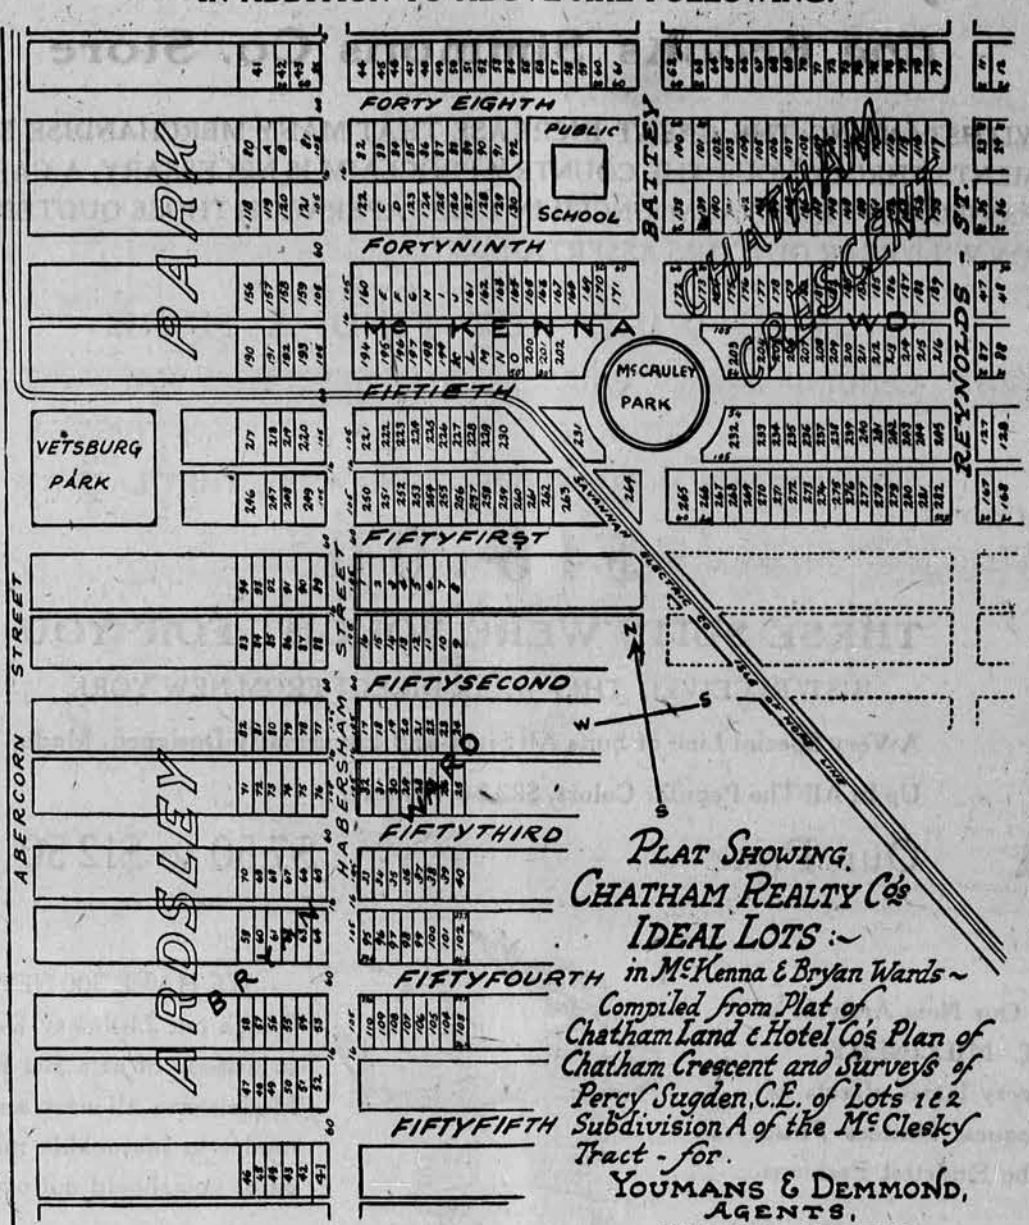

City Real Estate is the safest and best investment you can make. It will work for you while you sleep. It's not like many other investments that make you work for them, and in a few years their value has shrunk to almost nothing.

Mr. T. D. Van Osten will represent us in Statesboro in the sale of these lots. Call and see him for further particulars. Select your lot and make payment to him at once.

## READ OUR MONEY BACK PROPOSITION

We will allow you thirty days to come to Savannah and look at lot, and if you are not entirely satisfied will refund every dollar paid. If you are satisfied and keep the lot we will pay your railroad fare to Savannah and return to Statesboro.

