

Eagle Executive Exchange

Connecting the Eagle Executive Network

The purpose of the Eagle Executive Exchange events is to connect our alumni and encourage doing business with other Eagles. It is an opportunity to get together with other members of your local business community who graduated from the College of Business – a time to get to know each other, exchange business cards, ideas, and stories about your days at Georgia Southern. We want the Eagle Nation to understand the importance of this idea and how it increases the value of all Georgia Southern degrees.

These events are open to all Georgia Southern University College of Business graduates and business owners. ID will be required at each networking event.

You may RSVP to an event by sending an email to: rsvp-coba@georgiasouthern.edu
