Sue, thanks again for your help in adding the Persico Collection to Henderson Library! These books will be really useful.

Matt Newberry brought them over this afternoon. As you suggested, we'll add the book plates reading "Persico Collection." And as I mentioned before, we usually also add a longer note in the library catalog record, such as:

"Persico Collection. Gift of the estate of Dr. V. Richard Persico, Jr., through Dr. Sue M. Moore, 2009."

We can modify this any way you like, and we can also add more text to the book plate if you decide to do so.

I'll work with Matt on double-checking the journal issues that are still in Carroll, to see whether there are any we need.

Thanks!
Jonathan
