She Is Just Away

You cannot say, you must not say
That she is dead. She is just away!
With a cherer smile and a wave of the hand
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there;
So think of her faring on, as dear.
In the love of there as the love of here;
Think of her still as the same, and say,
She is not dead, she is just away.
