BLUE DEVILS WIN A DOUBLE HEADER HERE THURSDAY NIGHT, DEC. 6

Statesboro High School won a basketball double-header from Savannah High School at home Thursday night, December 6. The boys knocked off the Sylvania 46-21, behind the scoring of Jack Paul and Jackie Smith. Each scored 11 points. Eddie Boddiford was high for the visitors with 10.

In the girls' game Brenda Scruggs led the Statesboro girls with 18 points. Rita Royal led the Sylvania girls with 15.

MARVIN PITTMAN HIGH RAMS DEFEAT SAVANNAH COUNTRY DAY HORNETS

Marvin Pittman School's highly rated quintet scored its victory in four tries by edging the Savannah Country Day Hornets, 48-45, in a hard-fought thriller in Statesboro Friday night, December 7.

Led by center Burt Stills, who sparked on defense and set a 16-point scoring pace, Pittman dashed into a lead early in the second quarter and never was headed again.

The ultimate winners couldn't pull away and leave the hustling visitors, however. At halftime, the Hornets trailed by only 22 and, after three periods, Pittman held a two-point lead, 35-33.

Country Day was the first quarter leader, 14-13. That was the Savannahians last lead of the night. The defeat was their second in four contests.

GSC Eagles win 2 of 3-game series

Georgia Southern College, with five players whipped Stetson University in Deland, Fla., 82-75, for the Eagles' second successive victory.

Mike Rickard paced the Eagles with 26 points and was followed by Fran Florian and Don Adler each with 16 points. Burton and Terry Woods split 22 points.

Bill Hester topped the Hatters with 20 points and Bobby Paschal trailed with 17.

The Eagles scored to a 44-41 halftime margin and never relinquished the lead.

Georgia Southern commanded the backboards grabbing 50 rebounds as compared to 37 for the Hatters.

Grooms was the individual rebounding leader with 17 rebounds. Florian scored 10.

The loss was the first of the season for Stetson after two triumphs. GSC has yet to lose in two starts.

Georgia Southern romped to its third straight victory in Winter Park, Florida, Friday night, December 7, downing Rollins College 71-51.

Florida and freshman Mike Rickard paced the GSC squad, with Florian recording 19 points on nine field goals and one free throw.

Rollins jumped into the lead at the opening of the game, taking a five-point advantage over the visiting GSC squad with two field goals and a free throw by Phil Hurt.

But the point advantage lasted only seconds. GSC bounced the ball for an 11-5 edge on field goals by Florian and Don Adler.

Rollins never was in contention again. The GSC squad moved a 39-23 advantage at halftime with coach J. B. Seacore substituting freely throughout the game.

During the second period Seacore gave his freshman squad a real work out, putting five of the frosh on the court in place of the varsity netmen.

Rickard, a 6-3 player from Evansville, Ind., had his second big night. He scored 26 points against Stetson. Added to his other earnings he now boasts a 20-point average for the three games.

Butch Hearn led the Rollins team with 14 points, while Hurt scored 13.

A towering Tampa University basketball squad jumped to an early lead and turned back several Georgia Southern threats to claim a 51-34 triumph in Tampa, Florida, Saturday night, December 8.

Big John Pellegrino sank 23 points to lead the Tampa charge, and Fran Florian buck-

eted 24 for the Eagles.

E. G. Meybom and Don Adler each got 10 for GSC. Mike Rickard hit 14, and John Burton had 15.

Following Pellegrino on the Tampa side of the ledger were Chuck Andrews with 16, Richard Burke with 10, and George Shary with 21.

Florian sank five straight field goals late in the second half to pull the Eagles within four points, but the tall and talented Tampans gradually pulled away.

Georgia Southern was out-rebounded, 43 to 37, with Meybom pacing the Eagles with six.

GIFT FROM ABOVE

By MAUDE BRANNEN
In the little town of Bethlehem where Ruth gleaned and David tended sheep the Christ Child was born.
With His Advent came Hope, hope for a darkened, ignorant, sin-sick world. Slowly as the piece of coal becomes a diamond, and bit by bit as the acorn grows into a mighty oak, hope grew.
Hope brought Love, the kind of love called philanthropy, which is a fulfillment of the Christ's command: Love thy neighbor as thyself.
Love, in her turn, brought Light.
The day spring from on High hath visited us.
To give light to them that sit in darkness in the shadow of death.
To guide our feet into the way of peace.
Sometime, in God's good time this heavenly anthem will burst forth into a Grand Hallelujah Chorus which will rock Heaven and Earth.

Wish We'd Said That

"Everyday now and then go away, have a little relaxation, for when you come back to your work your judgment will be surer, since to remain constantly at work will cause you to lose power of judgment. Go some distance away, because then the work appears smaller, and more of it can be taken in at a glance, and a last of love called philanthropy, which sounds like reason enough for all of us to start getting out the cruise schedules. Meanwhile—between now and sailing time — a few chuckles may help out a bit.
Television is a truly remarkable invention. The same set that puts you and your wife to sleep keeps the neighbors awake. — The Reminder Enterprise, Cudahy, Wisconsin.

