**Judge Renfroe hits citizen complacency**  
Judge J. L. Renfroe took swipes at citizen complacency, requests for use of convict labor, "unjust arrests" on U. S. 301 and the new Georgia registration law in his charge to the Bulloch County grand jury Monday morning.  
After naming W. H. Aldred, foreman of the April grand jury, Judge Renfroe made a short charge to the jury which he stated that he had become disgusted with too many of our officers who think they own the office to which they have been elected. The judge said this applies from the President and vice president on down to the state of Georgia. He warned that people have become too complacent.  
Judge Renfroe touched on the matter of using convict labor on private property and stated that in Bulloch County there have been requests that convict work be centered there. He said that convicts have no business there and called on citizens to stop making such requests.  
The judge also made reference to the new Georgia voter registration law and told the jurors that he did not believe any man on the jury could pass the test set up for voter requirements.  
Judge Renfroe called for the arousal of public opinion to stop unjust traffic cases on U. S. Highway 301. He stated that there have been no complaints in Screven and Bulloch counties but there have been complaints about counties below us.  
George M. Johnston, who with Robert L. Renfroe, a Pittman member of the Bulloch County Bar, read the memorial at the opening of the grand jury. The memorial was for a long time, was called the "first citizen" among members of the Bulloch County bar, had served as president of the Bulloch bar and the Ogeechee bar. Short talks were made by W. G. L. Renfroe, C. L. Lanier, Cohen, Anderson and Judge Renfroe.  
Following the organization of the grand jury and the memorial service, the court took up the civil docket with criminal matters set for Wednesday.

**Gary Franklin and Jimmy Cowart show champs at livestock show**  
Gary Franklin and Jimmy Cowart of Portal walked away with the Grand Championships in the Barrow Show and Fat Cattle Show last week here in Bulloch County.  
Gary showed a Yorkshire and Hampshire cross in the Barrow Show for the top prize of \$50.00, and Jimmy showed an Angus steer that took top honors and \$100 prize in addition to a \$15 prize. Both of the animals were excellent quality. The barrow grading, U. S. Choice No. 1, weighed 985 pounds, was sold to Robbins Packing Company for 31 cents per pound. The grand champion steer graded prime, weighed 985 pounds and was bought by Robbins Packing Company for 31 cents per pound.  
Reserve championships in the barrow show and fat cattle show were carried off by Huey Chester and Bobbie Joe Cason. Bobby Joe's steer was a Hereford weighing 1,025 pounds, grading prime. He received \$50 and \$15 in prizes and his steer was bought for 45 cents per pound by Johnny Harris' barrow of Savannah. Huey's barrow was a Hampshire, graded U. S. Choice No. 1, weighing 200 pounds and was bought by Robbins Packing Company for 31 cents per pound.  
This is a 105-piece band under the direction of Howard B. Swyers and for the past seven years has been selected as one of the top ten bands in Florida. The band is on tour playing at the U. S. Chamber of Commerce convention in Washington, D. C., at Annapolis Maryland; Walter Reid Hospital, Williamsburg, and other places.  
The program will include such famous band selections as the March of the Steel Man, Vincent Youmans' Fantasy, Tarranella (The Spider Dance), March for Americans, Dark Eyes, Teddy Bears Picnic, Old Black Magic, Relax, Londonberry Air, which will feature Ruth Haymond at the harp, and America, Our Heritage.  
Mr. Aldred points out that there is plenty of parking space at the motel for visitors to the concert.  
"This is a free concert—there will be no admission nor will there be special guests of the junior and senior class of the Statesboro High School at a reception at the Community Center.  
George Preston, brother to Congressman Prince Preston and Tom Preston, both of Statesboro, writes from West Palm Beach, Fla., this is a great band and deserves a good listening audience.  
Following the concert the band will be special guests of the junior and senior class of the Statesboro High School at a reception at the Community Center.

**Free outdoor band concert Saturday night**  
Walter Aldred today invited the people of this community to be the guests of the Aldred Hotel Court Saturday evening, May 3, at a special concert to be presented by the Palm Beach High School Band. The concert will be played on the lawn in front of the Aldred Hotel Court at 109 South Main Street and the public is invited to congregate and assemble on the patios and porch of the motel to enjoy the outdoor concert. The concert will begin promptly at 7:30 and continue for one hour.

