The 1959 phone book is the largest in the history of the company. According to Mr. Mathews it contains approximately 2,500 listings. There are more than 600 addresses, names and numbers changes in the new book. In making this announcement Mr. Mathews urged all telephone subscribers to destroy their old, 1958 book, upon receiving their new one.

Since the publication of the 1958 book more than 300 stations have been added to the local telephone system now serving more than 3,000 stations.

Mr. Mathews revealed the wide use of this section make of their telephones. During an average day more than 22,000 local telephone calls are handled by the automatic dial equipment. Every day more than 300 calls are made to the "formation" and approximately 1,200 long distance calls are made.

Customers in Nashville, Tenn.; Mountain Grove, Mo.; Vanhook, N. Y.; Los Angeles, Calif.; Chicago, Ill.; Miami, Fla.; and Dallas, Texas, were among those to request copies of the book.

"Out-of-town business firms find our telephone book a valuable source of information," Mr. Mathews said, "and for that reason much thought, preparation and work goes into the publication of the most used book in Statesboro."

Easter is a way of life

On Easter we celebrate God's mightiest act. Jesus of history emerged from an open tomb to become the Christ of the ages. Easter is the great divide of the centuries, the pivotal point of history. We sing about it; we shout about it, and well we might. For Easter is more than a day. It is a way of life.

Easter has to do with facts: facts of history, facts of personality, facts about God and about man's soul and man's destiny. Let us look at these facts.

1) JESUS OF NAZARETH LIVED. Born in a tiny town in an obscure province, He worked as a carpenter's apprentice, studied at the temple school, established himself in the town and at 30 set out for Galilee to preach the Gospel of the Kingdom of God throughout the whole province.

What He taught was above and beyond the men of his day. Men could neither understand Him nor explain Him, except to say that He was a life above all others. But men did not dispute that Jesus lived. That is a fact of history.

2) THAT SAME JESUS DIED. One Friday afternoon He was executed on a cross between two robbers. At the end of the ceremony, He was dead. Everyone was sure of it: Pilate, Caiaphas, the Pharisees, the soldiers, His sorrowing disciples and friends. The Scriptures reported His death, and it is amply corroborated in secular records. It, too, is an historic fact.

3) JESUS AROSE FROM THE DEAD. The life He laid down on Friday, He took up on Sunday. That, too, is part of the historic record.

Jesus appeared after the Resurrection on at least 10 occasions, more to more than 500 persons. No other event in 2,000 years is so thoroughly confirmed, in the New Testament and outside it, as the fact that the disciples were persuaded beyond the slightest doubt that their Lord survived death, that He walked and talked with them and that henceforth the divine mediation was to be through a living person identical with the Jesus they had known and loved in the flesh. The disciples were so persuaded of the reality that they never thought of proving it. They simply reported facts of personal experience.

To disprove the Resurrection, you would have to reproduce the circumstances and moods of His disciples and then conclude that Jesus did not come. What has happened when men have tried that? When they have learned His ways, listened to His words, assembled in a mood of expectancy, He has come out of everywhere into their experience "the same to-day as He was yesterday and will be forever." Historic record and personal experience combine to validate the reality of Christ's living presence.

4) THERE IS A FOURTH FACT. The Resurrection of Jesus released the greatest power in all history. The disciples, distraught and defeated on Friday were transformed on Sunday into lion-hearted heralds of the good news. They proclaimed no social theories, expounded no economic doctrines. They simply told the story of what God had done, that Jesus was "the power of God unto salvation by the resurrection from the dead."

The ancient world was reborn. Man achieved a new dignity, and justice and freedom spread across the world. And the facts of the Resurrection can remodel and refine our contemporary world. What Jesus was to His disciples on the first Easter, He may be to us today. The Apostle summed it up:

"Blessed be the God and Father of our Lord Jesus Christ, who according to His abundant mercy hath begotten us again to a lively hope by the resurrection from the dead, to an inheritance incorruptible and undefiled, that fadeth not away."

For where two or...

There is to be no community-wide Easter Sunrise Service this year.

A spokesman for the Bulloch County Protestant Ministerial Association stated that there will be no ministerial association sponsored Easter Sunrise Service this Easter as has been the custom for the past several years.

We are disappointed and we believe that there will be many others who will share our disappointment. We are aware of the difficulties which accompany such a service. There is the capricious character of the weatherman. We recollect past services when rain and cold discouraged the weak in faith and even some strong in faith.

We are aware that some take advantage of the special service and content themselves with attending it and bypassing the later service at their respective churches.