Words That Comfort

Read Luke 2:8-20
Blessed be the Lord God of Israel: for he hath visited and redeemed his people, and hath raised up an horn of salvation for us in the house of his servant David; as he spake by the mouth of his holy prophets, (Luke 1:68-70.)
Zacharias, the father of John the Baptist, thus spoke of Jesus a few months before the Redeemer's birth. The hour of the merciful visitation was soon to come. "The day spring from on high" would soon rise over the world.
It is an event neither unexpected nor unforeseen. "In thy seed shall all the nations of the earth be blessed," the Lord had said to Abraham. Christ's coming will be the accomplishment of that promise, "his holy covenant; the oath which he sware to our father Abraham."
In our planning to celebrate Christmas once more, we shall miss the point of it all if we do not seek the true meaning of the holy testimony. We need the spirit of Jesus in our souls so that "the great dawn" may rise up clearer for us and lead our steps onward in the way of peace.
PRAYER: O Lord, we thank Thee for sending Thy Son to us. We pray that "the day spring from on high" may rise upon more and more persons to illuminate and redeem them from perversity and wickedness. Grant us peace; through Christ. Amen.
THOUGHT FOR THE DAY
Christ's coming becomes most meaningful to those who admit Him into their hearts.

On the square

By DR. JOHN MOONEY

Last Thanksgiving afternoon we made a short trip to Tennessee. In nearly every town along the way the sparkling lights of Christmas were burning. Store windows glittered with revolving, illuminated trees. Rows of reindeer pulled Santa Claus sleds across traffic lights. Mammoth red and white striped walking sticks angled out from power poles. Vari-colored lights in the form of a giant star twinkled atop a city water tank. Everywhere the very air was filled with the beginning suspense of our great festival season.
We felt a certain excitement in anticipation of Christmas until the thought suddenly occurred to us that Thanksgiving was not yet over.
"And we asked ourselves, 'What happened to Thanksgiving?'"
"Where did it go?"
"His the glamour of Christmas stolen from our most important national holiday some of its significance?"
By logical extension there was another thought.
"Has the true meaning of Christmas become secondary to the glamour... and prosperity... of the season?"

In a discussion the other day a friend of mine said, "People seem to think that Christmas has to be buy, buy, buy, or spend, spend, spend. They say they are doing this in order to give. They don't seem to realize that buying and spending are not necessarily related at all."
"The Thanksgiving - Christmas season is a period when we ought to think about gratitude. We should have in our hearts a feeling of humble gratitude for life and love and things like."
"If we really feel this way, then the presents we give to others will not be a mere exchange of articles carrying hidden dollar marks. The wagonloads of merchandise delivered to the poor will not be gratuitous bestowal on the 'have-nots' by the 'haves'.
"They will truly be gifts of the heart, material symbols of affection and understanding and love which on this Earth can be shared only by one human being with another."

The Christmas Card Is Here To Stay

The world's first greeting card was the majestic message of the Angel to a group of humble shepherds on a hillside near Bethlehem.

Today, just as Christmas Carols are sung the world over to express the Christmas joy in our hearts, Christmas cards are sent to express good will toward our fellow men.

The first Christmas Card was designed in 1843 by John C. Horsley, R. A., for Sir Henry Cole, first director of the Victoria and Albert Museum, London, England. In 1846, one thousand copies were lithographed, hand-colored and sold.

On the walls of many homes of the 1880's hung colorful "chromes" lithographed by Louis Prang. This Boston lithographer published America's first Christmas card in 1875. Soon Prang cards were world-famous, and he was holding \$3,000 prize competitions for new card designs. These cards, now valuable museum pieces, were often elaborately decorated with fringe, tassels, satin, plush or blown glass.

In 1868, the designs of a 22-year-old London art student, Kate Greenway, started a brief trend to storytelling cards. The activities of wide-eyed, elaborately dressed children, such as the ribboned and ruffled little girl, were the usual subjects. A story about the child often appeared on the back of the card.

During the early 1900's, however, the entire concept of Christmas cards changed. Elaborate creations were avoided. The message became the important thing and illustrations were minor. Some cards were "Christmas letters" to which

Jorge Correa Taborda Bids A Fond Farewell to GSC

By JOHN TOSHACH

Student member of the George-Anne-Ann Staff newspaper at Georgia Southern College

"Goodbye to every-day. Thank you for the pleasant moments that I have had here. A special goodbye to the teachers who have set good examples of scholarship and dedication to me. I owe my future to the Georgia Rotarians and the Georgia Southern teachers and bid them all a fond farewell."

These were the closing words of Jorge Correa Taborda in an interview recently. He had said also that he wished to bid the warmest farewell to the families that have had him as a guest in their homes. He added: "The love that I have for this country exists because of these families."

After having completed four years at the University of Antioquia, Jorge was chosen for a scholarship that was originally among many high school teachers in Antioquia, Colombia to come to the United States to study. He said that his intention in coming here was to better himself and by so doing better his country through his education.

When Taborda returns to Colombia, he will be the only person in Antioquia who will have a Master's degree in education.