The group has been on a tour of Georgia for their class trip. They visited Georgia Teachers College while here.

**Funeral services for David T. Beasley**  
Funeral services for David T. Beasley, 44, who died Wednesday, April 23, at the home of Dowdy Shuman in the Statesboro community, were held Friday at 3:30 p. m. at Lane's Primitive Baptist Church, conducted by Elder Howard Cox, pastor. Burial was in the church cemetery.  
Mr. Beasley was a farmer in the Statesboro community. He had been in ill health for some time. He is survived by his father, B. G. Beasley, Miami, Fla.; three brothers, Dennis, Miami, Fla.; James, Fort Stewart, and Logan Beasley, Savannah; three sisters, Mrs. I. W. Smoak, Savannah, Mrs. Charles Warren, Miami, and Mrs. Brownie Clements, Guyton.  
The funeral home was in charge of arrangements.

**Annual Fishing Rodeo at Robbins Pond set for Saturday, May 10**  
The Robbins Packing Company and the Statesboro Recreation Department today announced plans for the annual Fishing Rodeo to be held again this year at Robbins Lake on U. S. 80 West of Statesboro. The popular annual event has been scheduled for May 10 at 10 a. m. This year contestants will not have to register in advance but will register at the entrance gate as they report to enter the contest.  
The contest will be open to all boys who are residents of the Coastal Empire and who are in the second through the seventh grades but have not reached their 14th birthday. There will be a host of prizes which will be presented to the winners of the various categories.  
The full list of prizes and the breakdown on classifications will be announced in the next few days. The prize list already includes fishing equipment, sports equipment, cash money, swimming passes, and a host of other prizes.  
Prizes will be awarded to the angler landing the first fish after the starting gun is fired at 10 a. m. Other prize classifications already announced are awards for the largest bass caught, the largest bream, the largest catfish, and the most fish caught. Other classifications will be announced.  
Some three hundred contestants and spectators were on hand last year to witness the event and were guests of the Robbins Packing Company for one of the famous hot dog lunches. This year all persons attending the contest will be invited for lunch at 11:30 a. m.  
The gates will open at 9 a. m. for registration and parents are urged to accompany the contestants. There are no charges or fees involved.  
The contest is open to all white youth living in the Coastal Empire.

## Bloodmobile to be here May 5; County quota set at 225 pints

Mrs. Kermit R. Carr, chairman of the Bulloch County blood bank program announced today that the Regional Bloodmobile will be in Statesboro on Monday, May 5, from 1 to 6 p. m. at the Recreation Center for its regular visit for collection of whole blood.  
Mrs. Carr stated that Dr. Buster Deal, representing the medical staff of the Bulloch County Hospital is acting as co-chairman for this bloodmobile visit.  
Dr. Deal stated that the medical staff of the hospital is completely in accord with the present blood program and emphasizes the need for the local blood bank.  
Mrs. Carr stated that the local committee handling the blood bank has been notified by the Regional Blood Bank that Bulloch County must improve its position if it is to maintain its status as a blood bank in the regional program.  
Bulloch County has drawn 1,992 units of blood from the regional blood bank in Savannah since January 1, 1955 through February 28, 1958, while contributing only 1,054 units.  
Dr. Deal emphasizes the point that the blood program in this community is "The People's Blood Bank, not the hospital's blood bank, not the doctor's blood bank, but The People's Blood Bank."  
A general appeal is going out to citizens of this county to sign up around the blood program and become donors on Monday of next week to help meet the quota of 225 units.