We are aware that attendance is something to make the members of the ministerial association wonder if the effort is worth the value the few derive from a community-wide Easter Sunrise Service. And we have the vague feeling that some who attend these special services, regardless of the weather, find it more satisfactory than being caught up on the "Easter Parade" atmosphere which permeates some regular morning Easter services.

Perhaps the answer is in each church holding its own special Easter Sunrise Service in its own sanctuary with its own minister bringing the glorious Easter message to its own members and others who may come to worship with them.

Deadlines on March 31

March 31 is a day of deadlines for many citizens of Statesboro and Bulloch County and Georgia.

And failure to meet these deadlines could be costly in many ways.

As of this morning, March 26, you have just five days in which to file your state and county tax returns with the Bulloch County Tax Commissioner, if you have not already done so. To secure your homestead and personal exemptions your return must be filed before March 31.

As of this morning, March 26, you have just five days in which to purchase your 1959 auto tag, if you have not already done so.

As of this morning, March 26, you have just five days in which to file your city tax return, if you have not already done so.

As of this morning, March 26, you have just five days in which to renew your Georgia drivers' license, if you have not already done so.

The ancient world was reborn.

THE LIGHT...

HIS FINEST HOUR

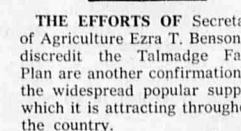

SIR WINSTON CHURCHILL, British statesman and renowned world leader, has written the story of the Second World War in six volumes. Volume II is entitled "Their Finest Hour," and depicts the British people at their best during the trying months of the Battle of Britain. More than once, the world has witnessed the rising of a nation of people to its full stature in its finest hour.

Tomorrow is Good Friday. Hence, again, we witness Jesus Christ at His best. His finest hour was not at Bethlehem's manger, or Nazareth's carpenter shop, nor even preaching the Sermon on the Mount. Rather, it was at Calvary. When we see Him hanging between two thieves, and hear again his words from the Cross, we whisper: "This is His Finest Hour."

THE SEVEN LAST WORDS of Jesus from the cross identify Him with God. His human limitations, and with us. Consider the first: "Father, forgive them, for they know not what they do," identifies Jesus with His profound teaching on forgiveness. His very first word from the cross is one of forgiveness for those who are responsible for his death. In the highest sense of the phrase, "He is practicing what He has preached." The spirit of hate is still terribly alive in the world, but because of Jesus there is an increasing sense of the need of forgiveness and reconciliation.

The saying, "Today, thou shalt be with me in Paradise," identifies Him with His teaching on eternal life with God. His promise—"Because I live, ye shall live also," removes the sting from death. The word "Today" denotes that it is a present

Herman Talmadge
Reports From
Washington

THE EFFORTS of Secretary of Agriculture Ezra T. Benson to discredit the Talmadge Farm Plan are another confirmation of the widespread popular support which it is attracting throughout the country. In speeches, statements and letters to newspapers Mr. Benson is endeavoring to counter the appeal of my plan for free enterprise farming bolstered by compensatory payments on domestically-produced basic commodities through the propaganda devices of smear, association and innuendo. Rather than discuss my proposal on its merits, he has endeavored to tie it with a false label of socialism and to relate it to the resurrected ghost of the so-called Brannan Plan. For example, in a recent speech he referred to it as "a long step toward a fully socialized agriculture" and in letters written to newspapers across the nation he called it the "Talmadge-Brannan Plan."

THE BENSON ROGUEMEN have no substance in fact. It is elementary economics that socialism is synonymous with nationalization or government ownership and control and the Talmadge Farm Plan which would free the farmer to plant and harvest as he pleases and new him the difference between the price he receives for that portion of his crop sold for consumption in this country and 100 percent of parity is the exact opposite of that. The label of socialism could much more ac-

The Editor's
Uneasy Chair

In our editorial column at the left of this page we write "Easter is a Way of Life." Here in our personal column is a prayer, which we believe can be a way of life also. We read it in Mark Pace's column, "Pipe Smoke" in the Dalton (Georgia) Citizen. He wrote that the prayer was adopted by Mrs. W. E. Mann, now residing at 1670 Aldatuna Place, S. W., Atlanta.

"I ask for Grace enough to listen to the tales of others' pains. Help me to endure them with patience. Teach me the glorious lesson that occasionally it is possible that I may be mistaken. Keep me reasonably sweet; I do not want to be a saint—some of them are so hard to live with, but a sour old human being."