**Youmans & Demmond**  
15 BULL STREET SAVANNAH, GA.

## MONEY MAKING INVESTMENTS

Lots on 48th street in Chatham Crescent (the Granger Tract) and adjoining Ardsley Park \$698 each. We won't sell less than one and a half lots. Other lots in Chatham Crescent, owned by other parties, are selling as high as \$1,500 to \$2,000 each. Only eight lots left. Better act quick.

Lots on 55th street adjoining Ardsley Park 30x105, only \$398 each. We do not sell on this street less than 1 and 1-3 lots. Only fourteen left. Better act quick.

THESE PRICES ARE SUBJECT TO 10 PER CENT DISCOUNT for CASH.

THIS—AND FIVE CENTS

DON'T MISS THIS. Cut out this slip, enclose five cents to Foley & Co., 2321 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Kidney Pills, for pain in sides and back, rheumatism, backache, kidney and bladder ailments; and Foley's Cathartic Tablets, a wholesome and thoroughly cleansing cathartic, especially comforting to stout persons. For sale by Bulloch Drug Co.

ALL DAY SING

There will be an all day sing at Middleground church next Sunday, Nov. 18. Everybody invited to come out and enjoy the day with us.

CHARLIE GROOVER.

THE LAST CALL FOR BULLOCH COUNTY BAPTISTS

According to notices already given and letters sent out, the church at Statesboro is expecting every pastor and from two to five leading men and women from every church in your association at 10 o'clock a. m. next Tuesday, Nov. 21st.

The pastor and the good ladies want to know how many will come from each church and how many pastors, so they can have dinner accordingly. As Enlistment Worker of the State Board the undersigned urgently and vehemently insists on every pastor being present and leaders from every church. This for a day of surpassing importance.

Faithfully,  
J. FRED EIDEN, JR.,  
Enlistment Field Man.

TOOK THE HURT OUT OF HER BACK

Physicians report more cases of kidney trouble among women than men. Mrs. Anna Bryd, Tusculum, Ala., writes: "I was down with my back so I could not stand up more than half of the time. Foley Kidney Pills took all the hurt out. They are the best kidney pills I ever took."

Rheumatic pains, swollen ankles, backache, stiff joints, sore muscles and sleep disturbing bladder ailments indicate disordered kidneys. Foley Kidney Pills act promptly. For sale by Bulloch Drug Co.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Dr. Williams' Pink Pills. Catarrh is a disease of the blood and the most reliable remedy for it is Dr. Williams' Pink Pills. It is the blood that carries the poison from the blood and the most reliable remedy for it is Dr. Williams' Pink Pills. It is the blood that carries the poison from the blood and the most reliable remedy for it is Dr. Williams' Pink Pills.

After you have taken Dr. Williams' Pink Pills for a short time you will see a great improvement in your general health. You will feel better, your blood will be purer, and you will be able to do more work.

Dr. Williams' Pink Pills are sold by all druggists and by mail order.

## KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Statesboro People Know How to Save It.

Many Statesboro people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Statesboro citizen's recommendation.

Mrs. G. H. Moch, 48 N. Main St., Statesboro, says: "Whenever my back gives out and I am feeling run down from kidney trouble, I use Doan's Kidney Pills and they never fail to bring me good results. My work is made easier after using this medicine. Another of the family has used Doan's Kidney Pills with fine results. We recommend them highly."

Price 50c at all dealers. Do not simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mrs. Moch had. Foster-Milburn Co., Props., Buffalo, N. Y.

Prayer.

Business meeting.

Visitors cordially welcomed.

COMMUNITY CHRISTMAS TREE

Long term loans on farm lands at 6 per cent. Cash secured on short notice and easy terms.

YELVET BEANS

We have 1000 lbs. in bulk. Will buy them in any quantity. Write to us for a price list.

Down like this case. Some of the hang free over the dress and are known as floating panels. A dress which has been specially admired was of dark blue crepe meter with long straight panels back and front in the

edges of skirts and suit coats and is also used as a decoration for collars, cuffs and pockets. The work is done in machine-stitching and usually the same color silk as the background is used.

The sketch above illustrates the conventional diamond shaped design method. For instance, a very good national character are also utilized. In this attractive one-piece frock of satin, the belt and the lower edge of the skirt are quilted. Some suits of satin and silk have been seen with quilting on the collar, cuffs and pockets.