**Shields Kenan, president of the Statesboro Rotary Club, presented Dr. Henderson to District Governor James A. Wood, who in turn presented the nominee to the district assembly.**  
In special ceremonies Tuesday morning of this week at the General Ogilthorpe Hotel in Savannah, Dr. Zach Henderson, president of Georgia Teachers College, was presented to Rotarians as their district governor nominee for Rotary District 692 of Rotary International.  
Shields Kenan, president of the Statesboro Rotary Club, presented Dr. Henderson to District Governor James A. Wood, who in turn presented the nominee to the district assembly.  
A highlight of the ceremony was the escort made up of past presidents and their Rotaryans to the Statesboro club in October of last year and he became the nominee without opposition in the district which includes thirty-five clubs in the eastern half of Georgia. He will be officially elected district governor at the Rotary International Convention in Dallas, Texas, June 1-5. He succeeds Dr. James A. Wood of the Sea Island, Georgia Rotary Club.  
Dr. Henderson is a charter member of the Statesboro club and served as president in 1944. He has served on the club board of directors and various committees of the club.  
From 1927 to 1948 he served as Dean of Georgia Teachers College and in April, 1948, he became president of the college. That same year he was awarded an honorary L.L.D. degree by Piedmont College. He received his Masters Degree at Columbia University.  
In the community Dr. Henderson has served as a Methodist conference lay leader and has served as president of the South Georgia Conference Board of Education. In the field of education he serves as liaison officer in the American Association of Colleges for Teacher Education and for nine years he was chairman of the Georgia High School Accrediting Commission.  
He is married to the former Miss Marjorie Clark of Eastman. They have three children, Gene, age 27; Mary, age 22; and Ann, age 12.  
Mrs. Zach Henderson was presented to the present district governor by Mrs. Kenan, wife of the Statesboro Rotary president.

**Lions Club to sell brooms and mops May 7-9**  
From Wednesday, May 7, to Friday, May 9, the emphasis will be on mops and brooms in Statesboro. The Lions Club will conduct a house-to-house selling campaign to raise funds for their sight saving committee.  
"Mops and brooms may not sound very exciting," says Lion Kermit Carr, chairman of the sales drive, "but they mean a lot to the blind people who make their living from them."  
The household items are purchased through the Georgia Factory for the Blind, a state agency, which manufactures blind-made products. Brooms and mops are two of the principle products of blind workers.  
A general appeal is going out to citizens of this county to sign up around the blood program and become donors on Monday of next week to help meet the quota of 225 units.

**Marvin Pittman P.T.A. installs new officers**  
Mrs. Carl Franklin, past president of the Marvin Pittman P.T.A., installed the new officers and to the members of the organization, when she installed the new officers. The new officers installed were: President, Mrs. Frank Proctor; vice president, Mrs. Clem Rial; secretary, Mrs. Jim Spires; and treasurer, Mrs. Roy Kelly.  
Mrs. Emmett Scott, outgoing president, was in charge of a short business meeting, after which she thanked the outgoing officers for their cooperation and support. She also had words of encouragement for the new officers and pledged them their support.  
Dr. Zach Henderson, in his words of inspiration, gave some thought-provoking reason why we appreciate children.  
The eleventh and twelfth grades were host to the occasion. The attendance prize was won by the fourth grade.

**THOMAS EDWARD JOHNSON MAKES HONOR ROLL AT VANDERBILT**  
Thomas Edward Johnson, son of Mr. and Mrs. J. B. Johnson, 129 College Blvd., Columbia, S. C., announced recently at Vanderbilt University. The Honor Roll consisted of arts and science students whose grades for the first semester contained quality point averages of 2.0 or higher. In Vanderbilt's grading system, an "A" average earns three quality points, a "B" two, a "C" one and a "D" none.  
He is married to the former Miss Marjorie Clark of Eastman. They have three children, Gene, age 27; Mary, age 22; and Ann, age 12.  
Mrs. Zach Henderson was presented to the present district governor by Mrs. Kenan, wife of the Statesboro Rotary president.

**B.&P.W. Career Day draws over 600 youth**  
Over 600 juniors and seniors from the Department of Labor, moderated the program on stage prior to individual and group sessions with participants and students. Miss Hopper, whose work is sponsored by the Statesboro Business and Professional Women's Club in cooperation with the Georgia Department of Labor, presented the program. Participants on the program were given questionnaires by the local employment office of the Georgia Department of Labor and asked to make a first and second choice of various professions and occupations. ### Let's fill the People's Blood Bank May 5

The volunteer citizens who head the Bulloch County Blood Bank have received "the word" from the Regional Blood Bank in Savannah that our participation in the Regional Blood Bank is in jeopardy.