Lord, Thou knowest better than I know myself that I am growing older, and will some day be old.

Keep me from getting talkative and, particularly, from the habit of thinking I must say something on every subject and every occasion.

Release me from craving to try to straighten out everybody's affairs.

Make me thoughtful, but not moody; helpful, but not bossy. With my vast store of wisdom, it seems a pity not to use it—all but Thou knowest, Lord that I am not.

"Woman, behold thy son..." Jesus with His human family. The first three sayings of Jesus deal with His thoughts of others. In the major crisis experience of His life he put others before himself. A tender thought—even when saving a lost world, he remembered his mother and made provision for her.

THE FOURTH cry from the Cross identifies our Lord with our human nature. This is often called the "cry of dejection." Here Jesus shares with our nature the grief and doubt that so often beset us. Had God forsaken Him? No! "For God was in Christ, reconciling the world through Him."

The human limitations of Jesus' earthly life come to the front again when from the Cross he cried, "I thirst." This cry is from one who claimed that "he who believes in Me shall never thirst." To secure the "living water," which He gives, he had to pass through a dry and thirsty land where no water was...

Perhaps one of the most thrilling words from the Cross is: "It is finished." It identifies Jesus with His plan of salvation for mankind. When the sky darkened and these words fell from his lips, the Scripture reports: "The temple veil was rent from top to bottom."

IT SEEMS TO ME that here in Bulloch County have been more men fortunate in having leadership which is an understanding of these basic principles which go into building of a good community. We have made great strides in the development of a well planned diversified economy which gives us tremendous strength even when one phase of it might become temporarily weak.

Over a period of many years there has been developed here in Bulloch County a farm program which makes our area stand out as one of the best farm regions in the nation. Our record in the matter of farm program is one which is the envy of many of the counties in our area.

EVERY PERSON who reads this column could think for a few minutes and name those who have given of their time and energy to make this story of progress in agriculture a true story. Many have joined to gether to help write this success story but as always there had to be leadership of top quality to lead the program here in Bulloch has had that leadership.

Realizing the need for a balanced economy there have been those who have worked tirelessly to bring to our area new industry. While this program has not moved as swiftly as some would hope, it remains a fact that tremendous progress has been made and we should be eternally grateful to those men who have played such a big part in bringing this industry to us.

ONCE OF THE really sad experience I have in my work is to see young men and women with great ability have to move into another area of the state or nation in order to find employment to support themselves. In Easter and its full meaning. It is a great feeling to contemplate heaven and eternal life, which has already begun. Of course, our little minds can not even grasp it. There are those who might feel that eternal life would be boring and dull. Has life ever been dull or boring? The Bible is so full of glorious things. Of course, it needs to be studied and a leader is helpful, but it is never dull. Has the world ever been dull? One could spend days watching one insect. A pair of birds building a nest could hold one's interest for days. One marvels how the earth is a marvelous thing.

is one of the crowning works of the devil.

Help me to extract all possible fun out of life. There are many funny things around us, and I don't want to miss any of them. Amen

CHRISTMAS is a season of great rejoicing and celebration of the birth of a baby, almost two thousand years ago. But Christmas without Easter would have no more meaning than the birth of a baby without the resurrection of Christ. The Easter Season is a time for gratitude to God for the gift of Himself to mankind. Man, groping around in darkness, knowing that there was a power greater than himself had conjured all kinds of gods to worship from the beginning of history. But these gods were man-made and were no more.

GOD REVEALED Himself to man through Christ. Christ lived and died for us. He is the only perfect life (for God is Christ). Man could understand God through Christ. He with human nature could now place our faith in a real, living personal God with all His Power. The life of Christ with all its glory would have been quite empty had His death on the cross been the end of Him. Instead He arose from the

dead, and promises to each of His followers who have faith and belief in Him that they too will have victory over the grave, and eternal life will be theirs. In I Corinthians, 12-19, we find these verses: "Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? But if there be no resurrection of the dead, then Christ is not risen: And if Christ be not risen, then is our preaching vain, and your faith is also vain. Ye are yet in your sins. Then they also which are fallen asleep in Christ are perished. If in this life only we have hope in Christ, we are of all men most miserable."

But praise God, we believe Christ has risen, Hallelujah!