Imitations of the quilting idea have also been carried out in heavier materials. For instance, a very good looking full length coat was worked with heavy navy blue silk in the diamond shaped quilted design on a mustard-colored background. The large square pockets were entirely covered with this work, a touch of it was on the collar, and the collar also has some of it. Mustard is one of the very popular colors for separate coats. Numbers of them are seen at present, some unrelieved by any trimming, and other black fur.

Some of the most handsome of fur at the edge of the sleeves or of the coat itself.

The woman who has not invested in a one-piece frock this season must feel very much out of the swim of fashion. As the days go by, more and more of these frocks are seen in serge, broadcloth, wool jersey, velvet, velveteen. When a top coat is not necessary, a short cape of fur is the usual accomplishment. Straight lines continue to be the most approved in this type of dress, for the fashion these days is to be slim, and no better way of obtaining this effect is to be had than by wearing dresses cut on the lines.

Fashion dispenses these youth-giving styles most liberally at present, and it is no wonder that many have taken so kindly to them for they make them look young and slender.

For producing straight effects, nothing gives better results than the long unbroken panel and consequently the panel is now enjoying its day of popularity. A smart effect is shown here in the dress of black velvet with a satin panel, extending from neck to hem. The bold design of pockets adds to the style of this dress and does not detract from the slender effect. Panels are not all stitched

form of an overdress. These were in a lighter shade of blue crepe meter. They extended from shoulder to hem and were combined at the waist by a loosely-tied cord. The top of the panel was embroidered in silver across the front.

New Russian Blouses

Russian blouses are gaining a stronger hold day by day and they have become so universally popular that the name now stands for almost any kind of a blouse that has a pet.

The high collar and side closing which once typified the Russian blouse are no longer symbols of it. For this blouse has taken on manifold new forms. Many of them slip over the head or are opened in front revealing a contrasting vest or blouse of the high collar. It has been quite usurped by the flat rolling collar.

Some very dainty models are of Georgette in the prevailing suit colors trimmed with gold or silver thread embroideries. The poplins are sometimes finely pleated, sometimes gathered, and very often they are adorned with little fancy pockets. Blouses of this type are made up for dressy wear and they are not only in self-toned Georgette and chiffons but in the most delicate of fabrics in these sheer fabrics. They are worn with suits or separate skirts.

Black satin and black velvet are very smart for separate skirts. Some pretty striped velvets with colored stripes on black background are used for skirts, and they are wonderfully attractive.

## OLD-FASHIONED QUILTING BECOMES A MODERN TRIMMING

Fashion Uses It on Frocks, Suits and Even Coats—New Forms of the Russian Blouse

New York, November 15.—Little did our grandmothers dream when they sat together and worked and quipped at their quilting bees that the quilting they did then would furnish the trimmings for the dresses of the women of today.

Certainly, the quilting trimming is a very novel idea from the fertile brain of our modern designer. It is generally used in bands at the lower

edges of skirts and suit coats and is also used as a decoration for collars, cuffs and pockets. The work is done in machine-stitching and usually the same color silk as the background is used.

The sketch above illustrates the conventional diamond shaped design method. For instance, a very good national character are also utilized. In this attractive one-piece frock of satin, the belt and the lower edge of the skirt are quilted. Some suits of satin and silk have been seen with quilting on the collar, cuffs and pockets.

# THE BIG FAIR

## BULLOCH COUNTY FAIR OPENS NOV. 21 TUESDAY

GRAND EXHIBITION OF AGRICULTURAL PRODUCTS, LIVE STOCK AND POULTRY. THE MANAGEMENT GUARANTEES THIS FAIR TO BE LARGER AND BETTER THAN ANY FAIR EVER HELD IN THE COUNTY.

We will present to the people of Bulloch and adjoining counties, on Tuesday, Nov. 21st, the best showing in the way of a real agricultural and live stock fair, shown in any of the county fairs this fall.

IN ADDITION TO WHAT BULLOCH COUNTY IS GOING TO FURNISH, OUR REPRESENTATIVES HAVE JUST RETURNED FROM THE STATE FAIR AT MACON WHERE THEY BOOKED THE CREAM OF THAT GRAND EXHIBITION OF GEORGIA PRODUCTS.

Houston, the blue ribbon county, will have the larger part of her magnificent agricultural display at the Statesboro Fair. This is the county that won the one thousand dollar prize at Macon. Jackson county, the winner of the second prize, will be here; so will Wilkes, the winner of the third agricultural prize, then the best from all the balance will be here. These displays carry the cream of Georgia Products, and consist partly of the following: Fifty bales of hay, no two bales alike; fifty different varieties of corn, all colors and sizes of ears, one hundred varieties of Georgia forage and field grasses, fifty varieties of oats, fifty of wheat, fifty of field peas, giant pumpkins, and a thousand things too numerous to mention. The sheaf grain display will be the finest ever seen anywhere away from the State Fair, and it will be as fine as the State Fair for the reason that all of it is coming here from Macon.

