Dear Acquisitions Librarian:

A few years ago my wife and I gave over a hundred books for the Irish collection in your library. I have now found some additional materials in my library that may be of interest to scholars interested in Irish studies. I am shipping them to you under separate cover.

The shipment is a diverse collection of books, pamphlets, miscellaneous files and clipping from some years ago. The materials cover a wide range of topics, but one never knows where a scholarly hunt may lead one.

In any case, I hope they may be of some value to your Irish collection. I know that some of the monographs and pamphlets would be difficult to locate in this country.

Sincerely yours,

A handwritten signature in cursive script that reads "Gordon F. Streib".

Gordon F. Streib
Professor Emeritus

P.S. Professor Frederick Sanders was Director of the Irish Program when I was last in touch with your University. Greetings to him, if he is still at GSU.

P.P.S. Copy to Prof. Sanders. I learned he is still at GSU.