TOBACCO GROWERS: Treat early...
and be ready to plant any time

START WITH NEW
D-D SOIL FUMIGANT
...will not clog injection nozzles

Treat with new D-D Soil Fumigant early—clean out nematodes, and be ready to plant when the weather says "go!" New D-D Soil Fumigant is a clean, clear liquid... will not clog equipment. It flows freely for easier, more uniform applications. You can apply D-D Soil Fumigant directly to the soil with conventional gravity-flow or pressure-feed tractor attachment. In the soil, it becomes a penetrating gas which kills harmful nematodes as it spreads. This season make every leaf count for bigger profits. Knock out nematodes with new, easy-to-use D-D Soil Fumigant. It's available from your pesticide dealer. See him today!

ETERNAL LIFE with God, the Creator, the Maker of Heaven and Earth, the Personal God of Man could never be dull or boring. Because of Easter we now have reason for faith that we can shed our old bodies and gain new ones at death. Christ has risen, Hallelujah!

DO NOT CURRY FETED ON FIFTH BIRTHDAY

On Saturday, March 14, Don Curry, son of Mr. and Mrs. Gene Curry, had the time of his life as his mother assembled his friends at the Recreation Center to celebrate his fifth birthday which was really March 16.

Excitement in movies, in games, like drop the handkerchief, farmer in the dell, and London Bridge is falling down, delighted Don's playmates. The children were given color books and crayons and in a twinkling they were on the floor busy creating purple cows and emerald sun sets.

Party guests were Randy Anderson, Bob Aldred, Becky Baldwin, Ladia Barnes, Lanier Brannen, Meg Collins, Dick Curry, Pam Dodd, Gail Foy, Kitty Godbey, Gayle Johnson, Beth Jones, Judy Hodges, Nancy Hodges, Steve Hodges, Lavada Hotchkiss, Pratt Lockwood, Gail McMillen, Kayberry Narramore, Elton Trappnell, Kathy Wall, Ann Weaver, Jim Wynn, and Don Youngblood.

"FATHER, INTO Thy hands I commend my spirit," identified Jesus with His God. Hounded from countryside, he had tried to teach a handful of men to be his disciples. One of them betrayed Him, another denied Him, none of them understood Him, and they all ran away. Then this "Father, into Thy hands I commend my spirit," is this cry of surrender? Not a thousand times! No! The sayings of Jesus from the Cross do not end in defeat in victory!

In early Christian art is shown a crowned king on the Cross, fighting His last battle, and driving His foes before Him.

Nothing had gone wrong! Something now is eternally right! This is the cry of confidence resting in the providence of God.

So, we, resting in the same confidence, can move through Holy Week to the glorious Easter Day, assured that what happened on the Cross identifies our hopes, and our eternal life, the Savior with us—our destiny. It was, and is, His sins, our need of forgiveness, Finest Hour!

What do we mean by
Ford "DOUBLE VALUE"?

1. It can mean the beginning of a new life... in a car especially built for people! Everywhere, the 59 Ford is recognized as the World's Most Beautifully Proportioned Car. Yet many people are just now discovering that Ford is beautifully proportioned made as well as out.

2. All of your passengers—including the "men in the middle"—get full-cushioned ride, full head room, full leg room. Every seat has full-depth springing and cushioning in a Ford. And all seats are high enough so you and all your passengers sit normally, ride relaxed and comfortably!

3. You and everyone who rides with you can keep both go... can wear and leave with ease. Ford door openings are extra wide. And front doors stay open when you want them to, thanks to Ford's exclusive 2-stage door checks.

4. You get a full-sized roof which shades all passengers from the sun. You get a full-sized, easy-to-reach trunk, too! Everyone has a roof over his head in a Ford. And there's no need to stand on tiptoe to load Ford's trunk!

5. It can mean tremendous savings—right from the start. Because Ford is built for savings, too! Check the price tag, you'll see! Ford is priced lowest of the most popular three. And that's just the beginning of Ford savings.

6. You can expect to save as much as \$1 on every tank of gas... go more miles between oil changes! Whether you choose a Six or Thunderbird V-8, both standard Ford engines thrive on "regular" gas—saving you up to a dollar a tankful. And with Ford's standard full-flow oil filtration, you save on oil changes, too.

7. You can forget about waxing the Diamond Lustre Finish. It'll never need it! While many cars offer finishes which need waxing frequently, Ford's brand-new Diamond Lustre brings you a true no-wax finish.

8. And you can expect Ford's new aluminum muffler to last twice as long! Why not get the full Ford savings story this week. Once you do—and hear our double-value deal—we bet you, too, will want to join the big saving to the \$9 Ford.

