Dear Ann.

I am herewith enclosing three books that are not in our library and I am sure will be useful to the Parasitology Staff & Students. Please consider it a donation - Thanks Dr Mauz

- (1) Tropical Nematology  
by Dr Grover C. Smart Jr  
& V.G. Perry
- (2.) Distribution of Plant Parasitic  
Nematode Species in North America  
by Society of Nematologists.
- (3) An illustrated Guide to the Marine  
Nematodes by Armen Charles Tarjan  
Univ of Florida Press.
