> HOW ONE WOMAN WON Her Health and Strength Back

Again by The Use of Cardui. Tampa, Fla.—In a letter from this city, Mrs. E. C. Corum writes: "I was all weakened and worn out with womanly troubles. My husband brought me some Cardul as a tonic, and, from the first day, it seemed to help.

I had almost lost my reason, but, thanks to Cardul, I did not. Soon, I felt and looked like a new woman. I think the remedy is wonderful. I recommend it to my friends, for I have received great benefit from it."

Cardul acts specifically on the weakened womanly organs, strengthening the muscles and nerves, and building them up to health.

It helps to refresh the worn-out nervous system and relieves the effects of overwork, both mental and physical. Fifty years' successful use fully prove the merit of this purely vegetable, tonic remedy for women.

In every community, there live some

In every community, there live some who have been benefited by Cardui. The boneficial effects of this time tested woman's remedy, soon show themselves in many different ways. Try it.