Bill Thornton, Kermit Newman named softball team managers

ROCKWELL SOFTBALL TEAM PLANNED

Last Friday, a number of employees interested in softball met and elected W. M. Thornton team manager and Kermit Newman assistant manager. Plans are being made to begin training preparatory to the opening of softball season.

Participating in Friday's meeting were Barney Williams, Everett Wilson, Lavonne Deal, Bill Hutchinson, Glenn Rittenhouse, Kermit Newman, William Bussey, Allen Beasley, Donald

Wilson, Howard Helmut, Harold McNeire, Bill Hall, W. M. Thornton, Al Allen, Level Turner, Tommy Jones, Charles Addison, Carl Hutchinson and Billy Phillips. From this group Rockwell anticipates a season of good ball playing.

DANCE PLANS FORMULATED
The Rockwell Employee's Activity Committee has announced plans for a dance at the plant for April 11. Bingo, food and prizes will be on the entertainment list. Hours will be from 8:00 to 12:00. All employees, their husbands, wives or dates are invited.

BASKETBALL TEAM CLOSING SEASON

The basketball team ended the season with a steak supper at Robbins Pond House last Friday night. Present were Kermit Newman, Donald Wilson, Lavonne Deal, Lowell Turner, Tommy Jones, W. M. Connor and Johnson Black.

After looking over all the errors made by the team, by eliminating the close games, and making allowances for the referees, it was conceded that Rockwell had a pretty good team.

BROWN AND DONALDSON TO TRAIN FOR TIME STUDY

Donald Brown and Donald Donaldson were recently promoted to study trainees in the local Rockwell plant according to General Manager W. M. Connor. Mr. Connor also announced that a number of other employees were upgraded as a result of the shift of Brown and Donaldson.

A grinder operator in the machine shop since September, 1957, Mr. Brown was with the Coca-Cola Company prior to coming to Rockwell. His education was acquired in the Swainsboro school system and in the Army. He and his wife, Joanne, reside at 3 East Kennedy Avenue with their three children.

Donald Donaldson, son of Mr. and Mrs. Cecil Donaldson, Route 5, began working with Rockwell in September, 1957 as a crater in the shipping department. He is a long-time resident of Bulloch County and a 1957 graduate of Statesboro High School.

FHA holds meeting at Southeast Bulloch

By Mrs. John A. Robertson

Thursday, March 12 was the date for the Southeast Bulloch FHA meeting. The president, Ginny Lee called the meeting to order.

Anne Cromley, program chairman, introduced the guest speaker, Miss Betty Lane from Georgia Teachers College. She gave an interesting talk on possibilities with home economics training, Business and Industry, and Government Service.

It was interesting to find out just how many careers are available in home economics. All the members thoroughly enjoyed having Miss Lane as a guest.

The group enjoyed refreshments served by Carol Godbee, chairman, Rebecca Brannen, Joanne Collins, Delores Davis, Ruth Gillenwater, Kay Hendrix, DeJores Williams, Sherry Lanier, and Mary Dean Sikes.

Among friends here who attended the funeral services of Tom J. Kennedy at the Manassas Methodist Church last Friday afternoon were Mr. and Mrs. Joe Ingram, Mr. and Mrs. William Cromley, Mr. and Mrs. W. D. Lee, Mrs. Hoke S. Brannen, Mrs. John C. Proctor and Mrs. Hamp Smith.

Mr. and Mrs. Elliott Brunson and two sons of Aniston, Ala., were in town for a short time and will soon be at home.

We also regret to learn that Billy's father-in-law's house was destroyed by fire.

WELCOME GEORGIA FEDERATION OF WOMEN'S CLUBS

THE BULLOCH HERALD

DEDICATED TO THE PROGRESS OF STATESBORO AND BULLOCH COUNTY

Coastal Empire group plans to meet here

"We have a three or four-month jump on other development groups in the Coastal Empire and I don't want to lose it," Statesboro Mayor William A. Bowen said at a meeting in Savannah on Wednesday, March 25.

Bowen, chairman of the area development group formed in Statesboro in February, brought together the group's executive committee at the Savannah Chamber of Commerce.

The South Carolina and Georgia members of the committee decided to request help from leading technical organizations in the two states to survey the economic resources of a 16-county area straddling the Savannah River.

Speaking for their areas were Bowen and J. Brantley Johnson of Statesboro, J. D. Kicklighter, mayor of Greenville; Bernard Warsaw, merchant of Walterboro, S. C.; J. K. Bodford, Savannah; Joe Ward of the Savannah Chamber of Commerce served as secretary. Frank Hood of Georgia Power Company, took part as advisor.

