TO: Dr. Patricia Humphrey, Chair, Senate Executive Committee

FROM: Bruce Grube, President 

DATE: November 7, 2005

SUBJECT: **October 25, 2005, Faculty Senate Recommendation**

---

Following review of the recommendation adopted by the Faculty Senate at the October 25, 2005, Faculty Senate meeting, as provided in your memo of November 4, 2005, I have approved the motion presented to the Senate to form an ad hoc committee with the following charge:

1. Examine the current state of student evaluations (the administration says there have been problems.) How prevalent are these problems, and do they warrant a change in administration?
2. Examine the advisability and methodology of the mode(s) of administration.
3. Organize a statistical validity and reliability study - what are the constructs we want measured? How does our current instrument measure these?
4. Meet with the "on-line" task force to investigate what the potential advantages/disadvantages of an on-line administration might be.