This display will be installed under a large water-proof tent and will be shown as a Georgia Agricultural, educational exhibit. It will not compete for any of the prizes at the Fair.

### BIG APPLE DISPLAY COMING

The Habersham County Apple Display with five hundred bushels of the best apples in the world has been booked for the big fair at Statesboro next week. These apples are the same kind that won the first prize at the International Apple show at Portland, Oregon, last year.

### BIG POULTRY DISPLAY

A special representative who will have charge of the poultry department will take active charge at once, and see to the listing and entering of the mag-

nificent poultry show, which will also be shown under a large water-proof tent, several hundred patent poultry coops have been secured to hold the poultry.

### LIVE STOCK DISPLAY

A special man will take charge of this department, and pens will be furnished for the hogs and cattle. Already quite an extensive array of this has been entered. One party at Mannasas will bring a large lot. Fifteen head of Duroc Jerseys have been booked from Dover. Another party is coming from Donaldsonville and one from north Georgia, besides a lot from the Augusta fair now going on, then a large lot of Bulloch county stock will be shown of course. The out of county stock will not compete for prizes along with the local stock.

**BIG MIDWAY COMING**—The railroads entering the city are already besieged with routings of shows and midway attractions booked for the Big Fair Next Week. The best from the Midway at Dublin, Millen, Macon, Augusta and Walterboro, S. C., will be here. It will be clean and entertaining.

**FIRE WORKS AT NIGHT**—On Wednesday evening a grand display of fire works will be given at the Fair Grounds. These will not be shown on Tuesday night on account of the circus, which will be just across the street from the fair grounds. Don't let the circus keep you away from the fair, however.

**BEST OF ORDER WILL BE PRESERVED**—The man who goes out to the fair expecting to make a fool of himself and cut up his didoes because the grounds are out of the city limits, will be found employing his time asking somebody to bail him out of the county jail. A batch of blank warrants will be at the fair grounds, a magistrate on hand to issue them and two officers to serve them the minute you get on a jag and begin to make a scene with yourself you will be nabbed and run into the county jail, where you will appear in the City Court. It is against the state law to get drunk in public or use profane language in the presence of ladies, and the fair management not only expects but demands that those who attend the fair carry themselves in the bounds of law and decency. A half dozen plain clothes men have been engaged to keep a weather eye on any who may attempt to sell whiskey around the grounds, if any one attempts to sell anything intoxicating, he will be caught and arrested and sent promptly to jail. So our friends need have no worry about good order. Bulloch county people can always be depended upon to carry themselves in the proper manner.

Come out to the big fair. While it is gotten up hurriedly you will find it the best one Bulloch has ever had.

**TRANSPORTATION FACILITIES**—The different railroads entering the city have been asked to allow a reduced rate, which they will probably do. The fair grounds are close enough in for most people to walk. For those who want to ride a line of jitneys will be running between the court house square and the fair grounds.

### Speedy and Easy Riding

There's little comfort in most low priced cars. You can't use their speeds. They jostle you—they ride roughly—they don't hold the road.

The \$635 Overland is different. It is not only the speediest of low priced cars—

But you can use the full speed of its powerful motor when you need it.

It has long 42-inch, easy riding, shock absorbing cantilever rear springs. In addition the 75 B Overland is a longer car—104-inch wheelbase. And it has 4-inch tires.

Its smoothness and ease of riding at any speed would do justice to a much larger and heavier car.

Come in and let us demonstrate. That's the best kind of proof.

"Made in U. S. A."

which is a cooperative effort on the part of all denominations to improve Sunday School conditions and Sunday School workers. It advocates the latest and best methods of Sunday School work and stands only for those interests that are common to Sunday Schools of all denominations. The plans and methods suggested by this association are practical for all Sunday Schools, as they do not touch on church doctrines. The work is by way of suggestion, not by authority; therefore it helps many, it hinders none. The object is helpful and brotherly cooperation, not organic union. The officers of the Association are leading Christian business men of all evangelical denominations.

W. C. Parker, County President, Hinton Booth, County Secretary. The third annual Georgia Go-to-Sunday School Day, February 11, 1917. Special programs for Sunday Schools and advertising matter furnished free on application to the Georgia Sunday School Association, 1619 Hurt Building, Atlanta, Ga.