But on Monday, May 5, we have an opportunity to improve our status when the Regional Bloodmobile will be at the Recreation Center from 1 p. m. to 6 p. m. for its monthly collection of whole blood in Bulloch County.

According to the records furnished the local blood bank Bulloch County has used 1,092 units of blood during 1955, 1956, 1957 and through February, 1958. During the same period Bulloch County has contributed only 1,054 units.

And to add to the woes of the local citizens who have accepted the responsibility of the blood bank the 1958 Red Cross fund drive is more than \$2,500 short of the county's quota of \$4,600. And is from the Red Cross funds that part of the blood collection by the Bloodmobile is dependent.

To the average person the set-up for collection, the administration, the use and credits is complex and difficult to understand. But this they have to know—the blood program in our county is about to be lost to us.

### The time must come

Those who notice things are now pointing out that Zetterower Avenue is becoming a principal traffic artery with more and more citizens using it.

Since it is a direct route from U. S. 301 those people who work out at the Rockwell plant and live in Edgewood Acres use it. There are many who attend the college and who teach at the college who make it their principle route. And many of the parents whose children attend the Sallie Zetterower School use it. And of course those people who live in that section of the city use it.

And those who notice it comment on the constant need of repair which exists on the section between Jones Street and the railroad.

The time is now and Zetterower deserves major consideration. The time must come when the section between the Pembroke Road and U. S. 301 be hard surfaced if it is to serve the needs of the city.

### Scholarships for GTC

The Statesboro Rotary Club joined the growing list of groups in our community which is offering scholarships to deserving students in our county to assist them in realizing their ambition to attend Georgia Teachers College.

Last week the Rotary Club here announced that they are offering two scholarships, one to a boy and one to a girl.

Applications may be secured from the high school principals in the county and must be in by May 10. Applicants will be considered on the basis of scholarship while in high school, expressed intention to make teaching a profession and financial need, together with other factors.

We commend the Statesboro businessmen who are coming to the aid of deserving students in their desire for higher education.

A beauty show

All those who attend the Spring Flower Show on Wednesday of last week agree that it was the most beautiful exhibition of what the flower growers, flower arrangers and vegetable gardeners in Statesboro are doing.

The show had outgrown the Statesboro Regional Library where its past shows had been held and this year was held in the gym of the Statesboro High School. And with normal growth the show in years to come might have to depend upon the new gym at the college.

It took only a glance to recognize that the ladies of the several garden clubs in Statesboro and Bulloch County had knocked themselves out to put on the best show ever held here.

And if you think only sissies grow and show flowers you better not let J. Brantley Johnson, Hugh Arundel, Edgar Godfrey, Jimmy Hodges and the other men-folk who entered their roses, iris, tulips, strawberries, spinach, asparagus, et al, hear you.

And it is to these to whom the city of Statesboro owes its lovely look.

And so to the Bulloch Council of Federated Garden Clubs we toss up our spring hat high into the air and say, "well done!"

### This Week's Meditation

By The Rev. L. E. Houston Jr.

#### WHY JOHNNY CAN'T READ

AMERICAN JUSTICE received another blow this week. The news did not come from the normal outlets of communication such as television, radio, or the newspaper. Instead it was heard from a Columbia University professor who has been teaching in that institution since 1917.

DR. ARTHUR GATES is perhaps the most outstanding specialist on reading in this country today. This past week he lectured four times at Georgia Teachers College, and in one of his lectures he upset us with some telling statistics. (This is where our American prestige comes in.)

A survey of reading habits among the nations of the world, reported Dr. Gates, pointed up the following facts:

Seventeen per cent Americans were reading some sort of book. Fifty-five per cent Britons were reading some sort of book. Thirty-one per cent Canadians were reading some sort of book.

Thirty-five per cent Germans were reading some sort of book. This is enough for us to see that we Americans are not only troubled with spunkies and munks, but we are also behind on our reading. And Dr. Gates explored for us several reasons why this might be true.

