MEMORANDUM

TO: Armstrong Faculty, Staff, and Administration
FROM: Dean Adams *JVA*
DATE: May 9, 1990

I want to bring to your attention the special lecture by Dr. James Anderson and Dr. Olavi Arens at 12:30 on Thursday, May 17, in the Fine Arts Building (Room 132 or close by).

As many of you know, Dr. Anderson was sponsored by the College to go on a cultural exchange visit to Soviet Georgia last month for about two weeks. He will be presenting some of his fascinating observations and findings about Soviet Georgia and will outline cultural exchange possibilities for Armstrong personnel. He will also present some audio recordings of Georgian music, etc.

Dr. Arens has made repeated trips to the U.S.S.R. in recent years. As many of you know, his academic expertise incorporates the history of that part of the world.

Both individuals will field questions from the audience and will provide specific information on inexpensive opportunities to travel and tour in that part of the world. Anyone associated with the College is welcome to attend.