### MRS. HOMER C. PARKER

Mrs. Homer C. Parker, wife of Homer C. Parker, City Attorney, died at their home Wednesday night at 8:30 following an illness of some time which culminated in asthmatic poisoning and death ensued. Mrs. Parker was the daughter of E. K. Mallory of Macon who is now some where in Florida and it has been impossible to get in touch with him up to the hour of our going to press.

A brother, Mr. Nelson Mallory, and two sisters, Mrs. Jekate Lewis and Miss Martha were at the death bed of Mrs. Parker together with her husband and family.

Mr. Parker's sisters Mrs. Mathewson and Mrs. Skelton were expected to arrive during the day and being delayed efforts were made to have them detain at Millen and join the funeral party on route to Macon where the remains were taken Thursday for interment. Besides her family relatives in Macon, Mrs. Parker is survived by her husband, Homer C. Parker and three small children, Misses Martha and Helen and an infant boy six weeks old. Much sympathy is extended Mrs. Parker in his sad affliction by many personal friends and acquaintances.

S. & S. MAKES RATE TO STATESBORO ACCOUNT THE FAIR NEXT WEEK

Special rates are announced by the Savannah & Statesboro railway for the fair to be held in Statesboro next week. Tickets will be on sale from Nov. 21 with final limit to and including Nov. 26th at 4 cents per mile round trip.

The management of the fair present a page advertisement in this issue setting forth the attractions they offer. An extensive fruit display from Habersham county is promised showing five hundred bushels of the best apples in the world and a really meritorious agricultural exhibit is promised. Special poultry and live stock exhibits have been arranged for and these following immediately on the heels of the Georgia Products Day will be doubly interesting.

An absolutely clean and moral amusement feature in the nature of the usual Midway which is the customary jolly part of a county fair is of course one of the features and in this instance the management guarantee only clean wholesome shows and perfect order will be maintained in every department. While the exhibition is to be held outside of the city limits arrangements have been made for sufficient police protection to assure an exhibition devoid of rowdiness in any manner. A fireworks display will be given Wednesday night and arrangements

have been made for a line of jitneys to operate to and from the fair grounds at reasonable rates. The management state that while the fair has been hurriedly gotten up it will be well worth attending.

You have never seen a real auction sale until you see and hear the Penny and Thomas Brothers conduct a real estate sale. They will sell the Edmond Kennedy place in Statesboro Saturday. Brass band music on the side.

## HICKLIN

Will Make His Headquarters Hereafter for a Short Period at

THE ARLES PLANTATION  
AMERICUS, GA.

Where he will conduct a special live stock sale on about December 15. All Bulloch County People desiring orders may be supplied from there.

**HOUSES AND APARTMENTS FOR RENT**  
Very desirable houses and apartments for rent. Apply 43 South Main street. 10-19-4tc

**AVOID CHILLY ROOMS** in the morning by using Cole's Hot Blast Heaters. They prevent colds and sickness.

### WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, nervous sleep, irritability and various ailments. Leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take. Its rich nutrient gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol, drugs and poisons. Scott's Emulsion, New York, N. Y.

### VELVET BEANS

We want 1000 tons in bulk. Will buy them in any quantity at any station. See us. E. A. Smith Grain Co. Statesboro, Ga. 10-19-indfc

Your coal goes a long way when burned in Cole's Hot Blast Heaters. They are fuel savers.

### CHICHESTER'S PILLS

A lazy liver leads to chronic dyspepsia and constipation—weakens the whole system. Doan's Regulator (25c per box) acts mildly on the liver and bowels. At all drug stores.

## CHILD'S BONNET.

Solomon's Knot Stitch  
Makes a Fetching Topknot.

Use mercerized silk crochet cotton  
and steel crochet hook No. 6 or one a  
little coarser.

First Row.—Twenty-three chain, 1 tr  
in fourth ch from needle, 1 ch, 1 tr in  
next ch; repeat to end of ch, making  
20 tr in all; turn.

Second Row.—Make a chain stitch  
about a quarter of an inch long and  
work one double crochet in top of  
stitch in back thread close to needle  
and then another long stitch and one  
double crochet in back of thread of  
this, then one double crochet between  
first 2 tr of previous row. Repeat to  
end of row and turn.

Third Row.—1 long ch, 1 d c in back  
stitch near needle and repeat once,  
then insert the hook under the two  
threads of first loop and work 1 d c,  
then insert hook under second two  
threads of same loop and 1 d c and re-  
peat until you have 15 rows. You  
chain and turn.

Twenty-second Row.—Insert needle  
under first two threads of the first  
loop and make 1 d c, then under sec-  
ond two threads and 1 d c, 4 ch and re-  
peat this to end of row.