#### BUT, PERHAPS

the most irritating reason is that parents have failed to provide the environment and the attitude toward reading that would instill in their children the desire to sit down with a book.

We are in the midst of an over-anxious interest in education. Someone wrote a disturbing sometime ago entitled—"Why Johnny Can't Read."

While we who are parents are trying to fix the blame, it is being laid within to see if we are capable of throwing stones at schools, teachers etc. Dr. Gates insists that parental direction and home environment plays a large part in the development of reading habits in our youngsters.

The grand old man from Columbia isn't a minister of the gospel, but he surely emphasized some things for which the ministry has been contending.

## The Editor's Uneasy Chair

THERE ARE a lot of us who are proud to call Statesboro and Bulloch County our home. But not one of us is more proud than Mrs. Mamie Hall Porritt, who is home visiting her sister, Mrs. Esten Cromarrie, and her family and friends in Statesboro and Bulloch County. She is living in Bradford, England, but still calls Statesboro her home.

Thursday afternoon she was given a personally conducted tour of Rockwell's plant here by Joe Lombard. She and Joe found a lot about which to talk, for Joe spent some time in England during World War II.

"Mamie," as she is affectionally known by all of her friends, finds her home completely fascinating. "The change is fantastic" is the way she puts it—"but there is still that old Statesboro and Bulloch County feel here."

THE HEATHER MAN turned on the heat here last Thursday and it got hot as a fire cracker. But you'll not hear us complaining about how hot it gets—we keep remembering that long hard winter we had recently.

FOR THOSE who are interested and have not taken the time to stop and read it, here is the information on the new historical marker recently erected on the northwest corner of the courthouse yard by the Georgia Historical Commission.

THE MARCH TO THE SEA On November 15, 1864, after destroying Atlanta and cutting his communications with the North, Maj. Gen. W. T. Sherman, U.S.A., began his destructive campaign for Savannah—the March to the Sea. He divided his army into two wings. The left wing (14th and 20th Corps), Maj. Gen. W. H. Slocum, U.S.A., moved east from Atlanta in two columns which converged on Milledgeville, then marched on Savannah by two routes: the 14th Corps (Davis) on the old road along the Savannah River, the 20th Corps (Williams) via Springfield. Both Corps approached Savannah via Milledgeville, The Right Wing (15th and 17th Corps) Maj. Gen. O. O. Howard, U.S.A., marched South via Jackson and Gordon and crossed the Oconee River at Blair Ferry. The 17th Corps (Blair) then moved via Toccoa on roads south of the railroad until opposite Burton (Midville), crossed the Ogeechee River, and

moved via Millen and the railway, destroying enroute. The 15th Corps (Osterhaus) moved via several roads to Summerville (Summerton), from which place two divisions moved near the river on the old Savannah Road and two via Statesboro.

On December 4th, Hazen's and Smith's divisions, 15th Corps, camped at Statesboro and Woods and Crose's near Mill Ray (9 miles northeast). Next morning, both columns moved toward Savannah, the 15th Corps by the old road, the 20th Corps by the new road. Both columns were begun.

The "Jack's" Bridge mentioned on the marker is the Jenk's Bridge we know. It was during this "March to the Sea" that the Bulloch County Courthouse was burned. This fact has been established by an entry in the minutes of the Ordinary of Bulloch County who managed to save the records and held court in his home for a while.

FARMERS TO GET SOME PLANTING DONE Farmers here have had the chance between rains to get some peanuts and corn planted and most of them have set, or are busy this week setting to, hacco. Now they are wondering how they will be able to keep the grass and clover from out growing the peanuts, with the rain every few days. It is pretty risky to weed peanuts until they are up real good. Ordinarily weeding of peanuts begins as soon as they start coming up good. But if the rain comes on the place where the weeder runs it will cover the peanuts and they won't come out.

PICNIC The members of the Stilson Presbyterian Church are planning to go to Hilton Head Beach for a church picnic on May 10.

VISITORS Mr. and Mrs. Joe C. Cribbs and children, Barbara and Vickie of Savannah, spent Saturday with Mr. and Mrs. H. N. Shurling, who have tried time and time again to present these facts to the people of America in a manner which will alert the parents in every hamlet in every state in order that the time might be turned.