Hood said, "I think you have the best setup out there for the progress made by groups in the state so far. A number are being formed. One moving fast on organizing now covers the Brunswick-Waycross area."

"The quicker we meet," on the survey planning, "the better the cohesion of the group," said Warsaw.

The executive committee has tentatively scheduled an April 8 meeting in Statesboro with Abit Massey, secretary of the Georgia Dept. of Commerce; J. W. Fanning of the University of Georgia Highway Dept.; L. S. Moody, recently appointed by President Eisenhower to a study committee on river basins; Col. Robert H. Barr of the U. S. Army Corps of Engineers; Dr. Ken Wagner of Georgia Tech; and H. Guyton Delach of the Georgia Forestry Commission.

A cordial invitation is extended to the public to attend the evening programs, which will be found elsewhere in this week's Herald.

First Baptist revival still in progress

Revival services are in progress at the First Baptist Church this week with Dr. Paul S. James of New York as the guest minister and Jack Buice as song leader.

The services will continue, twice daily, through Sunday night, April 5, except there will be no Saturday morning service.

There will be a service on Saturday night beginning at 8:00 p. m., with the emphasis on Youth. The entire service will be planned with young people in mind. Special music for the service will be furnished by the song leader and the inspirational message will be given by Dr. James.

The revival began last Sunday with unusually large attendance on all of the services. The Sunday School registered the second highest attendance on record for Easter.

Next Sunday, April 5, has been designated as High Attendance Sunday for both Sunday School and Training Union in the church. Jimmy Gunter, superintendent of the Sunday School, announced that a goal of more than 800 has been set for Sunday School. The Training Union goal is 175, according to Carl Boyd, Director of the Training Union. Dr. James and Mr. Buice will conduct the services through next Sunday night.

The local radio station is broadcasting the services both morning and evening for the benefit of the shut-ins and others who may not be able to attend in person. The public is cordially invited to attend any or all of these services.

MRS. E. L. BARNES, PRESIDENT OF GFWC

Mrs E. L. Barnes says 'Welcome' to GFWC

History repeats itself and again the Georgia Federation of Women's Clubs is holding a state convention in Statesboro on April 7-8-9.

As in 1941, Statesboro people are going "all out" to make this a memorable occasion. I would like to express my sincere thanks and deep appreciation to the presidents of the two local Women's Clubs and to all who are assisting in any way to make this a successful meeting.

It will be one of the highlights of my two years as president of the organization to have the clubwomen from all parts of the state meet the folks in my home town. It will be a special pleasure to have those who were here in 1941 return and see the growth which has taken place in the town "Where Nature Smiles and Progress Has the Right of Way."

A cordial invitation is extended to the public to attend the evening programs, which will be found elsewhere in this week's Herald.

Mr. Carl Bishop, president of the convention states that he expects a large attendance of visiting singers from every section of Georgia. He invites every lover of gospel music to come to Nevils. Mr. Bishop invites those who are interested to come to Friendship Baptist Church northwest of Statesboro on Saturday night before, where there will be a Saturday night sing.

The Bulloch County Singing Convention will hold its first semi-annual meeting of 1959 on the first Sunday in April at Nevils School auditorium.

Committee chairmen for the annual Spring Flower Show will be held Wednesday, April 22, at the Statesboro High School gymnasium, have been announced by Mrs. E. A. Thompson, general chairman of the 1959 show.

"Magic Days of Spring, Featuring Roses" has been selected as the theme for the show.

Of special interest to flower exhibitors will be the invitation class which is termed "Gardener's Day." A complete schedule of the classes will be published later.

More than 250 delegates expected at GFWC convention here April 7-8-9

Statesboro Woman's Club president says 'Welcome' to GFWC members

To the members of Georgia Federation of Women's Clubs, Statesboro Georgia: Dear Club Members:

As president of the Statesboro Sr. Woman's Club I am happy to be given the opportunity to say "Welcome" to Statesboro through the medium of this newspaper.

We know you must think that Statesboro is a wonderful city—your acceptance of our convention invitation is proof of that. The fact that your State President resides here is another proof.

We want you to feel at home during your stay and know the people of Statesboro welcome you and The Red Carpet is out.

We hope your stay in our city will be the happiest convention yet. We hope you will find something to remember and take home with you.

So, on behalf of the Sr. Woman's Club, I welcome you to our Convention. Learn a lot, laugh a lot and come back.

Sincerely, Marianne Bowen (Mrs. J. E.) President, Statesboro Woman's Club.