Twenty-third Row.—One long ch, 1  
d c in back of needle, repeat once, one  
1 d c under first 4 ch, another long ch  
and d c in back on Solomon's knot, one  
d c under same 4 ch. Repeat to end of  
row and turn.

Twenty-fourth Row.—Two Solomon's  
knots, one d c in first two threads of  
first loop, 1 d c in second two loops of  
loop. Repeat to end of row.

Twenty-fifth Row.—Same as 24th,  
then fasten off.

Now work around back of bonnet.

First Row.—Insert hook under the 10  
chain at corner of bonnet. Make 2  
Solomon's knots, one d c in knot along  
back of bonnet, 2 Solomon's knots, 1  
d c in first loop of ch. Repeat this un-  
til you come to center, then 1 d c in  
both holes to join them together and  
work to end. Two more rows of Solo-  
mon's knots stitch and finish off. Take  
2 yards of ribbon, run both ends up the  
sides of bonnet and tie in bow at top.  
The remainder of ribbon forms strings.  
This makes a lovely baby's bonnet for  
either summer or winter. In pink,  
blue or white silk linings can be worn  
inside for winter.

What Girls Are Wearing With Their

Motor Tops.

All summer maidens wore silk han-  
dkerchiefs over their rubber bath caps.  
This fall they are wearing them to pro-  
tect their hair from dust while motor-

PICTURESQUE TOPKNOT.

ing. They may be worn under caps  
and hoods, and dazzling effects are  
gained by no other headgear than their  
gay drapes.

## STRIPES FOR SKIRTS.

Lines Are Again to Be Long

Straight, Albert Full.

Taffeta and velvet skirts in one  
tone coloring are used for the skirts of  
some of the prettiest short evening  
frocks, and wide stripes in silver or  
gold and color are also liked. With  
these striped skirts, which call for lit-  
tle or no trimming, though they usu-  
ally show a softening frou-frou of tulle  
about the bottom, go new bodices  
chiefly of the tulle or chiffon, with just  
a little of the velvet or metal to re-  
peat the skirt note.

A successful model of this sort is a  
yellow and silver evening frock, whose  
taffeta and silver striped skirt is sur-  
mounted by a bodice of yellow tulle,  
silver embroidered and made with  
wide metallic lines dropping over the  
skirt top.

Another pretty model that departs  
but little from the traditions of the  
past season, though it is a trifle longer  
than the summer dress frocks by vir-  
tue of frills of tulle and is not widely  
distended, though very full, has an  
overskirt of apricot tulle. The bodice  
is of tulle and lace, and a narrow band  
of mole fur bordering the skirt front  
and sides is continued to form a girdle  
across the back.

Use Paper Clips.

When sewing long seams use wire  
paper clips to fasten the edges of the  
cloth together and no basting will be  
necessary. Turn up a hem the desired  
depth and place the fasteners at the  
bottom edge to hold it in place.

## KING OF SPAIN ORDERS FOUR MORE WILLYS-KNIGHT CARS

A highest compliment to American  
manufacturing supremacy was paid  
recently by Alfonso, King of Spain,  
when he ordered four Willys-Knight  
cars, two touring cars and two lim-  
ousines—through the European head  
quarters of the Willys-Overland Co.  
of Toledo, Ohio.

This order is all the more notable  
because of the fact that King Alfonso  
so ordered one Willys-Knight touring  
car last spring through his ambas-  
sador at Washington. This car, espe-  
cially equipped with wire wheels, was  
forwarded to him last April.

Reports from Madrid after the car  
had been delivered, indicated that his  
Spanish Majesty was highly pleased  
with his new purchase.

Yet no official word was received  
until the arrival the other day of the  
telegram from the European head-  
quarters of the company, ordering  
four more four-cylinder Willys-  
Knights, to be dispatched at the very  
earliest opportunity.

This royal endorsement of the  
Knight-motored car, manufactured by  
the Willys-Overland Company, can  
be taken as a supreme triumph for  
American builders of Knight-  
sleeve valve motors. Such a large  
single order means, without doubt,  
that King Alfonso considers the  
Knight-motored car, as made in To-  
ledo, Ohio, at least the equal in ac-  
complishments of the renowned  
Daimler, Panhard, Mercedes, Min-  
erva and various other European  
Knight cars that sell from \$4,000 to  
\$8,000.

## BABY DAD WHOOPING COUGH

Mother who have used Foley's  
Honey and Tar would not be without  
it. Mrs. Sam C. Small, Clayton, N.  
M., writes: "My grandson had  
whooping cough when he was three  
months old. We used Foley's Honey  
and Tar and I believe it saved his  
life. He is now big and fat. It is  
a fine thing to have in the house in  
case of whooping cough, croup,  
coughs, colds. The first doses help  
loosen phlegm, heal inflammation,  
clear air passages, stop racking  
coughs. Sold by Bulloch Drug Co."

