TO: Dr. Vaughn Vandegrift, Provost and Vice President for Academic Affairs  
FROM: Bruce F. Grube, President   
DATE: February 23, 2001  
SUBJECT: October 24, 2000, *Bylaws* Revision Action of the Faculty Senate

Following receipt of the Faculty Senate's recommendations at the October 24, 2000, Faculty Senate meeting, I approved the Faculty Senate's recommendation that the Campus Life Enrichment Committee (CLEC) no longer be governed by the Faculty Senate, but that "CLEC remain structured similarly to the way it is structured now, but be a University committee reporting to Academic Affairs."

By action of this memo, and keeping the Senate's recommendation in mind, I am requesting that you review the current composition of the committee, its management, and implement such actions necessary to continue its efficient functioning as a University Committee. Please arrange a mechanism that will assure that I am kept informed of any significant issues that might arise in the deliberations of this committee.

The composition of CLEC as it appeared in the *Bylaws* (prior to January 2001) and the current membership through August 2001 are provided below.

- c. address other specific questions in this area that may be requested by the Senate Executive Committee.

**Membership.** The CLEC Executive Director (shall serve as a staff member employed by the Provost and Vice President for Academic Affairs), Chair, one Senator, three faculty members with primary teaching and research/artistic interests in the fine arts or performing arts appointed by the Senate Executive Committee, one elected faculty member from each college and the library, a member of the Student Government Association, and a number of students (including the Student Government Association representative) equal to the number of faculty members.