IN A RECENT report Mr. Hoover pointed out that gangsters who are still active in the major crimes which are committed in the United States each year. This is an astounding report, yet the American people seem content to have these criminals given lighter probated sentences, returning them to society and more criminal activity in just a short time.

### Harville and Pulaski Churches hold joint baptismal services

Harville Baptist Church and Pulaski held a joint Baptismal Service Sunday afternoon at Calvary Baptist Church in Statesboro. The Rev. Inman Gerald of Metter is pastor of both churches.

RECEIVED. The American Legion Auxiliary held its monthly meeting Tuesday, April 22, at the Legion Home. Nineteen members enjoyed a delicious supper, after which Mrs. Marie Boatman, president, presided over a short business meeting. One important item discussed was Girls' State.

Each year the American Legion Auxiliary sends a girl to Girls' State from one of the high schools in Bulloch County. This year she will be selected from Marvin Pittman High School.

Girls' State is a practical application of the duties, responsibilities, and privileges of American citizenship. It is an effort on the part of the American Legion Auxiliary to provide for the girls of Georgia additional knowledge of the fundamental principles in American government.

The thirteenth annual Girls' State will open on the campus of Wesleyan College, Macon, Georgia, on Sunday, June 8, 1958.

Be it resolved, That we bow in humble submission to Him who never maketh a Mistake. That we extend our heart felt sympathy to the family and relatives and commend them to the divine guidance of Him who is able to lead them on to a more noble and up right life.

Resolved further, That a copy of this resolution be placed on our minutes, a copy furnished to the family, and a copy furnished to the paper.

You have our Prayers. MARY JACKSON'S FACULTY

ZETTEROWER-FUTCH VOWS EXCHANGED

Friday afternoon at 5:30 o'clock, in the presence of close friends and relatives of the families, Miss Judy Zetterower, daughter of Mr. and Mrs. Robert Zetterower of the Clito community and Rufus Futch of Statesboro, son of Mrs. Albert Futch and the late Mr. Futch, were married in a lovely ceremony performed by the Rev. Wendell Torrence, pastor of the Elmer Baptist Church.

The vows were spoken before an improvised altar in front of the living room fireplace in the bride's home. The mantel was banked with Easter lilies, white carnations and white gladioli interspersed with white candles. The fireplace and hearth were filled with massed gallery greenery.

Eloise Ware, soloist, accompanied by Mrs. George Kelly, sang "O Promise Me" and "Whither Thou Goest."

The bride wore a lovely blue linen sheath embellished with matching soutache braid with a voluminous bow of crisp tulle at one side of the slim skirt. She wore a white feather hat. Her corsage was of white orchids.

Mrs. Zetterower, mother of the bride, chose for her daughter's wedding a satin brocade dress in mingled grey, blue and pink, accented with vari-colored sequins. Her corsage was a purple orchid.

**RECEPTION FOLLOWS CEREMONY**

A reception was held following the ceremony. Mrs. McLondon of Savannah met the guests. At the dining room door were Mrs. Charlie Zetterower and Mrs. Willie Zetterower. The bride's table overlaid with a gorgeous white lace cover, over yellow satin, was centered with the four-tiered wedding cake embossed in white and topped with a miniature bride and groom flanked by silver candelabra holding white lighted tapers. At each corner of the table were white and yellow flowers and tulle forming double hearts, were used on the table.

The guests were served in individual wedding cakes, nuts, mints and punch. Assisting in serving were Mrs. Lloyd Hodges, Mrs. Willie Zetterower and Mrs. Inman Hodges.

Mrs. Rex Hodges was caterer and director of the wedding.

Later in the afternoon, Mr. and Mrs. Futch left for Clayton, Ga. for a brief wedding trip.

The bride is a graduate of the Marvin Pittman High School and attended Mercer University on Donaldson Street.