## Colored.

Jones had just returned from his an-  
nual trip in his yacht and was recount-  
ing his experiences.

"I never saw such a storm in all my  
life."  
"Pardon me, my friend; since you  
saw the storm, no doubt you can tell  
us what color it was."  
"Certainly. The wind blew and the  
storm raged."—Chicago News.

## RUB-MY-TISM

Will cure your Rheumatism  
Neuralgia, Headaches, Cramps,  
Colic, Sprains, Bruises, Cuts and  
Burns, Old Sores, Stings of Insects  
Etc. Antiseptic Anodyne, used in-  
ternally and externally. Price 25c

## Cause and Effect.

The man with the unbarbered hair  
sauntered into the editorial presence  
while the office boy wasn't looking.  
"I have a little poem here," he be-  
gan, "and I thought perhaps—"  
"Good!" interrupted the busy editor.  
"Have a chair, please, while I write  
you an order on the cashier for \$20."  
Whereupon he of the uncut hair drop-  
ped dead.—St. Louis Globe-Democrat.

We are making a special \$1.25 of-  
fer of a year's subscription to the  
The News and to four standard  
magazines. This offer is open to all  
new or old subscribers. By subscrib-  
ing to the news you get \$1.35  
worth of magazines for only 25 cents  
extra. The magazines are all high  
class and will make a valuable addi-  
tion to the library of any home. We  
want to call your attention also to  
the free dress pattern that is given to  
each subscriber.

# Loans on Land

Loans over \$2,000.00 with straight title made for a Life Insurance  
Company at 5 1-2 per cent interest for five years, with privilege  
of paying part each year. We make loans of any amount at low  
rates.

## Points About Planting An Orchard

T. M. McHatten, Prof. Horticulture,  
Ga. State College Of Agriculture.  
Orchards should be planted in Geor-  
gia before Christmas, though they are  
sometimes planted later. Get the  
plants delivered about the last of No-  
vember. When they arrive heel or  
bank them till ready to set out. This  
is done by digging a trench on the  
north side of a hill or house, putting  
the roots of the trees therein and cov-  
ering them.

Peaches and trees that grow to sim-  
ilar size should be set about 20 feet  
apart each way, pears twenty-five feet  
apart; apples 35 to 40 feet apart and  
pears 50 feet apart.

Dig a hole about two feet square  
and two feet deep, peens 3 to 4 feet  
deep. Put the top soil and some well  
decomposed barnyard manure, or a  
pound or more of cottonseed meal or  
bone meal in the bottom of the hole  
mixing well. Prune off all twisted and  
broken roots from the trees, set in  
center of the hole and begin to fill  
with top soil. Pack down thoroughly  
as the dirt is being thrown in. Fill  
higher than the surrounding surface.  
The tree will show how deep it has  
been in the nursery. Do not set in  
the orchard more than one inch deeper  
than that.

After planting, prune the tree back.  
Peaches should be left from 1 foot to  
18 inches and apples 15 inches to 2  
feet high.

Varieties for Georgia.

It is impossible to give a list of  
fruits adapted to all sections of Geor-  
gia. The following varieties will, gen-  
erally speaking, be found to do fairly  
well:

Apples:—Yellow Transparent, Red  
Astrachan, Brilliant, Kinard, Ben Da-  
vis, Stayman Winesap, Terry, Yates  
and Winesap.

Peaches:—Mayflower, Greensboro,  
Carmen, Wadell, Hilley, Elberta, Lem-  
on and Stinson.

Pomegranates:—Large Sweet, Span-  
ish Ruby and Acid.

Pecans:—Alley, Bradley, Stewart,  
Schley and Teche.

Pears:—Kieffer.

Plums:—Abundance and Wild  
Goose.

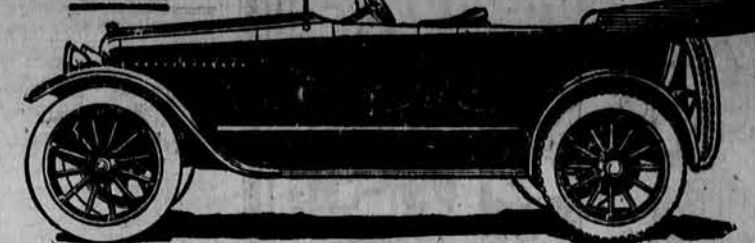

Grapes:—Diamond, Ives, Delaware,  
Niagara, Concord, Diana and Scupper-  
non.

