Feel no guilt in laughter; he’d know how much you care.
Feel no sorrow in a smile that he is not here to share.
You cannot grieve forever; he would not want you to.
He’s hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared.
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
will suddenly recapture a time, an hour, a day,
that brings him back as clearly as though he were still there,
and fills you with the feelings that he is always near.
For if you keep those moments, you will never be apart
and he will live forever locked safely within your heart.