## THE BULLOCH HERALD

OUR SOIL \* OUR STRENGTH

By E. T. "RED" MULLIS Soil Conservation Service

The Ogeechee River Soil Conservation District, in order to be of greater service to cooperators has made two important steps recently. Over the past five or six years there has been a big demand for rental pipe to place in farm ponds. This pipe usually had to be ordered from Atlanta with much delay. The supervisors of the Ogeechee District, in regular session, voted to stock this pipe in Statesboro and Savannah for immediate use by cooperators. We now have plenty of pond pipe available in Statesboro and Savannah. Anyone desiring to use this pipe for any type installation should contact Paul Nessmith, local supervisor, or the work unit or district office here in Statesboro.

The other decision by the Board of Supervisors affecting cooperators in the Ogeechee District was to acquire two motor graders from the army at Fort Gordon. These motor graders will be used to build levees, waterways, level gulches, tear down old terraces, and construct V-type drainage ditches. The Board of Supervisors expressed deep appreciation to Congressman Prince Preston and the Soil Conservation Service for helping them get this equipment. Anyone desiring the use of this equipment may contact Paul Nessmith or my office.

MANAGE CROP Do not allow dairy cattle or animals being fattened for slaughter to graze or feed on treated foliage.

7. Harvest with a combine when the grain contains 13 per cent or less moisture, unless provisions for drying are available.

8. Good grain sorghum rotations are: (1) reseeded crimson clover, grain sorghum, reseeded crimson clover; (2) small grain, grain sorghum, winter legume, cotton; or (3) grain sorghum, winter legume, corn; (4) oats, crimson clover and/or ryegrass, grain sorghum, small grain.

PREPARE LAND WELL 1. Select land suitable for growing corn and prepare a good seed bed.

2. Fertilize according to soil test recommendations if possible. General recommendations are to use 300 to 500 pounds of 4-12-12 at planting. Side dress with 40 to 50 pounds of nitrogen per acre when plants are 8 to 12 inches tall.

3. Recommended hybrids and varieties are: RS 610, RS 650, Texas hybrid 660, Redwine 66, Redlan, and Martins Combine Milo. Combine Sagrain looks promising in the Coastal Plain. Where possible use certified seed. Treat seed with Arasan.

PLANT IN ROWS 4. Plant in rows up to three and a half feet apart. Seven to 10 seeds per foot of row will normally give good stands. If planted in a 36-inch row this rate will take 6 to 8 pounds of seed per acre. Cover seed one to three inches deep. Plantings made with a grain drill and not cultivated have generally failed.

Plant in April, May or June when soil moisture is adequate. Do not plant after June 15 in North Georgia.

CONTROL PESTS 5. Cultivate to control weeds and grasses. Corn cultivating equipment will do the job.

6. For disease control, treat seed, practice rotations, use resistant varieties. For control of caterpillars in the bud, use 20 pounds of the granular form of toxaphene per acre directed into the bud. For caterpillars in the head, use 15 to 30 pounds of 20 per cent toxaphene per acre. Make applications as early as possible to reduce possibility of residues on the grain.

Johnston grass control on non-crop land was even more effective. Johnson grass, treated with spraying grass with 5 pounds of dalapon per acre and repeating that spray seven to 10 days later.

Brooklet News Jessie Lu Clarke, Ginny Lee and Carlyle Lanier attend F.H.A. meet

By MRS. JOHN A. ROBERTSON

Miss Jessie Lu Clark, Ginny Lee and Carlyle Lanier, home-making students at South Bulloch High School, attended the Future Homemakers' State Convention in Atlanta last week.

Miss Clark, the district song leader, led the group singing. The three girls gave a skit showing the work they did on their F.H.A. school project, which was to have all of the students at Southeast Bulloch High take the Salk vaccine. This project was selected as an outstanding school and community project this year in the F.H.A. groups.

The students were accompanied to Atlanta by their advisor, Mrs. J. H. Hinton.

KIWANIS CLUB MEETS At the meeting of the Kiwanis Club last Thursday night, Mrs. John Proctor, a member of the faculty of Southeast Bulloch High School, presented her debating student, Miss Dorothy Lowe and Miss Ginny Lee, in a debate entitled, "Resolved: That Foreign Aid Should be Limited to Technical assistance and Disaster Relief." The business meeting was conducted by James E. McCall.