Asked why he chose America, Jorge said, "I consider the United States to be the greatest country in the world today." He went on to say that he believes that there is a definite relationship between the greatness of our country and the educational system used therein. He also said that the ideals of America are very close to those of his own country.

After completing his study at the University of Antioquia, Jorge received a Licentiate of modern languages. In order to earn this degree, Jorge has a speaking and writing knowledge of five languages.

Concerning the English language, he said that this language could be the hardest or the easiest language to learn depending largely on what the individual wants out of the language. If one wants just a passing knowledge of the language, then English is the easiest to learn. If one wants to use the language for professional or business purposes, then it is the hardest to learn.

When asked about the work of the GSC Taborda said that the library could be considered the portion of the educational system at GSC that needs the most improvement. He went on to say that GSC exceeds his old Alma Mater in all other respects.

Jorge said that he has plans to return to the United States in the future in order to gain his Ph.D. at Florida State University.

One of the biggest differences between the educational system of the U. S. and the one of Colombia is that the U. S. is more democratic in the former. Jorge said that he believed that the democratic method was the most effective method of teaching.

Jorge stated that the most pleasant part of his stay in the U. S. was the quantity of the GSC Masquers, the concerts presented by the music department, and the friendship exhibited by the students and other persons on campus.

Taborda said that one of the purposes of the Rotary Club Scholarship is to establish ambassadors for the United States in foreign countries. He added that the friends that he has made here will enable him to accomplish this Rotary goal with the greatest ease.

After some thought, Jorge said, "If this boy of a girl can be considered a place, I find this the most beautiful place in America."

Jaycee basketball tourney at GSC is December 21-22

Statesboro Jaycees are preparing to offer another "first to Statesboro and Bulloch County, according to Ric Mandes, publicity director. A Bulloch County Basketball Tournament will be held on December 21 and 22 in the W. S. Hanned Buildings, Georgia Southern College, involving the four high school basketball teams of this county. Avant Edenfield, president of the Jaycees said, "In cooperation with the athletic department of Georgia Southern College we are pleased to offer this tournament. It will give the county an opportunity to see the boys and girls team vie for a title that should become highly respected within a matter of time."

Richard Stebbins, tournament chairman, met with the coaches and discussed plans for the meet. This meeting brought about such decisions as prices, \$1.00 per session for adults; fifty cents for students, advance sales, or seventy-five cents at the door. According to Mr. Stebbins advanced tickets may be purchased from any high school coach. The first game will be played at 6:15 p.m. with the last one starting at 8:45 p.m.

A strange Christmas custom in Finland is the annual Christmas Eve steam taken by the entire family. After the bath everyone is supposed to roll in the snow.

Dr. Clement Clarke Moore wrote his ageless poem, "Twas the Night Before Christmas," in less than an hour's time on December 24, 1832.

In Shakespeare's time, the Christmas Festival lasted for 12 days after Christmas Day. During this time little or no work was done, and there was much merrymaking.

Mighty Mite Blue Team is football champion

By TOMMY MARTIN

MIGHTY MITES
The Blue team showed on Thursday, December 6th, that the determination to win holds an important place on the football gridiron.

The determined Blues fought back after an early defeat to win the Mighty Mite double elimination contest. They met defeat in the first game of the contest at the hands of the Gold Team by a 14 to 7 score. From there they went on to defeat the Reds, hand the Golds their second defeat and then defeated the Green team two consecutive games for the Championship. The final game was a strong defensive battle as the game ended with the score deadlocked. But the Blues were able to push ahead in the penetration play-off in which each team was given the ball for four downs and the team acquiring the most yardage in those downs becoming the victor.

The Blue team was led this year by Ramee Lanier, Capt. and Tracy Lanier, defensive Capt.

Team roster: Ends, Tracy Lanier and Johnny Akins; Tack-

les, Russ Duncan and Richard Jones; Guards, R. B. Proctor and Fred Blitch; Center, Randy Waters; Halfback, Dan Van Horn and Hubert Powell; Defensive Back, Gene Groover; Defensive End, Strick Holloway.

TINY MITES
There was also a determined Blue team in the Tiny Mites league that went through their double elimination play-offs with no defeats. They went through the play-offs defeating the Red team in their first and final games and the Green team in their second game.

Al Deal was the Captain of the Blue and did a good job at the quarterback position. Other team members were: Hudson Powell, Marion Robbins, George Robson, Michael Ellis, Lawrence Lundy, Nicky, Terry Jackson, Tommy Alderman, Wallace Wiggins, Joe Keith, Brad Brady and Glenn.

Now that the football season is over for this year these participants are turning their interests to the basketball field, but they are remembering their success on the football field and anticipating another good year next season.

A 37-member Red Cross disaster team from the U. S. mainland is working with the Guam Chapter and the U.S. military in rehabilitation operations.

Guam and U. S. federal authorities are making long-range plans for necessary new construction. The Government is now supplying temporary housing for families who lost their homes.

ter has answered over 2,000 individual welfare inquiries which poured into Guam from all over the world.