Figs:—Lemon, Brown Turkey, Ce-  
lestial and Green Ischia.

Strawberries:—Lady Thompson,  
Aroma, Klondike and Missionary.

Short courses are to be offered by  
the College of Agriculture to the  
members of the boys' and girls' clubs  
who attend the Southeastern Fair at  
Atlanta.

# GRANT SIX

## The Public Demanded 20,000 Grant Sixes This Year

BUYERS caused Grant production to jump to 20,000 cars  
because of the fact that the Grant Six is without question  
one of the greatest automobile values of the year.

Knowledge of intrinsic features increases  
daily. Opinions are decided about even the  
seemingly unimportant details of auto-  
mobile construction. You know what you  
want in a car.

The tremendous, sweeping success of the  
Grant Six is based solely upon national  
recognition of extra values. It has the  
looks, the strength, the power, the ease  
of riding you want. It is moderate in price  
and costs little to operate.

Come and see the 1917 Grant Six before  
you buy any car and look it over care-  
fully. Check up details of construction.  
You will understand quickly why buyers  
forced the production of 20,000 of these cars.

We believe it offers the biggest dollar's  
worth of good automobile for every dollar  
of its price.

Come and check us up.

## These Features Hint Grant Value

Nowhere else can you find a five-passenger SIX with Overhead Valve motor; Full  
Floating Rear Axle—True Cantilever Spring Suspension—Wagner Two Unit Starting  
and Lighting System, Willard Storage Battery, Kemy Ignition, Stromberg Carburetor,  
Stewart Vacuum feed with 12 gallon tank in rear—and every feature YOU want in  
YOUR Six—for \$825.

Five-Passenger Touring Car or Three-Passenger Roadster, \$825; Three-Passenger Cabriolet, \$1050

## Selecting the Laying Stock

WM. S. DILTS, Poultry Instructor, Ga.  
State College of Agriculture.

When young pullets are large  
enough to be put in the laying house  
for the winter, the whole flock should  
be gone over and the poorest birds  
culled out, fattened and marketed.

Select only strong, vigorous birds,  
culling out any sick birds, weaklings  
or cripples. Only birds of good size,  
fully matured and of high constitu-  
tional vigor should be kept over.

The bird with high constitutional  
vigor is always alert and active in her  
movements. She seems to be content-  
ed and happy. Such a bird should  
have a broad, deep, well-developed  
head; bright, clean, anapop eyes; a  
short, well curved beak; well colored  
face, comb and wattles. The body  
should be broad and deep for the  
breast, with a full, well rounded breast.

Her shanks should be stocky, with legs  
set well apart. Her toes nails should  
be short and straight, showing that  
she is a worker. The best layer gen-  
erally has the best appetite. She goes  
from the roost early in the morning  
in search of food and remains at work,  
scratching until late, after the loafers  
have gone to roost.

EVANGELS OF GREATER  
AND BETTER GEORGIA

That the county farm agent is the  
hope of Georgia farmers in combatting  
the boll weevil and saving agriculture  
in the state from decay, is eloquently  
voiced by President C. J. Haden of the  
State Chamber of Commerce, who de-  
scribes the county agents as the  
"Evangelists of a Greater and Better  
Georgia." President Haden is very  
anxious to save the tenant class of  
farmers from the disasters of the boll  
weevil. The county agents, by hold-  
ing group, or field meetings, of farm-  
ers in every community, has oppor-  
tunities that is possible for no one  
else to have, for helping the tenant  
farmers through the distress that con-  
fronts them. Such meetings are be-  
ing held and have been held for sev-  
eral years, and Georgia's tenant class  
of farmers has been prepared for the  
boll weevil as probably the tenant  
farmers of no other state, whose  
counties which do not have county  
agents, of course, are not so well pre-  
pared.

Malaria or Chills & Fever

Prescription No. 100 is prepared especially  
for MALARIA or CHILLS & FEVER.  
Five or six doses will break any case, and  
if taken then as a tonic the Fever will not  
return. It acts on the liver better than  
Colonel and does not gripe or sicken. 25c

## DIRECT YOUR STEPS TOWARD THIS DOOR!

SAVING is hard, you say. You have had a pretty good year, you  
admit. But you think your expenses are heavy, and, anyway, it's  
just next to impossible to put a surplus in the bank. YOU'RE  
WRONG. Saving is EASY—if you develop the habit and stick to it.  
Start your steps in the RIGHT direction—toward the doors of this bank.  
Walk in your own footsteps REGULARLY. You'll soon have formed the  
BEATEN PATH of saving that will lead you to SUCCESS.