FUTURE NURSES MEET The members of the Future Nurses Club of Southeast Bulloch High School, at their last meeting, installed the new officers in a candlelight service, and each officer received her pin. Miss Loretta Boyd had charge of the meeting.

THE BULLOCH HERALD

DEDICATED TO THE PROGRESS OF STATESBORO AND BULLOCH COUNTY

BOARD OF REGENTS, UNIVERSITY SYSTEM OF GEORGIA TO MEET HERE MAY 13-14

The State Board of Regents of the University System of Georgia will hold their regular monthly meeting in Statesboro on Tuesday and Wednesday, May 13 and 14. Governor Marvin Griffin is expected to be present at the meeting.

The meeting is being held in Statesboro for the first time since the invitation of Mr. F. Everett Williams, member of the board from the First Congressional District.

The board members, in addition to Mr. Williams, are John Spooner, Second Congressional District; Howard H. Callaway, Third District; Robert O. Arnold, Fourth District; David F. Rice, Fifth District; Linton D. Bagg, Sixth District; C. L. Moss, Seventh District; James D. Gould, Eighth District; Morris M. Bryan, Ninth District; and W. Roscoe Coleman, Tenth District.

Members-at-large are Freeman Strickland, Mrs. William Healey, Quincy Melton, Carey Williams and Allen Woodall.

Expected to be present at the meeting are the officers of the Administration: J. H. S. Sims, director, plant and business operations; L. R. Seibert, executive secretary; James A. Blissett, treasurer and John Sammon Bell, attorney.

Meetings of the four committees, education, finance, building and grounds and research and extension will be held in the conference rooms of the First Federal Savings and Loan Association.

While here the Regents and their wives will be entertained by the Statesboro and Bulloch County Chamber of Commerce, the Three O'Clocks and the American Legion. Tuesday, Mrs. Everett Williams will be hostess at a luncheon and at a tea. Dr. and Mrs. Zach Henderson will entertain the group at their home on the college campus Wednesday noon.

Final plans for the annual Fishing Rodeo were announced today by the Robb Company and the Statesboro Recreation Department. All boys in the second, third, fourth, fifth, sixth and seventh grades are invited to participate in the popular contest. Boys who have reached their fourteenth birthday are not eligible.

This year the contest has been extended to include all boys in the Coastal Empire who are in this age group.

Rules for the contest call for all boys to furnish their own equipment which must consist of hook, line, pole and bait. Rod and reels and artificial lures may not be used.

Boys living in the Bulloch County area who are planning to enter the contest may obtain poles FREE at Newton's Tackle and Bait Shop at 366 Savannah Avenue.

There will be prizes for contestants, along with much fun for everyone who attends. The general public is invited to join in the annual event and to remain for a famous Robb Hot Dog Party at noon.

Parents of the contestants have a special invitation but may not give assistance to the contestant other than helping to prepare the tackle. After the hook is in the water parents must observe. Hands Off. Official judges will be on hand to see that all rules are strictly enforced.

The prize categories which are open to all ages are as follows: Prize for the first fish caught after the starting gun, prize for the largest bream caught, prize for the largest cat fish caught, and prize for the most fish caught.

All five winners will receive a season pass to the Memorial Park Swimming Pool. The prize list now includes a Pluger and Shakespeare rod and reel presented by Stubbs Hardware of Savannah, a famous Wilson Frank Thomas glove and ball presented by the College Pharmacy in Statesboro; a Brunson Reel and Ogechee Rod, presented by the Buggy and Wagon Company in Statesboro and some other prizes.

This year the prizes according to the age of the winners in order that the prizes may be appropriate for the contestants, organizations wishing to give prizes in the contest are asked to contact the Statesboro Recreation Department.

The contest will get underway promptly at 10 a. m. as Mr. Marion Robbins Jr. fires the starting gun. The gates will open at 9 a. m. for contestants and sponsors.

The Recreation Department will fully supervise all phases of the contests. Contestants will not be allowed to fish from boats or to enter the water at any time. Water safety instructors will be on hand to supervise the water safety rules.
